

Pt. 2 - 8/6/22

**Balak, Balaam – Battle of the Gate Keepers?
Who do men say that I, the Son of Man am?**

- I. In our previous pt. 1 study of Balak and Balaam and their impact on our future, we found that both they and their cohorts, the Nephylim Kings - Og and Sihon, were directly connected to the opening of specific gateways or portals in certain locations, i.e. Bashan and Mt. Hermon. Thus allowing for the inter-dimensional travel of fallen angelic and demonic spirits. Though it may seem 'far-fetched' - none-the-less, the Hebrew biblical narrative surrounding these men expose a much more sinister future appearance where the familiar spirits that drove Balak and Balaam are alive and flourishing while still moving through those gateways and portals made available to them. To the astonishment of most those entryways and the beings attending them, do their most damage when camouflaged and deliberately planted to control the promised Abrahamic gateways amongst those who call themselves "Believers". Shall we expose them?

We touched lightly on the significance of the Prophetic declaration given Abraham regarding his seed "*possessing the gate of his enemies*". But, quite honestly, we've been completely misdirected by an intentional twisting of the original Hebraic texts that have prevented us from truly seeing not only who the SEED of Abraham was/is but also, the powerful keys to Redemption found in understanding and therefore, RE - possessing these GATES. Please note '**The Blessing**':

Gen. 22:17 *That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore; and they seed shall possess the gate of his enemies;*

Why us, why now? Kindly note this New Testament verse found in **Gal. 3:14** that should give some transparency. Hither, we find Paul remarking that Messiah had redeemed us from the curse of the law, being made a curse for us – in addition - Paul states: *That the blessing of Abraham might come on the Gentiles through Messiah Yahshua; that we might receive the promise of the Spirit through faith.* STOP! Questions need answers. Namely...

Is this the same Blessing as **Gen. 22**? If so, we then we need to acknowledge a couple of things:

#1. The above promise/blessing in **Genesis 22** was not only intended to multiply the SEED OF ABRAHAM – but the purpose was particularly to ALLOW THIS SEED TO POSSESS THE GATE OF HIS ENEMIES! As such, this blessing cannot be disassociated from 'the SEED'! Please note: **The word gate is singular in both English and Hebrew!** What specific gate is being referred to?

STOP! We need to look closer here simply to prove how powerful the control of specific gates has been throughout history! The gematria of Gate, H#8179, שַׁעַר, is 570 and connects us to a unique word with the same value: H#4670, מִפְתָּח, miphtan - translated as 'threshold'. It is seen in 1 Sam. 5:4, Zeph. 1:9 where a prohibition against stepping on the threshold is given. This is important. Threshold is the opening of the Gate of the house and where Blood is applied and covenants cut. Superstition regarding stepping on or over the threshold is still prevalent in many cultures even the west where a new husband carries his bride over the threshold.

The ancients believed the threshold was the key to allowing demonic spirits into the home. So, they would bury an image of their god(s) beneath, thus, stepping on the threshold was an insult to the god of that house! YHVH had Israel apply blood to the doorpost, signifying the annulment of any previous vows to pagan gods and confirming that HE alone would guard the GATE! Could this be connected to the gate Abraham's seed is admonished to possess?

Now watch this next verse:

#2. Who is this SEED? Don't miss this! To give us clarity, the Writer adds in verse 16: *Now, to Abraham and his seed were the promises made. He saith not, 'And to seeds', as of many; but as of one, And to thy seed, which is Messiah - Yahshua...*

#3. Now, oddly enough, the Writer goes way beyond the understanding of most Believers today in order to present the purpose of that Abrahamic Blessing as a means to set free all those who were under the death penalty of the Law - once the SEED TO WHOM THE PROMISE WAS MADE SHOULD COME! (Vs. 19) There is no SEED of Abraham without Yahshua. Period. Apart from Him, Israel nor Judah qualifies!

#4. How does possessing the Gates and accessing the blessing result in the Curse of the Law being broken!

Where did the 'Curse of the Law' originate? Contrary to most opinions, it did not originate with the 'Law of Moses'; rather, the curse began as a result of the original sin of Adam and Chava that opened the first gateway or doorway after the Re-Creation account of Genesis 1-2. Now understand: Adam was both the first gate – The Tabernacle or dwelling Place of YHVH – as well as, the first GATEKEEPER! Here we must pause and examine the Hebrew word for gatekeeper in order to provide context.

- Gatekeeper, H#7778, שוער, shoer, usually rendered ‘janitor, doorkeeper, or porter. However, contrary to the Western mindset, the Hebrew ‘porter’ was not a bearer of burdens. Rather, theirs was both a priestly function (Levites occupied this role) as well as, militarily! They were charged with guarding the entrance or DOOR to the Sanctuary! They also guarded the sheepfolds. Thus, Adam was the Shoer in the Garden of Eden, wherein he resided as the original Tabernacle of the Most High! Moreover, the Gan Eden also served as an extension of that Tabernacle or gate. Why was this particular gate in need of a porter? Answer...

The Memra – Manifest Presence of YHVH – Yahshua would regularly enter the garden! How do we know this? The KJV **Gen. 3: 8** says: *And they heard the Voice of YHVH Elohiym walking in the garden in the cool of the day...*

The Hebrew word for ‘voice’ is H#6963, קול, and is rendered voice, but context indicates the Voice as the One Who Speaks, not simply the Presence of an audible sound! Curiously, I might add, the root stem Qof-Lamed hints at ‘leniency’. This Voice is ‘walking’ מַתְהַלֵּךְ, mithhaleck; the Hithpael form of the verb halak used here is rare and expresses a reciprocating action – a going back and forth – in the garden – in the cool – Ruach - of the day - לְרוּחַ, leRuach is translated as ‘in the cool’. However, it could also read ‘to breathe’ as in to breathe into - the day – hayom – incidentally, this phrase hayom could be translated ‘at that time’.

Thus, The Voice would come and go, back and forth through this gateway - *at that time of the day to breathe into* Adam and Chavah! Why? YHVH breathed into Adam, Yahshua breathed into His disciples! He is the Tree of Life, therefore, His Breath; the Word sustains and restores the DNA of Elohiym who is ascending and descending through the gateway of the body of Adam! But, immediately after their fall, ADAM the Highest and Most Holy Gateway, has just been compromised! Hence, Flesh and blood (The After-the-Fall-Body) cannot obtain the Kingdom of Heaven. **1Cor. 15:50**.

This did not catch YHVH by surprise because we immediately see Yahshua step through this gateway, which was literally the access (Later called Jacob’s Ladder) to eternity - with His own body, bringing leniency for Man. In what way? Look at מַתְהַלֵּךְ – mithhaleck: The root is this halak, to move or transfer, to walk back and forth. But look at the 2 letters appended - the Mem and Tav,

which form the Hebrew Met – the word for death! Yahshua was already moving from Heaven to Earth to offer Himself as the Price for Death.

Although this spiritual doorway would be closed for a season and the original gateway, the Tabernacle of Adams' flesh expelled from the Garden, Yahshua would become the Porter or gatekeeper until such time as He is born into the physical realm – through the gateway of the flesh whereupon He would also restore the original Gateway of Adams' flesh! *Remember, Yahshua described Himself as the Door!

As we continue, Ancient tradition says the chief of these men called 'Porters' was called "*The Man of the Mountain of the House*" a euphemism for person of authority. The Tabernacle was known as the Mountain of YHVH's House and the Man of the Mountain the one who had charge over who entered!

Moreover, the root of Porter - Shoer – the Shin-Ayin-Resh – is usually translated as 'gate'. It is also worth noting that the 2-letter root stem – Ayin-Resh – forms the word *iyer* meaning a Watcher! Are you beginning to see a connection: Watchers, Mountain, Gates, doors, doorkeepers, the head, mind, and authority?

- A. Throughout Torah, YHVH is described as dwelling in the top of the Mountains. **Is. 2:2** says: *And it shall come to pass in the last days, that the mountain of YHVH's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it!*

Now: Please note **Is. 14:13** *For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of YHVH: I will sit also upon the mount of the congregation, in the sides of the north:*

When did the above verse 13 occur? It seems quite evident that this was the modus operandi of Lucifer prior to Genesis' account of the Re-Creation and demonstrated once again, the 2nd time in **Gen. 3** where the Nachash intrudes into the Mount of the Congregation! From this time forward the enemy has sought to control the heights or mountains as a means of demonstrating his authority!

I believe the use of Mountain, as a place of exercising authority is not only an analogy specific to the 'Seat of Authority or government', but a literal location as well! Be mindful, this is the place where the Words-Seed of the ruling power(s) is disseminated! This will lead to a future, final clash between Powers: HaSatan and YHVH! The former will unleash his powers in a bid to control all the worlds' gates in order to stop the return of Messiah from happening. Why? He understands that Yahshua destroyed the power of death, hell and the grave.

But, HaSatan also knows that without the final return of Yahshua to collectively restore the Body of Messiah who now comprises the BODY OF ADAM, death will continue to rule! So, he must prevent Messiah from returning, a task he already failed at once, or he must prevent the other 'members of the body' from becoming a gateway as well! By contrast, the latter – YHVH – will also unleash His wrath against the enemy's attempt to control these gates at a specific time known as 'The Day of the Lord'.

The Day of the Lord – YHVH!

If one carefully considers every text mentioning the above phrase and their context, it becomes clear that this is a DAY OF YHVH'S WRATH AND VENGEANCE! Not, the wrath of Satan or the Anti-Messiah. In fact, a familiar verse connects us with this day of wrath and the aforementioned "*The Man of the Mountain of the House*"! It is this same Priest or Officer who is said to make his rounds nightly (Like the proverbial 'thief in the night' **1Thess. 5:2**) to greet each 'gatekeeper' with 'Shalom Aleichem' Peace upon, toward you. Per chance, should he find one asleep he would then set their priestly garments on fire. This season is upon us now! Many have intruded into Priestly offices for hire and thus, are sleeping on their watch! Sudden destruction by fire is coming!

Sharpening our Focus on These Gates:

- II. We've established the existence of spiritual and physical gateways or portals and those astonishingly, are found operating in People, Places and Things. In Part 1 we established: By Abraham's covenant demonstration of offering his only begotten son, his seed would multiply thereby ENLARGING THE OPENING TO allow the Alef-Tav TO ACCESS A SPECIFIC opening, gateway, window, in order to become the Possessor of THE GATE OF HIS ENEMIES! WHAT opening? What GATES? Remember Jacob's Ladder? Yahshua would become possessor of the BODY OF ADAM – THE gateway of FLESH, and it would no longer be the gateway for sin, death, or the Seed of Satan!

After Yahshua, there would be no need for a temporary dwelling made with hands for YHVH to call His sanctuary! From that time forward the Dwelling of Choice would be the COLLECTIVE BODY OF ADAM – The Tabernacle not made with hands!

However, because of man's free will, one can still offer his/her gate to the enemy! The offering of a fleshly body opens the gate as the physical dwelling of that person, his house, family, property, business and every other extension of his authority that he has relinquished to the Entity who now is the Porter of the

house! These Fallen Angelic and Demonic powers become territorial and generationally work to control these areas.

We've also shown that if we are indeed 'Children of Abraham' then we have a mandate to possess the gate of our enemies who have usurped the control of these gates through generational curses, the lackadaisical acquiescence of our responsibility, general ignorance of both gates and our responsibility as Porters.

As a result, these POWERS are now the שוֹעֵר, shoer – Porters – and will not relinquish their authority without a fight! Nonetheless, that fight is coming! These 'Gates of Hell' will not prevail. The setting of the stage can be found in our text of **Mat. 16: 13-19** where, not coincidentally, we are once again at – Bashan - The base of Mt. Hermon and the headwaters of the Jordan!

- Hermon, H#2768, **הַרְמוֹן**, Strong's renders it "A sanctuary". Hmmmm? Despite that, the root **הָרַם**, haram, indicates to separate something from its natural role and consign it to the afterlife either by destroying it forever, or to set it aside forever for a sacred purpose. Hence, the reason it is often called "The Sacred Mountain". Haram has a value of 248, the same as Abraham! Could this place be the gateway where warfare would ensue between the Enemy (Who would attempt to destroy the SEED of Abraham and prevent them from the afterlife) and Abraham's seed that would literally traverse this area crossing the Jordan into Canaan to destroy the Nephylim? Ironically, the letters of haram when rearranged to **רַחַם**, racham give us the word for Belly or womb; i.e. the matrix. Why should this be important? *Make a note regarding MATRIX...

Most are ignorant of the reason that Yahshua takes His disciples to this very location where He asks a specific question regarding who He was. Most will miss what is happening. In response to His queries, He is given several answers but is not satisfied until Peter says: *"You are the Messiah, the Son of the Living Elohiym!" To which Yahshua replies, blessed are you, Simon Barjona: For flesh and blood has not revealed it unto you, but my Father, which is in heaven. And I say also unto you, that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.*

Have you ever asked why Yahshua calls Peter "**Simon Barjona**" here? Simon comes from the Hebrew Shimon, which derives from Shema, to hear. While Bar is the equivalent to Ben meaning son, the latter part of the word – jona – most associate with the minor prophet Jonah whose name means 'dove'. However, this particular masc. noun comes from H#3121, **יֵי**, yaven, meaning miry as in miry clay. This is seen in **Ps. 40:2** *He brought me up also out of an horrible pit, out of the miry clay, and set my feet upon a rock, and established my goings.*

Yahshua is saying that Peter heard this even though he was from or out of a miry clay body – i.e. – flesh and blood. A vessel which, according to the Psalmist was a horrible, H#7588, **שֹׁאֵן**, shawone, destruction, ruined pit and could only see death, yet HE-YAHSHUA would set MANS' – ADAM'S FEET UPON A ROCK! *Remember Nebuchadnezzar's vision of the latter day kingdom whose feet were comprised of IRON AND CLAY? FALLEN ANGELS AND MEN!

Let me declare: This Psalm is for our day! We are not going to be part of the Comingled Nations of Iron and Clay! Yahshua has redeemed us in the flesh and set us upon the Rock – the First Begotten of YHVH – and has made us the Begotten of Elohiym as well! We need not fear the Fallen Ones!

WHAT ROCK WAS YAHSHUA REFERRING TOO? Peter? NO! EMPHACTICALLY 'NO'! The context of the whole dialogue centers on this 'GATE' - THE FLESHLY BODY - presumed by Pagans, to be the origin of the bodies of the 'gods' of the world – which many assume were the Sons of the Creator of the world. By its' very nature, Banyas was a counterfeit gateway! Therefore, it is imperative that Yahshua cites THE ORIGIN OF HIS DNA as proof of His Claim as the Only Begotten Son of YHVH and BY RIGHT, HIS subsequent authority!

This was the Rock He would build upon! The word here is taken from the Septuagint Gk#4073, Petra, and derived from the Hebrew H#6697, **צוּר**, tsuwr, the name of the Rock in Horeb struck by Moshe, and the Rock, which followed Israel throughout the Wilderness! Moshe struck this ROCK the 2nd time, which could have subjected ADAM to death eternally had not Yahshua been struck on our behalf!

There are many FALSE PROPHETS currently engaged in striking Yahshua the 2nd Time, by advancing the cause of the 3rd-Temple and a Levitical System of animal sacrifice! Rest assured - The King of the Fallen Ones will sit on his throne in that Temple!

*Now look at **1John 4:1,2** *Beloved, believe not every spirit, but try the spirits whether they are of YHVH: Because many false prophets are gone out into the world. Hereby know ye the Spirit of YHVH: Every spirit that confesses that Yahshua the Messiah is come in the flesh is of YHVH! He had to have a flesh and blood body and be put to death in order to redeem man from the flesh; it is these elements – flesh & blood - which cannot obtain the Kingdom of YHVH! For this reason, Yahshua redeemed the original Gateway in the earthly realm – the – -*

אֶת-הָאָדָם עָפָר מִן-הָאֲדָמָה Alef-Tav h'Adam aphar min-h'adamah! Alef-Tav the Adam dust from the Adamah! Aphar - Dust is microscopic particles of an original material! Yahshua redeemed the MULTITUDES OF DNA PARTICLES FROM THE ORIGINAL ADAMAH OF CREATION! YOU WERE IN THAT FIRST ADAM – WHO WAS TAKEN OUT OF THE WOMB OF YHVH! That Created Material cannot be shaken/destroyed it is eternal and thus, can only be compromised by mixing it with the serpents' seed, which will be destroyed in the coming shaking!

NOW YOU KNOW WHY YAHSHUA WENT TO BANYAS! He had to take control of the Flesh gate of ADAM and cut off the ROOT OF SATAN'S SEED BENEATH! This is a return to **Genesis 1** and the plan of an uncompromised Creation like that prior to Lucifer's' rebellion! **Heb. 12:26,27** *a great shaking is coming to both heaven and earth. Once more signifying the removing of those things that are shaken, as of things that are made, that those things, which cannot be shaken, may remain.* Shaken in the Greek indicates to be cast down from one's secure state. **Luke 10:28** *...I beheld Satan as lightening fall from heaven.* Past **Rev. 12:9** *And the great dragon was cast out...* Future! If he fell to earth, is it possible that he was given LEGAL ACCESS because of the Gates he controls? YES!

What Possible Future Impact Could This Info Have? Will there once again be a struggle over the Gateway of Man's flesh? Who will attempt to enter?

Remember the MATRIX above?

- III. The root word of Hermon, **הרם**, haram, indicates to separate something from its natural role and consign it to the afterlife either by destroying it forever, or to set it aside forever for a sacred purpose. This site according to the Book of Enoch is the original portal or 'birthing place' of the Fallen Ones, the Watchers. Hence, the significance of looking at the rearranged letters **רחם**, racham, womb, and the matrix. You would do well to acknowledge that the Powers That Be are fully aware of these gateways or portals and are working feverishly in their capacity as Porters to exercise their powers! They flaunt in the face of Believers their Magical divinations, just as Balak and Balaam in our original Parsha!

The Matrix unveiled:

Most everyone is familiar with this movie trilogy. But, let me show you just a few hidden references to what the Powers That Be have planned for us. Do you

remember the principal character Keanu Reeves? His name is purportedly of Polynesian origin being translated as 'Ki – the' and 'Anu – breeze/wind' over the mountains. The RUACH WHO HAS AUTHORITY OVER THE MOUNTAIN! His surname 'Reeves' is of British origin and is an occupational name indicating a Bailiff or Sheriff, a steward, one appointed by a lord. And could have been a PORTER – Shoer, gatekeeper. In the movie his name is NEO an anagram for ONE!

The 2nd major character – Morpheus – the Greek god of dreams – can you say Jacob's ladder, DNA helix, etc. – captains a hovercraft in the movie called NEBUCHADNEZZAR! **אצרוןבכד**, is usually rendered "May Nebu protect the Crown". However, if we break the word apart, we get the root Nun-Bet from Navi, to Prophecy, a prophet. Next we have the Kaf-Dalet root, kad that is the root of **כדב**, kadav, to lie. Finally, we have **נצר**, netzar, to watch, guard or keep. To shield something from the outside world! This Name Nebuchadnezzar literally means: "*One who prophesies a lie in order to hide the truth from the outside world!*"

It is Nebuchadnezzar's end-time vision of the 10-toes or 10-Kingdoms comprised of Iron (Watchers) and Clay (Men) that Daniel interprets! In the Matrix movie Morpheus quotes Daniel 2:3. Moreover, Agent Smith has a vehicle with the license plate (Matrix: Reloaded) IS 5416 referencing Is. 54:16. Please note the following: **Is. 54:15-17**:

15. Behold, they shall surely gather together, but not by me: Whosoever shall gather together against thee shall fall for thy sake. 16. Behold, I have created the smith (Agent Smith?) that bloweth the coals in the fire, and that bringeth forth an instrument for his work; and I have created the waster to destroy. 17. No weapon that formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of YHVH, and their righteousness is of Me, saith YHVH.

In addition, there is a plaque on the hovercraft Nebuchadnezzar that reads: "Mark III, No. 11 a hidden reference to **Mark 3:11** *And unclean spirits, when they saw Him, fell down before Him, and cried saying, Thou art the Son of Elohiym!*

Further, there is also a city called "Zion" that lies 4 kilometers below the earth's surface. Could this perversely represent the underworld kingdom in contrast to

the Mt. Zion of Torah? Lastly, the movie depicts the work of French philosopher Jean Baudrillard in a book entitled: Simulacra and Simulation. In his work he posits: The image of an object could be mistaken and even preferred over the real object itself. As we speak, those same Powers That Be have the means to replicate the human genome and massage it with Artificial Intelligence or ALIEN INTELLIGENC – DNA – whose sole purpose is to create an illusion of a God-Man race!

At the writing of these notes (8/2/22) I read several articles regarding the connection of 5-G technology and C-V-D XIX both of which exhibit the same signs/symptoms of Electromagnetic Radiation Poisoning! Moreover, the above inoculation introduces nanotechnology that produces synthetic biological DNA, which is nothing short of Geoengineered Transhumanism!

[\[https://www.drrobertyoung.com/post/coronavirus-means-radiation-poisoning?cid=3c823581-1529-483f-ac7d-ee45af844f6a\]](https://www.drrobertyoung.com/post/coronavirus-means-radiation-poisoning?cid=3c823581-1529-483f-ac7d-ee45af844f6a)

In conclusion of this point, let me remind you that Nebuchadnezzar spent 7-years in what the KJV veils as a maddened condition known today as ‘lycanthropy’ (Werewolf) where his fingernails and hair grew long. After his dream of the Image, he later has a dream of a large tree, whose top reaches the sky. Daniel tells him he had encountered a holy messenger from heaven saying: Cut down the tree and destroy it, leave the stump, bound with iron and bronze, in the grass of the field while its roots remain in the ground...

This is the same warning as that of **Amos 2:9** where the fruit would be cursed, but there would remain roots in the ground that had to be destroyed! Nebuchadnezzar had been opening himself up to the Fallen Ones and becomes demon possessed as a result!

The Book of Daniel is a must read! Because he was told in **Dan. 12:4** *But you, Daniel keep this prophecy a secret; seal up the book until the time of the end, when many will rush here and there, and knowledge will increase.* This book holds the key to much of the devices of the enemy in our day and, the keys to overcoming their power and influence!

- IV. Let’s commence with the names of our principal characters in order to get more of the back-story!

- Balak, H#1111, בלק, this name is usually defined as: Devastator, waster, that which is empty or void. Interestingly enough, the definition of his name connects us to Gen. 1:2 where we find the first instance of waste, devastation, to be empty or void in the Hebrew phrase ‘Tohu v’bohu’. It would seem then, that an understanding of what transpired here in Genesis to cause the Waste and Desolation would be instrumental in helping us to grasp how Balak became known as the ‘Devastator’ and how the efforts of Balak would affect Israel! Likewise, will these two be seen in a future dispute with Israel? Further, could this original Genesis 1 ‘rebellion’ create a pattern that shaped Balak, Balaam and the future of the Outcasts who’re being gathered?

In a very clear way, the context of Gen. 1 leads us to believe a conflict ensued after the onset of creation. In particular, evidence is seen in the letters of the initial phrase of Torah: *‘In the Beginning – B’reshiyt’*. First off, the Hebrew letter Bet gives us a picture of the ‘House or Bride’ followed by the word ‘reshiyt’ whose root has a variety of meanings including a ‘shaking’ of the head or a shaking of powers/authority! Could this shaking of certain powers possibly have led to this ‘waste and devastation’? Not coincidentally, this single phrase; ‘B’reshiyt’ prophecies of the future shaking of those same powers!

THE GAP THEORY!

- A. As stated, there does indeed seem an interruption in **Creation’s Perfection** here. Based on the text of Gen. 1:1 where Elohiym creates the Heavens and the Earth, in support, Isaiah says this: Is. 45:18 *For thus saith YHVH that created the heavens; Elohiym Himself that formed the earth and made it; He hath established it, He created it not in vain, He formed it to be inhabited: I am YHVH; and there is none else.* Against this background, what exactly is Isaiah saying?

He is saying that Elohiym did not create anything in a TOHU V’BOHU condition! In fact, He declares the heavens and the earth were both created to be inhabited! Now, with this in mind, consider the words of Jeremiah 4:23-26. [For time’s sake we will only quote verse 23:] *I beheld the earth, and, lo, it was without form, and void* (Same Hebrew word as Gen. 1:2) *and the heavens, and they had no light.* From this verse and those that follow, if Creation is initially created in Perfection, it seems that Jeremiah is also being shown the ‘GAP’ between verses 1 and 2 of Genesis! Lucifer’s method of operation has NEVER changed!

It is my opinion that this ‘something’ was in fact, the Luciferin Rebellion! This event is not popular amongst most teachers even though they unknowingly lend support of my personal opinion regarding this ‘Gap Theory’ by fervently denying

the plausibility of a Pre-Adamite Kingdom although later most grudgingly acknowledge the comingling of the Seed of The Fallen Angels with that of the daughters of men, as depicted in **Genesis 6**.

For added emphasis, let me remind you that this rebellion was wholly fueled by sexual debauchery, though most argue it originates only in **Gen. 6** and is dealt with by the flood – It is a grim fact that proof exists that it actually continues multiple generations *AFTER THE FLOOD even until to this present day!* Having said that, this brings us to a misunderstood verse that must be put into proper context, one found in **Jude 1: 6** *And the angels which kept not their first estate, but left their own habitation, He hath reserved in everlasting chains under darkness unto the judgment of the great day!*

Kindly note, if this above penalty applied to all those guilty Fallen Angels of Genesis 6, leaving them NO POSTERITY, why then has their seedline continued to access the Adamic gateway unabated to this day, particularly if they are indeed held in chains? (Yes, evidence exists of Nephylim throughout history: See: The Serpent's Seed: They're Among Us!) Logically, since Giants existed in Noah's day, Moshe's, Joshua's, and King David's and throughout history – then one must conclude that not all of them are chained in Jude's epistle! Further, it would seem that only a specific category of Fallen Angels from **Genesis 1:1-2** known as Lucifer's' Rebellion could qualify as the group chained at present!

Moreover, evidence exists to prove that the phrase in Jude: *“kept not their first estate, but left their own habitation”* clearly points toward leaving the boundaries of their Supernatural, as well as, sexual orientation and the later comingling of their seed with whatever entity existed prior to ADAM! In addition, the examination of the tenure of their captivity – *‘unto the judgment of the great day’* – lends a dreadful warning of the future! The text indicates they are held in captivity BUT will be released for a specific purpose at a future ‘great day judgment’! In other words dimensional and perhaps multi-dimensional portals or gateways will once again be opened!

Is this great day judgment after the Millennial Reign and therefore a final judgment or could this be the Tribulation period wherein the Great and Terrible Day of YHVH is seen at which point, mankind will experience the WRATH OF YHVH? *NOTE - The Greek word for *‘unto’* Gk.#1519, eis, is a primary preposition indicating the point reached or entered, a purpose achieved. This clearly is not a final judgment, but a season of judgment that ends with their release - allowing for these FALLEN ANGELS to become an instrument of YHVH's WRATH upon the

earth just prior to the Millennial Reign! Can you say Apollyon or Abaddon? **Rev. 9:11** This clearly reveals that the Fallen Ones comingled their SEED with Mankind from Gen. 3 forward and thus, were able to enter the earthly realm through these GATES!

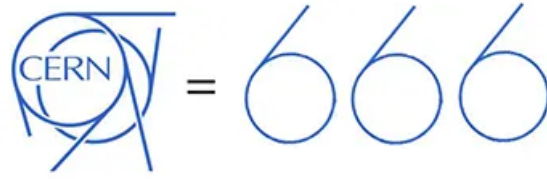

Not only that, but the Hebrew definition of Abaddon gives us ‘destruction, devastation, to lay waste or ruin’. Could this entity be one of the Spirits involved in Lucifer’s Rebellion, as well as, an example the Serpent’s seedline and have been used to instigate Balak’s efforts against Israel? Could he – Abaddon - be released in time to once again seduce Israel to engage in sexual idolatrous practices in the days ahead? Furthermore, *Will the False Prophets espousing a return to animal sacrifice and the building of a Whited Sepulcher - Temple full of dead men’s bones occupy the place of Balaam and seduce multitudes into whoredom with the Anti-Messiah? In answer, all I can say is that at present Yahshua is not welcomed in either scenario – The Levitical Priestly system nor the 3rd Temple!*

- VI. The letters of Balak if rearranged give us **לבק**, qobel/qobal - a masc. noun indicating both ‘war’ and to be a physical presence in front of one publicly. Now, as we consider the individual Hebrew letters to aid us in understanding the import of his name we can see even more clearly: For instance. To begin, the Qof indicates the One or That which comes last, at the end! The Bet represents the House or Bride. Next, the Lamed pictures the Shepherd’s staff as the instrument of authority, as well as depicting the Tongue. Without doubt, the tongue can also represent a shepherd’s staff as a goad urging or directing accordingly! How foreboding is this name? This points the finger at multitudes of Shepherds in the House today!

Ostensibly, there’s a prophetic message being revealed that at some point in our future another BALAK will arise who will exert great pressure upon the House of Israel or The Bride and in doing so, will goad her into action with the threat of warfare, specifically – Spiritual Warfare at the unktion of his prophet Balaam!
