

## The Exodus Plagues: Pt. 4.

Ex. 9:8-17.

### 6<sup>th</sup> plague - Boils with Blains:

- I. Before we take an in-depth look at '*Boils with Blains*', it would help to understand the circumstances that lead to this 6<sup>th</sup> plague.

Primarily, there's a subtle transition-taking place in this text with this 6<sup>th</sup> plague. In our introduction we saw Aaron the High Priest initiate the first 3: The 4<sup>th</sup> and 5<sup>th</sup> are ascribed to YHVH and now, this 6<sup>th</sup> plague to Moshe. We've shown that these understated references are actually ingenious ways developed to hide clues that will reveal a future Greater Exodus connection. For instance:

Moshe clearly acts on behalf of YHVH, in effect, being a "Messiah-Figure" in His stead. Thus, the role of Aaron is that of one who is cast as the personal spokesman I.E. the Prophet of Moshe!

To find their alter ego (Note alter/altar this contrast will become apparent as we continue) or false counterpart in End-Times eschatology we need only look at **Revelation 13** where we see two distinct Beings operating from 2-different levels of authority.

#1 The Beast out of the Sea and #2 The Beast out of the Earth. One is clearly the Anti-Messiah the other commonly referred to as "The False Prophet". They will stand in stark opposition to the Messiah and His Prophet! It is my opinion that the Mantle of Elijah rests upon a Remnant of the Outcasts who will collectively stand in the latter role and will attend the TRUE ALTAR AND TRUE TEMPLE OF YHVH - This gives us the Moshe-Aaron effect!

### Heavenly Witness - The Grand Conjunction:

As a Heavenly Witness, on 12/21/20 we will see what is termed 'a Grand Conjunction' between the two 'KING' planets – Jupiter and Saturn! They have not been this close (0.1degrees) since July 16, 1623. Further, this event occurs in the Constellation Aquarius – the dawning of which – is upon us! Many are calling this the Great Transformation! FYI the Strong's number H#1623 gives us גַּרָד, garad, a piece of pottery used to scrape Job's body after being stricken with BOILS linking us to this 6<sup>th</sup> plague!

Ironically, it is highly possible that Yahshua was born at a previous conjunction of these two in the constellation Pisces on 7/15/7-BC. This set the cycle for the transformation in the Zodiacal Houses and announced the birth of Messiah! I believe this conjunction will see the revealing of the 1<sup>st</sup> Beast in a Religious/Political birthing! Though a Gregorian calendar date is used, the numbers are intriguing.  $12+21+20=53$ , the gematria of נבנ, nava, to prophecy!

Additional confirmation can be found in the precession of the Poles. At present, the Pole star Drago (who entwines 1/3 of the stars) is being replaced, perhaps cast down – **Rev. 12: 7-13** whose place is not found anymore - by Polaris.

This is a Stellar Prophecy of the contrast between the Fallen Morning Star – Lucifer – Saturn and the Risen Morning Star – Yahshua – Jupiter the Planet known as Zadek, קדצ! Like Draco, Lucifer only partially controlled the breastplate stones 9) - while this transition will see the restoration of the true King and Priest contrasted against the Counterfeit! Thus, restoring the 12-Breastplate stones of the High Priest after the Order of Melchizedec!

As a further confirmation to the power of this season the ancient Mayans believed 12-21-20 to be the end of the AGE! It is my opinion the Beast/Dragon will be cast down at this season, the Abyss opened and for those SEALED by YHVH a simultaneous release of power, will result in an upload of knowledge and wisdom necessary for the implementation and demonstration of HIS Kingdom!

Those who are sealed by the enemy will receive strong delusion causing them to believe a lie. Delusion comes from the Greek 'plan-ay', a wandering or straying about. Does the Land of Nod sound familiar? **2Thess. 2:12**. What is coming cannot be rebuked! YHVH has set this into motion!

#### The Beast Comes:

A. The Septuagint describes this 1<sup>st</sup> Being as a Beast, Gk. #2342, tha-re'-on, from tha'ra, a trap or trapper/hunter of men who rises up from the Sea. *Rises* is translated from the Gk. #305 a-na-bi-'no - a compound of the preposition Ana – from, among, through, out of and *ba'-ses*, the foot! Will this Beast rise out of, the feet?

\***Note Jer. 16:16** *Behold, I will send for many fishers, saith YHVH, and they shall fish them: and after will I send for many hunters, and they shall hunt them from every mountain, and from every hill, and out of the holes of the rocks.*

**Jer. 16: 19** *Oh YHVH, my strength, and my fortress, and my refuge in the day of afflictions – **H#6869, צרה**, tsarah, trouble (Jacob’s) tribulation, a Vexer rival wife – Babylon the Harlot is that Vexer and we must remove ourselves from her - the Gentiles shall come unto thee from the ends of the earth, and shall say, Surely our fathers have inherited lies, vanity, and things wherein there is no profit.*

This reminds us of Nebuchadnezzar’s vision of the latter day kingdom whose feet - *ba’-ses* - were of iron and miry clay! The Kingdom associated with this Beast comprises the feet and toes.

- Feet, **H#7271, רגל**, regel, translated feet, it is also a euphemism for the male pudenda or privates. It comes from the root ragal, to spy out, slander, a talebearer. To tread upon washed garments. Regel has a value of 233, the same as Bechorah – 1<sup>st</sup> Born, birthright. This Beast will come exercising the BERTH RIGHT GIVEN TO HIM BY OUR FATHERS AND FORFEITED BY OUR ACQUIESCENCE!
- Toes, **H#677, אצבע**, etsbah, is rendered ‘toes’, yet originates from an obscure root, tseba, indicating a versicolored or divers colored garment. Is it just me or does this seem an attempt at counterfeiting or slandering the lineage-DNA of the 10-toes-Tribes by inserting corrupt seed into those that have been scattered into the earth?

Etsbah has a value of 163, the same as zenuniym, from Zonah, fornication, adultery, FOREIGN COMMERCE – SEA MERCHANTS! From the day of your birth/berth you have been bought and sold, traded upon the Securities and Exchange Commission by the Elite! The Enemy is coming to Collect His!

Let’s explain further...

This Beast, like the ancient Nimrod of Babylon, seems a Nephylim, or hunter who preys on or consumes men! Ironically, cannibalism – from Cain and Ba’al the original MANEATER - is on the increase worldwide! Allow me to clarify...

Looking back at Nimrod, it is fitting to note that the original inception of ancient Babylon, the Kingdom associated with both beasts above, began with Nimrod (**Genesis 10:8,9**) who himself was referred to as: “A *mighty hunter before YHVH...*” KJV. The word for hunter here is **H#6718, ציד**, tsayid, and derives

from the root meaning: to lie in wait for, to capture, or to lay snares. He was in fact, a 'hunter of men'. \*Remember **Jer. 16: 16** above?

The previous verse indicates that he '*began to be a mighty one in the earth*'. Began is the Hebrew word H#2490, **חלל**, chalal, to profane, defile, prostitute, eat, inheritance and to sexually defile. The Chet-Lamed root hints at twirling, a twisting: While mighty one is translated from H#1368, **גבור**, gibbowr, mighty, giant, etc. It seems Nimrod participated in gene manipulation with the Giant Ones!

Nimrod's tomb has been found and efforts underway to clone him. He was said to be 1/3 man 2/3rds god – 66.6 percent: [<https://www.auricmedia.net/nimrods-tomb-found-cloning-of-nimrod-and-osiris-underway/>]

This future Beast of Revelation will also be a Nephylim. Could both be guilty of hunting men in order to use their DNA as an adjunct mingled with their own in order to achieve immortality? *I will never give them my DNA you say?* Your parents did when your foot prints – the Kaf – or title deed – was put in fresh ink on their Berth Bond Paper! Who wants their DNA tested, surely we want to find our ancestors? [Sarcasm mine]

Does the word Adrenochrome sound familiar?

Adrenochrome is a chemical compound with the molecular formula C<sub>9</sub>H<sub>9</sub>NO<sub>3</sub> produced by the oxidation of adrenaline. Adrenaline is a hormone, neurotransmitter, and medication. Adrenochrome is harvested from the adrenal/pituitary glands of a live victim! It is no accident that Wuhan, China the site of the Cov19 virus - the place where genetic animal/human hybrids were a constant experiment - was also a commercially available source of Adrenochrome for years!

My curiosity was piqued by the molecular symbol above. But, surely the ELITE would never demonstrate their Magic or Witchcraft by hiding the following?  
12/21/20 the Vaccine will probably be released!

First, the numbers 9+9+3 give us the value (21) of H# 2327, **חובבה**, Chowbah, the city near Damascus where Abraham pursued and destroyed the Nephylim Kings. **Gen. 14**. Chowbah as we saw in our last segment means 'hiding place'. *Ironically, Saul/Paul was on the road to Damascus, which we will connect later.*

Moreover, 21 is also the value of H#2374, **חזו**, chezu, a vision, revelation. Related to oracle. The sealing of the Forehead opens the 3<sup>RD</sup> EYE IN THE PITUITARY PINEAL GLAND ALLOWING THE WHOLE WORLD TO SEE!

Further, the ordinal value of the C-H-N-O equals 40, the gematria of habal, **הבל**, to take a pledge to destroy. If you change the vowel points to hobel, it indicates a seaman who transports wares. The importance of this link cannot be overstated because the 1<sup>st</sup> Beast will arise out of the Sea! It is again, not coincidental that all commerce is regulation by Maritime Law – Law of the SEA!

Edenically, the Hebraic etymology of the letters relate to C-Gimmel, H-Hey, N-Nun, O-Vav. These letters sound remarkably like Gehenna, the place of the Dead, a.k.a. The Valley of Hinnom – *The cursed place where Israel offered their children in the Fire!* Gehenna was said to have 3-gates leading to the underworld: **1 in the Sea**, 1 in the wilderness-**Land**, 1 in Jerusalem!

Will these Beasts of Revelation rise up in a final quest to ‘resurrect’ the DNA of the Fallen Ones in their attempt at world conquest? Already a specialized term for DNA gene splicing called CRISPR Cas9 has been in use for some time and is touted for use in a vaccine for COVID-19.

Lastly, regarding this point if you simply look at the English letters C-H-N-O you have the root of Cohen-The Levitical High Priestly lineage that I believe the 1<sup>st</sup> Beast will lay claim to, in support of his acceptance as false (Anti Messiah)!

History reveals ESAU masquerading as Jacob during the time of Yahshua controlled this priesthood: The Romans sold it to Anias and Caiaphas! ESAU is returning to collect his BERTH RIGHTS FROM THOSE IN COMMERCE, IN THE SEA WITH HIM! The UNIFORM COMMERCIAL CODE RULES THE SEA WORLD! Now you know why Disney movies and theme parks are introduce the innocent children to the SEA WORLD!

<https://www.themeparktourist.com/features/20140621/18738/10-disney-rides-connected-secret-society>.

The precedent was set in motion when Jacob has his family to ‘cross the SEA’ in the form of the river Jabbok, [H#2999](#), יַבְבֶּקֶ, Yabboke, has a value of 113, the same as Chukkah, a statute, law or custom, to engrave, cut into: The root of Jabbok means an emptying, to make void, to fail or lay waste, to depopulate! He and his entire house bow before Esau, all except Benjamin – The Son of the Right Hand!

**Gen. 33: 3** the act of bowing 7-times was the customary action of a vassal before his overlord! According to Ancient Near East treaties this was an act of reverence whose origin was in the Royal Courts! Take note of this verse number: I believe the KJV – Masonic translators intentionally did this! 33<sup>rd</sup> degree Master Mason Illuminated!

The expression “seven and seven times I fall at the feet of the king, my lord” is found more than fifty times in the Amarna letters.

[<https://claudemariottini.com/2009/04/13/bowing-seven-times/>]

This was an ironic reversal of his previous blessing in **Gen. 27:29** “*Let peoples serve you, and nations bow down to you. Be lord over your brothers, and may your mother’s sons bow down to you*” (**Genesis 27:29**).

Incredibly, many believe a connection exists between the Catholic Pope and this anti-messiah and seeing as how the government of the Papacy is called the HOLY SEE-SEA he could function as Pope/High Priest/Imam uniting the 3-Crowns of those ‘Heads’! More later...

## A Short Side-Note: The Nimrod-Cain-Esau connection:

- II. In retrospect, another interesting link can be found with Nimrod's relationship with Cain's lineage, where many Talmudic scholars believe the sister of Tubal-Cain, called Naamah ([Gen. 4:22](#)) later becomes the wife of Noah and betrays Noah by getting him drunk ([Gen. 9](#)) with wine like her latter-day counter part, the Whore of Babylon who offers the world a cup of wine!

Though her name Naamah, **נעמה**, [H#5279](#), is translated as 'pleasant' the Nun-Mem root hints at despised, that which is vile. Further, the value of her name equals 165, the same as **נפלה**, nafalah, to fall or be cast down, the root of Nephylim.

[As it was in the days of Noah – [Matt. 24: 37](#) eating, drinking, giving in marriage.] [Jer. 51:7](#), [Rev. 16: 19](#) regarding this day, Jeremiah declares Babylon will offer her wine to the Nations and as a result: ...*The Nations are mad (insane)*, [H#1984](#), **הלל**, halal, the Hebrew has: **יתהללו**, yitholelu, (imperfect tense 3<sup>rd</sup>-person masc.) This could read: The Nations shall be (his) Halal's – part of Lucifer's name in [Is. 14](#).

The word for drunk ([Gen. 9](#)) above is: [H#7937](#), **שכר**, shakar and is etymologically related to [H#7837](#), **שחר**, shakhar, one who rises early, the morning, to seek early, to break or pry into something: This is the 2<sup>nd</sup> part of the description of Lucifer's name in [Is. 14: 12](#). Lucifer attempted to break into the DNA of YHVH! His DNA drives the Nations mad-insane!

He declares: "I will sit also upon the mount of the congregation: **ואשב רהב-מועד** – V'ashav b'har-mo`ed: Yashav implies the consummation of a marriage, But, note its' etymological relationship with ESAU, **עשו**, though translated 'hairy' its' root means to make something happen. Lucifer planned to ESAU the Nations!

Further, the phrase b'har, in the mount, could read: Bet – in the house or bride, Har also indicates to impregnate. Next is Mo`ed, an appointed time, place, season, especially the Tent of Meeting. Lucifer has declared he will impregnate the bride in her house at an appointed time!

This precedent can be found again, if we follow the Hebrew of [Gen. 9](#) and the episode with Noah and Ham, where we see his name-Ham, in Hebrew comes from

the same root – Chet-Mem – Cham, as the father of Shechem, who rapes Dinah – Chamowr! You'll see this connection later...

### The Beast:

- A. Moving forward, this 1<sup>st</sup> Beast rises out of the Sea. Which is truly interesting as the Ancients believed there were 2 primordial Beasts; one which came from the abyss or oceanic (Sea) depths and referred to as Leviathan, the other which roamed the dry land or earth called Behemoth.

The KJV 'SEA' is both literal and euphemistic. Sea in ancient lore is the place of the dead and it's no coincidence the maritime phrase 'lost at sea' a term used for those considered dead. Ironically, in the occult maritime/sea world contrived by the Elites, a birth/berth certificate announces a shipping cargo being delivered by-to the DOCKtor. This certificate is a banking instrument and creates a fictional, non-living entity that will upon presentation, masquerade as the Living Man who is considered 'lost at sea'.

Moreover, the term "Sea" serves euphemistically as a reference for People in general. When we see the SEA giving up its' dead, it can be taken both as the final resurrection of those departed Souls, as well as, a group who were thought to be dead – yet who will arise from the Sea-multitudes to rightfully assert their place as Ivrit – Hebrews, those who stand in opposition to this future Nimrod!

The above diatribe may seem a bit out of place, but please note the phrase - 'banking instrument'! Now, let's look at this Sea Monster: Leviathan.

- Leviathan, [H#3882](#), לוייתן, rendered 'dragon, sea monster'. Dragon is quite apropos considering our topic, as it represents the constellation of the Dragon and is a symbol of Babylon. Leviathan is from the root lava; to borrow, lend, a lender, to cause to borrow (Banking instruments?) to join, to intertwine, uniting with. Curiously, it is from the same root as Levi – to join to – the family 'Tribe' of both Aaron and Moshe!

The Tav-Nun suffix forms a root in words that mean 'taniyn – sea monster', tanna – a teacher, to repeat, set conditions, stipulate, to cause to bear fruit, to hire. It very well may be possible this Beast/Monster from the Sea is going to set conditions and stipulations in union with the House of Levi?

Incidentally, the gematria of Leviathan – 496 - is the same as Malchut – Kingdom!

Many believe the connection to the Abyss and the paths through the Sea that serve, as portals to our world will open allowing entrance to this Hybrid Super-hero

‘MAN’ who will be a clone of a charismatic world leader who seemingly ‘dies’ and is miraculously resurrected! This could be a literal death or a political-religious-public restoration of a ruined career or loss of power and authority! He is the iron of Daniels’ vision mixed with miry clay!

It is my opinion that he will usurp through the Banking/Financial System the role of ‘Levitical High Priest’ and set himself up as the object of worship.

### 2<sup>nd</sup> Beast:

II. This 2<sup>nd</sup> Beast will perform miracles and force the Masses into blind worship of the 1<sup>st</sup> Beast. He arises out of the Land. In other words, out of those who have been “SALVAGED” from the SEA, and are now ‘On The Land’; veiled perhaps as a contemporary “Christianized” Prophet/PROFIT, who has been established on the Land and is expecting their inheritance! The Greek calls him Behemoth.

- Behemoth, H#930, **בהמות**, translated as beast, probably an ancient hippopotamus like dinosaur. This 2<sup>nd</sup> Beast arises out of the earth. Daniel calls it ‘Miry Clay’, H#2917, miry - **טיין**, tiyn and clay, H#2635, **חסף**, chacaph. Tiyn comes from a root indicating damp dirt, but also something to be swept away. Chacaph is rendered clay, earthenware, but corresponds to ‘scales’, to peel away. Blindness in part will fall upon those who align themselves with this Beast and his system. This is part of the GREAT FALLING AWAY! **2Thess. 2: 1-12!**

Note the cognate Tet-Nun and Tav-Nun roots hinting that this Beast will also teach, set conditions, hire, and stipulate circumstances that will cause scales upon the Eyes of many who look upon the Image of the Beast! In particular, those blinded by religious traditions, which have been diabolically calculated to influence the decisions of many! (\*Remember both Lenin and Karl Marx’s statement: *Religion is the opium of the People*)

This same concept is seen in **Acts 9:18** where Shaul, a devout, religious, Jewish, Levitical Zealot, who later becomes the Apostle Paul, is 1<sup>st</sup> seen as a ‘*type of Anti-Christ*’ further, this persecutor of Messiah was struck blind with a type of scales, Gk. #3013, **lepis**, to peel off as in a flake.

Paul is traveling on the road to Damascus, H#1834, **דמשק**, a compound from Dam-blood and Mesek – the heir apparent – Paul thinking he is doing the right thing with his religious zeal in protecting the HIGH PRIEST of the Levitical system who he deems BLOOD HIER APPARENT only to be confronted by the

## ONLY GENUINE BLOOD - HEIR APPARENT – THE HIGH PRIEST – MELCHIZEDEK -YAHSHUA!

Damascus is a central figure throughout Torah and lies in close proximity to the ancient lands *occupied to this day* – by Nephylim! Paul seems driven there to initiate a confrontation between the Counterfeit and the Genuine Blood Heir of the Priesthood!

Interestingly, Shaul comes from the **שאל**, sha'al, root, the same as Sheol – hell, the Pit. Saul was a Benjamite – A figurative 'Son of the Right Hand' and self-proclaimed 'Pharisee of Pharisees'. In support of our position, Yahshua admonishes an entire group as Blind Pharisees! (**Matt.23: 26**) Most relate modern Haredim Jews – Ultra Orthodox to these Pharisees. Could they pursue the rigors of tradition more than the Truth?

This root found in Pharisee is **פרש**, paras, which speaks of a sudden bursting forth of something that was previously well concealed! *This same root can also mean a 'horseman' as in horseman of the apocalypse!* Moreover, the Pey-Samech-Resh root gives us Persia – as in Cyrus who gave instructions to rebuild the Temple! Can you see where this link is taking us? Is there a connection to the restoration of this 'lost at Sea-dead' Levitical system and temple and these apocalyptic horsemen who will seek to enthrone the Anti-Messiah and bring corrupt DNA to a false Altered ALTAR?

In addition, the 2<sup>nd</sup> Beast - Behemoth forms a compound Bet-Hey as in Bohu – empty, desolation; While Mem-Vav-Tav gives us Mut-Death. Again, Yahshua exposes this same group as “Whited Sepulchers, full of dead men’s bones”!

The 6<sup>th</sup> Plague:  
Boils and Blains?

- III. *And the LORD said unto Moses and unto Aaron, Take to you handfuls of ashes of the furnace, and let Moses sprinkle it toward the heaven in the sight of Pharaoh.*  
**Ex. 9:8, 9.**

There are two ways to look at this 6<sup>th</sup> plague: natural occurrences as a result of the spread of contagion as Ashes are released into the atmosphere and of course, the spiritual side.

The first anomaly found here is in what seems a redundant use of words in Hebrew translated into the plural 'handfuls'. The words translated for handfuls are:

H#4393, מלא, melo, that which fills, fullness of the hands and H#2651, חפן, chophen, hollow of the hand.

The word melo is cognate with male` and millu, both hinting at a full judgment, a harvest, an ordination or consecration. Chophen is much harder to trace as its` root is uncertain. However, we can see the Chet-Pey cognate of Kaf – the palm or hollow of the hand. Further, the Chet hints at a fence or boundary, a DNA helix, while Pey-Nun represents a ‘form’ or kind, a species.

It seems here that in this 6<sup>th</sup> plague a DIVINE WRATH is being released upon those who would oppose YHVH! He will judge without measure those who cross the DNA boundaries established by Him in **Genesis 1& 2**. Those who are hybridized whether by literal DNA manipulation or even more important, those who be reason of rebellion, harden their hearts resulting in a Hybridized Spirit! Once DNA is altered/altared it cannot be changed back without YHVH’s intervention!

You have to come out of Babylon, you have to come out of the SEA and Stand upon the LAND! Think you can procrastinate much longer? **Rev. 10:5, 6** *And the angel which I saw stand upon the sea and upon the earth/land lifted up his hand to heaven. And swore by Him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer:*

An untimely illustration of that wrath:

Few would argue that the Outcasts of Israel are being gathered from among the Nations. Further, it is impossible to trace the DNA of individual tribal affiliations. Because that DNA has been compromised – raped by the Nations and forced into hiding until such time as Abba reveals! No Hebrew Roots or Messianic would argue the importance of the 12- Sons of Israel and their respective houses! Yet, everyone overlooks the only Daughter of Jacob – דינה, Dinah! This name indicates, judgment, retribution, an accounting. Look at **Gen. 34: 1-31**.

I believe there’s a connection to DNA and DINA-H, the DNA of YHVH!

In this text we find Shechem, Son of Hamor/Chamor the Hivite, sexually compromises Dinah. \*Note the Names:

- Shechem, H#7927, **שכם**, the shoulders, i.e. responsibility, to consent.
- Hamor, H#2544, **חמור**, chamowr, rendered ‘donkey’ or ass; it also indicates that which is red, euphemism for blood.
- Hivite, H#2340, **חוי**, Chivviy, from the root of H#2332, **חווה**, Chavvah – Eve! Life-giver, to live, cause to live!

From the entire account we can see that the Daughter of Jacob – DINA-H The DNA of YHVH – Just like Chavvah - was sexually raped in the hopes of gaining consent to Raise Up Another Bloodline by joining the 2 houses of the Hivite and Israel! The Counterfeit and the Genuine! Ironically, some presume that the child of this rape later become Asenath the Wife of Joseph in Egypt!

It is Asenath (Whom Abarim Publications says is a compound of ‘Healed from harm’ and storehouse and related to Asinah or thorn bush – Sinai) and Joseph (Yah will do again) who will produce Ephraim and Manasseh: H#669, **אפרים**, doubly fruitful and ASH HEAP. Manasseh, H#4519, **מנשה**, translated ‘causing to forget’.

However, the Mem prefix indicates ‘from or out of’, while the Nashe root hints at a loan being paid off, a memory forgotten or changed. This group will arise out of this Plague of Boils and Blains – FROM the Ashes that are scattered upon the earth and having their minds renewed – SEALED – their slavery forgotten, their SEA DEBTS paid off, they will become doubly fruitful!

#### In Conclusion:

- Boils, H#7822, **שחין**, translated as ‘to burn’. It connotes leprosy as well. The root stem Shin-Chet, seach, relates to the mind or thoughts in ones’ conscious. It has a gematria of 368, the same as H#4285, **מחשך**, mahsak; a hiding place, secrecy. Mahsak is the etymological root of Mask!
- Blains, H#76, **אבעבעה**, ‘ababuah, to belch forth, erupt. An inflammatory pustule. This words’ origin is debated. The Alef-Bet-Ayin root is related to searching, looking for that which is cut off. It is related to Peah, the corner of a field, the forehead! While the Bet-Ayin-Tav root hints at a terror!

Did you note the inference to the forehead, the place of sealing, the mind that must be renewed else ‘Men’s hearts fail them for fear’ **Lk. 21: 26** *Men’s hearts failing*

*them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.*

The Greek phrase 'looking after' is from the root of G#4328 pros-dok-ah'o, and indicates mental direction, thus a contemplative mind. The Mind's gateway is going to be opened at the release of these Beasts and those who are not sealed found in jeopardy!

Both words hint at far more than just open pustules or blisters. This plague was so horrific that even Pharaoh's magicians were unable to stand before Moshe! Medical research of Physical side effects connects the symptoms with an aerosolized anthrax type, cancer causing respiratory agent whose carcinogens leach through the skin! It is deadly contagious and can be spread from man to beast! It is specific to CATTLE! The root of vaccine is vacca-cattle! The property owned by the Queen of England through her Salvage Claim on birth certificates for those lost at SEA is Chattel-Cattle!

Stay Tuned Torah Fans!

Shabbat Shalom!
