

Nitzavim – 9/24/22
The Ones Standing:
Deuteronomy 29:10–30:20.

- I. The message of this Parsha has traditionally been one focused on the generation whose parents had died off during the 40-year wilderness excursion. As their survivors are gathered prior to crossing Jordan, Moshe reminds them of the Covenant embraced by their Fathers and now presents to them, the Commandments of Torah and offers them a choice regarding the same Covenant. With these caveats: If they are willing and obedient it will see them blessed. If, however, they violate YHVH's Torah they can expect curses instead. Therefore, those 'Standing' here at the boundary of Canaan waiting to access their inheritance are about to hear some striking revelation! Prepare in kind, because you're about to hear some things that no other Pastors outside of Remnant and Manna are able to share with you! With this in mind...

Prior to moving forward, as a matter of transparency, let's look into the title of the Parsha – Nitzavim – **נִצְבִּים**. We are going to look beyond the traditional 'religious' garments applied to this Parsha and see how coming out of "The Wilderness" i.e. Egypt and attaining the Promised Land as an inheritance relates to the current scenario in our day: Vis a vis - Coming out of Babylon and accessing a legacy that is rightfully ours!

Have you ever heard: 'As the Church goes, so goes the World'? Then Pay close attention to the following!

At the risk of upsetting your religious paradigm, let me specify something. This has ABSOLUTELY NOTHING to do with the prosperity message of the Charismatic Church whose entire platform is built upon the largesse or bounty of the same ROMAN/BABYLONIAN SYSTEM that rewards the few (Televangelists, Prophets, Apostles, Pastors) and enslaves the masses! Let me clarify and perhaps anger some pastors: Every message exiting out of a "Church" built upon a 501-c3 foundation expresses ideals that are not inherent rights, rather, they are cloaked in the garb of "licensed by" or "permitted by" and as such are only a token privilege that can summarily be taken away at the whim of the STATE! Sadly, these Pastors deliberately, ignorantly or by acquiescence, enslave their congregations and wholly acknowledge the STATE as their SOVEREIGN LORD – NOT YHVH! **These same refer to the Torah as 'law'...and indeed it is! Maybe we should Pay attention and look for the coming 'Lawful terminology'! Please Challenge me on this!!!!**

Every church exhibiting the above 501-c3 status, is an incorporation. The Latin origin of which, means: Formed into a body! In law, this is a DEAD entity, a ‘non-living’ artificial person. Further,

The creator of your church is the State.

The State is the sole authority and sovereign head over your church.
Your church is subject to the laws of the State, which limits its powers.

Your church has no constitutionally protected rights.

Your church is an artificial person.

Your church submits to a State Charter declaring it is a creature of the State.

Your church is created for the benefit of the public.

Your church is a State franchise.

Your church is a privilege granted by the State.

Stepping off Soapbox...(Crickets chirping in background)

How can we avoid such pitfalls?

How can this Parsha –Nitzavim - Standing – enable us?

- A. Nitzavim derives from H#5324, נצב, natzav, to stand, take one’s stand, to set, or place, to be stationed! In other words, this generation in attendance before Moshe has been given an opportunity to address their STANDING! Remember, Torah = Law. Law governs the actions of those engaged in social intercourse, which is the same as covenanting together! Therefore, we should have no problem with a Covenant filled with ‘Lawful’ terms, such as Nitzavim - ‘standing’! In particular, knowing that today every Nation’s laws are predicated upon Biblical precepts.

Point of fact: The **Powers That Be** know full well that their system is based upon Scripture, and that 99.9999% of Believers are ignorant of it. As a result, it allows them to use it to our destruction! Can you say “It is Written”... **Prov. 6:2** *You are snared with the words of your mouth, you are taken with the words of your mouth!*

With that in mind, if you recall, the entire previous Wilderness generation, with the exception of Joshua and Caleb, will die prior to entering the Promised Land. It would seem then, that Moshe is specifically addressing – a distinct group - now gathered here who is said to be in a condition referred to here as ‘Nitzavim – Standing’ - in order to reassure that today they’re being given an opportunity to enter into the Covenant of YHVH Elohekem! This indicates that it is not a foregone conclusion that they can/will enter, only that they are being presented

before YHVH for consideration of – STANDING. Once more, let me clarify: If Torah is a lawful document and the ELITE USE IT TO MAKE LAWS THEMSELVES - then we must look closely at the language chosen; which in this case speaks of far more than simply being in an erect position while listening to a sermon...

Let me begin to uncover some pertinent words: Specifically, and just to be clear, ‘Standing’ as a legal/lawful term means “ **Ones’ lawfully recognizable interest in a dispute brought before the courts**”. This Standing, which is the same as one’s Status, does not ensure an automatic favorable verdict in my case, only that I have the ability to present my case! The outcome (Whether I win or lose) is dependant upon how well I argue the FACTS pertinent to my case! **Is. 43:26** *Put me in remembrance: Let us plead together: Declare thou, that thou mayest be justified.* In other words “It is Written”.

Ignorance of my rights, as outlined in the Covenant is a recipe for disaster! I need to know what is written and I need to have lived accordingly, lest my actions disqualify my claims! **Rom. 8:1** *There is therefore now, no condemnation to those who walk – not after the flesh – but after the spirit, for the law of the spirit of life in Messiah Yahshua has freed me from the law of sin and death.*

So, then, why would ‘Standing’ be an issue here? Namely, because there seems a biblical precedent regarding a ‘child’ reaching his/her majority at 20-years old *See **Numb. 32:11, Deut. 1:39.** That being said this generation would not have previously had Standing (Mt. Sinai) because of another judicial precept whereby one who is Standing must lawfully be determined as having ‘**capacity**’ [**The ability to enter into a contract by having or being in a sound mind, i.e. the aptitude to make proper decisions**] because of their age at the time of the Mt. Sinai Covenant and the events leading to the subsequent *cutting off* of the previous generation.

Though in fact, the former group would have bound their children to the covenant until such time as they were able to make their own decisions. This same principle can apply in a negative manner as well. Generational curses are passed through the same vehicle as Generational Blessings! We must conclude that Standing and Capacity cannot be separated. We’ll look closer so as not to muddy the waters of your perception of these terms. Bear in mind: The KJV will not divulge much of what we’re looking into, frankly, neither will most realize how pertinent these terms are to our generation today!

Hence, Moshe now revisits the WORDS – of the Covenant – and presents, to those in Standing an opportunity to accept or reject it. **Deut. 31:10,11** gives insight as to the importance of constantly reaffirming the Covenant with subsequent generations: *And Moshe commanded them, saying, at the end of every seven years, in the solemnity of the year of release, in the feast of Tabernacles, when all Israel is come to appear before YHVH thy Elohiym in the place which He shall choose, thou shalt read this law before all Israel in their hearing.*

In other words, at the beginning of every Shemittah Year (9/7/21 the most recent) during the Festival of Tabernacles this Covenant of Life or Death is presented to the House of Israel. **Deut. 30:19** *I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: Therefore choose life, that both thou and thy seed may live:* Surely, the Reader can determine how important proper decision, as it concerns the Covenant, is to our future and our children's future.

Bear in mind, it is not until after the death of Moshe and the transition to Joshua as the new leader where we read their affirmation of these events found in **Joshua 1:17**. It is here that Israel affirms the Contract addressed by Moshe. *According as we hearkened unto Moshe in all things, so will we hearken unto thee: Only YHVH thy Elohiym be with thee, as He was with Moshe.*

One thing that is overlooked here is that immediately upon entering the Land the entire male population was circumcised! In fact, the first time we see Standing or **נצב**, natzav, is shortly after Abraham circumcised himself and his house and was approached by Yahshua and 2 messengers who were 'STANDING' by Abraham in order to speak to him regarding Sodom and Gomorrah. (**Gen. 18:2**) Moreover, previously, Abraham had been told that in order to keep the Covenant he and his seed after him would have to be circumcised, else be cut off! Though we fixate mainly upon the circumcision of the male anatomy, that is simply an outward sign, it is the attitude of the heart that reveals one truly having been cut off from death, carnality. In short, one is viewed as circumcised by having the mind, ears and one's tongue circumcised/renewed by not speaking the language of THE DEAD! Not giving birth to dead seed. *Remember this!

Let's Examine Why YHVH specifically set an age of Majority at 20-years?

II. Throughout history and well into our day, civilization has sought to establish a median age across all societal constructs that blends ‘adulthood’ with the individual development of the necessary skills and abilities required to engage in any socio-economic context. Often, the legal definition of attaining adulthood stands in stark contrast to the social meaning and experience of true adulthood. Legal definition of an adult does not define development, or competence - it only attempts to set a benchmark. In fact, minors have always been allowed exceptions in regards to contracting thus protecting themselves against a system of enslavement. However, the ever-growing numbers of exceptions being given to those who have attained the ‘age of majority’ today sends a clear signal that many are unable to assume most of the consequences attributed to their new status – standing! *See the ACA – Affordable Care Act. Simply put: Your age doesn’t determine whether you act like a responsible adult!

What does this mean in relation to our Parsha and how does it affect us today? Mainly this; though one may have ‘Standing’ - the right to bring a cause to action – it is his/her CAPACITY – their ability to perform based on comprehension and competency that determines their case! In other words, one must have reached his/her majority AND be of sound mind and have acted accordingly! In other words, if you expect to access your inheritance - you will be circumcised in actions, words, hearing, i.e. your flesh. You will exit the world of DEAD THINGS! *Note the following:

Rom. 12:1,2 *I beseech you therefore, brethren, by the Mercies of YHVH, that you present your bodies a living sacrifice, holy, acceptable unto YHVH, which is your reasonable service. And be not conformed to this world: But by transformed by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect, **will** of YHVH!*

The Greek word for ‘**will**’ above is Gk. #2307, thel-ay-mah and indicates His Commands and Precepts – i.e. His Torah – LAW! I must have Capacity – A sound mind in order to comprehend His Torah, His Will! In spite of my STATUS or STANDING! This same Greek word – Thel-ay-mah – is equivalent to the Hebrew word H#2654, תפח, khaw-fates, to delight in, be mindful of, to be attentive to, to keep, protect and is found in **Ps. 40:8** *I delight to do thy will, Oh Elohiym: Yes, thy Law-Torah is within my heart!*

As we hypothesize regarding the specific mindset of the Children of Israel in our Parsha whereby, they contemplate the Covenant and the possibility of inheriting the Promises - providing they are obedient - we are soberly reminded of their historical outcome as one of failure. Moreover, as the Seed of Abraham we must also conclude our destiny as one intertwined with theirs, yet unique in one aspect: We are the Last Generation and we are not going to fail! So, how can we learn from their mistakes?

Standing and Capacity!

- III. The Generation in our Parsha had standing because they had ‘come out of Egypt/Babylon! How does this apply to us? The current Standing or Status of the Believing community is one of paradox. Put differently, we laud our ‘freedom’, acclaim our religious authority, and stand self-inflated with an egotistical sense of our own self-importance as “King’s Kids” having an exaggerated power – Dunamis - and an entitlement Authority – Exousia – that we think is due us simply because we made a “confession of faith”. Thinking we have standing, we immediately want to exercise Covenantal Rights without Capacity!

To our chagrin, our actions PROVE, IN OUR HEARTS we are simply UNCIRCUMCISED children that have reached the AGE OF MAJORITY but remain incompetent to handle even the smallest matters of Torah! **1Cor. 3:1-3**
And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, even unto babes in Messiah. I have fed you with milk, and not with meat: For hitherto you were not able to bear it, neither yet now are you able. For you are yet carnal: For whereas there is among you envying, and strife, and divisions, are you not carnal, and walk as men?

What is more, like Israel in Egypt we applied the Blood to the doorposts of our hearts. At the same time, like Israel we have presumed to come out of Egypt only to find ourselves in the midst of our own Wilderness DIE OFF by having FAILED TO EXTRICATE OURSELVES both spiritually and physically FROM EGYPT – BABYLON! I.E. Not One Son was circumcised in the Wilderness! This is the same as that 1st generation that came out of Egypt and who, at the same time, failed to see where, when how and why they were originally enslaved and how to break free from those bondages and close the spiritual and physical gates/DOORS that remained open EVEN THOUGH THEY HAD EXPERIENCED THE PASSOVER BLOOD APPLIED UPON THOSE VERY DOORS!

To put it bluntly, The Law requires every individual who has no proper standing or capacity to have a guardian appointed in his/her stead! This is critical for you to grasp!

Let Me Explain!

- IV. Prior to Yahshua's redemption price, I had No Standing and No Capacity in the Courts of Creation – NONE! **Rom. 3:10** *As it is written, There is none righteous, no, not one:*

Though He paid the penalty that sets me free – In order for me to experience that freedom I must know the Law – What is Written – in order to have Standing and Capacity when the Accuser points to my lifestyle as the evidence that I am still in agreement with the former bondage of death! If I cannot demonstrate 'It Is Written' by a formal Declaration – when I am tested, tried, etc. then I am considered INCAPACITATED AND A CHILD in need of a guardian. **1Cor. 13:11** *When I was a child, I spake as a child, I understood as a child, I thought as a child: But, when I became a man, I put away childish things!*

*Note the Greek word for 'child' above: **Gk.#3516**, nay-pee-os. It is a compound of 'ne' meaning a negation and ep-os, to say, a word. Thus, I HAVE NO WORDS, NO SAY! In addition, the word 'understood' literally means to 'stand under' an accusation! Thus, I agree that I am guilty as charged – a child! Words therefore are important to STANDING AND CAPACITY! This is why knowing the Hebrew text of the Scriptures is so important! The Powers That Be have deliberately massaged the 'meaning' of words' from **Gen. 3** forward: "*Hath God Said....*" Consider the following...

Through The Looking Glass: Lewis Carroll 1871:
Sequel to Alice's Adventures in Wonderland.

- A. In Alices' conversation with Humpty Dumpty he remarks: "*When I use a word, it means just what I choose it to mean, neither more nor less. To which Alice replies: "The question is, whether you can make words to have several different interpretations."* Humpty Dumpty adds. "*The question is: Which is to be Master – That is all...*"

Those who would have mastery over you control the language(s) of all commerce today! Let me explain further. A child (Above) is defined as the

offspring of a human being. What then is the definition of a human? (Please note: Ballentine's Law Dictionary, 1948 edition - The choice of Congress) which says 'See Monster' ...A monster born out of the SEE-SEA??? Commerce is contracts upon the SEE/SEA!

<https://www.youtube.com/watch?v=rIVkrFWmMjE>

A human is defined as "A monster", while a monster is described as 'A human-being by birth, but in some part comparable to a lower animal'. In what part? Understanding? A child then, is the offspring of 2-monsters lacking intelligence.

Why am I sharing this? Because the mandate given in **Rev. 18:4** [*And I heard another voice from heaven, saying, Come out of her, My people, that ye be not partakers of her sins, and that you receive not of her plagues*] is speaking to this last generation who, though having experienced the redemption of Yahshua, thus bearing the title 'MY PEOPLE' have yet to fully extricate themselves from Babylon the WHORE WHO SITS UPON MANY WATERS – SEAS!

A sea is a euphemistic term regarding commerce/contracts, the U.C.C – Uniform Commercial Code regulating the Law of the SEES/SEAS! They have Standing as 'My People' but no Capacity – no words, no argument, no defense against accusations of collusion with the enemy, having remained by choice or acquiescence, as a child of the ROMAN STATE – BABYLONIAN – HARLOT SYSTEM!

As a result, in every aspect of my life I must have someone who can speak on my behalf for as long as I am incapacitated! Though I would never intelligently make such choices, I have through ignorance done just that! Hence, the need to understand their language and to circumcise my heart, mind, hearing, and speech of their 'twisted words' in order to be set free from their laws of death!

Instead, I declare that Yahshua has set me free, yet with the same voice I voluntarily enter/have entered into contract/covenant with death – necromancy! Namely, by surrendering my freedom and subjecting my life, the life of my family and all future offspring to the STATE! How so?

The entire global economic system a.k.a. Law of Commerce, Law of the Sea/See, The Uniform Commercial Code, etc. is predicated upon a system of legal jargon that is not be understood by most. Moreover, those in need of comprehension have been grandfathered into this system set up specifically to

ensure that the STATE is the guardian of every 'human person' underneath its' auspices! We've already addressed the Religious Creation of an Incorporation, i.e. an artificial person, 501c3 - The ALL CAPS INCORPORATION owned by the STATE, but few will acknowledge that for centuries - prior to this - there existed a document created to enslave every living man or woman by getting their Mother and Father to do just what every Pastor of the 501c3 did – sell their babies to the STATE through the BIRTH CERTIFICATE! *Note the Maritime – Sea/See language:

- Birth=berth
- Doctors = One Who is the Dock Master
- Birth Certificate = Has two distinct dates on it: #1 Bill of lading (Born date) #2 Received for Shipment (The date B/C is created and bill of goods (Child) is taken into custody by the Carrier!
- Birth Certificate issued upon BANK NOTE paper – it is a letter of credit to the carrier!

Remember **1Cor. 13:11b**?... *when I became a man, I put away childish things!* As a Living Man I am entitled to an inheritance only IF have Standing and Capacity and my lifestyle demonstrates as much! The Greek word for man above is Gk#435, an-ayr, rendered man, with reference to age in order to distinguish from a boy. It comes from anth-ro-pos: A compound of an-ayr and op-tom-ahee, one who sees, is seen as a LIVING MAN by what he has experienced, what he has shown to others! What he has proven, or can prove! In short, if he leads a circumcised lifestyle, whereby, he is severed from, cut off, not living in a dead world!

How Can I Become a Living Man?

- V. I have to make a distinction between what is carnal – dead, and what is spirit – living! Let me explain. You read **Rom. 12:1,2** *I beseech you therefore, brethren, by the Mercies of YHVH, that you present your bodies a living sacrifice, holy, acceptable unto YHVH, which is your reasonable service. And be not conformed to this world: But by transformed by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect, will of YHVH!*

From Scripture we can deduce that we are a triune being: Spirit, Soul, and Body.

The Body is simply a dead vessel, a cargo ship. The Soul is the seat of our emotions, our mind. The Spirit Man is the eternal Living Man. We must renew our minds so that the Living Man (Spirit Man) can enjoy Freedom and ensure that the Body-Vessel no longer is DOCKED IN BAYBLON! Otherwise, we are carnal – dead men, transported in a body/ship of death! **Rom. 7:23,24** *But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin, which is in my members. O wretched man that I am! Who shall deliver me from the body of this death?*

Please note: **Rom. 7:14** declares: *For we know that the law/Torah is spiritual: But I am carnal, sold under sin.*

Even the **Powers That Be** know that the Torah/Law is LIVING AND DESIGNED FOR THE LIVING MAN! Hence, they must get us to function as DEAD MEN in order that Torah would work against us! Remember Abraham and the Covenant of circumcision? Well, Lot was with him until Lot chose Sodom and Gomorrah and by the way, he WASN'T CIRCUMCISED! Incidentally, most scholars believe that the Tower of Babel was located in the Sodom and Gomorrah area. Babel means confusion by mixing, while Tower – Migdal comes from the root gadal, meaning to twist together as well! This area was known for the comingling of the Seed of Man with that of the Nephylim! These consorted with the DEAD ONES and engaged in commerce with a twisted language! Welcome to the 21st century!

Check this Scripture reference: **Ezek. 28:2** *Son of man, say unto the prince of Tyrus, thus saith YHVH Elohiym, Because thine heart is lifted up and thou has said, I am a EL, I sit in the seat of Elohiym, in the **midst of the Seas**, yet thou art a man and not YHVH, though thou set thine heart as the heart of YHVH.*

Both the King of Tyre and Babylon were Sea Merchants; they trafficked in humans and the sweat equity of their slaves. You have been warned to COME OUT OF HER MY PEOPLE – ELSE YOU WILL BE VISITED WITH THE SAME PLAGUES THAT DESTROY HER MERCHANDISE! Their system is going to be destroyed!

How can I come out? **2Tim. 2:15** – STUDY FOR YOURSELF! Educate yourself and your family! Take control of the DOCK – U – MENTS. Doc is from the Latin docere, to teach or instruct as in a 'doctor'. Ment is the agent of a specified

action. The DOCUMENT(S) ARE THE VESSEL THAT TRAVELS UPON THE SEA! THE BILL OF LADING! You must take control of these!
