

Kislev – 12/17/22.  
The Month of Dedication:

- I. Most of you are familiar with the holiday celebrated during this season called Chanukah. Therefore, most Hebrew Roots/Messianic groups also subscribe to the traditions associated with the festival. What we want to do is to set aside the ‘festivities’ and take a look outside of the box of TRADITION in order to examine the Prophetic significance of this entire month and how it applies to us as a company of Believers.

Kislev

The 9<sup>th</sup> month of the Hebrew calendar is Kislev, H#3691, כסלו, and is commonly believed to have been a Babylonian name. However, it is mentioned in **Nehemiah 1:1** and **Zech. 7:1** which I find interesting as it is my opinion that they were contemporary with Daniel, Esther, Ezra, Malachi, and Haggai! Likewise, as we’ve shown in previous studies, the evidence supports that Daniel and Ezra colluded to hide the Pure Hebrew language while in Babylonian captivity and very well could have been engaged in a conspiracy comprising all the above!

I also want to remind you of **Rev. 12:1** where it is said that the Dragon drew 1/3 of the stars with his tail and casts them to the earth. It is interesting that the constellation Draco, Latin for Dragon, was at one time (5000-yrs. Ago) the location of the Polar North star and at present its’ tail intertwines 1/3 of the constellations. If every Tribe is assigned to a specific Month, like Benjamin with Kislev, and each also assigned to a constellation, then the DARK MONTHS 9,10,11, &12 are associated with this Dragons’ influence! This is important to remember as most Hebrew Roots Believers celebrate Hanukkah, the Feast of Dedication that is the only festival that links 2 separate months 9 & 10!

Moreover, during this season there have been and will be again, spectacular stellar events that will capture the worlds’ attention! For instance, both Daniel and Revelation speak of the same 4-Beast empires, and many note the beasts with 7-heads and 10-horns and fervently try to associate them with their future Nation counterparts. What is sad is that our understanding of the Zodiac and the message of the Stellar Luminaries prohibit us from truly understanding End-Times prophecy! Let me remind you of the Draco/Dragon above and the 4-Constellations he controls: He has a cluster of 7-stars, or ‘Heads’ called Bootes

in his head depicted as the mouth of Draco intent upon devouring the Son of Virgo. (Rev.12) The constellation Hercules has 10-stars, that form a giant horn and the Constellation Corona depicts 7-crowns or stars near Draco's head! The Message has been in the heavens since the dawn of eternity and if we will pay attention we will not be deceived! It is believed the events of Rev. 12 will occur during the 9&10<sup>th</sup> months – November/December! Kislev/Tevet! Moreover, for Draco/Drago to be cast down a severe shift in the earth's pole must occur causing Draco/Drago to no longer be visible in its' normal position, disappearing below the horizon much like rolling up a scroll! This cannot happen if the EARTH IS FLAT BTW!

Why is this information critical to understanding the prophetic symbolism of Kislev? Because like the message of the Stars - each of the aforementioned Prophets lived in a time that forecasts our own day! They lived when many of their brethren were still scattered among the Nations, they each focused on a future when the Temple would be rebuilt! They each condemned the behavior of the priests who were leading Israel away from YHVH! How relevant is that to the current push toward the 3<sup>rd</sup>-Temple construction and restoration of a counterfeit 'Levitical' Priesthood? Not that Levi was counterfeit, rather those who have usurped the lineage Levi/Aaron today are!

Now, look at the gematria of Kislev – 116 - it is the same as the plural form of H#3883, Luwl, a staircase or winding ladder, to fold back. Hmmm? This seems to hint that Kislev is somehow coupled to the idea of a DNA Helix. Which would fit nicely when we realize that Yahshua was conceived during this Month! As a result, this month is a 'birthing' process! Though exciting, we often forget the Birth Pangs that presage our delivery! This Kislev is the Darkest month, depicting the WOMB OF THE VIRGIN filled with the MAN CHILD – Yahshua – whose birth fulfilled Gen. 1:2,3. About to be devoured, and in the midst of Tohu V'bohu waste and desolation – the darkest hour/month – YHVH said: "Let there be Light"! The value of that phrase equals 232, if we add the value of Kislev, 116 our total is 348 the same as מִשַּׁח, masach, to smear, anoint and the root of Mashiach – Messiah!

There are several other powerful observations regarding Kislev that we will also look at, and hopefully, we'll spend a bit of effort looking at the Temple construction aspect, because tradition has it during this season that the 2<sup>nd</sup>-Temple had been desecrated, and observance of the Shabbat and Festivals condemned by the Syrian/Greek King Antiochus Epiphanes who is said to be a

forerunner of the Anti-Messiah. During this month Kislev, the sanctuary is rededicated and the legend of the 9-days of oil for the Menorah born! Again, we must separate legend from Torah and remember that the Tabernacle Menorah was 7-branched – not 9.

With that said, it would seem then, that a future connection to the Anti-Messiah, the 3<sup>rd</sup>-Temple, along with the shifting of the Roman Church into a Chimera Body consisting of a ONE WORLD POLITICAL - RELIGIOUS SYSTEM wherein the hidden Elite unveil their plans to UNIFY Judaism, Islam and Christianity will come into conflict with the Remnant of True Israel and much of tradition will obscure the truth from all but the diligent seekers! This consortium is labeled Chrislam for its' efforts to embrace both Christianity and Islam. I will list the following website where the Grand Pontiff made remarks that "Jesus is Satan and that relationships with him were dangerous and harmful"

<https://newspunch.com/pope-francis-declares-jesus-is-satan-vows-to-usher-in-one-world-religion/>

In support of the above position, I believe that the Triad of these Religious groups will crown their 'False Messiah' during this time of year! In fact, there already exists a Religious structure in Berlin called "*The House of One*" where Muslims, Christians and Jews share a place of interfaith worship.

- II. As we note the unique connection to this Season of Dedication or Season of Lights at Kislev, I must refer you back to our earlier discussion of Daniel, Esther, Ezra, Nehemiah, Haggai, Zechariah and Malachi as these also witnessed the dispersion and subsequent regathering of the Exiles and a rebuilding of the Temple, which again, links us to the current day: We have been exiled, the Regathering is taking place as we speak, and the Temple-Not-Made-With-Hands is being built. On the other hand, the counterfeits of the House of Esau are themselves mustering a 'regathering' of sorts while preparing for the building of the 3<sup>rd</sup>-Temple. But, exactly who is behind this? Though most Christians, Jews and Hebrew Roots maddeningly insist that the Temple Mount, Western Wall, Dome of the Rock, area will be the sight of YHVH's 3<sup>rd</sup> -Temple, behind the scenes ever so craftily, the Vatican, Freemasons, Jesuits, the Illuminists, Elite and all the other Occult groups are going to rebuild Solomon's Temple for their CRAFT – MAGIC – GAOTU – Great Architect Of The Universe God - not a temple dedicated to YHVH! MARK THIS DOWN! In fact, what was called Herod's temple was actually a remodeled version of Solomon's Temple! And not even at this site!

## How Can This Be?

As already stated, the former events regarding Daniel mentioned above occurred during the advent of the Medo-Persian empire, a.k.a. the 'Bear' of **Daniel 7: 5**. Historically, in hindsight many have prophesied a return of a latter-day Medo-Persian alliance, however, looking through the telescopic lens of the Hebrew language, could there instead of a Nationalistic Kingdom, be a hidden reference to a 'religious confederation' that is instigated politically? Let's see... **Daniel 7:5**

*And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: And they said thus unto it, Arise, devour much flesh.*

Pay attention here: I found it disconcerting that this Bear of Daniel rises up on one side – a euphemism indicating it is unbalanced, one side perhaps stronger than the other! This Bear has three ribs in its' mouth - \*Note the word for rib, H#5967, **עֵלֶע**, alah – rendered 'rib'. \*Note the word Alah! It is said to originate from tsalah, to curve, but also to be lame, or to limp. Don't forget that Jacob walked with a limp and Esau has replicated that limp in order to usurp Jacob's role as Priest of the 'religious' world. By the way, did you know that POPE Francis walks with a limp? It is my opinion that this Pope will rise up (He leads 1.3 billion now) with one side – Catholicism – stronger than all the others and UNITE with Judaism and Islam (The 3 Ribs) in order to crush the resistance of the Remnant who are currently making their Greater Exodus out of Babylon!

How could this happen you ask? Each of the 3 in their present forms: Catholicism, Judaism, and Islam were CREATED by the ELITE and their principal leaders deliberately inserted in order to create confusion and present what seems a 'religious choice' to the World's Masses! [Mark '*religious choice*' you'll see why later...]

It is also worth mentioning here that the Pope is crowned with what is called a Triregnum – a Papal Tiara formed by 3 crowns, symbolizing the triple power of the Pope: Father of Kings, Governor of the World and Vicar of Christ! I believe this also alludes to the three ribs in the mouth of the Bear!

However, the power of Pope Francis is a sham for the true Vatican leader known as the Black Pope who rules over maritime law, the world's banking system, Freemasonry, all secret alphabet services worldwide: Cia, fbi, sis, mi6, mossad

and others. (Lower case to avert scrutiny) 60% of Israel's land is owned by the Vatican, including the Temple Mount where the Vatican plans to build their 3<sup>rd</sup> Solomon's Temple for their own throne! Thus, a unification of the Great Triad of Religions has a foundation that has been anticipated for centuries!

Get ready for this - SLAP... CATHOLICISM very well could be MYSTERY BABYLON IN SCARLET CLOTHING! Again! Remember this, you'll also see an additional Scarlet connection in a bit!

Let me ask you another question: Did you note the last part of the verse in Daniel?...*and they said thus unto it, arise devour much flesh*...If you look at sentence structure there is NO [THEY] present! So, who could issue such a stern, apocalyptic decree, if not the Wizard(s) behind the screen who control every facet of life, except those who EXTRICATE THEMSELVES FROM BABYLON! Stop here! Look at the word for Devour, H#399, אכל, akal, defined as 'to eat', yet could also metaphorically mean to slander and accuse! Yes, the Powers That Be are cannibalistic! But, how much more diabolical their efforts to slander and devour the Souls of those made captive through WORDS!

Now, the above text says this Bear of Daniel raises up on its' side, H#7859, שטר, setar, translated as 'side' but it has the same etymological origin as שתר, satar, meaning secret, to conceal, to be hidden, to hide oneself carefully, to create a mystery! Therefore, the strength of this BEAR is its secrecy; it's mystical, hidden agenda!

#### THE BEARS' SECRET HARLOT LIFESTYLE:

Now, look at Rev. 17:5 where the woman arrayed in Scarlet and Purple has *upon her forehead a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH!*

This is simply mind staggering! No pun intended! Could this MARK IN THE FOREHEAD be the counterfeit of the Mark or Seal given to those who belong to YHVH in Rev. 9:4, 14:9? How ironic that there are, as we speak, deliberately and intentionally created, injectable toxic magical potions, filled with nano particles which are designed to cross blood/brain barriers (PINEAL GLAND) and lie dormant until effectively 'AWAKENED' by electromagnetic frequencies with the power to induce 'spiritual awakenings'! One of the Pope's Crowns is Pine Cone Shaped from whence we get Pineal!

Not convinced? Please note: There is a device called a Koren Helmet or GOD HELMET, that has been proven able to generate magnetic fields which produce mystical, religious, spiritual experiences and altered states while wearing the device! By the way, Koren's etymological root is Latin in origin indicating Spear, from Quirinus; a Roman god associated with Romulus and the planet Mars, pointing to war! Please also check out Dormio, a prototype device developed by MIT to interface with dreams to explore your subconscious.

Is it conceivable that the Powers That Be could take advantage of this 'winter, cloudy, season' in order to seed the atmosphere with EMF designed to target certain areas and people based upon their beliefs? Ask yourself this: How many people do you know who are currently depressed, frustrated, sicker than normal and are bombarded daily by, cell phone, wi-fi, microwave, 5G towers, City Water contamination, and we didn't even mention THE V – AX, neither contamination from the shedding of those who've been compromised by it! This doesn't take into account the daily manipulation by every form of news media that has subliminal, embedded code words that are capable of activating previously embedded dormant particles!

What mysteries, or hidden secrets could possibly be unlocked or released during the Month of Kislev? We know without doubt that YHVH is releasing here-to-fore unheard of and unseen information that is suddenly and specifically being decloaked by the Hebrew language! But, what if the Elite could also have their own INFORMATION HIGHWAY – and just like the 'slave traffickers' and human traffickers, it became possible that INFORMATION TRAFFICKERS could literally access the human mind and buy, sell, or steal or implant information that could be used to blackmail, bribe and even clone the host from whence it was taken???? Did you just call me crazy???

Let me also point out quickly, that Kislev is the Month of DREAMS and the above only supports how manipulative the Spiritual Powers are during this season! We'll address this later on!

What about the Mystery or Secrets of Babylon?

- III. The simplest way is to hide truth within the depths of words – language, in particular – RELIGIOUS LANGUAGE! As we look once again at the sequence of events in our Dan. 7 text, the Bear is extraordinary because there are 3-ribs in

it's mouth. How so? Rather than using the typical H#7969, שלוש, shalowsh, the more common word for '3', the word H#8532, תלת, telawth is given. Though translated here as three, it has the root stem of Tala, meaning scarlet and refers to the armies of Babylon who were dressed in bright Red or Scarlet! What other Modern Nation is known today as REDCOATS? What does Mystery Babylon wear? One of the most powerful world families is Rothschild – literally, 'Red Shield'! What about the mysterious Red Shoes in the photographs of many of the worlds' Elite? Is it possible that they, the Elite who control the world through the Papacy and Modern British *Bear* (Britain is ruled entirely by The Merovingian Dynasty presumed to be heirs of Jacobs throne and who are said to have the Stone of Scone upon which, it is purported Jacob laid his head) the latter - Britain who is weaker – hence, the weaker side - and serves first the Papal Crown rather than the Crown of England, could in fact, represent this coalition similar to the Medo-Persian Bear and insist upon the restoration of Israel (1918 Balfour Declaration) and Judaism and their 3<sup>rd</sup>-Temple while having in it's mouth the 3 Great Ribs of Religion principal to each: Christian, Jew and those who worship Alah – Islam?

As we speak, each of these 'Religious' groups is a sham! Ever clamoring for a more inclusive approach when embracing the ancient sins of Torah! You have Christian televangelists fleecing the Sheep, creating a pyramidal – top-heavy – marketing-Merchandizing Babylonian system that only rewards the Apostles and Prophets they endorse. What was once called Protestantism because of a supposed opposition to the Catholic Church has finally been exposed as the HARLOT DAUGHTER OF THAT WHORE – Still found emphatically embracing the Holy Days sacred to Nimrod-Babylon! Each of the above has their ambassadors to Islam creating an ménage a trois (Rick Warren, Pope Francis examples) that can only produce bastard sons! Yet, they cannot be seen completely unmasked, as the Masses must be presented with what they think is a choice! Just like VOTING DEMOCRAT OR REPUBLICAN!

[Short aside here: The Matrix has a character called the Merovingian, **a trafficker of information**. He is famous for saying: "Choice is an illusion created between those with power and those without." Also, There is only one constant. One universal. It is the only real truth. Causality: Action, reaction. Cause and effect!]

Most of the criticism of my interpretation of **Dan.7: 5** will stem from the KJV translation of this word bear. Remember, Daniel is charged with hiding the words of the book until the END TIMES! So....what of this Bear?

The Hebrew has it Dov, and granted it is rendered bear because of its' supposed slow, ponderous movement. However, when one examines the etymological origin of Dalet-Bet we find a unique relationship in multiple words ranging from strength, affluent, to overflow, to speak or whisper, (The Nachash was a whisperer) attached, joined, speech, vernacular, said, uttered, adhesive, sticky, viscous, pestilence, plague, and so on. Is it possible, that instead of a revised example of the slow, ponderous yet powerful Nations of Medo-Persia, Could this BEAR KINGDOM – instead be represented as having a secret; a once dying tongue, a language of Magic, a tongue that only the Elites at one time mastered, the same tongue which once ruled the ROMAN EMPIRE – and now rules the courtrooms and medical fraternities of the Nations! Just ask J.K. Rowling of Harry Potter fame and Facebook's Mark Zuckerberg how powerful this tongue is! LATIN

Remember, when the People are ignorant of a Language it is the safest place to hide a secret! Curiously, the gematria of DOV (Bear) is 12. The same as the infamous Gog, of Gog and Magog! Many believe the final invader of Israel will be from this place! I firmly believe this is hinting at the ancient invaders of Babylon who're today firmly entrenched in the cloistered garb of the monastic Vatican horde!

Kislev continued...

For an intriguing exercise, as we break the word Kislev apart, the Kaf-Samech root gives us Kes – indicating a Throne or the Seat of YHVH! We next have Lamed-Vav, Lev, and meaning heart. Could this reveal that the Anti-Messiah will be enthroned upon the hearts of these “Sons of Esau” and finally, literally given what they irreverently call the Seat of YHVH in the 3<sup>rd</sup>-Temple? This is consistent with the only place this word Kes, H#3676, כס, is found. **Ex. 17:16** *For he said, because YHVH hath sworn [Al-Kes; upon-the throne] YHVH will have war with Amalek from generation to generation! Amalek was the grandson of Esau!*

The Month of War:

IV. Kislev the 9<sup>th</sup> month, like all the other months is assigned to a specific tribe: In this case, Benjamin. Moreover, the constellational sign of Kislev is Sagittarius or Keshet – The Bow! Again, a very interesting Omen as Keshet can also indicate a Rainbow! Which sign, if you recall in our exhaustive work “*The Rainbow Language*” was in fact a visible circle from above! It is also a figurative reminder of the Cyclical ‘Bow’ in the vault of the heavens that became the model for the Tabernacle, which would itself had been constructed in a circular pattern! This once more, links the month of Kislev to a future 3<sup>rd</sup>-Temple being built! Again, I submit, this 3<sup>rd</sup> Temple will be the single most devastating, destructive and divisive instrument the world has ever seen! It will become an INSTRUMENT OF WAR!

Is it therefore probable that the war between YHVH and Esau/Amalek is somehow centered on the contrast between the “Rainbow Language” – I.E. the language of Creation – Hebrew, the Living Word conceived and birthed during this Kislev season and the Language of Rome - Latin? Why and How? Please note: Kislev - כסלו, and Keshet - קשת: The latter could also be written קשט, which depicts ‘truth’. It also points at going straight, to be straight as a synonym for truth. (Jastrow) While some scholars (Steinberg) write that the reference to a bow with an arrow as in Sagittarius – hints at being prepared, ready. In addition, many scholars believe the root of Kislev to be – כסל, kesel, translated as ‘Hope’ in several places in Torah! It is my opinion, that while the earth may seem in its’ darkest state (Dec. 21<sup>st</sup> the longest/darkest) the Light of the World resurrects and returns! This is the Hope of Kislev! Thus...

Could the LIVING WORD – LANGUAGE during this dark season - become an instrument of war for those who enthrone Yahshua upon their hearts, His Word an arrow of truth, shot into the hearts of the People in open defiance of the ONE WORLD GOVERNMENT AND RELIGIOUS SYSTEM of the adversarial Roman Esau?

Let me remind you of **Zeph. 3:9** *For then will I turn to the people a pure language, that they may all call upon the name of YHVH, to serve Him with one consent.*

For years we’ve taught that Hebrew was this ‘pure’ language. Yet, the full understanding of how it was to be used in these end times had escaped me. Last night Abba reminded me that ROME – a.k.a. – The Powers That Be – have used a corrupted language taken specifically from the KJV scriptures and used that

language to confound, entrap, enslave and destroy the People! Please note just a small sampling of words: Human, child, male & female, liberty vs. freedom, birth certificates, understand vs. stand-under, incorporation, mortgage, license, privilege vs. right and many more!

However, if one looks at the Hebrew language of Scripture for our definitions, rather than the Roman-Latin English Babylonian tongue then we can COME OUT OF HER! How? It is also interesting to consider that the one of the Parsha read during Kislev is that where we learn of Benjamin who is the only Son of Jacob who did not bow to Esau after crossing the river Jabbok. Jabbok H#2999, **יַבְבֵּק**, whose root stem seems to indicate to empty, split, divide.

Benjamin holds a unique place in history having supposedly settled in the Scandinavian countries of Norway, Switzerland, Iceland and Denmark, Nations, which historically, have NEVER BEEN UNDER THE CONTROL OF ROME – ESAU! Ironically, many believe that the Vikings of Normandy also migrated to Ukraine and Russia. However, it is the Spiritual Benjamites – Sons of the Right Hand – who will learn the language of Torah – Truth and extricate themselves from slavery!

On an esoteric level, Kislev is the month associated with the sense of sleep lending emphasis to it also being known as the “*Month of Dreams*”. It is during this month that most of the dreams found in Torah are read about. This is important based on what we’ve learned thus far regarding the ability of the Elite to impose their will upon individuals who have submitted – either through ignorance or acquiescence – the ownership of their bodies. This may seem far-fetched, yet for centuries that ownership has manifested in the form of Birth Certificates, Baptismal records, Marriage licenses and other physical means! Now, however, their efforts to own the literal SOULS of men has morphed into the insertion of Patented Materials – via Nano technology and Electro-magnetic manipulation - that shows proof of ownership theirs! (Please research Unam Sanctam of 1302 where Pope Boniface declared ownership of the entire world including the ‘souls’ of all living men) Let me show you just one more technology that could literally be associated with this MONTH OF DREAMS!

#### Inter-dream Communication:

Efforts are already long underway to exploit “Social Dreaming” through a process termed ‘lucid dreaming’ via an Internet connection. One should refer to

the film Inception (2010) where Leonardo DiCaprio stars as a professional thief infiltrating the subconscious of his prey! Never forget that the Illuminists must magically reveal their plans hidden in twisted forms such as the language. For instance: Leonardo means 'Strong Lion' – while Di means 'son of' Caprio – The Goat! The Anti-Messiah, will be the Baphomet or Goat's head in the guise of the Lion of Judah!

Come Out Of Her My People:

**Revelation 18:3, 4** tell us that the Merchants of the earth have been made rich by Babylon. The Greek word for 'Merchants' - em'-por-os - hints at commercial trafficking of goods and services – in this case PEOPLE! Your Birth Certificate, Social Security numbers are traded globally in the stock market and your sweat equity given to the Elite! Babylon YOU WILL FALL SOON!

Verse 4 emphatically tells us to come out of her in order to not be partakers of her sin and to avoid her plagues! The word Babylon is said to be Hebrew in origin, H#894, בבל, Babel, a confusion by mixing, i.e. the confounding of languages as supposed in the Genesis 11 Tower of Babel incident. However, Babel or Babylon was more likely from an ancient name for the Sumerian deity Bab-ilim meaning GATE OF THE DEITY or Gate of the God. It is my contention that this ancient City/Tower was the central location for getting immunized to protect against the Language or DNA of YHVH and instead, prepare the host receiving the inoculation to become a Gateway for the Fallen Ones whose words, seed, language would indentify them as property of – slaves to – these gods!

This is the Season of Light! We are Children of the Light! YHVH is Light!  
Come out of the Darkness!
