

Creation's Covenant Calendar
ALTERED AT THE ALTAR?
Pt. 37.

By looking backward through the lens of history, our last teaching provided a glimpse into our future. We examined the Genesis Precedents where the Serpent's Seed is first interjected after what amounted to the Fallen Ones' concerted efforts to alter the Creation Covenant Calendar.

We also touched briefly on the event where Israel crosses Jordan into the Land of Canaan. This has casually been picked at for generations. But, today you're going to hear some things that will change your fundamental perspective! Therefore, it's here in this section where I want to try and concentrate. In doing so, I want to present distinct parallels between the purpose of the trans-Jordan affair, the ministry of Yahshua and how both lend evidence to what we can expect in the End Days!

First, I want to qualify a couple of important details. Foremost is that Joshua kept the Creation Covenant Calendar of 360-days, which we'll briefly address a bit later! Moreover, we know without doubt our Messiah also zealously adhered to the same. A fact shared between both, which when examined is confirmed by the distinct Hebraic origin of their names that supplies an apocalyptic glimpse deep inside the 360-day calendar.

This information is formed out of a powerful precedent that is inherent in both Names and thus, lends further insight into the Prophetic connection of both men!

- Joshua - Yahshua, H#3091, יהושוע, Yehoshua. Our tradition tells us: YHVH is Salvation. But, tradition has also limited our understanding here.

For instance, Parkhurst reckons the Yod-Hey root as a shortened form of Hey-Yod-Hey – Hayah, where it indicates - to be, to be brought into a state of being, to become. Though clearly it points at a Divine, eternal existence, it also conveys the idea of The Eternal One – being brought – i.e. - TRANSMUTED - into another FORM, namely, taking on another state of existence!

This is crucial for you to see, because the Enemy has counterfeited the same tactics! In fact, Transmutation is the NEW WORLD ORDER'S answer to being BORN AGAIN!

Now, the latter part of the Name YEHOSHUA – Shua – (*Parkhurst P. 520*) supplies the idea of a ‘*Crying Out*’, as in a Primordial Shout that opens a door or portal! By doing so, its’ purpose is clearly, to set in array the kindness of the One Who Opens The Door! Bear in mind the following...

John 10:9 Yahshua remarks: *I am the Door...* Consequently, by His - choosing to become Flesh – He - The Eternal Word of Elohiym becomes that Open Door revealing the heart of the Creator! This is clearly seen first in **Gen. 3:8,9** where the Voice, **H#6963**, קוֹל, Qowl, cries out for Adam. Qowl comes from an ancient root indicating to move with haste, swiftly. Why was He in what seems a rush?

For a definitive answer, we must consider context. Adam and Chavah are no longer physiologically the same! This is Man’s first Transmutation! Ask yourself, from what or from who did this alteration derive? Surely not Elohiym! Then, who are they (*This Source of Corruption*) where are they now? What becomes of them afterward?

Prior to Adam’s sin, word traveled at LIGHT SPEED. Adam was a Light Being! That light is now condensed into SOUND – light slowed down! Remember: Light and Sound both represent SEED! *Note the following verse... then ask: Is it possible that Words can travel at both speeds? Think about that.

Ps. 119:130 (*Pey Stanza – Pey indicating Mouth – Speech*) *The entrance of Thy words giveth light; it giveth understanding unto the simple.*

Can it be considered that The Light Of The World – The Voice - knew that Adam could no longer incubate the Living Seed the same after the Fall? Instead, his fleshly permutation making him a more susceptible host to the Fallen Seed? How would this later affect Mankind? In what manner would this happen? *See **Gen. 6:2**.

That the sons of Elohiym saw the daughters of men that they were fair; and they took them wives of all which they chose.

- Fair, **H#2896**, טוֹב, Tov, is basically rendered ‘*good, pleasant, fair*’ in the KJV. However, the original, verbal form indicates that whatever is referenced is suitable or capable of functioning for it’s designed purpose.
- Chose, **H#977**, בָּחַר, Bahar, translated as ‘*chose, selected*’. It indicates that trial, by proof, preceded this choice. It conveys the idea that the choice comes by way of the prospective host displaying vigor and activity in performance during that trial. Again, ask yourself this...

Did the Nephylim force themselves on the daughters of Man? Or, was it mutual consent?

Think about that. Is it possible – even though perhaps ignorantly - that we’ve also been unknowing participants in CLINICAL TRIALS to see if we are suitable hosts for the DNA of the same FALLEN ONES? Is that too outlandish to consider? If it is, then ask yourself: How many “*Believers*” eagerly rushed for the C-V-A-X? Flu and Shingles v-a-x? Just to mention a few areas...

Incidentally, the combined gematria of the above words Tov and Bahar give us 227, the same as **בכרה**, Bechorah, birthright, firstborn! Why, suppose you, are their efforts directed toward the Firstborn? This is a crucial point to understand! Bear with me closely!

These definitions tell us that the Fallen Ones – Nephylim – saw that the women were suitable for their intended purpose, because of previous examples. It also seems to indicate that the women were chosen because of their enthusiasm or eagerness to give themselves to these Monsters!

Is it possible that these ‘*Daughters*’ saw that Man’s longevity was decreasing exponentially and that they were being offered a means of ‘*Eternal Life*’? Could they now access a realm of ‘*god-like-ness*’ similar to what Eve had been promised in **Gen. 3:4,5**? In order to see this you must understand the purpose of Lucifer and the Fallen Ones.

They’re intent was/is to destroy the First Born of YHVH and replace it with their own, effectively claiming the Birthright inheritance of the earth! **This is a matter of their survival!** But, that same Birthright inheritance is also a matter of survival for the Believing multitudes now! In the coming days many will enthusiastically embrace the opportunity to host this SEED once again! Now think carefully of what follows...because...

If what we’ve described as having happened to Adam is true, this would have effectively invalidated Adam’s Priestly role in the earth according to the mandate of **Gen. 1:28**: *...be fruitful, multiply, replenish, subdue and have dominion!* Think carefully here! Who exactly was Adam to subdue and exercise dominion over?

This compromise tellingly placed him at the mercy of the Fallen One! As a result, Man’s Priestly dominion – his firstborn right of inheritance had to be re-established!

This of necessity, had to include the Creation Covenant Calendar's administration because it alone reveals the Gateways or Portals of Divine Access and it alone acknowledges the true Melchizedek Priestly Order that the First born was tasked with! **Rom. 8:29**...*that He might be the Firstborn among many brethren.* **Ps. 110:104** ...*Thou art a priest forever after the Order of Melchizedek.* Speaking here of Yahshua!

From this, we must ascertain: The original Plan of Redemption would include the restoration of the Creation Covenant Calendar which would regulate the gestational cycles of Elohiym's Bride. While simultaneously also setting into place the Melchizedek Order that would be charged with overseeing those portals open at Divine Appointments.

Therefore, I submit: The Melchizedek Priesthood was charged - as the Firstborn of Elohiym - with exposing and destroying – Subduing and exercising dominion – over the Seed of the Serpent! It is my opinion that the Creation Covenant Calendar is a powerful deployable weapon against the coming Deception! Why? Because that order and its' calendar alone officiated over LIFE! Still skeptical?

Bear in mind, its' fleshly counterpart, the Levitical system officiated over DEATH – and still does to this day! I am mortified that millions of self-declared Torah Observers are working feverishly to install that system again! Why? What effect will it have? Don't ever forget: The Fallen Ones ushered in DEATH! Adam was instructed to exercise dominion, subduing this enemy! **Death is the Seed of the Serpent!** Let me clarify...

The Levitical Order functioned as a taskmaster, a teacher or headmaster until the coming of Yahshua! His coming, of necessity required a shift in Priestly Administration because death would be defeated! Hence, the need for the Melchizedek Order's return!

Accordingly, He was sent in the FLESH to administer the Gateways or Portals, the 360-day Creation Covenant Calendar and shut down access to the Nephylim, thereby, exercising dominion over every attempt by the Serpent Seed – a.k.a. Death – to denigrate His shed Blood! In fact, Satan's sole purpose has always been to compromise the DNA of the Promised Redeemer – a.k.a. The Last Adam! He, whose Priestly efforts alone purchased back our lives! This is what is foretold in the scene found in **Gen. 3!**

Therefore, upon the Death of Adam: Prophetically, He – The Voice – YAH/Hayah - Shua - SHOUTS OPEN ANOTHER DOOR – A DOOR THAT WOULD ALLOW HIM TO ARRIVE IN THE FLESH on behalf of ADAM! What door?

Teshuvah – Blood Upon The Door of Return!

Teshuvah! Repent and Return! A 360° cyclical Pattern found only in the Creation Covenant Calendar! This Creational Covenant Calendar Pattern is revealed every Dawn, every Shabbat, at every Vernal Equinox – at every Holy Convocation, in particular Pesach! Moreover, the Season of Return is when the Shadow is marked!

Could it be possible then, that what originally flowed through Adam's body – LIGHT – after the fall now becomes congealed and casts a shadow as it blocks that light? Too farfetched? Is it possible that every time the Shadow of Return is Marked that it points us back to Eden's return? What about Adam originally being created in the IMAGE of Elohiym?

- Image, [H#6754](#), **צלם**, Tzelem, resemblance, from a root meaning to 'shade'. The Tzade-Lamed root indicates to overshadow. The suffixed 'Mem' gives us, chaotic waters or womb. Adam was created to literally womb a shadow of Elohiym! That original image was light, in the sense of a covering light. After the Fall, the same light was covered over, shaded, yet another was prophesied who would come in the Womb of the Woman. He was the LIGHT of The World who would restore the former Adamic covering and provide a return to Eden!

Ironically, it has been proven that during the Vernal Equinox, the blood becomes thinner and is easier purged of impurities! Is that merely coincidental? Could marking the Shadow and the return to the 360-day, Creation Covenant Calendar of Eden be a prophetic declaration of the necessity of a purging of our DNA - Blood in order to facilitate a future return to Eden – The Garden of Light - where the Appointed Times await us?

Could engaging in honoring this Calendar begin that much-needed purging, while also providing an immunization against, the contamination of the Fallen Ones' Seed? These are hard questions but, they must be asked!

Does the Calendar relate at all, to the separation of Light from Darkness, the Fallen Seed from that of the Last Adam? We saw this calendar assault pattern first in **Gen.**

1:2-5 and later in Gen. 3. Could another Calendar War be on the horizon? If so, we must again ask: Why?

ALTARS ALTER!

As we continue in search of these answers, you must consider: If the physiology of Adam changes, then access to those previous Divine Appointments through the Portals or Gateways - specified on the Creation Covenant Calendar - where Man simply crossed a Threshold into the Presence of Elohiym is now denied! Man is cut off from the Throne of Elohiym! Without a remedy...UNLESS...

From this time forward what was once a Threshold now becomes an ALTAR – REQUIRING BLOOD SACRIFICE! At the Altar, where Messiah's Blood is applied Man undergoes a transitioning phase! These appointments are solely regulated by the 360-day, Creation Covenant Calendar! Thus, effecting An Edenic Restoration – Redemption! This corruptible puts on incorruptible!

Once you understand this, you will know why the enemy is attempting the current Counterfeit! This is a Genesis 6 DO OVER! What you just heard is now common language for those espousing gender change! It's about conditioning you to become an enthusiastic host!

But you would never fall for the seduction of the Enemy! Hmmm?

What about the two-dimensional profile pictures, and icons, graphics you use on your social media? They're called: AVATARS! This term indicates a process that attempts a fraudulent Test Case where once again a god – Fallen Deity – descends to take on human form! These Avatars can easily be controlled by A.I. and will one day exist as if they're the Living One! That will never happen you say?

Gen. 6:4 *There were giants - Nephylim in the earth in those days; and also after that, when the sons of Elohiym came in to the daughters of men, and they bare [Children is added to the KJV] to them...*

Surely by now you understand: Blood is the most powerful cleansing agent! But, it cannot CLEANSE WHAT YHVH HAS CALLED UNCLEAR! The Law of Genesis stipulates that everything reproduces after its' kind! Hence, the reason Noah had to have an untainted blood line!

- Kind, H#4327, מִיֵּן, Miyn, to portion out, a part, a musical chord. The vibratory chords assigned to each species!

Ironically, it is also the root of Manna – the test given to Israel to see if they would follow Elohiym! Did you note another TEST CASE? To see who would lend themselves as HOST to the Seed of Elohiym? The Enemy has always counterfeited the PLAN!

For this reason, there had to be a remedy! Thus, the life of the FLESH is in the blood! Flesh only becomes pertinent after the FALL! Animal Blood only became a temporary, sanctifying agent after the flood! Even with animal blood, ask yourself, what type of blood or what condition must blood be in to suffice as an altar agent? Every animal sacrifice required the animal to be Tamiym – an untainted bloodline!

As a result, you CANNOT BE SAVED if you're blood becomes tainted with the Fallen One's Seed! If this were not the case, then Lucifer and every other Nephylim could repent and be converted!

On the other hand, we must understand that the blood of bulls, lambs, goats could NEVER offset the sin penalty! Neither could Man shed his own blood in order to atone for himself or another man because of the Adamic nature. Only the Blood of Messiah would suffice! Therefore, it seems the enemy seeks to taint the Blood Line – DNA - of those “*putting on*” the Last Adam! Making the effect of the sacrifice of Yahshua null or contemptable to those who would rebel against Him!

Consider, the words of Yahshua in John 14:6

Yahshua saith unto him, I AM THE WAY, THE TRUTH, AND THE LIFE: No man can come to the Father, but by Me.

Here, HE clearly lays claim to the Title resonating in the root origin of HIS NAME: Hayah or - YAHA - I AM - The Eternal One – He being brought into another FORM, i.e. taking on another state of existence! This same I AM was declared in: The Heavens, The Way – The Zodiac/Road/Way – Mazzaroth! He, SHUA'S – SHOUTS OPEN THE GATES WITH THE WORD – Truth and life! If you were Lucifer, what would you counterfeit?

Now, if indeed ...*the life of the flesh is in the blood...* Lev. 17:11 then Man must begin His redemption at the DNA LEVEL – Blood. Your blood must be guarded at

all costs! Have you ever wondered why there has been such an assault upon the Bodies of Men with V-A-X-E-S?

The origin of the word Vaccine comes from the *Latin Vacca – Cow and Pox – Variola!* A word that means spotted or speckled! This is seen in the Spotted and Speckled Cattle of Jacob! This was the first fertility clinic and resulted in a DNA transmutation in his flocks and by extension, HIS HOUSE! Therefore, we must not forget: Our enemy always counterfeits the Blood of Redemption! This ritual was specifically for the FIRSTBORN! Why?

A Blood Redemption?

Exactly what does Redemption entail lawfully? Hmmm?

Right Of Redemption

Redemption Defined.

Redemption is a repurchase of captured goods or prisoners; the act of procuring the deliverance of persons or things from the possession and power of captors by the payment of an equivalent; ransom; release; as the redemption of prisoners taken in war; the redemption of a ship and cargo. *Note the latter!

(Have you ever considered Maritime law – the Law of the Sea/See? Have you asked why you have a birth – berth certificate – i.e. a bill of lading, where the Dock – Master, Doc-tor is informed of your birth – berth from the ship/mother, who is called an informant on that Doc – You - Ment? The Latin word MENT translates as: That which serves to prove. That instrument proves you were DOCKED) When a vessel is moored or docked and is safely fastened with a gangplank, or by another means, the admiralty courts have jurisdiction over the vessel. This is because when the vessel is moored or docked, it is not becoming part of the land and still retains the status of a vessel.

SHIPS CANNOT INHERIT ON THE LAND! THEY ARE NOT RECOGNIZED AS A LAWFUL PERSON!

(<https://admiralty.uslegal.com/jurisdiction-over-the-parties-or-property-involved/effect-of-mooring-or-docking-on-jurisdiction/#:~:text=When%20a%20vessel%20is%20moored,have%20jurisdiction%20over%20the%20vessel.>)

Have you ever asked what happened to the RIGHT OF INHERITANCE that once belonged to your ancestors? Let me stop there!

Redemption Definition cont....

Deliverance from bondage, distress, or from liability to any evil or forfeiture, either by money, labor or other means.

The liberation of an estate from a mortgage; or the purchase of the right to re-enter upon it by paying the principal sum for which it was mortgaged with interest and cost; also, the right of redeeming and re-entering.

(<https://av1611.com/kjbp/kjv-dictionary/redemption.html>)

Thus, Yahshua not only redeemed Man, but man's entire ESTATE! This includes his children and grandchildren who are primary lineal descendants and heirs! As a result: You have authority to ALTER at the BLOOD'S ALTAR - THE DNA OF YOUR CHILDREN! The Adamah Altar – is The Land!

Adam's Estate:

Adam's Estate formerly applies to the Body Created on the LAND in Gen. 1 & 2 and as such, cannot be hybridized with the Nephylim Seed! *Read: Rom. 8:19-23! The Land – Creation will soon be released from its' bondage! Therefore, if Man is not truly capable of inheriting unless HE'S ON THE LAND, then while Maritime Law controls him, neither he nor the land can be released to its' rightful heirs! Your BODY SYMBOLIZES THE LAND! The Powers That Be know this! It is ADMIRALTY LAW that seeks to patent ownership of the Body that it owns/controls!

[Supreme Court 2013 – Pathology vs Myriad Genetics. The V-A-X-E-D can be owned. The Court cited that human DNA is a product of nature and as such cannot be patented. At the end of the brief, they stipulate: If you change a human's genome by mRNA V-A-Xes, then the altered genome can be patented!] Resultingly, all people who are legally identified as 'Trans Human' do not have access to Rights granted by the State!

You should now understand the push towards the Trans – Gender – Humanist – alterations.

Can you now see why we apply the blood to the doorposts at Pesach, symbolic of the doorposts of our heart? It's a reclamation of our rightful inheritance as Land Dwellers by due Process! Even more so - it is a formal declaration of a TAMMIYM – Perfect – Generation. H#1755, דור, Dor, a revolution or 360° turning of time. It conveys the idea of moving in a CIRCLE – this describes a condition or cited quality, a CLASS of Men. Gen. 6:9

Perhaps we should look again at **Ex. 12:7**? Will we find a connection to applying the Blood of Pesach in the actions of Joshua that would be later fully demonstrated in the BLOOD offering of Yahshua?

And they shall take of the blood and put on the two doorposts and on the lintel of the houses where they eat it. (The Lamb).

- Put, H#5414, **נתן**, Natan, to bestow, permit, employ, assign, designate, to grant to.

Pay attention here: In its' verbal form Natan conveys the idea of a giving forth of a voice, to utter a sound! Perhaps a SHUA – SHOUT is being emphasized whereby the one applying the Blood is exuberantly shouting permission to the source from which that blood derives in order to close one door of death and open another to life?

- Doorposts, H#4201, **מזוזה**, Mezuzah, this word means far more than simply a doorpost or hinge point. It indicates vibratory motion. It paints the picture of a crowded multitude passing before the eyes! Listen to this!
- Lintel, H#4947, **משקוף**, Mashqoph, though translated as the upper door post, it carries the idea of seeing, turning to face, to look upon! Parkhurst [P.552] suggests here in **Ex. 12:7** that it implies one looking with great fanfare upon the application of the Blood as an action representing the Coming Messiah and thus, glorying in the blood as the ONLY MEANS OF SALVATION OF THE HOUSE!

In consideration of the foregoing, we must acknowledge that upon every instance of applying Blood at Pesach and subsequently - to our hearts, that it opens the door to multitudes of our generations who will pass through! Generational Inheritance!

Additionally, we note the Hebrew letter formed by the application of the Blood to the doorposts, it forms the Chet – New Beginnings. However, the way in which it is applied also represents the LOINS OF THE HOUSE – MAN! THE LEGS AND UPPER WAIST AREA! THE doorway or threshold of procreation! Now we know why the LAND IS LAID OUT IN THE FORM OF A MAN! Now you know why Israel came to Mt. Sinai and Mt. Horeb – the Twin Towers, the Legs/Loins of that Man! Here, they were to reclaim their inheritance!

Watch The Wizard!

Now you know why at 9-11-2001 we saw the destruction of the Twin Towers – each erected as Masonic symbolism of the Twin Pillars of Solomon’s Temple! It set into motion fear and a willingness to trust our safety to the State, but, it also sparked a Nation-Wide ANTHRAX SCARE! This lead to a rush toward inoculations, etc. ANTHRAX is a form of COWPOX – The deliberate attempt at manufacturing A SPOTTED AND SPECKLED generation!

Therefore, the Passover rehearsal points toward the reclamation – redemption - of Mankind in every individual house! Yahshua promised: He would present to Himself a Glorious Church not having A COUNTERFEIT SPOT OR WRINKLE! Eph. 5:27. At Pesach, the applicant is granting permission – willfully – for the eradication of the Fallen One’s Seed and the destruction of the Seat of his authority in that house – the Throne or Heart – the doorway! *Note the following!

WARNING!

Acknowledging what I’ve shared INVOLVES WARFARE ON A SCALE MOST DON’T UNDERSTAND! The coming battle is not for the timid or faint of heart, neither the lukewarm Believer! Let me explain a bit more.

This Events of Genesis 3 Sets Into Motion The War Between The Seedline:
The Calendar War Begins!

Is It Possible That Joshua And Later Yahshua, Operated Under The Same Mandate
As That Found In Gen. 3:15?

It seems that the struggle between the Seed-Lines encompasses the attempt of the Fallen Ones to jeopardize the design of the Creation Covenant Calendar of 360-days. In every precedent set in the Genesis Account, when the calendar was assaulted, the Fallen Ones were there to usurp the Portals! Portals are ALTARS! Your BODY IS AN ALTAR – PORTAL!

Therefore, if Joshua, like Yahshua was instrumental in the destruction of the plans and purposes of the Nephylim Seed, we would need proof of what Calendar each kept, else our evidence is faulty! You’ll soon see why this is important! Do we have evidence?

While here, looking at the timeline for Israel’s crossing of Jordan we must also note a powerful, pertinent caveat: The Enochian, Zadok, and Essene calendars (364-days

Numbs. 35:33 *So you shall not pollute the land wherein you are: For blood defileth the land: The Land cannot be cleansed of the blood that is shed therein but, by the blood of him that shed it.*

Fact, the Fallen Ones currently control Gaza, Golan and Gath having never been displaced by Joshua! As we speak, the Blood of Yahshua – Yaho – Shua, the One Who Shouts Open The Door – is not accepted by the STATE AVATAR CALLED ISRAEL! IT WAS GIVEN LIFE IN 1948, but does not represent the LIVING MAN!

Thus, without the Shed blood of Yahshua, neither the Man nor the Land (*Laid out in the Man's Form*) can be redeemed! It is controlled by whomever holds title!

Pay attention to **Joshua 5:10** *And the children of Israel encamped in Gilgal, and kept the Passover on the fourteenth day of the month at even in the plains of Jericho.*

We also see that Israel came up out of the Jordan on the 10th –day of the first month. This follows the pattern of **Ex. 12:3** where Israel is commanded to choose a lamb for Pesach sacrifice on the 10th day of this 1st-month. This would also coincide with the circumcision of Israel's men on the same 10th-day of the first month after crossing Jordan! This was necessary as no uncircumcised Man could partake of the Passover! Why?

What message does circumcision convey and to whom does it speak?

Circumcision is always connected to the physical aspect of removing the Male's foreskin. But, we're also commanded to have a circumcised heart and tongue! With that said...

Do you remember **Mat. 12:34, Luke 6:45**? ...*out of the abundance of the heart the mouth speaks*? The tongue declares what's stored in the heart, regardless of the physical anatomical signature of circumcision!

Fleshly circumcision reflects how one lives out what's stored in his heart. If words and actions are the same, then one is truly circumcised. Thus circumcision reveals the subjugation of the carnal flesh where death works. Death is the Serpents' Seed! Circumcision is the symbolic rededication of Man's ability to procreate - BACK TO ELOHIYM! It speaks of dedication to YHVH while also serving notice to the Enemy! Access is now Denied!

Circumcision before Pesach?

Where's the proof that Joshua celebrated Passover on a Shabbat?

Josh. 5:11 *And they did eat of the old corn of the land on the **morrow after the Passover**, unleavened cakes, and parched corn in the selfsame day!*

Unleavened Bread celebration always begins on the 'Morrow after' Pesach – the 15th! (***Lev. 23:5-6**) This would be a Sunday, beginning not only the Omer Count, but, Unleavened Bread as well, with both occurring the day after the 14th – which according to Joshua's words would have to been a weekly Sabbath!

I wanted to insert the above in order to build the proper foundation to express the powerful comparisons between the DATES expressly detailed by Joshua and how those dates must match Creations' Covenant Calendar. In particular, as Israel is tasked with destroying the Seed of the Fallen Ones who have always attempted to usurp the Calendar Portals or Gateways! Thus, as we continue to examine Joshua - note our next, previously hidden fact...

Lamb Requirements?

Most Scholars equate the pattern of choosing the Lamb on the 10th of the Month, with the fact that YHVH also chose Israel – upon their circumcision – on the 10th of Aviv. We know these commands have practical application, But, have we missed something?

Ex. 12:3,5 *Speak unto all the congregation of Israel, saying, in the tenth day of this month they shall take to them every man a lamb, according to the house of their fathers, a lamb for an house: Your lamb shall be without blemish, a male of the first year: You shall take it out from the sheep or from the goats.*

- Speak, **H#1696, דבר, Dabar**. Usually simply defined as: Speak. The origin of the word amounted to the Setting in a row or arranging in a specific order. The setting in array the Kindness of Elohiym?
- Congregation, **H#5712, עדת, Edut**, congregation, company. From Ayin-Vav-Dalet, Ude, meaning to repeat, do again, to restore, to affirm solemnly. Interestingly, this is the first usage of Edut to address the Camp of Israel!

I also want to call your attention to the root of Edut **H#5749, עוד, Ude**. The Ayin, having no sound, is interchangeable with the Aleph. Thus, the word could also be

written H#181, אֵשׁ, as first seen in **Genesis 2:6** ...*there went up a mist, 'ed – Ude.*
A fiery brand or ember! *Remember this!

Prior to Adam – The Ish – The Fire Man - there was a fiery ember – a mist - residual in the earth that watered – H#8248, שָׁקָה, shaqah, to moisten in a limited sense. The Shin-Qof gives us the word SACK. It seems this primordial fiery mist could only contain or set boundaries for Creation in a limited sense, waiting for the Man who would fully bring Creation under Subjection! It needed a BODY! Thus, it seems to have literally caused the earth and all it contained to move, though unrestrained, because there was NO MAN to till – serve as Priestly Administer! This tells us what?

Israel is to serve as the Congregation - UDE – and contain/police creation - until the arrival of the Last Adam who will completely subjugate the enemies of Elohiym!

That's why I believe there's actually another way that this verse in Exodus could have been written based on how Edut is used! *Note: YHVH is speaking to Israel – something that will literally shout open a prison door!

(To Moshe) You set in proper order, this Oath, which I'm affirming, and if they are obedient to repeat, rehearse - it will restore Israel! ...WHAT WAS THE OATH SHOUTED?

...in the 10th day of this month...take a lamb

The rehearsal of Pesach is powerful! It is where we come into agreement with the application of the Blood of The Lamb! It involves the exchange of position: Death is put off and life becomes our garment!

- Lamb, H#7716, שֶׁה, Seh, a young one of a flock. I found it interesting that SHE, as a verb in the ancient Syriac conveys the sense of cooling, making or growing cold. Parkhurst opines that though clothed the best of all animals; they are the least able to endure cold. Why a lamb?

Adam was garmented with skins yet, unable to endure the absence of HEAT from the Fire he was created out of! Corruption must put on incorruption! Thus, until the LAMB WITHOUT BLEMISH came, the flesh of Man could not suffice as an eternal garment!

This brings us to the exhilarating demonstration of the Passover Celebration taking place on Shabbat, the 14th day of Abiv – after Israel has been circumcised on the

10th! REMEMBER: Israel is a tent-dwelling nation. Mobile. What doors then received the Blood of Passover and when? Joshua must place that blood upon the right place at the right time!

Canaan, The Doorposts Of The Earth?

Gen. 17:8

And I will give unto you and to your seed after you, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their Elohiym.

This land was promised to Abraham's Seed. Galatians 3:7 *Know you therefore, that they which are of faith, the same are the children of Abraham.*

It is my opinion, which some scholars probably disagree with, that Canaan would have been the land of Eden! Hence, the reason it is promised to Abraham and why, the Fallen Ones took up residence there! Let's examine the name first seen in Gen. 9:22. Canaan, the son of Ham. Tradition has given us: Lowland, or merchant, trader.

- Canaan, H#3667, כנען, Parkhurst (*P.233 seems to infer that this word derives from H#3559, כון, Chun, to establish, prepare, arrange, to secure. To exist, to set upright as a throne*) Ironically, this seems clearly the intention of this Son of Ham - to set up the throne of the Nephylim!

This helps explain why Israel exits the Jordan River on the 10th! The day the Lamb for sacrifice is chosen – as well as, the Day of Circumcision!

Once Israel acknowledges the cutting off of the SEED OF THE FLESH – DEATH – through their circumcision, they literally become the Son of Elohiym! Immediately, upon their healing taking place, figurative of the 3-days and 3-nights Yahshua was in the grave, 72-hours, they apply the blood upon the DOOR OF CANAAN! I believe Yahshua placed His own Blood upon the DOOR OF DEATH! Joshua's actions amount to AN EVICTION NOTICE TO THE FALLEN ONES!

Crossing Jordan on the 10th and this subsequent Pesach Celebration represented the Spiritual cutting off of the Serpents' Seed, yet there remained the physical removal of the Giants and their genetically engineered hosts, including their animals!

What you and I are experiencing is an opportunity like no other in History! We have the Calendar of Creation restored! We now are perfectly synchronized with the 360-

day timing Perfect in our Generations - of the Portals that will open upon the APPLICATION OF THE BLOOD! *As it was in the Days of Noah so shall it be in the days of the coming of the Son of Man!* Mat. 24:37

Choose this day whom you will serve! As for me and my house – We will serve YHVH!

Shabbat Shalom!
