

The Greater Exodus Plagues: Pt. 6.

The 8<sup>th</sup> Plague - Locusts.

Exodus 10: 3 - 20.

- I. It is our position, after dissecting the 7-previous plagues, that YHVH has brought a Petition or Suit of Paternity against the House of Pharaoh and insisting that Israel, His first-born son be released. Against this background, in our text (vs. 3) above Pharaoh is asked: *How long will you refuse to humble yourself before me?*

How befitting the current Season and 2Chron. 7:14 *If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*

By the way, NO ONE comes out of Babylon or Egypt who fails in the above! Look closer.

The Hebrew word for humble, H#6031, עָנָה, `anah, is defined as ‘humble’, yet the root indicates a refusal to answer, respond or to testify in a legal sense! Therefore, it could read: *“How long will you refuse to testify or respond before me?”* Even in a worldly court system, a court ordered paternity test couldn’t be refused. If it is, the individual is held in contempt and fined. Pharaoh is going to answer one way or another shortly!

Now, please note the word ‘refuse’ above: H#3985, מָאֵן, ma’en, rendered as refuse, though this word is placid in its’ English revelation, the Hebrew lends us more insight! These same letters give us: נָאֵם, ne’um and אָמַן, aman, the former indicating an utterance or oracle that is about to be released, while the latter, in its’ verbal form means to be firm, build up, support or nurture and to establish. It conveys faithfulness and trustworthiness that one surely could depend on!

Thus, YHVH seems to be conveying that the terribleness or intensity of the Plagues is about to increase at His declaration – Pharaoh could depend on that! What oracle you ask? LET MY PEOPLE GO! This phrase has a gematria of 859, the same as the phrase “Lost in Oz”. In addition, there’s a wild connection in Lev. 11:15, discussing unclean fowls, yet the specific bird mentioned is the Raven, H#6158, עֹרֵב, `oreb, which is etymologically related to the 8<sup>th</sup> plague – locusts –

Arbeh: The sentence in Lev. Reads: Every raven after his kind: **לכ-ערב למינו** **לכ** - ET Chol-`oreb lemiynu. The word miyn translated as 'kind' could also indicate 'numbered'. Thus, Every raven/arov shall be numbered...could this be hinting at the great 8<sup>th</sup> plague of locusts?

Furthermore, those same letters seen in refuse style: H#4484, **מנא**, mene, as seen in **Daniel 5: 25, 26**. ...*Mene, Mene Tekel Upharsin*...YHVH has numbered your kingdom and finished it. You are weighed in the balances and are found wanting. Your Kingdom is divided and given to the Medes and Persians! Though we're speaking of Pharaoh here, the Greater Exodus Plagues will see the dynastic kingdom of the Anti-Messiah –Babylon, who is supported by the Elite, also weighed in the balance and destroyed!

These plagues are going to restructure the world's Powers and cause the Proud and Haughty to fall! You can expect to see a League of Nations gathered to form another Medo-Persian Empire. These will be gathered out of Afghanistan, Pakistan, Turkmenistan, Georgia, Turkey, Iraq, and Saudi Arabia, probably in alliance with China.

If this ominous declaration precedes the 8<sup>th</sup> plague, then the final stages of the collapse of the Egyptian-Pharonic Empire and the future extermination of the Anti-Messiah's kingdom hinge on this 8<sup>th</sup> - plague of Locusts! What? These little winged fliers? Shall we see?

#### THE LOCUSTS ARE COMING:

- II. Traditional narrative and the perspective of our forebears who saw through a 'glass darkly' have colored our current End-Times paradigm. What if we could look through the clear lens of the Hebrew Language and aided by the Ruach, see a much more precise image? I firmly believe we now can!

Straightaway, before preceding with our look at these 'locusts', I'd like to call attention to the following verse and perhaps another hidden insight: **Exodus 10:4** *Else, if thou refuse to let my people go, behold, tomorrow will I bring the locusts into thy coast:*

See the word 'coast'? H#1366, **גבול**, ghevul, translated as boundary, border or space? It is from the root indicating a twisted cord or rope, as a line used to

measure rods for boundaries. Likewise, this reminds us of a DNA helix and gets extremely mystical here requiring unconventional thinking!

Moreover, we find it somewhat reminiscent of the Scarlet Rope of Rahab used to help the spies escape, a word which came from the same root Bel-Lamed, but with the Chet appended – Hebel – which can indicate to destroy economically or financially. It is a word associated with the pledge or collateral for the guarantee of a loan.

Pharaoh's World banking system is about to be spoiled: Their loans, notes, collateral, bonds, fiat currency and all their other 'holdings' destroyed and what's left, handed over to the DEPARTING REMNANT EXITING EGYPT – BABYLON! This has nothing to do with the prosperity message of the Church, who will find themselves destitute because of having placed their trust in the World's system!!! Politics, economics, etc.

Interestingly, she (Rahab) is later told to let the same rope down again, but the wording is changed to a scarlet rope – a tiqvah – **תקוה**, that will ensure the salvation of she and her family! This reminds us of the Blood – the Twisted cord or rope of the DNA helix – of Messiah affixed to the doors of Israel during the final plague!

\*Remember Egypt's coast is separated from Goshen during these plagues. What stopped the plagues from entering Goshen, since no physical barrier existed? Could there be more to this above boundary of Blood? Let me call your attention to **Ex. 8:22** where YHVH declares: *And I will sever in that day the land of Goshen...*

Understanding what happened to cause this distinction is paramount to understanding the salvation, preservation of Israel during the Exodus plagues and how the coming Greater Exodus Plagues will affect latter-day Israel – you and I!

**והפילית ביום ההוא את-ארץ גשן**, V'hiphleyiti B'yowm h'huw ET-Eretz Goshen... *And I will sever in that day the land of Goshen...*

The word for sever is H#6395, **פלה**, palah, and does mean to 'sever', set apart, but also hints at something wonderfully and amazingly constructed! Now, pay attention to the word h'huw, which indicates a masc. pronoun followed by the Alef-Tav-Eretz! In other words, h'huw – The He – The Him, Alef-Tav – Eretz –

The Land. The HE – The Him, The Alef-Tav will set apart, sever, by constructing something wonderful and amazing between Goshen and Egypt!

How could this be? What are we not ‘seeing’?  
Hold that thought and look at Goshen for a bit...

If you recall in our 1<sup>st</sup> part of this series we established that Goshen would not have been in Egypt proper, rather it would have been outside the border. It is my opinion the Goshen would have been the location of Eden Proper!

\*Please note: *And he (Shem) knew that the Garden of Eden is the Holy of Hollies, and the dwelling place of YHVH, and Mount Sinai, the center of the desert, and Mount Zion, the center of the navel of the earth, these three, opposite one another, were created as sanctuaries.* **Jubilees 8:17**

Goshen was undoubtedly a SANCTUARY as well, and as such, then it should fit into one of the 3-areas above! What in reality is a Sanctuary, truly? [H#4720](#), the Hebrew has it: **מִקְדָּשׁ**, miqdash, a set apart, consecrated place. This word ‘miqdash’ hides an intriguing secret. As we break the word apart, we have the Mem indicating a womb, the birthing place. There are 2 forms of the Mem, **מ**, open; and **מ**, closed.

The Sages teach that the Mem represents Torah – both the revealed word - **מ** and the hidden or secret word - **מ**. Mem represents the Waters of Creation, both in the physical woman’s womb and in its place in the expanse of heavens – **שָׁמַיִם**, shamayim, where it incubates the SEED of Creation – The WORD OF ELOHIYM MADE FLESH – YAHSUA! **2Pet. 3:5** ...*by the Word of YHVH the earth was formed out of water and by water.*

The remaining letters of miqdash: Qof-Dalet-Shin, can be arranged to form **שָׁקַד**, Shaqad, which relates to the Almond shaped cups of the menorah that contained the Oil for the Light. However, it also indicates to be sleepless, to guard or watch over. Thus, a miqdash, or sanctuary is a place where the Living Water, who, like the Menorah inside the womb of the Tabernacle, envelopes with light, what or whomever is inside, watching over, guarding, enveloping the SEED within! **This is your Goshen!**

**Ps. 121: 4** *Indeed, He who watches over Israel will neither slumber nor sleep!*

In addition, Mem is also a guide, a caregiver, an instructor and the one who gives direction. Mem takes on the mystical FORM of the **Genesis 1:27** ADAM – having both the characteristics of Man and Woman! Thus, as a sanctuary it releases seed as it procreates whilst it also wombs that seed, protecting and nourishing until the time for the Delivery!

As we continue our detective work, upon heading toward Egypt Jacob sends Judah beforehand to Joseph - *“to direct his face unto Goshen”* - **להורות לפניו גשנה**, lehoroyte lepahnayiv goshnah: The word for direct - lehoroyte – comes from the root Yarah, to teach, to flow as water – to go before his face – unto Goshnah. Goshnah has a value of 358, the same as Mashiach! This could read: *Jacob sends Judah ahead To Joseph to get HIM - To teach the flowing/Living water of Torah before his face until Messiah comes!*

Ironically, the Sages teach that Judah would establish Torah schools in Egypt, yet this isn't consistent with Scripture as Joseph was the one taught in the Schools of Torah! It is the Torah of Joseph – not Judah – that formed the Body of Messiah that same Mashiach Ben Joseph whom the Exodus Pharaoh did not know!

How exactly was Goshen ‘severed’ from Egypt?

- III. Without doubt, it is plausible to consider Goshen as a part of Eden proper and the original ‘Sanctuary’ for the DNA of the Creator, as well as, a gateway or portal where HE would descend upon the earth! If so, perhaps He – who was also personified in The Flaming Sword – bound on either side by Cherubim and later depicted in the example of the Ark of The Covenant, or Mercy Seat - would also be here to welcome the Son(s) of YHVH – Israel (who functioned as the 2<sup>nd</sup> Adam) to Goshen or ‘back to Eden’! **Genesis 3: 24: Let’s look!**

*...Flaming Sword, which turned every way flaming...flaming is **H#3858**, להט, lahat, though translated as ‘flaming’, it also indicates the mystical ability to hide something secretly. Curiously, it has the same gematria – 44 – as Dam, blood, yalad, to bring forth a son, and Teleh, a lamb! The Power of the Blood was hidden until the coming of Messiah.*

Blood speaks! In fact, it is known that blood absorbs light, which gives credence to an innovative science called photo-acoustics, which shoots laser light across a blood cell causing it to release stored sound, blood types and a host of other DNA messages! <https://www.sciencedaily.com/releases/2013/07/130702123348.htm>

If we look at the Hebrew word Dam, דָּם from left to right we get: Mad, indicating a garment and to apportion or measure out something! To ‘put on’ Messiah means to clothe yourself in His Blood which speaks of True deliverance because it was never tainted with sin! This blood cries out revealing who your Father is! The ability to determine who are the Sons of Elohiym will take on a new meaning as the Light of His Word courses through the Veins of the Remnant! This blood will cry out in testimony to the Paternity Claim of Sonship necessary to inherit the Land!

Back to the Flaming Sword...

Sword, H#2719, חֶרֶב, chereb, a cutting instrument, something signifying an edge or BORDER. It also hints at: That which is waste, desolate (Tohu V’bohu?) without water, decaying, dried up. These same letters style: Bet-Chet-Resh, Bechor, firstborn and Chet-Bet-Resh, chavar, to stripe or wound! Perhaps hinting at the FIRSTBORN who would be striped, wounded in order to restore the waste and desolate Place – Eden and its’ Adam? Adam became Tohu V’ Bohu! Only to be restored after Yahshua took the stripes, plagues on His Body in behalf of them!

The phrase ‘*which turned every way*’ is written: הִמְתַּהֲפֶתֶךָ, h’mithapeket, the root of which is: הִפְּךָ, haphak, defined as to turn, overthrow, overturn, to transform and to turn again or away. It indicates ‘to reverse’, to overturn or carry away! Could this sentence indicate that the FIERY BLOOD MAN – WHOSE DNA – MANIFESTED IN MESSIAH - WOULD TRANSFORM THE BORDER OF EDEN – GOSHEN TURNING AWAY ANY WHO WOULD APPROACH in an untoward manner? Perhaps bring a plague upon them?

Yet, at the same time, for those inside the Sanctuary, this Fiery Blood Man could also turn His Back to the PLAGUES taking them upon Himself, those plagues which were intended to lay waste, make Tohu V’bohu, or cause to decay, the children of Israel returning and as He takes the Plagues upon His Body He would stand at the BORDER – THE VEIL and thus, reversing them, overturning or carrying them away! He would literally ‘TAKE ON HIMSELF THE PLAGUES’ – in order to be STRIPED OR WOUNDED protecting those within the Sanctuary of His Blood who would be born again! This is the Goshen EFFECT!

\*See **Isaiah 53:3,4,5** *He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised,*

*and we esteemed him not. Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.*

We see this epitomized in the 10<sup>th</sup> plague where the Blood is once again applied to the Doorway – the entrance to EDEN-GOSHEN.

While Messiah stands at the threshold the Death Angel comes, there we find Messiah turning His back to absorb the stripes, [H#2250](#), **חבורה**, chabbura, stripes, from chavar, to unite, or bind together! Perhaps we understand Paul speaking of “The Fellowship of His sufferings...”

Incidentally, this word chavar has the same root letters as Sword – Chereb!

Later, Yahshua does exactly the same thing! Turning His back to the lictors and absorbing the STRIPES – PLAGUES that were ours, thereby Establishing a Boundary of Blood that would cause us to be Born Again!

We see the same pattern when David fights Goliath. Israel was in the valley of Elah, [H#425](#), **אלה**, rendered ‘an oak’ or Terebinth Tree. The Long-Lived Tree planted at covenant cutting! The place in this valley was between Shochoh, ([H#7755](#), **שוכה**, from a root indicating to shut in for protection and restraint) and Azekah, [H#5825](#), **עזקה**, to dig about or fence in! The place between these two was called Ephesdammim, [H#658](#), **אפס דמים**, The Border or Boundary of Blood! Ephes is from the root Pas – as in the coat of colors, and Pesach – to Passover – and indicates a strong hand that covers!

This is the place between the Boundaries, Where the Hand of YHVH would ‘pass over, cover those inside with the Kethoneth Passim – The Blood – Garment of Light – Colors!

Hopefully, by now you begin to understand the significance of finding your Goshen? Now, we can appreciate even more the consequence of being out of Egypt or Babylon when these plagues come!

The 8<sup>th</sup> Plague – Locusts:

- IV. How apropos that this is the 8<sup>th</sup> plague, 8 being the number associated with the letter Chet, the fenced off place, the DNA helix, where new beginnings occur!

As such, this plague was a particularly ferocious event coming on the heels of Egypt's animals and barley crops having already been devastated. The Wheat is just now greening and these supposed vermin are set to destroy what's left! Let's look closer...

First, I want to skip ahead to **Ex. 10:7** where Pharaoh's servants make an astonishing statement: *'knowest thou not yet, that Egypt is destroyed?'*

**הטרם תדע כי אבדה מצרים**, h'terem tedah 'avdah Mitsrayim... The word destroyed – 'avdah, **H#6**, **אבדה**, indicates to destroy, exterminate, to utterly fail.

Mitsrayim, **H#4714**, **מצרים**, is usually translated as 'between 2 straights'. Yet, I want to zero in here for a second. All Hebrew linguists agree that the name Mitsrayim is not Semitic. Interestingly, some attribute its' root to a related word metzar, meaning – a BOUNDARY OR BORDER. I must state however, that in fact, most agree that the ancient origin for the name of Egypt or Mitsrayim, comes from the Son of Ham, **H#2526**, **הם**, Cham, and is rendered: Khemet, literally 'the Black land' for its' rich soil.

This is quite interesting in our study, as the **Land of Khemet-Egypt** – is said to be the root of the ancient Science of Alchemy (*Klein alchemy, n. medieval chemistry. -- OF. alquemie (13th cent.), alchimie (14th cent.) (F. alchimie), fr. ML. alchemia, fr. Arab. al-kimiya, fr. al-, 'the', and MGk. chimeia, chimia, 'the art of the black land (Egypt)', fr. Gk. Chimia, 'Black-land, Egypt', fr. Egypt. khem, khame, 'black'. The derivation from Gk. chymeia, 'pouring', from the stem of cheein, 'to pour', is folk etymology. See W. Muss-Arnolt, Transactions of the American Philological Association, vol. XXIII, p. 149*)

Alchemy was the ancient quest for the secret of Transmutation: both of metals and humans – you'll note the etymological connection to Chimera – the hybridization of two or more species. Curiously, we get the English word 'chemistry' from alchemy. Oh, by the way, today's Elite, Freemasons, Illuminists, etc. are all consumed with alchemy! Incidentally, transmutation can occur on multiply levels: Spiritual, Physical, or Mental as the 'host' has its' DNA manipulated through various methods.

These include EMF frequencies, the insertion of corrupted DNA into the host (Vaccinations, food sources, etc.) Sexual deviancy, and other surgical alterations!

Incidentally, for the first time in United States history an openly transgender Man/woman has been nominated for federal office – Sec. of Health...

### What Does This Have To Do With This Plague?

Candidly, Boundaries could imply far more than just a Land marker! It could encompass efforts to cross over these boundaries of the Spiritual, Physical, Mental, Sexual and other realms! In addition, if we look at the numeric values, Mitsrayim's value is 380, the same as 'Lashon' – tongue or language. 380 is also the value of H#7549, רַקִּיעַ, raqiya', rendered 'firmament' – that which is stretched out – an overlayment, to press out - as in the expanse of heaven separating the waters above from the waters below. The Tongue becomes a Raqiya, a firmament or boundary between the Heavens, controlling what is allowed to pass through!

In the same fashion, the Raqiya becomes the boundary, or border; the instrument filtering or disseminating words or light and it's power to all those inside the Sanctuary, while protecting them as well! 380 is also the value of הַשְּׂמֵלָה, h'simlah, The Garment! The reminds us of the Body of Flesh created or pressed out for Messiah. Ironically, the Resh-Qof root hints at that which decays or putrefies! Yahshua came in a decaying body, having taken upon Himself the Plagues of Death and Destruction, that He might restore Light – Life to those within the Raqiya or Expanse, the Covering Garment known as "His Body".

If we add the 2<sup>nd</sup> word in our verse above -Avadah, to destroy, it seems something sinister is going on behind the scenes between the Magicians of Pharaoh and his efforts at controlling the People. Further, what if, that 'Lashon or tongue' plainly, their efforts to communicate, have been destroyed? This seems contradictory since; the magicians are talking to Pharaoh at this point still aren't they? What then, is really taking place here? Let's ask a few questions:

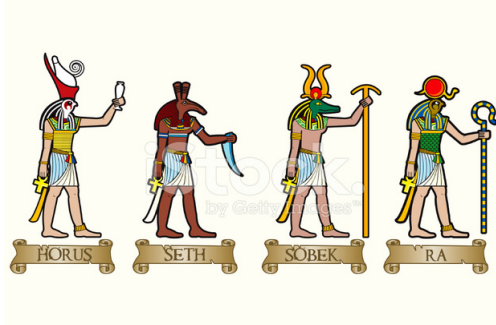

So, if they're talking amongst themselves then, exactly with what or with who have they lost communication? What if their efforts that are, in all honesty, rooted in Alchemy – The creating of Transmuted Species, were suddenly turned against them? If find this laughable as I write, simply because they're already preparing to introduce to the 'World – WHIRLED' – those spinning in Dorothy's tornado – an alien *benevolent* species who will solve the Earth's problems!

Moreover, suppose today's 5G & 6G technology along with the HARP and other EMF that allow the Elite to communicate subliminally and effectuate DNA manipulation among the population is suddenly cut off or turned against them?

What of the Transmuted or Hybridized clones and their progenitors, the Fallen Ones themselves? Is it possible that this plague involves a mutiny or rebellion of sorts within the ranks of those Hordes – Swarms - Locusts of Hell (Rev. 9: 3-11) wherein Egypt-Babylon becomes the prey rather than the predator? \*Remember the SONS OF ELOHIYM have been sealed at this time! They're in Goshen!

Is this something conjured out of a Science Fiction or Conspiracist Mindset or Have We Looked Behind the Curtain?

If this seems improbable, remember all the HYBRID GODS of Egypt!

Could these Locusts be pointing toward those Crossed Boundaries?

- A. At this point, things may get a bit convoluted. Was this a new Plague or a return (Much Worse This Time) of a previous one? The word used here for Locusts is H#697, ארבה, 'arbeh, translated inoffensively as 'locusts', but originates from the root rabah, רבה, to become great, numerous, to be multiplied and is the same as the word used to describe the Swarms of Flies the 4<sup>th</sup> – 'arbeh, plague – while this is the 8<sup>th</sup> – a doubling - To do again.

4 – arbeh written with a Dalet represents a doorway, while 8 – Shemoneh, H#8083, שמנה – the Chet, indicating a fence or ladder pointing toward a DNA helix. The same letters can be arranged to form משנה, Mishnah, which also means to 'double', copy, a repetition, next in rank or hierarchy! 8 is a doubling, do over, repeat, increase of – 4!

If read from right to left the root rabah becomes, 'Habar': Meaning an astrologer, one who worships the stars. Specifically, the gods of those stars! Could the Prophet

Isaiah have seen the future and revealed this exact scenario taking place in our day?

\***Note Is. 47: 5, 12, 13** *Sit thou silent (No tongue-communication) and get thee into darkness (the 9<sup>th</sup> plague?) O daughter of the Chaldeans (Babylon the Mother of Harlots): for thou shalt no more be called, **The Lady of Kingdoms**. Stand now with thine enchantments, and with the multitude of thy sorceries, wherein thou hast labored from thy youth; if so be thou shalt be able to profit, if so be thou mayest prevail. Thou art wearied in the multitude of thy counsels. Let now the astrologers (**HABAR**) the stargazers, the monthly prognosticators, stand up, and save thee from these things that shall come upon thee.*

\*Note 'The Lady' above, H#1404, **גברת**, gebereth, a mistress, from the same root a Gibbor – the Mighty Ones, those who act insolently toward YHVH! Egypt and Babylon became the MISTRESS TO THESE FALLEN ONES!

Do you think it's coincidental that these 'Locusts' – **ארבה** – are etymologically the same as the infamous Arba - **ארבע**, the father of Anak and the greatest of the giants (Anakim)? No? Look at the root **רבע**, raba', to lie stretched out, to lie down, copulation of a woman with a beast, cattle breeding. These BEASTS are not going to be satisfied with the plans of the Elite, neither that of the Anti-Messiah!

The Hiphil tense indicates to cause or to suffer to gender, to misuse that which YHVH intended to be propagated as a man with woman, male with female. The word is found in **Leviticus 18** and **19**. Here we find the progression of sexual debauchery: Incest, Adultery, Homosexuality/Lesbianism, and bestiality! These are the 4-MAJOR AREAS OF PERVERSION SEEN IN AMERIKA TODAY! There are subgroups; pedophilia fits into the 3<sup>rd</sup> category! In addition, **ארבע**, indicates the number 4 – Dalet – a door or entrance.

I found it interesting that **Rev. 9** speaks of 4 angels being loosed – the Greek doesn't reveal much here – yet, the Hebrew does: 4, ARBA – Malachim – angels, from the Euphrates, which comes from H#6578, **פרת**, Perath, meaning to burst forth, become fruitful, it flows through the PERSIAN EMPIRE! 4 Messengers of Arba the Nephylim - being set loose?

**Jude 1:5, 6** *I will therefore put you in remembrance, though you once knew this how that YHVH having saved the people out of the land of Egypt, afterward*

*destroyed them that believed not. And the angels which kept not their first estate, but left their own habitation, He hath reserved in everlasting chains under darkness unto the judgment of the great day!*

The Greek text actually says He has reserved, to attend to carefully, for the judgment of the great day – What day? The Great and Terrible Day of YHVH!

This is consistent with the ‘DAYS OF NOAH’ which Yahshua makes reference to in **Matt. 24:37**, during Noah’s day the floodgates of heaven and those in the bowels of the earth are opened. It is my opinion that the Flood of **Rev. 12** will coincide with this 8<sup>th</sup> plague! Where we will see the Fallen Ones cast down to the earth and those held in chains under the earth released to torment men! The Sons of Elohiym will be in Goshen!

**Stand Fast My Brothers! Make your Calling and Election Sure! Seek the Face of Elohiym; listen to and for His Voice. Walk humbly before Him in Righteousness. Turn not to the right or left. Do not be dismayed at the signs in the heavens, neither swayed at the devices of man. For YHVH will not be mocked. While they cower in fear waiting for the mountains to fall on them, you will be put into the Cleft of the Rock until the time of Refreshing that is to come!**

Shabbat Shalom!
