THE BLESSING OF ENOCH

1.1 These are the words of the blessing of Enoch; according to which he blessed the chosen and righteous who must be **living in the day of Tribulation**, which is appointed, for the **removal** of all the wicked and impious. 1.2 And Enoch began his story and said: - There was a righteous man whose eyes were opened by the LORD, and he saw a Holy vision in the Heavens, which the Angels showed to me. And I heard everything from them, and I understood what I saw: **but not for this generation, but for a distant future generation that will come.** **PPT**

- 🌿 **Zec 9:3** And **Tyrus** (**Palestine/Canaanite/province- ancient giant races!!**) did build herself a **strong hold**, and heaped up silver as the dust, and fine gold as the mire of the streets. **Zec 9:4** Behold, the Lord will cast **her (Palestine)** out, and he will smite her power in the sea; and she shall be devoured with fire. **Zec 9:5** **Ashkelon** (**Palestine/Canaanite/province- ancient giant races!!**) shall see *it*, and fear; **Gaza** (**Palestine/Canaanite/province- ancient giant races!!**) also *shall see it*, and be very sorrowful, and **Ekron** (**Palestine province!!**); for her expectation shall be ashamed; and the king (**chief demon over Palestine to this day**) shall perish from **Gaza** (**one of 5 chief PHILISTINE cities!**) Gaza will be no more according to prophecy and the covenant land promised to Abraham will extend over Egypt, Iraq, Syria, Lebanon, etc. and we see all the demons manifesting because it has begun! Interesting Gaza in Hebrew has the same numerical value as – Laban – to be white as in the Bricks burned for the Tower of Babel! Laban also alludes to that which has been made common, secular and profane!), and **Ashkelon** shall not be inhabited. **Zec 9:6** And a **bastard** shall dwell in **Ashdod**, (**one of 5 chief PHILISTINE cities!**) and I will cut off the pride of the **Philistines**.... **Zec 9:8** And I will encamp about **mine house** because of the army, because of him that passes by, and because of him that returneth: and no oppressor shall pass through them any more: for now have I seen with mine eyes. **Zec 9:9** Rejoice greatly, O **daughter** of Zion; shout, O **daughter** of Jerusalem: behold, **thy King** cometh unto thee: he *is* just, and having **salvation/Yeshua**; lowly, and riding upon an ass, and upon a colt the foal of an ass. **PPT**

Israel shall be saved, but the STATE of ISRAEL of 1948 MUST come to an end by the Hand of Elohim – The God of Israel! This STATE was created by man and not BORN in one day. That means it is under the category of Zechariah 9:6 – a Mam’zeir/מִמְזֵר = child born of incest, bastard, illegitimate child. What does Torah say about this:

🔴 **Deu 23:2** A bastard - Mam’zeir/מִמְזֵר shall not enter into the congregation of the LORD; even to his tenth generation shall he not enter into the congregation of the LORD.

This section points to a **distinction between the prophetic “Israel” and the political “State of Israel” of 1948**. It suggests that the latter was **not the fulfillment of YHWH’s covenantal restoration**, but rather a **man-made construct influenced by foreign (Edomite/Esau) and pagan lineage**—a geopolitical creation rather than a spiritual regathering under divine order.

Because of this, the statement argues, prophecy concerning Israel’s full restoration was prematurely or deceptively claimed. According to Deuteronomy 4, YHWH declares He will gather His people from exile—meaning the true regathering of all twelve tribes (*not just Judah*) has yet to occur. What happened in 1948, then, is viewed as only a partial and political shadow, not the genuine ingathering promised through the prophets. Machine mixed with Flesh! **PPT**

🔴 **Jasher 4:18** And their judges and rulers went to the daughters of men and took their wives by force from their husbands according to their choice, and the sons of men in those days took from the cattle of the earth, the beasts of the field and the fowls of the air, and taught the mixture of animals of one species with the other, in order therewith to provoke the Lord; and God saw the whole earth and it was corrupt, for all flesh had corrupted its ways upon earth, all men and all animals.

In the days of Noah, Scripture and extra-biblical traditions (like Genesis 6 and 1 Enoch) reveal that the **ruling class and judges of the earth**—those entrusted with authority—became **corrupt, oppressive, and violent**, taking for themselves whomever they desired. The phrase “*sons of God took the daughters of men*” portrays not only moral depravity but also **systemic abuse of power**, echoing what we now recognize as **elite-level trafficking and exploitation**. These same powers also **tampered with creation itself**, producing *chimeras*—hybrid beings that violated divine boundaries, blurring species and desecrating the image of Elohim in humanity. Like today, THEY are coming for your Food, Gas, Guns, Gold, Land and Children! It is time to draw the line in the sand!!

Yahshua’s warning in **Matthew 24:37-39**—“*As it was in the days of Noah, so shall it be at the coming of the Son of Man*”—is not merely about social immorality but about a **repeat of the same ancient patterns**: unchecked corruption among rulers, the commodification of human life, genetic and technological perversions, and spiritual rebellion reaching its peak before judgment.

Thus, the text draws attention to our generation: as governments, corporations, and secret networks engage in **modern forms of trafficking, bio-engineering, and hybridization**, we stand again at the

threshold of divine intervention. Just as Noah's Ark became the vessel of preservation, so Yahshua is now the **Ark of Covenant and refuge** for those who align with righteousness in these “**Days of Noah.**” **PPT**

- Heb 11:7 By **FAITH**, Noah, having been warned of what was yet unseen, having feared, **prepared an ark** to save his house, through which he condemned the world and became heir of the righteousness which is according to **FAITH**.
- 1Pe 3:18 For Messiah also once suffered for sins, the just for the unjust, that He might bring us to Elohim, indeed being put to death in the flesh, but made alive in the Spirit; 1Pe 3:19 in which also He went and preached to the spirits in prison, **1Pe 3:20** to disobeying ones, when once the long-suffering of YHWH **waited** in the days of Noah, while **the ark was being prepared** (in which a few, that is, eight souls were saved through water);
- **Rev 11:19** And **the temple of Elohim** was opened in Heaven, and there was seen in His temple **the ark of His covenant**, and there occurred lightnings and voices, and thunders and an earthquake, and a great hail.

The Hebrew word Noah/נֹחַ literally means:

- [a] to bring something that is moving to a condition of rest and tranquility;
- [b] to cause something noisy to become quiet and resolute;
- [c] to set something down after having picked it up and moved it; and /or
- [d] to remove something from a crowded place where its essence is hidden and put it in solitary place where it can be displayed.

Parashat Noah is a solemn call to prepare with family, gather provisions, build something we have no means to control or manipulate [the ark had no rudder, sail, or means of propulsion and was totally controlled by the WIND/Ruach], and prepare to start over with YHWH's covenant of grace He always desired for His people.

Let us begin with our text: **PPT**

- **Gen 6:1** And it happened, when men **began** to multiply on the face of the earth, and when daughters were born to them,

What seems like a good thing is actually acts of treason against the Holiness of Elohim and His

Creation. **Began** = הֵחֵל – to profane, make common, desolate, pollute, *become secular;

*branding/marked like cattle – Numerically is related to מַגֵּן – **Ma'ga** = magician, sorcery. Take note of the slogan that says, “**Make America Great Again?**” Could the plan be to **Ma'ga** America according to the Elite who have opened the doors to the Watchers by crossing forbidden borders? Is America to become what its name origin defines – “**Amaruka = The Land of the winged Serpent?**”

This Hebrew word **Hei'cheil** comes from חֵלַל – to hollow out, a person pierced, someone totally wounded; to be in labor, to make multiple holes in a thing, *someone deprived of a priesthood, *an illegitimate priestly descent.

First off, we have the men of the earth at this time already **profaning the Name of YHWH** by becoming

what the Name never intended. The same is true today — when man thinks he is a woman or an animal and behaves as such, he has **profaned the Name**. When Creation is altered, **the Name is profaned**.

PPT

We first see this in **Genesis 4:26**:

“...men **BEGAN/לְהִלְכֹּד**...” — to profane the Name of YHWH.

It always begins with the NAME and AUTHORITY. In our present day, many have made the Sacred Name of YHWH common in everyday speech, yet this was NEVER the practice of ancient times. The Sacred Name is not to be debated over in pronunciation, but rather to be DEMONSTRATED through MANIFESTATION, just as Yahshua declared in **John 17**.

We MUST separate ourselves from fruitless religious arguments concerning the Name and instead begin to DEMONSTRATE its power through FAITH, which brings forth manifestation! This is the very path of the **MelkiTzedek Priesthood**—the ONLY way to construct the end-time ARK!

Those men of old were void of the **MelkhiTzedek Order** in their generation. We have already established that **Adam** initiated this **MelkhiTzedeq Order** after the fall, culminating in **Messiah Yahshua**, who came for the redemption of mankind—foreordained from the unseen future!

The N.V. of the Hebrew word ‘to profane’ is 68, the same for: **הָאֲזָנָה** – **To give ear**. The days of Noah are the days all mankind is to give ear to the command of repentance and the impending judgement upon the earth, we have come to these days even now – read Matthew 24 as proof! **PPT**

- Gen 6:2 the sons of God saw the daughters of men, that they *were* good. And they took wives for themselves from all whom they chose....Gen 6:4 There were giants in the earth in those days and also after that, when the sons of God came in to the daughters of men, and they bore to them, they were **mighty men who existed of old, men of renown**. Gen 6:5 And YHWH saw that the **wickedness** of man *was* great in the earth, and **every imagination of the thoughts** of his heart *was* only evil continually.

~ **mighty ones of old, men of renown** – there is no mention of actual men, it is **implied** so we can refute the claim. The mighty ones of old were the fallen ones now covered in the skins of flesh LEGALLY, not Lawfully, but legally here because man submitted and opened this door previously in Genesis 4. Man went from profaning the Name, to a NOW enslavement system governed by the Elite Watcher race and their soon to be Nephilim offspring! The Hebrew phrase:

מְעוֹלָם אֲנָשֵׁי הַשָּׁם:

From that **other dimension—the world beyond the veil**, emerges the mystery of the **Olam**—a word that means “*the unseen*,” yet also carries the chilling echo of “*the imprisoned*.”

In the ancient manuscripts, a subtle but monumental alteration occurs: the **Masoretic text** *replaces* the name **Enosh** with **Iysh**. Yet it is *Enosh*—the frail, compromised man—that the text intends, for mankind’s very **DNA** had now become *defiled and compromised*, entangled with the **Nephilim essence**. Recall, they corrupted even *the beasts of the earth*, as recorded in **Jasher 4:18**. **PPT**

These were called *Men of Renown*, but the title conceals far more than fame. These were not merely worldly heroes—they were *hybrid rulers*, vessels branded with forbidden power. And here the plot deepens: the Hebrew word **HaShem**—used reverently by our rabbis for the Divine Name, YHWH—also

means “to be branded or marked,” as cattle are branded by ownership.

These men were **marked by the Watchers**, sealed with the insignia of rebellion, and destined for destruction. From this defilement, the shadow of **Nimrod** rises—a prototype of rebellion incubating in the aftermath of angelic corruption.

And here lies the divine irony: the numerical value of **HaShem—345**—is identical to **El Shaddai (אל שדי)**, *the Nourisher, the Sustainer of all life*. Yet man, intoxicated by forbidden illumination, **forfeited his divine inheritance**—his un-alien-able, God-infused right—to grasp after the counterfeit glow of angelic knowledge and illicit power. So, the question reverberates through time:

What shall a man give in exchange for his soul? PPT

What Traffick would he enter for the fleeting taste of forbidden fruit and fire? The exchange continues... but the cost remains eternal.

~ “...every imagination of the thoughts...” – **וְכָל-יֵצֶר מַחְשְׁבֹת** – **Ve’Kal Yetzer Mach’Shebot** – this can be read as: “...and ALL the inventions *from man’s* thoughts...” During this time of Noach, the men of the earth had given over their minds to the fallen ones and this is where the buildup accelerates!

These men of the earth pursued forbidden crafts and forbidden knowledge. This Hebrew word **מַחְשְׁבֹת** is also the word for MACHINE/A.I. synergetic computing system. Wasn’t it Elon Musk who created the chip for the brain in order for man to reach a type of god-status? The takeover begins in the mind, the way man thinks; where the mind goes, the body follows!

Mach’Shebot: The Mind of the Machine

This Hebrew mystery—**Mach’Shebot (מַחְשְׁבֹת)**—is not a mere word; it is a prophetic cipher. It is formed from two ancient roots: **Mach (מַח)** meaning *the bone marrow*, the very essence of human vitality, and **Shebet/Shabot (שֵׁבֶת)** meaning *a seat, a throne, or a place of rest*. Together, they unveil something chilling: **a seat established within the marrow and mind of man**—a place where dominion seeks to dwell and rule.

Like the venom of a serpent that courses through the blood, corrupting both mind and body, this modern **Mach’Shebot** strikes at the very core of man’s design. Man was created in the Tzelem/image of YHWH and the Enemy desires that image. It wants to create the IMAGE of the BEAST by this! It is not merely technological—it is **biological warfare at the cellular level**. The **marrow** (source of life and immunity) and the **mind** (seat of thought and identity) are the twin gates now under siege. The architects of this age have targeted both for **extermination and replacement**, forging a new hybrid existence—a **MACHINE race**—fashioned after the Beast itself with Artificial intelligence coursing through their veins! **PPT**

Even now, the **Beast-Machine Throne** is being forged—its seat prepared in the bone and brain of mankind. Every algorithm, every neural implant, every digital tether is part of a greater scheme: to rewrite what Elohim inscribed into the DNA of His creation. The **Image of the Beast** is not only political—it is **physiological**. The three seats of this construct are concealed within the Abraham Accords. (Too much to unpack at this time)

The root essence of **Mach’Shebot** means “**to merge**”—to blend, to intertwine until boundaries disappear, *liability transfer. This is precisely what the prophet Daniel foresaw:

“They shall minge themselves with the seed of men, but they shall not cleave one to another...” (Daniel 2:43)

Just as the feet of the Babylonian statue were *iron mixed with clay*, so today the genetic code of man is being fused with silicon, circuits, and synthetic intelligence that CAN’T CLEAVE together as a man and woman can. The **imagination of man**, which once reached for Babel’s tower, now builds towers of data and networks of artificial divinity—seeking to pierce the heavens once again, seeking to pierce the veil of DNA.

In this generation—the generation of **Noach reborn**—machine-driven technology fills our hands, our homes, our vehicles, and our cities—smart cars, smart homes, smart phones, smart watches; smart everything with the exception of the masses! The very air hums with electromagnetic song; the very dust carries coded instruction. Mankind is being reshaped into the likeness of its own creation—a **digital deity**, crowned with counterfeit wisdom and animated by the illusion of eternal life.

Yet, as it was in the days of Noach, when corruption filled the earth and the imaginations of men were continually evil, **so it is again**. But there is a remnant—those who walk in covenant, upon whom the overflow of divine *Chen* (Grace) will rest. They will endure the flood of deception, standing as living arks in the midst of a technological deluge. We done sink in the COMMERCIAL WORLD OF DECEPTION, we WALK on the chaos just like Noach’s Ark did!

For the **Mach’Shebot** of man may attempt to rewrite the marrow and the mind, but the **Ruach of Elohim** alone breathes true life. Those sealed in His covenant will carry the incorruptible code of Heaven—unchangeable, unhackable, and eternal. **PPT**

~ 6:11-22

- **Gen 6:11** The earth also was **corrupt** before God, and the earth was filled with **violence**. Gen 6:12 And God looked upon the earth. And, behold, it was **corrupted**! For **all flesh** had **corrupted** its way upon the earth. Gen 6:13 And God said to Noah, The end of all flesh has come before Me, for the earth is filled with **violence through them**. And, behold, I will destroy them *with* the earth.

The Earth responded to man’s behavior and choices. Could what we see happening globally with earthquakes, hurricanes/megacanes, wars, chaos, etc be because of man’s choices? The earth had become what ALL flesh became – CORRUPTED - “**When Creation Became Corrupt**” **PPT**

The Scripture declares that the earth **became corrupt**—**וַתִּשְׁחַת** (*va-tishachet*)—a word far deeper than mere moral failure. It speaks of an *ongoing injustice*, a contamination that fuses the **spiritual and natural realms into one distorted unity**—a false *Echad*. The Hebrew root **שָׁחַת** (*shachat*) reveals devastation, ruin, and decay: the unraveling of divine order. Yet hidden within this very word lies a mystery of redemption. When read in reverse, **שָׁחַת** (*shachat*) becomes **תַּחַשׁ** (*tachash*)—the name of the *outer skin covering* of the **Mishkan (Tabernacle)** as it rested in the wilderness. The same letters that reveal corruption also give us the *covering of holiness*. This is no coincidence—it is revelation.

The **tachash covering** symbolized this fallen world—a *world of ruin and corruption*. But beyond that outer veil of skin lay the *Sanctuary of Life*, the dwelling place of the Most High. Thus, to enter the Presence, one had to pass *beyond the skin*—beyond the fallen nature of man—into the radiance of divine

reality. As Israel journeyed through the wilderness, the **Mishkan** stood as a living parable: the visible reminder of what the world had become through transgression. Every glance toward its coverings whispered a warning—“*Do not forget the cost of crossing sacred boundaries.*”

For the corruption of creation began when Adam violated **forbidden borders, gateways, and thresholds**—those spiritual boundaries that were meant to preserve life, holiness, and divine order. To cross them was to breach the harmony between heaven and earth. So, the Mishkan moved—a tent of glory wrapped in the skin of corruption—declaring to all generations that redemption awaits those who will pass beyond the veil, beyond the boundaries of fallen flesh, into the eternal Source of Life Himself.

PPT

The *Numerical Value* (N.V.) of **שַׁחַת** – **Sha’chat** is **708**, the same as **הַמִּסְגֶּרֶת** – **Ha’misgeret**, meaning “**The Borders.**” Can you see the prophetic pattern unfolding before our eyes?

What has erupted across America and Israel is no coincidence — **Border Breach!** A simultaneous fracturing of the physical and spiritual thresholds that once guarded covenant lands. Chamas (violence) pours through both crossings, carried by men infused with bloodlust, desensitizing minds and spirits for what is to come — the unveiling of the Antichrist System.

First came the **Serpent’s Bite** — the world-wide injection that locked down nations and conditioned the masses through fear and obedience. Then followed the **Breach of Borders**, setting the stage for what now spreads through China, India, Oceania, and beyond: the rise of Digital Identification. It was never about **ILLEGAL** breaches, it has always been about **CONTROL!**

A system of surveillance masquerading as safety — where only the “*well-behaved citizens*” receive reward, and the rest are marked for deletion. But the mystery deepens.

The root of **Sha’chat** lies in the Hebrew **סָגַר** – **Sa’gar**, meaning “*to close up, to surrender unalienable rights, to abandon the doorway to freedom.*”

From **Sa’gar** also comes **סִגְרָה** – **Se’ger**, meaning “*to quarantine, to silence the lips.*”

In Hebrew thought, the borders of a nation are its lips — the boundary of expression, breath, and covenant identity. To close the borders is not merely a geopolitical act — it is a Masonic signal, a ritual term meaning: “Take over and repair the altar for the New World Order.” This word also describes clogging the arteries, hindering blood flow — and therein lies the deeper warfare.

For the adversary seeks to stop the Blood Atonement of Yahshua, to block the flow of redemption, and to restore the blood sacrifices of animals and mankind in Jerusalem, just as Nimrod once did in rebellion against Heaven.

Yet the Blood of the Lamb cannot be stopped — it speaks a better word than that of Abel and still cries out across the nations. Whenever borders are crossed, wickedness finds entry; but to return (**וְשָׁבָת** – **Ve’Shavat**) is to **come back to YHWH Elohim**, as written in **Deuteronomy 4:30** — a promise reserved for those who awaken *during the Tribulation*, who turn back with trembling hearts to the One who still reigns above every border and every throne.

**As the Nephilim return
so does their sacrificial system!**

PPT

The Days of Corruption and the Rise of Chamas

In **Genesis 6:11**, we are told that the *earth* was “*Sha’khat*”—it became *corrupted, ruined, decayed* from within and without—and *violence* filled the land. This was not the original state of creation. **Elohim never creates anything in a state of “Tohu V’Bohu”**—formless, empty, or chaotic. Every work of His hands is birthed with **purpose, order, and divine alignment**. But in the days of **Noach**, the *Nephilim*—fallen hybrid rulers of rebellion—rose to disrupt the sacred order of creation, warring against the very blueprint of Heaven’s design.

What happened in Noach’s day is a prophetic mirror of what we are witnessing now. Just as there was a **heavenly order** that governed creation, so too there is divine *order* established within every ministry, every covenant, and every nation born of Elohim’s Spirit. Yet when individuals rise up in rebellion against that divine order, they become like *little Nephilim*—agents of chaos—trying to **recreate what Elohim has already ordained**. They build their own towers, their own hierarchies, and in doing so, they repeat the same ancient sin: attempting to dethrone the will of the Most High with the works of flesh and pride.

This same **rebellious spirit has once again filled the earth**, and now the nations rage. The *Beast Machine*—the global system of deception—has pressed the **start button**, and **violence once more fills the land**. Yet this violence is not random; it is **prophetic**. The Hebrew word for “violence” is **חָמָס (Chamas)**—meaning *violence, injustice, cruelty*, and even **to muzzle an ox**. The imagery is striking: **to muzzle an ox** is to silence the laborer, to suppress the voice of truth, and to restrain the one plowing righteousness in the field of Elohim.

Thus, *Chamas* filled the earth then, and *Chamas*—both literally and spiritually—is filling the earth again today. It hides in nations, movements, and systems, camouflaged as justice while sowing destruction. It seeks to silence the righteous, to choke the breath of truth, and to provoke the judgments of Heaven.

Do you see it? **The pattern has returned**. The same spirit of rebellion that once corrupted the pre-flood world is now animating the nations of our day. **Israel**—the covenant people—are once again being painted as the villains, while the machinery of the Beast stirs the nations into chaos. But there is a difference between the **State of Israel** and the **People of Israel**—between political systems and the covenant lineage of promise. The former may be manipulated by men, but the latter is *marked by Elohim Himself*.

When *violence (Chamas)* fills the earth, it is the harbinger of judgment. The cup of iniquity overflows, and Heaven moves to cleanse the land once more. We are standing on the threshold of another divine intervention—a time when **the corrupt systems of man will collapse under the weight of their own rebellion**, and the order of the **Kingdom of Melchizedek** will rise in glory. The same decree that came in Noach’s day is echoing again: “My Spirit shall not always strive with man.”

The countdown has begun. The ark of preservation is not made of gopher wood this time—it is the **blood-sealed covenant of Yahshua, our Melchizedek High Priest and King**. And only those who align with His divine order will rise above the flood of chaos to come. **PPT**

🔴 Gen 6:17 And behold! I, even I, am bringing a flood of waters upon the earth in order to destroy

all flesh (in which *is* the breath of life) from under the heavens. Everything which *is* in the earth shall die....Gen 6:22 Noah did so, according to all that God commanded him, so he did.

Let's continue in the Parashat:

Genesis 8:1-13

🔴 **Gen 8:1** And God remembered Noah, and every living thing, and all the cattle which *were* with him in the ark. And God made a wind to pass over the earth, and the waters subsided. Gen 8:2 Also the fountains of the deep and the windows of heaven were stopped, and rain from heaven was restrained. Gen 8:3 And the waters returned from off the earth continually. And after the end of the hundred and fifty days the waters had gone down. Gen 8:4 And in the seventh month, on the seventeenth day of the month, **the ark rested upon the mountains of Ararat**. Gen 8:5 And the waters decreased continually until the tenth *month*. And the tops of the mountains were seen in the tenth *month* on the first *day* of the month. Gen 8:6 And it happened, at the end of forty days **Noah opened the window of the ark** which he had made. **PPT**

וַתָּנוּחַ הַתֵּבָה לַחֹדֶשׁ עַל הָרֵי אֲרָרָט:

The Ark and the Reversal of the Curse: The Hidden Prophecy of Ararat

In **Genesis 8:4**, the Ark of Noah came to rest upon the **Mountains of Ararat** — yet this was no ordinary “rest.” Beneath the surface of this verse lies a profound mystery, veiled in the very calendar of Creation itself. The **date stamp** of this event prophetically aligns with what would later unfold as the **Passover season**, revealing that this “resting” was not merely about stillness, but the **emergence of redemption**.

The Ark did not simply *rest* — it **established divine order out of chaos**. The Hebrew phrase **עַל הָרֵי** (*Al Ha'rei*, “upon the mountains”) conceals within it a coded prophecy of the coming **Ruler with the Rod of Iron** — the manifestation of the **Melki-Tzedeq Kingdom**. It was at Ararat, the place whose very name means “*I will undo the curse*”, that the eternal reversal of the Edenic fall began to echo through time.

The **Melki-Tzedeq Order** — the Righteous King-Priest — is the ultimate fulfillment of that reversal. Just as the Ark emerged from the chaotic waters into a renewed world, so will the Royal Priesthood of Heaven bring forth Divine Government out of the turbulence of this present age.

Astonishingly, the numerical value of **Ararat (410)** equals the number of years that **Solomon's Temple** stood before the glory began to depart. This prophetic parallel reveals a pattern: when man's temples fall into corruption, the true **Ark of the Covenant** — the Presence of the Most High — seeks its *rest* not in stone, but in a **renewed creation through the Highest Order of Priesthood—The MelkiTzedek Order**.

When the **Royal Melki-Tzedeq Kingdom** manifests in its fullness, every earthly temple, shrine, and imitation system will fade into eternal silence. The **Ark of Covenant-Order** will once again bring forth *renewal from chaos*, reversing the curse completely. Ararat thus becomes more than a mountain — it is a **declaration of reversal**, a prophetic sign that **the curse will be crushed beneath the feet of the Righteous King**, and that ***all creation will return to its ordained harmony under the Melki-Tzedeq reign***. **PPT**

The Mystery of the Tzohar: The Light Within the Ark

Also—there was a **Window**, yet not an ordinary one. The Hebrew calls it **Tzohar** (צֹהַר)—and this was far more than a mere opening for light or air. The *Tzohar* was the *threshold* of the **Light of the MelkhiTzedeq Order** itself—an inner illumination that shone from within the Ark outward, revealing the **Kingdom Order** amidst a world plunged into judgment and chaos.

Did you perceive this mystery? The very *name* of the window changes as revelation unfolds through the ages. We went from **Tzohar**—the radiant Light that emanates from the inside of the Ark (*Teivah HaBayit*, “the Ark-House”)—to **Cha’lon** (חֶלֶוֹן), meaning an *opening* or *aperture* to the outside world.

This shift is not linguistic coincidence—it is *prophetic transformation*.

We moved from a revelation of **Light contained within** to a revelation **opening outward**—the unveiling of Kingdom illumination to a world now *immersed* beneath the waters of judgment. Within the Ark, *Light* was not merely shining—it was **governing**. It was the *MelkhiTzedeq Light*—a priestly radiance emanating from the covenantal chamber of divine order, piercing through the veil of darkness to signal a new creation dawning beyond the flood.

And here is the deeper secret: **PPT**

The **Numerical Value (N.V.)** of the word **Tzohar** (צֹהַר)—counting the word itself—equals the phrase “**MelkhiTzedeq Order**” – מַלְכִּי־צֶדֶק.

Coincidence? Never. It is revelation encoded in number and name.

For the same Light that illuminated Noah’s Ark is the same **Priestly Light** that illuminates the Ark of the Covenant—and now, through Yahshua, the enthroned **MelkhiTzedeq High Priest**, shines from within His living Ark—the redeemed body, the *House of His Presence*. **PPT**

- Gen 8:7 And he sent forth a **raven**, and it went out, going out and returning until the waters were dried up from off the earth. Gen 8:8 He also sent forth a **dove** from him, to see if the waters had gone down from off the face of the earth. Gen 8:9 But **the dove found no rest for the sole of her foot**. And she returned to him into the ark, for the waters *were* on the face of the whole earth. **Then he put out his hand and took her, and pulled her in to him into the ark.**
- Gen 8:10 And he waited yet another seven days. And again he sent forth the dove out of the ark. Gen 8:11 And the dove came in to him in the evening. And, lo, **in her mouth was an olive leaf plucked off**. So Noah knew that the waters had gone down from off the earth. Gen 8:12 And he waited yet another seven days, and sent forth the dove. And she did not return again to him anymore. Gen 8:13 And it happened in the six hundred and first year, at the beginning, on the first of the month, that the waters were dried up from off the earth. And Noah removed the covering of the ark and looked. And, behold, the face of the earth was dried! **PPT**

8:11 **“in her mouth was an olive leaf plucked off”**

The Mystery of the Olive Leaf – עֵלֶה-זַיִת (A'leh Zayit)

When the Dove returned to Noah with an Olive Leaf in its mouth, it was more than a sign of dry land—it was a prophetic revelation wrapped in living symbols. The Olive Branch represented far more than vegetation; it was the emblem of **The Land, The People, and The Kingdom**—the eternal Covenant between Heaven and Earth.

The Dove, symbolizing the **Ruach HaQodesh (Holy Spirit)**, did not return empty. It carried the **evidence of reconciliation**, the assurance that judgment had passed and new creation was emerging. The Raven, bound to death and decay, never returned. But the Dove—agent of Covenant—did. Hidden in this story is a profound mystery. The Scripture tells us that the Ark “**floated**” upon the waters (Genesis 7:18). Yet the Hebrew text reveals a deeper truth: the word rendered “floated” is not *Tzaphah* (צָפָה), meaning “to float,” but *Halakh* (הָלַךְ)—meaning “to walk.” **PPT**

The Ark walked upon the face of the waters.

This subtle revelation shifts everything. The Ark—representing the Presence of YHWH—did not merely drift; it **walked** in divine authority over the chaos. Does it sound familiar? Indeed, this foreshadows **Yahshua**, the Living Ark, who also walked upon the waters, subduing the deep and bringing peace to the storm. The Hebrew concept of *Halakhah*—from *halakh*—means “the way you conduct your life,” your spiritual walk. Embedded within this is a numerical mystery: the difference in value between *tzaphah* (צָפָה) and *halakh* (הָלַךְ) is **120**, the same as the **appointed lifespan of man** (Genesis 6:3).

One hundred and twenty is also the numerical value of *Mo'ed* (מוֹעֵד)—“**Appointed Times**.” This numerical harmony reveals a hidden message: **the secret of our existence, our walk with Elohim, and our covenant destiny is encoded within the Appointed Times**. In essence, the Olive Leaf was not merely a signal of survival—it was a **declaration of restoration**. It pointed toward **Tzohar**, the divine light needed to perceive the Olive Connection: the very place where our Savior would one day be **crucified—the Earthly Altar of Atonement on the Mount of Olives**.

The Dove found the Olive—the symbol of Israel, of priestly anointing, of Messiah Himself. And it brought that token of covenant renewal to the “**Walking Ark**”—the vessel of Divine preservation. So it is in our day: only those who walk in covenantal obedience, guided by the Ruach, can perceive the true Olive Connection—the revelation of Messiah’s Kingship, His Priesthood, and His Kingdom on Earth.

The Tower Before the End: The Forbidden Unity Rising Again

Genesis 11:1 “*And the whole earth was of one language, and of one speech.*”

In the beginning of this chapter, the world was united—*of one language*—yet this was not a unity birthed from heaven, but a rebellion clothed in oneness. The Hebrew text reads **שָׁפָה אֶחָד** (**Saphah Echad**), meaning *one lip* or *one edge*. “Saphah” can also mean *the border, the lip, or the natural end of something*. When the satan tempted Yahshua and brought Him to the **edge (saphah)** of the Temple, he was unknowingly replaying the scene of Genesis 11—where man once stood at the *edge of divine patience*. The adversary tried to tempt the **Living Word** to step beyond the boundary of obedience. He didn’t realize that standing before him was the very fulfillment—the *end*—of every forbidden unity.

For just as in Genesis 11, when the masses became one in defiance, so it is again in our generation: **PPT**

ONE WORLD RELIGION. ONE WORLD GOVERNMENT. ONE WORLD CURRENCY. ONE WORLD ORDER OF MAN MERGED WITH MACHINE.

At Yahshua’s first coming, Rome ruled the known world under a *unified* order. The “lips” of the Temple were already painted with the harlot’s **lipstick of Jezebel**—a counterfeit unity, seducing the nations into compromise. **PPT**

Yet prophetically, **Saphah Echad**—“one language”—also conceals the mystery of **לֵׁעַת מַלְכִי-צֶדֶק** (**Le’et Malki-Tzedeq**): “*For the time of the Melchizedek has come!*”

“**Saphah**” marks the *demarcation line*—the threshold—where the natural meets the supernatural. It signals a global shift that always follows chaos. We are witnessing this same pattern now, as the world stands again upon the *edge*—the *saphah*—of history.

Genesis 11:2 “*And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there.*”

To **dwelt (יָשַׁב)** in Hebrew means to *learn the ways of the one you sit before*—whether righteous or corrupt. The people journeyed eastward, symbolic of moving **away from the light** of Eden. They settled in the **plain of Shinar**, a term in Hebrew—**בִּקְעָה** (**Biq’ah**)—that astonishingly connects to the idea of *a breach, a split, or a field of energy*. In modern terms, it parallels the language of **nuclear physics**—a “field” charged with power. Even now, mankind experiments once again with such forces. Gamma and nuclear technologies are being infused into the bodies of *super-soldiers*—creations meant to serve a *new tower of Babel*, a **One-World Order of Artificial Life**. **PPT**

The Hebrew numerical value of **Biq’ah** (plain) equals that of **גֶּן עֵדֶן** (**Gan Eden**)—the *Garden of Eden*. A haunting counterfeit! Man seeks to rebuild the lost paradise by synthetic means: **Gamma-nuclear, lithium-based, artificial creations**—a parody of the living breath of Elohim.

Shinar (שִׁנְעָר) itself whispers another secret. Read another way, it means “*of the young ones*”—a reference to hybrid offspring once bred there and offered to the *Watchers*. This was the epicenter of corrupted wisdom, knowledge, and understanding—the **same triad Eve desired in the Garden**. Humanity has fallen again for the same ancient deception: *divine knowledge without divine obedience*. And just as then, so now—the nations are planning their “**15-minute cities**” around digital towers that

come with digital identification, surveilled, enclosed, and connected by invisible 6G NETS. The Tower rises again—this time through circuits, satellites, and artificial suns. And yes, voices like Elon Musk’s echo the same empty promise: “*Peace and progress*,” yet it is peace without repentance—an engineered Eden that leads only to exile. **PPT**

Genesis 11:3 — “*And they said one to another, ‘Go to, let us make brick...’*”

Let us make **brick**—not stone. This was the first declaration of war against the Creator. Today we see it revived: the **BRICS nations** forming an alliance for a *digital and A.I. financial empire*. Once again, the nations unite under the banner of rebellion, seeking to build a temple not of living stones, but of artificial intelligence.

Scripture declares we are the **Temple of Elohim**; therefore, the enemy desires to construct his own counterfeit—a *machine-temple* built from digital “bricks.” Mankind, infused with data, coded in numbers, enslaved in the circuitry of the Beast Machine. The Hebrew phrase “Go to” is **הָבָה**

(**Havah**)—to *give oneself, to offer oneself*. It is the root of **Ahavah (אָהָבָה)**—*love*. Yet here, it is a perverted love—a willingness to sacrifice oneself for rebellion. The people gave themselves to the system; they became its fuel, its living mortar, hence, the iron and clay bricks! **PPT**

Brick for stone, slime for mortar. In Hebrew, **חֶמֶר חֶמֶר (Cheymar Chomer)**—both words mean “**material substance**.” Their combined numerical value is **496**, the same as **מַלְכוּת (Malkhut)**—*Kingdom*. Nimrod sought a kingdom of his own making, a royal dominion apart from Heaven. This is the same spirit that drives today’s technocratic elite—the **modern Nimrods**—who harvest human blood, data, and energy, seeking *godlike status* through pharmaceutical alchemy and digital immortality. The Tower of Babel has been rebuilt—not with bricks of clay, but with silicon and neural code. **PPT**

Genesis 11:4 “*And they said, ‘Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth.’*”

The cry of ancient Babel echoes once more: “*Let us make a name!*” Humanity still seeks immortality without the Eternal. The “city” represents the global system, and the “tower” the transhumanist ascent—man reaching toward the heavens through digital exaltation. But Heaven will intervene again. The scattering is coming—not by confusion of language, but by **division of systems**: the kingdom of man and the Kingdom of Melkhitzedek. For the **time of the Melkhitzedek Order** has come—a priesthood not of brick and mortar, but of Spirit and Truth. It is the *Saphah Echad* of Heaven, the pure lip of restored creation, through which Yahshua speaks once again. The counterfeit unity of Babel must fall, that the righteous unity of Tzion may rise.

We are seeing the same unfolding today! Watchers, designating their character - Dan 4. Watchers are first mentioned in Dan 4:13 where they are seen in a vision. Other mentions of “Watchers” are in the Dead Sea Scrolls and Pseudepigrapha. Watchers are also mentioned in the Book of Jubilees and in Slavonic Enoch (2 Enoch 18) where they are called the “Grigori” (egregoroi) and are among the 200 fallen angels who follow Samyaza their leader to fornicate with mankind. Notice Paramount Pictures – Mount Herman and the Watchers/Stars that form an ARC/Raqia. The Raqia is the protective barrier

against their permitted arrival amid the Armageddon War. We see this blood thirsty evil with Isis, Chamas and Hezbollah! **PPT**

The Watchers: Heavenly Sentinels and the Birth of Corruption

Daniel records, *“I saw in the visions of my head upon my bed, and behold, a Watcher, a holy one, came down from heaven”* (Dan. 4:13). The Aramaic word translated “Watcher” or *Grigori* signifies *those who watch, those who are awake—the ones who never sleep*. Nebuchadnezzar emphasizes the nature of this being—holy, belonging to the sanctified order of Watchers who stand vigilant before the Throne.

In the Book of Daniel, these Watchers are portrayed as obedient messengers—heavenly sentinels carrying divine decrees. Yet, in the Book of Enoch, the title “**Watcher**” takes on a darker hue. There, it refers to those celestial beings who abandoned their appointed bounds—descending to earth to instruct, corrupt, and intermingle with mankind during the **dawn** of civilization. Originally charged to *observe and assist*, they instead *interfered and defiled*, leading to the birth of a hybrid race known as the *Nephilim*.

Enoch 15:8–12 reveals their tragic legacy: the spirits of the giants—born of both heavenly and earthly essence—became *evil spirits* roaming the earth. Though their bodies perished in the flood, their spirits remained disembodied, restless, and malevolent. Unlike the spirits of heaven who dwell above, these earthbound fallen ones now seek habitation among the living, bringing ruin and deception. The Septuagint captures their distinction with precision. In Genesis 6:4, the Nephilim are called *gigantes*—not merely giants, but *the giants*, the infamous progeny of forbidden unions. Thus, from the holy Watchers who descended in rebellion came forth the unholy spirits that continue to war against mankind—a haunting echo of heaven’s own fallen watchmen. **PPT**

The Forgotten Giants: Hidden Histories and Heavenly Portals

“In another battle, which took place at Gath, there was a huge man with six fingers on each hand and six toes on each foot—twenty-four in all. He was descended from Rapha.”
— **2 Samuel 21:20**

Across the ancient world, witnesses tell of towering beings who once strode the earth — the **Nephilim**. The Scriptures are not silent about them. They are described as the mighty ones, the men of renown, hybrids of divine rebellion and human corruption. They lived across the lands, from Canaan to Bashan, and beyond the boundaries of Israel’s battles.

What truths lie buried beneath the tides of suppression?

Why was the Smithsonian accused of **dumping artifacts into the ocean** — relics that could rewrite human history? Perhaps, as in the days of Noah, there are things the rulers of this world prefer to keep submerged. Even the records of early pioneers echo the same haunting memory. **Buffalo Bill Cody**, in his autobiography, recounted a chilling tale passed down from the **Pawnee Indians**. One day, a Pawnee tribesman approached their camp on the South Platte River carrying a **massive human thigh bone**. The army surgeon confirmed its authenticity — it belonged to a being of impossible size.

When Cody inquired, the Pawnee elder spoke of a time long before the flood:

“There was a race of giants who denied the Great Spirit. They were three times the size of ordinary men, able to outrun a buffalo and carry it in one hand. In their pride, they defied Heaven — and so the Great Spirit sent a mighty rain. The waters rose until even the mountain peaks were swallowed, and those giants drowned beneath the deep. When the waters receded, the Creator vowed never again to make man so large or powerful.” PPT

This story, said the Pawnee, had been preserved since time immemorial — an echo of Genesis, reverberating through the oral memory of nations. But the tale does not end there. Scripture unveils a coming hour when **ancient gates will open once more**. “*And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.*”

— Revelation 9:1

The Greek phrase paints a vivid picture: *pipto abuthos phrear* (*fall — a descent from a higher to a lower depth*). A **bottomless chasm**, a prison where the disobedient are chained — the very realm of the **Nephilim spirits**. And when the key turns, the abyss will tremble again.

From the plains of Gath to the laboratories of NASA, from the mythic memory of the Pawnee to the scrolls of Scripture — the evidence converges on a single truth: **The veil between realms is thinner than we think**. The hidden is being unveiled, the imprisoned are stirred like the POOL of BETHESDA, and the **Melkhitzedek Order** will stand against the resurgence of the old rebellion. The battles of the past were but shadows of the war to come. Prepare, for the days of Noah are returning — and with them, the remembrance of the giants making their presence known one last time. PPT

The Tower Rises Again — But So Does the Kingdom

Today, the sins of man have risen once more like a *Tower of Babel* — a monument of confusion piercing the heavens. The voices of darkness murmur, “evil is good and good is evil.” The world staggers, calling *Israel the enemy* and *Islam the chosen*, while truth itself is mocked and trampled beneath the feet of pride. Babylon’s spell has bewitched the nations. Confusion reigns — thick, choking, deafening — and few can still discern the sound of Heaven amidst the chaos.

But here stands the question, echoing through the ages:

Will you be drawn away by every vain imagination, joining the multitude on the edge of fatal ruin?

Or will you draw from the **Wells of Salvation**, letting the hand of the Master — *our MelkhiTzedeq Royal High Priest, Yahshua the Messiah* — lift you into His covenant light?

Choose this day whom you will serve:

Nimrod and his resurrected system of rebellion — already rolling out before our eyes — or the **Kingdom of Heaven**, breaking forth with unquenchable fire and unshakable glory?

The *Teivah* — the Ark, the House of Holiness — stands open before the storm. Will you enter in, set apart and unmixed, wholly devoted to the Master’s purpose? PPT

The Fall of the Great City — The Cry from Heaven

*“And after these things I saw another angel come down from heaven, having great power; and the earth was lightened [Tzohar] with his glory.”
(Revelation 18:1–19)*

“Babylon the Great has fallen — fallen twice over — and her smoke ascends as testimony against her. She has become the habitation of devils, the prison of every unclean and hateful spirit. Her merchants grew rich on deception; her kings committed fornication with her; and the nations drank the poisoned wine of her rebellion.”

Hear the command from Heaven:

*“Come out of her, My people!”
Do not partake of her sins, that you may not share in her plagues!*

For her sins have reached unto heaven — behold, the new Tower of Babel! — and the Almighty has remembered her iniquities. In one hour her judgment shall come — death, mourning, famine, and fire. Her wealth, her idols of gold and silver, her vessels of marble and ivory, her spices, her oil, her slaves and souls of men — **all shall vanish in smoke**. The merchants will stand afar off, weeping over her desolation, crying, *“What city is like unto this great city?”* Yet none will buy her wares again. **PPT**

The Signs Unfold — Hope Yet Remains

Black flags rise across the nations.

Terrorism. Death. Destruction.

Chaos and massacre — mind control and mass delusion — man’s wickedness peaking in defiance of Heaven.

Wars and rumors of wars. Plagues and pestilence.

And yet, a voice asks across eternity’s veil: **“Is there hope?”**

“And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity, the sea and the waves roaring. Men’s hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of Man coming in a cloud with power and great glory.” (Luke 21:25–27)

When these things begin to unfold, lift up your heads — for your redemption draws near! **PPT**

Zion’s Crown Shall Shine Again

*“For Zion’s sake I will not be silent, and for Jerusalem’s sake I will not rest, until her righteousness goes forth as brightness, and her salvation as a burning lamp.”
(Isaiah 62:1–4)*

The nations shall witness her righteousness, and kings shall behold her glory. No longer will she be called *Forsaken*, nor her land *Desolate*. She shall be known as *Hephzibah* — “My Delight is in Her” — and her land *Beulah*, “Married.” For **YHWH delights in His Bride**, and her diadem shall shine once more in His hand — a *royal crown* in the palm of the Almighty.

A Call to the Remnant

O remnant of the Kingdom — hear the trumpet of awakening!

The kingdoms of men crumble, but the **Kingdom of Heaven** rises unshaken.

The spirit of Nimrod builds towers, but the Spirit of Messiah builds temples of living stones.

The wine of Babylon intoxicates, but the **Blood of the Lamb sanctifies**.

Will you be found building Babel — or abiding in Zion?

The storm gathers. The ark awaits.

Enter in before the flood of fire descends.
