

“If I could only TOUCH...HIM”

- Heb 12:24 And to Jesus the mediator of the new covenant, and to the blood of **sprinkling**,^{G4473} that **speake**th^{G2980} better things than *that of* Abel.

The Blood still speaks!

- **Sprinkling** – G#4473 - ῥαντισμός – rhanthismos, a ceremonial sprinkling dealing with the **red heifer ashes** and the Hebrew rendering of this is **Niddah**, a time of separation for the woman. So, this unfolding revelation we are about to engage is also a reference to the ceremony of the Red Heifer ashes that sanctify ANY who have been touched by death!

So, the Blood of Yahshua SEPARATES His Redeemed for a full appointed cycle! The Blood speaks!! When the monthly blood flow takes place, the embedded TOUCH in this sanctified time, can cause all around her that is touched to become ceremonially unclean or, trespassed for

trespassing ACROSSED the flesh temple the blood sanctified! **PPT** – The נִדָּה - Niddah is NEVER called unclean but defined as the time of separation - Niddah. When anyone crosses the threshold of Niddah/Separation, they defile themselves. The numerical connection of 59 is

interesting as it contains the same thoughts: דְּמַיִתָּהּ – **Her Blood**. This is found in Leviticus 12:7 pertaining to blood flow, child nativity and the mystery of Mashiach Ben Yosef, Bar Enosh and Ben Adam. He who takes upon Himself our leprous condition and Niddah state because of blood-letting!!! **Let us dive in: PPT** -

- Mal 4:2 “But to you who fear My Name the Sun of Righteousness shall arise with **healing in His wings**. And you shall go out and leap for joy like calves from the stall.
- Ecclesiastes 3:1 “For every matter there is an **appointed time**, even a time for every pursuit under Heaven.’

There are out of season times and there are in season times. These seasons come in 3’s; Past, Present and Future. What we must deal with is the past. The past is why our present season has come. The Past is the **cause** for future cycles in time. Whatsoever a man sows that shall he also reap, but if to the flesh the things of the flesh, but of the Spirit the things of the spirit. The past isn’t necessarily an act of your will or decision, but nevertheless, it manifests and materializes because of the laws of sowing and reaping. It could be in a generation that you’re not familiar with. Seasons come and seasons go. From Genesis to the end of Revelation consists with breaking Abnormal cycles of the past in order to walk in the divine order of the future NOW!!! Sometimes to break these abnormal cycles we must do some root work, some digging up, some plowing in order to go way back. **PPT** -

Lev 26:40 If they shall confess^{H3034} Lev 26:40 If they shall confess^{H3034} (^{H853}) their iniquity,^{H5771} and the iniquity^{H5771} of their fathers,^{H1} with their trespass^{H4604} which^{H834} they trespassed^{H4603} against me, and that^{H834} also^{H637} they have walked^{H1980} contrary^{H7147} unto^{H5973} me;

- **If they shall Confess = וְהִתְנַדְּרוּ** – from: **נָדָה** – praise, thanks, **confess** (this type of confession holds the power to break forbidden covenants and generational curses – teshuvah – Repentance!), reach out with extended arms and open hands to make covenant! Keep this in mind, Open hands and reaching out.

Even though our future hinges on the past, we serve the Elohim of second chances. The past and the future are in Elohim’s hands and both are in the very governance of our King!!! Our Mashiach said in:

- **Joh 9:4** “It is necessary for Me to work **the works** of Him who sent Me **while it is day** – night is coming, when no man is able to work. Joh 9:5 “While I am in the world, I am the light of the world.”

Interesting Hebrew connection: **PPT** –

- **26 Lev** והייתם לי קדושים כי קדוש אני יהוה ואבדל אתכם מן העמים להיות לי:
- **20:27** ואיש אר-אשה כלייהיה בהם אוב או ידעני מות יומתו באבן ירגמו אתם דמיהם במם:
- Lev 20:26 ‘And you shall be set-apart to Me, for I יהוה am set-apart, and have separated you from the peoples to be Mine. **Lev 20:27** ‘And a man or a woman in whom there is a **medium**, or who are **spiritists**, shall certainly be put to death, they are to stone them with stones. Their blood is upon them.’ Concealed within the surface of the text we have this:
- **דָּם יֵשׁוּעַ** – **Blood of Yeshua!!**

Embedded in the section dealing with being set apart unto YHWH and the blood that breaks the power of all darkness!!! Interesting when they come to arrest Yahushua they came at night!! We have entered the days of darkness as the cup of the Harlot Bride is poured out through the false prophets we see today! Many flock towards the PROPHETIC LIMELIGHT as if to receive a breakthrough and in all truthfulness, most are drinking the cup of the Harlot through the false platforms we see today! The Body of Messiah is bleeding out because the body today (not all) is drunk with the false prophetic words poured out from the satanic Harlot’s cup!

A famous encounter known by all who read through the life of Mashiach while He was physically here on earth some 2000+yrs ago. This account is recorded in - **Matthew 9:18-26; Mark 5:25-34; Luke 8:41-56**. Let’s read Luke’s account: **PPT** -

- **Luk 8:41** And see, there came a **man** whose name was **Ya’ir**, and he was a **ruler** of the **congregation**. (**ruler = chief authority of the synagogue**) And falling down at the feet of יהושע he was calling upon Him to come to his house, Luk 8:42 because he had **an only daughter** about **twelve years** of age, and **she was dying**. And as He went, the crowds thronged upon Him. Luk 8:43 And a **woman**, having a **flow of blood for twelve years**, who, having spent all her livelihood on physicians, was **unable to be healed by any**, Luk 8:44 came from behind and **touched the hem of His garment**. And **immediately** her **flow of blood stopped**. Luk 8:45 And יהושע said, “**Who touched Me?**”

(Touch = to set on fire, to light the lamps of the Menorah! The Light of the world was activated by a woman's touch!) And when all denied it, Kēpha and those with him said, “Master, the crowds **throng** You and press upon You, and You say, ‘Who touched Me?’” (Two different words here, the crowds **thronged** him = to **constrain, constrict, hold back**. The crowds hinder the activation of The Light while the **Touch** activated and invoked The Light of the World, the Grantor of her family inheritance which was the restoration of her family unit. The first woman TOUCHED the counterfeit one while this woman TOUCHED the Origin of life, the Authentic Word! This Greek word is first used in Genesis 3:3 when the transfer took place and man went from king to slave.) Luk 8:46 But יהושע said, “**WHO** touch Me, for I **knew power** went out from Me.” (Power = Dunamis = Kingdom Authority, miraculous power. The same for: צבא - Tza’ ba = host of warriors, army; *Tongues of fire in Acts 2. Interesting this word has the numeric built into it - 93, the same as: Na’chalah/נהלה = Inheritance that is obtained. This gets even more powerful - He KNEW this Kingdom Authority was WITHDRAWN from His Royal Vault. Knew is: gnosko = experience another or a thing. The Hebrew origin this word in Greek was possibly translated from is: Amar/אמר - the Rhema Word, *words spoken with musical melody. Yahshua experienced the Amar Word of the Creative Order materialize through His flesh body and TOUCH this woman’s issue. This TOUCH created ‘Musical Dissonance’ which is the Governing ability to RECREATE through Frequency and Vibration with the material world. This musical vibration Yahshua stopped to acknowledged, would now be sent ahead of Yahshua shattering the family issues the woman pleaded for! For the first time and only recorded time Yahshua experienced this level of Power leaving His Body. The woman’ s belief in Him caused The King to stop in His tracks! From this moment forward, we don’t have a record where the woman went. I believe she went home!) Luk 8:47 And the woman, seeing that she was **not hidden**, came trembling, and falling down before Him she **proclaimed** to Him **in the presence** of all the people **why** she had touched Him and **how** she was healed immediately. Luk 8:48 And He said to her, “Take courage, daughter, your **belief** has healed you. Go **in** peace.”

- Luk 8:49 While He was still speaking, someone came from the ruler of the congregation’s *house*, saying to him, “Your daughter is dead. Do not trouble the Teacher any further.” Luk 8:50 And יהושע, having heard, answered him, saying, “Do not be afraid, only believe, and she shall be healed.” Luk 8:51 And coming into the house, He allowed no one to go in **except** Kēpha, and Ya’aqob, and Yochanan, and the girl’s **father and mother**. (The girl's father and mother? Was this woman the wife and mother restored to the family unit?!) Luk 8:52 And they were all weeping and

mourning for her, and He said, “Do not weep, she is not dead, but sleeps.” Luk 8:53 And they were laughing at Him, knowing that she was dead. Luk 8:54 But taking her by the hand He called, saying, “Child, arise.” (הַיְלֵדָה קוּמִי - **Rise up little girl!**) Luk 8:55 And her spirit returned, and she rose-up immediately. (First Repentance then Resurrection!) And He directed that she be given *food* to eat. Luk 8:56 And her father and mother were astonished, but He ordered them to say to no one what had taken place.

- **Luke 8:43 PPT** -And a woman, having a flow of blood for twelve years, who, having spent all her livelihood on physicians, was unable to be healed by any, Luke 8:44 came from behind and touched the kanaph of His garment. And immediately her flow of blood stopped.

Our background for a situation as this - Leviticus 15:19 -33 speaks of the law in the case of a monthly cycle – Niddah = separation. It’s as if the woman leaves this lower place and is taken to a mystical place of separation, this is a picture of the redemptive plan. For another time. Then further the law speaks of the cycle going BEYOND normal for many days. The woman in her physical make up is that of beauty, power, conception, nativity and revelation.

Let us examine a few words of this historical event:

Woman – **PPT** -γυνή *gunē goo-nay'* Probably from the base of G1096; a *woman*; specifically, a *wife*: - *wife*, woman. So, this is the wife of some man, but where is he and why has he not helped his wife for these 12 years or has he? He is supposed to be her covering and help in time of need!! Maybe it’s because he has more important things to do with his animals offered for Levitical administration. Maybe he has been out playing with the bulls, sheep and goats and turtledoves along with the other heads of STATE!!! Or maybe he has been around but has been overwhelmed with another event at hand say, his only child.

This woman is rejected, unwanted and without a covering husband present! She never asked for this ISSUE to be this continuous for years to come! But this goes a little further. The root of this Greek word related to this potential wife is: γίνομαι *ginomai ghin'-om-ahēe* A prolonged and middle form of a primary verb; to *cause to be* (“gen” -erate), that is, (reflexively) to *become* (*come into being*), used with great latitude (literally, figuratively, intensively, etc.). GENE – as in The Beginning of life, the beginning of all things. This wife/Ishah was the Genesis of the family and something traumatic has taken place. So, we see that from the beginning YHWH had a plan for man to dwell with Him in Unity!! This blood-letting, this unexpected blood flow began some 12 years ago. This very painful thing has put her whole life on pause and take note, Chavah/Eve was known as the ishah so all daughters from that point on will hold to this idea. Here, in our text this woman is known as ishah, a wife and mother of life. What caused this traumatic event?

- **Flow** – **PPT** - ῥύσις *rhusis hroo'-sis* From G4506 in the sense of its congener G4482; a *flux* (of blood): - issue. Menstrual flow. Hmmmm. Issue of blood. Could this be a reflection of the current sacrificial system? Hmmmm.
- **12 years** – **PPT** -12 speaks of the Nation of Yisrael. 12 tribes, one nation, 12 celestial bodies which reflect the 12 Tribes in the encampment order, not the order of nativity –

- a. **טָלָה** – The Ram = Judah;
- b. **שׁוֹר** – The Bull = Yissachar;
- c. **תְּאוֹמִים** – The Twins = Zebulun;
- d. **סַרְטָן** – The Crab = Reuben;
- e. **אַרְיֵה** – The Lion = Shimon;
- f. **בְּתוּלָה** – The Virgin = Gad;
- g. **מֵאֲזֵנִים** – The Scales = Ephraim;
- h. **עֶקְרָב** – The Scorpion = Manasheh;
- i. **קַשֶּׁת** – The Archer = Benyamin;
- j. **גְּדִי** – The Goat = Dan;
- k. **דָּלִי** – The Water Bearer = Asher;
- l. **דְּגִים** – The Fish = Naftali.

12 Stones Jacob placed at his head, Mosheh built an Altar and 12 pillars; 12 rods to distinguish the leadership position given to Aharon; 12 stones extracted from the Jordan River when Joshua crossed leading The Nation; Concubine of Givah in Judges 19 cut into 12 pieces foreshadowing the 12 Tribes who would be molested by the nations, a relative of a past concubine named Ritzbah; Jeroboam's new garment torn into 12 pieces; 12 stones used by Eliyahu in building the Altar. So not only are the 12 tribes affected by this blood flow, but the 12 celestial bodies in the heavenlies as well. Even the calendar is bleeding out!! WOW! There are 12 steps the powers that be established that enslaved everyone and this former 12 step deception has now passed away with its blood flow! The power of TOUCH! We see this today, bleeding interpretations of The Truth of Yah's Word! Bleeding messages that are drying up! Bleeding pulpits with hidden sin covered up with a false message! Bleeding veils and bleeding tzitzit! We need help! 12 faces of The Tabernacle each pointing to the work of Mashiach – Gate, Altar, Laver, Door, Shewbread, Menorah, Incense, Veil, Ark, Mercy Seat, Aharons Rod that budded and Covenant Stones. (*No actual Manna, only the bowl that held it*).

Today, these are bleeding with the hope of being used again!! 12 years of bleeding and no one to help me! Just remembered, there is a 12,000-year cycle where the sun purges the earth of impurities, 2-30-2040 it is believed to happen one last time! I spent all I had on religious healers and nothing, not even a temporary healing!! "I spent all my life thus far trying find a cure for this

bloodletting, this blood flow which has brought upon my life nothing but shame and rejection from all whom I love! I just need to draw near even if it's the kanaph of The King Priest Himself that Malachi spoke of! If I could just get past all those who have rejected me, if I can get passed all the labels, doubt, pain, misery, loneliness and death and just reach out and TOUCH the Hem – TOUCH Him! Why couldn't The leaders of the day heal her? Why couldn't the priesthood of this second temple area intercede for her?! Why isn't anyone helping her?! There is only one, there is only one!"

- **Spent** – **PPT** - **προσαναλίσκω** prosanaliskō *pros-an-al-is'-ko* From G4314 and G3555; to *expend further*: - spend.

When you take this word back further to its root, we find the Hebrew revelation revealed –

אָכַל – Akhal which means to eat, consume; something the High Priest did that was Most Holy, eat a meal before the Presence in Leviticus 6, 8, 11, 18-21. The priest is to internalize on behalf of the people all that manifested in the inner court and Outercourt. He is to project the Light of Truth to all Israel as he TOUCHES the Bread! This woman's life was consumed because of this blood issue. She **spent** all she had for this healing of the womb, but none of the religious or medical doctors could help. Sounds like the past 3 years in this world, many bleeding out with so many health issues as the PharmaKilla scrapes the pockets dry! This woman, this un-named woman was being consumed not by this flowing of blood, but by the effect of this upon her family, livelihood and legacy! What is CONSUMING many today? Spending all they have on this deceptive and even deceived leaders promoting an allowed sacrificial system at hand, which will play its part in prophecy! From the Beginning, these prophetic events have been spoken of, especially by Daniel!

- **Touched** – **PPT** - **G680** ἅπτομαι haptomai *hap'-tom-ahee* Reflexive of G681; properly to **attach** oneself to, that is, to **touch** (in many implied relations): - **touch**.

What is so powerful to me is in the Septuagint this same Greek word is used in Genesis 3:3 which says: “But from the tree that is in the center of the Garden Elohim says ‘You shall not eat from him neither shall you **touch** him, in him you shall die.’” The Hebrew can be read as such.

But the word for **touch** here – Teeg'geoo – **תִּגְעֶוּ** – To Touch him, in the future tense which leaves room for a broader knowing; from: **נָגַע** – to touch, impact, wound; **נָגַע** = strike with a blow; to inflict with leprosy or a sign of leprosy; **נִגְעָה** – Nig'Ah = distraction, insult. The distractions began in 2019 and now the great roll out of pandemic blood issues is under way! This future tense speaks of one who would be touched with and clothed with a leprous garment, To Touch The Leprous one!!

Forbidden to touch? NO!!! But the woman now gave to the voice of the Nachash so she ushered in the Garments for The Word, For The Memra, for The Right Arm, The Branch, The i am that i am, the Voice from The Throne, The Lamb slain before the foundation of the earth, The King of kings and Master of masters, The Son of Elohim, YHWH made flesh, The WHO of Revelation 1:8 which is the manifestation of El Shaddai – The Nourisher and The One who fills the empty

soul and space; a Garment that would be known as a Leprous garment. He would bear the sin of all Yisrael upon himself. He would take upon the diseases of all in exchange for health and life! It's a transfer of death for life. Here she touches something that could only unlock her breakthrough – faith in The High Priestly Robe Yahushua wore that day – John 19:5 'Purple Robe!' The Kingly Robe that spoke of His Heavenly Kingdom!

SIDE NOTE: **PPT** - An in-depth study through Genesis 1-3 shows us a garden paradise introduced as a magnificent house based on the meaning of the ancient Hebrew letter Beyt – ב, which widens our depth perception to comprehend the word **בראשית** –Genesis. Among the many word pictures describing this awesome house, we can know that “WHO” (**מי** pronounced as mee) is one of them. Long ago, Yahushua entered the Eastern Gate accompanied by a crowd of deafening voices crying out with one voice, “**Mi hu zeh**” (Who is this? – Matthew 21:10). Again, in the Temple of Jerusalem, another crowd had assembled to ask him to reveal his identity. Though translated as a question, there might be more going on based on Exodus 3:14. John 8:25 (my interpretation from the Greek). "WHO are you?" And he answered to them, “**WHO** - The One from the Beginning. This is The One that i have been speaking to you about!”

- Exodus 3:14. **PPT** - **אֶהְיֶה אֲשֶׁר אֶהְיֶה** “I AM WHO I AM.” And he said, “Thus you shall say to the children of Israel: I AM has sent me to you.”

To further comprehend, consider this testimony from Revelation chapter 1: Revelation 1:8. “I am the Alpha and the Omega, the Beginning and the End,” says YHWH, “**WHO** is and **WHO** was and **WHO** is to come – (El Shaddai).” Essentially, this is about coming home FROM wandering in Earth's Kingdom of Darkness TO putting down roots in the Garden of Eden and its Kingdom of Light. At that moment, when we are **born from above**, we are given a new name which belongs to our “Husband,” and King. Our “maiden” name (when we first entered the world) no longer identifies us (see 2 Corinthians 5:16). With His redemption and gift of regeneration, we are no longer attached to the Tree of the Knowledge of Good and Evil – Sin and Death. We have a new name; that is, the name of YHWH through our marriage to the **דְּבַר** – the Word, who is Heaven’s Unique Son of YHWH! **Back to the study:**

She touched the Eternal Kohein Ha’Gadol’s Royal Robe!!! The MalkiTzedeq High-Priest Yahshua at that very Moment and with the Faith touch of the woman caused the transfer of life from the Master of Life to the Woman pleading with The Royal Seed of Heaven – Yahshua Ben David! Where Life is, death has no rule or reign!! She touched The Life. And Mashiach says something profound I just mentioned, WHO and her flow dried up!!

This Hebrew word **מי** has an interesting numerical connection:

PPT - 50 = **הָאָדָם** & **דָּמוֹ** & **טָמֵא** & **מִדּוֹ** – HaAdam, The Adam; Damo – His Blood; Tamei – Unclean (Found in Leviticus 15); MiDo – His Garment or Robe. **WHO** touched Me?

All these play their part in this study. The woman touches the robe of Yahshua, and her Blood Issue is dried up because of His blood or His life! **WHO** touched Me?

WHO Touched Me can be an actual statement and not a question: The Manifested Word in FLESH said that The **WHO** Touched Him, The Flesh. The **WHO** (*The Eternal One inside Him*) put upon Him, Yahushua the flesh – Ben Adam & Bar Enosh, what was on the woman, not just this woman, but the first woman – **PPT** - Chavah/חַוָּה which means **to declare, to show; to**

experience and a tent (Hebrew Etymological Dictionary page 210 first column 10, 11, & 12 words)!!! **The Touch!!** The transfer was made with just one TOUCH. Its deeper than this though:

מִי נָגַע בִּי – **Mi Naga Bi = WHO touched INSIDE Me?!** The woman's **touch** was one beyond the outside, she **TOUCHED/Attached** to the God of all Creation within Yahshua! The Me here is Elohim in Yahshua! Mashiach proves it, He said "I felt Dunamis/power, creative power pulled from Me!!" He didn't say, 'Who pulled my robe or touched my robe?!' He knew the outer garment which represented His Kingdom Power as MalkiTzedeq was that which was touched by the woman's faith!! But, this Belief or faith of the woman went beyond the natural realm, she went straight to the one who was inside Mashiach –

PPT -2Co 5:18 And all things *are* of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation; **2Co 5:19** To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation.

The faith of this woman went straight to the Throne, the place where El Shaddai sits, the seat of Authority. The bosom of Elohim/El Shaddai touched the bosom that was bleeding for 12 years! How many need the healing and delivering touch from the uncontained issues of life?! No matter where you are or what's going on, it's time to reach with open hands and outstretched arms/HEARTS!!! Our point of contact is Yahshua HaMashiach who is our great intercessor and as an intercessor He is our MalkiTzedeq High Priest!!!!

Faith or Belief can move the Anointing of our Kohein HaGadol MalkiTzedeq who sits at the Right Arm of YHWH Elohim!! This is what happened, the woman reached out to LIFE Himself! It takes ZERO Faith to offer up an animal even though for a long time was permitted and allowed by YHWH because of what happened in Exodus 32 – the Golden Calf system of replacement theology and bloodletting idol worship producing SEPARATION from the Royal Priesthood and induction of the Levitical system of sacrifice! This is what we all were Israel, a woman with an issue of blood throughout all 12 Tribes, I mean 12 years! A nation dependent upon animal blood is a nation with issues of blood! Today, the Body of Messiah as a whole need all these blood issues dried up:

Temples, altars, priesthoods, animal sacrificial systems, governors, prime ministers, presidents, stock markets, retirement funds, global economics, the medical world,

Notice of all the people there she was being bumped by and walked over by everyone, none could heal her not even any of the so-called priests of that day which were there watching and waiting to entrap The King of Yisrael!!! None! As she paved her way toward the threshold of healing, all she could think about was, "If ONLY I could TOUCH the hem of His Garment!" Not Him, just the edge or wings of the Garment, that area that signified His High Priest position that materialized in Jerusalem! I can hear her now,

“Please, Son of David, I know WHO you are and WHO you came for, im one of those lambs My King, please everyone you don't understand, I have been bleeding for 12 years

and it was only my Faith in Mashiach that has kept me alive! I am right here, please if I may, PASSOVER to the other side of this pain into the Shadow of the Tree of Life Himself!”

Only one held and still holds the power to dry up the ANY blood flow!! It doesn't matter how drenched you are in your past, right here and right now The Master is waiting for you to come close and reach for Him with just one TOUCH! Yahshua is contagious and has come to absorb the blood flow of ALL generational sin and iniquity! His Blood speaks and all others MUST remain silent! The MalkiTzedeq/The Righteous King Priesthood has come now to dry up the blood flow of Yisrael and has dried up the blood flow of animal sacrifice in the face of the Kingdom of Darkness known as this world!!!!

(Note: This event is a picture of the first coming of Mashiach, by His Priesthood, the blood flow of the Sacrificial system dries up, the blood-letting comes to a fulfillment. The 12-year flow speaks of All 12 tribes. All 12 tribes were like this woman with the issue in the form of animal blood, but now its dried up in Mashiach!!!)

Let's make a connection here as I have been shown before: **PPT** -

- **Luke 8:41** And see, there came a **man** whose name was **Ya'ir**, and he was a **ruler of the synagogue**. And falling down at the feet of **יהושע** he was calling upon Him to come to his house, Luk 8:42 because he had **an only daughter** about **twelve years** of age, and **she was dying**. And as He went, the crowds thronged upon Him.

Luke 8:54 “...Little girl Arise. – **הַיְלֵדָה קוֹמִי** – **HaYal'dah QuMi** = “Young lady rise to Me.” Note the end word **QuMi**, The **WHO** at the end, the **WHO**, who gives Life and dries up the issues of the family, restoring everyone to their intended place! It's more

profound though. The numerical value of this Hebrew phrase is 210 which = **הָרֶה** – The Mountain as in where The Voice Spoke and the Mountain as in Jerusalem. The Voice that raises up the dead still speaks today!!! The Mountain which we are born again from, the born again from above, Jerusalem from Above who has come for her 12 sons, Israel! The Blood issues of the world are dried up because of the power of Repentance!! There was 210 years of actual enslavement in Egypt! The enslavement is about to be dried up! The Inheritance to your future that has been held back by the ISSUES of COMMERCIAL corruption are about to be dried up! Dry up the ISSUES in my life and set me free!!

- **Zec 12:10** And I will pour upon the house of David, and upon the **inhabitants** of Jerusalem, the spirit of grace and of supplications: and they shall look upon me {**The Alef Tav, The Word, The Beginning and The End, The First and The Last – King Yahshua HaMashiach!**} whom they have pierced, and they shall mourn for him, as one mourneth for *his* only *son*, and shall be in bitterness for him, as one that is in bitterness for *his* firstborn.
- **inhabitantsH3427** = **יוֹשֵׁב** – Yo'Sheiv = One who returns or one who sits (*Hebraism for sitting at a rabbis feet to learn Torah*). From **שוב** = Return, Repent.

The inhabitants are those who have made T'shuvah – Return, return to what? Another Temple Disaster? NO! Return to the one who holds the power to We have a man named Ya'ir whose name means to project light – Proverbs 6:23 “...the Torah is The Light...” A picture of the first Adam who was supposed to be The **WHO** that creates the children of light but failed. He has a daughter 12 years of age, The whole House of Israel; that he can't help or heal and none of his council colleagues did anything for him. His desperation and overwhelmed state of being caused him to put on hold the synagogue where The Word was read and learned; and head to the Narrow

path where The Living and Breathing Word was walking. There, he petitioned a prayer never heard before in the council, “Please, my daughter is dying, come and help her!!!” There is a prayer that can be heard that no siddur ever captured and that is the Prayer of faith and Belief!!!! One that rises from the depths of your soul that is born out of the darkness of night!!!

We then have a woman whose blood flow was going on for 12 years and yet in this unclean, desperate, lonely, rejected, begging state she hears something never heard before, the footsteps of life, the footsteps of healing, the footsteps of deliverance, The Voice walking in the cool of the day while all else was chaos and noise abroad. The manifested Voice that once walked in Eden is here now, just at the tip of her reach. She must make her way there. She does and her belief touched the WHO inside Mashiach. The **WHO** of Exodus 3:14 and Revelation 1:8 who is El Shaddai!! The one that she received her nourishment that stopped death and gave her life!!!

We have a woman who is a bride bleeding for 12 years and a daughter who is 12 years of age dying. And a Knesset Leader stuck between two lives, faced with death on either side. Could it be this woman is his wife, who because of childbearing began to bleed and never stopped hemorrhaging? She held the key to continual life and the continuation of the seed, but her womb was bleeding out. This Leader Ya'ir was going no further until the **touch** of the Master would take place. He was producing no seed bearer, no son of heirship yet because the Woman was in a 12-year niddah state and his only legacy lay dying. Here we have a blood flow dried up and a daughter who is raised from the dead at the Masters **touch**. Blood and death are defeated and stopped up!!! She had an appointed time with The King. Not any ordinary king, The King of the universe! Appointed time, interesting this word for time, appointed time is: **עֲתִי** which is used in a very special place in Torah, Yes, Yom Kippur!

PPT - Leviticus 16:21 – “...: **בְּיַד־אִישׁ עֲתִי הַמְדַבֵּרָה**.” This speaks of a husband who steps in at the time of blood flow and cover his bride!!!! She is visited by The true Atonement, the Atonement that need not be offered up yearly as have many done at the time of the Temples. The Void is filled, the Chaos is dissipated. El Shaddai dries up and heals the generational blood flow!! Chaos and Void is something found in Genesis 1:2 – **תֵּהוּ וְנִבְהוּ** = **empty and void**. The numerical value to this is 430, the years All Israel was in Egypt and the same value for the soul-Nefesh! Nefesh also means the flesh appetites – Proverbs 23:2-3. It is the life inside of the blood. So, we see this Nefesh that was bleeding out was dried up. How much clearer can this get? The Nefesh of the animal nature is dried up by Emunah/Belief which Belief/Emunah are always and only connected to a covenant life serving YHWH and coming through ALL Mashiach Yahshua Yahuwah IS and ALWAYS will be!!!!

Closing: **PPT** -

In Hebrew, a large community tent was known by the term **תֵּה** (Strong's#2331) for a gathering or a proclamation (Psalm 19:1 and 1 John 1:5, one of the Greek words for Chavah is Strong's#G312 -**anaggellō** and Strong's#G2222 - **zāō**). The same term describes Adam's wife (Genesis 3:20). This gives clarity to Ezekiel 23:1-4 referring to Samaria as “**her tent**” and Jerusalem as “**my tent in her**.”

Also, it is to this tent that Mosheh came to commune with YHWH (Exodus 33:7-11), and the same tent where he brought the people out to meet YHWH Elohim at Shavu'ot where we are given The Covenant stones (Exodus 19:17). Furthermore, we come to the same tent to draw near to YHWH as James/Yaacob says in 4:8, because his **תֵּה** is our community tabernacle in His

Spirit/Ruach. In her (**this tent**) we gather and hear the Word of YHWH, our House of Bread -

PPT - (Exodus 40:22-23 & [Psa 105:40](#) *The people asked, and he brought quails, and satisfied them with the bread of heaven.*; *The Bread of Heaven dries up the issues of blood!*)

- Joh 6:32 Then Jesus said unto them, Verily, verily, I say unto you, Moses gave you not that bread from heaven; but my Father giveth you the true bread from heaven. Joh 6:33 For the bread of God is he which cometh down from heaven, and giveth life unto the world. Joh 6:34 Then said they unto him, Lord, evermore give us this bread.
- Isaiah 55:11. For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and that it may give seed to the sower and **bread** to the eater, so **shall my Word** be that goes forth from my mouth; It (**he**) shall not return to me void, but he shall accomplish what I please, and it (**he**) shall prosper in the thing for which I sent him.

PPT - Dan 9:27 And he shall confirm^{H1396} the covenant^{H1285} with many^{H7227} for one^{H259} week:^{H7620} and in the midst^{H2677} of the week^{H7620} he shall cause the sacrifice^{H2077} and the oblation^{H4503} **to cease,**^{H7673} and for^{H5921} the overspreading^{H3671} of abominations^{H8251} he shall make *it* desolate,^{H8074} even until^{H5704} the consummation,^{H3617} and that determined^{H2782} shall be poured^{H5413} upon^{H5921} the desolate.^{H8076}

- Sometimes our good old Strong's concordance doesn't do justice, and here is one of those times - **to cease,H7673** - יִשְׁבֵּית - to = י - Yud means to cause something to happen; we are left with: שְׁבִית = CAPTIVITY and RETURN. This is a mistake in Daniel!!! Mistranslated. The deception is the beginning of the blood flow!! Who was the projector of light or Light Bearer? Lucifer/Haleil or Light bearer and light projector!! A possible hologram of projected light to deceive many!!! Today, some are creating workshops and study materials on the coming deception!!! and having conferences with good intentions, but the scripture begs to differ. The woman is bleeding and she is trying to reach out to the true Mashiach Ben Yosef, Ben Adam!!!

Now, this Hebrew concept happens to have the same numerical value as: יִבְשֶׁת - Ya'be'shet = Dry Ground, but more than this, it refers to a nations shame and nakedness! In Genesis 1:9 this word is used for the Dry Land appearing OUT from the collective waters of the SEA (COMMERCE). What will come out from this bleeding COMMERCIAL world of CONTRACTS and JURISDICTION is the life of the 12 year old, or can I say, the 12 Tribes will rise up out from the shame and nakedness of the nations of exile!

I want to just say this, If man seeks with passion, desire, persistence the animal sacrificial system manifesto as we see happening today and reject the King of Life the woman Israel will bleed out with every sheep, turtle dove, bull, goat, ram, and red heifer and with that risk the last generation who is still inside the House of Light waiting to come to life and project the Light of The Kingdom from doing so and die off!!! El Shaddai steps in and heals the family of two women, a mother from above and a daughter of the house!!! The divided House of Israel are reconciled in Yahushua HaMashiach alone.

We must not put on the appendages of past permissions that have come to an end, we must come to our Passover Lamb, our True Atonement – The One who breaks the power of sin and death and sickness and disease and poverty that has once overtaken us like a Mitzrayim, Place of

Constriction and has now Clothed us in Sacrificial Love and Substitute and we receive sonship and adoption, the old man is dead and the new man lives by and through His Ruach!!!! Its time to be still and know he is YHWH!! He has come to dry up our blood flow of problems and struggles as well as the coming niddah blood flow from the mountain area where our Master once walked and now is bleeding with paganism, religion, lust, sin and death as revelation says,

PPT - Rev 11:8 and their dead bodies lie in the street of the great city which spiritually is called Sedom and Mitsrayim, where also our Master was impaled,

The Bride has been summonsed and it's time to come out of all that stands against the Work that Mashiach came to do and that YHWH has planned all along. Let us come and touch the Master's Kingly Priest Robe and have the abnormal cycles broken, dried up, healed and return to the cycles of righteousness that reflect the most inner court dwelling of the Presence where the Neshamah covers the Ruach and where the Ruach Covers the Nefesh, bring the unification of the One New Man infused and filled over flowing with The Ruach HaQodesh and Power not with the issues of blood anymore, so we can be witnesses of The Work of Mashiach and not the stubble chaff houses men are trying to build today – YHWH's Desired dwelling place – among the people of Yisrael!!! "If I could only Touch the HIM of His Garment!! The Him is the Source, the Garment is only the veil of passage and where the blood issues are dried up and healed! The Woman is the New Jerusalem who was TOUCHED with dunamis power, drying up the blood issues of the world and now being restored to her 12 sons – Israel!
