

The Red Sea Crossing
The Greater Exodus Plagues con't:

Ex. 14: 1-15:22:

- I. Though we finished looking at all 10 of the quote “plagues” it is my opinion that there remains one left to consider in the final judgment of Egypt as the Greater Exodus begins. It is the incident at the Red Sea. We will look closer here and hopefully, link together what many consider an altogether apocryphal and figurative story with what I believe is a parallel shown us in the works of John the Revelator!

Is it Possible That a Future Red Sea Crossing, of a sort that will stagger most, is in our immediate future? If so, will it be literally, i.e. will we all gather at the same location and cross over, or will there be a figurative crossing out of an even greater ‘SEA’. These questions beg an answer! What’s yours?

Before moving on, we must agree: These Exodus plagues are rehearsed again during what many call the ‘Great Tribulation’. Thus, their blueprints should follow the same context, patterns, chronology, purposes, as well as, who the judgments are directed against, and finally, who dispatches them. Take care Reader, that you make no mistake, the judgment has begun!

Please take note: The timing of this event is 3-days after the Pesach lamb is slain (Nissan 14th) making the crossing occur on Nissan 17th, the same time as the resurrection of Yahshua and the resting of Noah’s ark on Mt. Ararat, which is translated as: ‘The Curse Reversed’. It would seem then, that a unique association exists with this ‘Crossing’ as well, reversing the curse of slavery and opening the Matrix to those Free-Born Sons of the Most High!

Israel Camps:

Exodus 14:2 tells us Israel is commanded by YHVH to stop and camp at Pihahiroth, between Migdol and the sea, over against Baalzephon: These names have been consistently mistranslated in my opinion. So, let’s examine them.

- Pihahiroth, H#6367, פתרייהת, rendered by some as the “place where the sedge grows”. It is a poor translation at best. Pi comes from the root Peh, meaning mouth, to speak, command, the edge, border or boundary. Next, the letter ‘Hey’ is a preposition ‘the’. This leaves us with חרת, chorowt the plural of chowr, which derives from the Chet-Resh-Resh, charar root, and means to be or become free, freedom. This gives us: The Boundary, border to freedom! Implying that Israel has yet to cross the Red Sea in order to experience true deliverance.
- Migdol, H#4024, מגדול, translated as ‘tower’, the Mem indicates a womb as in source of origin, leaving us with gadal, meaning great or strong. It carries the idea of a ‘collective strength’. You’ll remember this word from **Gen. 11** and the tower – Migdol of Babel, where all were collectively ‘in one mind and one accord’. Further, you’ll recall the woman out of whom Yahshua cast 7-devils, Mary Magdalene, her last name indicates Miryam of the Tower. *Remember this!
- Baalzephon, H#1189, בעל צפון, defined as: Lord of the North. But, once again, we have a compound word, Baal has gotten a bad rap being associated with a Pagan deity and is translated here as ‘lord or husband’; yet, as in **Jeremiah 3: 14** it can also mean to have dominion, to marry, as in YHVH marrying Israel. While zephon though translated as ‘north’ can also mean hidden, concealed, to treasure, stored up, secret.

From an Egyptian perspective Israel is now trapped between the wilderness and the Sea. Yet, the prophetic names of the above places tell us that YHVH had another plan. Their extrapolated definition indicates: *“I will bring you, My concealed treasure, My hidden Bride, to the place where I will reveal My Strength – The Strong Tower – and bring you across the boundary to freedom!”*

Here is what Pharaoh says in opposition - **Ex. 14:3**: *They are entangled in the land and the wilderness has shut them in.* Once again, the KJV gives little input, but look at the language of Creation.

- Entangled, H#943, בוך, buch, disturbed, confused, perplexed.
- Wilderness, H#4057, מדבר, midbar, simply rendered ‘wilderness’ here. However, the Mem prefix indicates a womb, and debar is a Promised Word. What word had Israel been recently promised? FIRSTBORN STATUS!
- Shut in, H#5462, סגר, sagar, translated as ‘shut or closed up’ it can also mean to deliver up!

The word 'buch' above has the same two-letter root stem - Bet-Kaf - as Bechor indicating Firstborn! Pharaoh thought Israel was wandering around in confusion with no hope in which to demonstrate their newly found 'Firstborn' status and deliverance as slaves. However, YHVH has brought them here and revealing that a *'birthing of His Promise to make them His First Born is about to occur'*! The path through the Red Sea literally becomes the birth canal and figuratively, Israel is resurrected – born again – on the other side! Still, there remain other less obvious, and altogether as powerful connections that are prophesying of our future and us!

One ambiguous link looks remarkably like the prophetic declaration of **Genesis 3:15** where a battle between 2-distinct seed lines is first prophesied. It seems it is found occurring here at the Red Sea crossing as well. If you recall **Gen. 3:15**, this declaration is made after the encounter with the Nachash – The Enchanter – One who enslaves by his words! **There has never been a generation more defrauded by enchanting words than ours!**

Most think this verse is speaking of future generations to come, like Jacob and Esau and indeed it is; yet, it is also grammatically speaking to the 2 separate seed now within the womb of Chavah - Cain and Abel! It seems here at the Red Sea crossing, that Pharaoh and his army also enter the same womb as Israel! In response, YHVH deals strongly with the counterfeit! We will see a future demonstration of these same phenomena – *Hetero Paternal Super fecundation*: A medical term describing two separate seed in a womb from two separate fathers!

The Significance of the Red Sea:

- II. Much of what is known of the ancient name applied to this body of water is obscured, albeit, I believe intentionally, in order to obfuscate what is surely a place of central importance not only in our Biblical texts, but in the 'doomsday' scenarios conjured by many students of End-Time prophecy. The KJV texts render it: Red Sea, H#5488, סוף & H#3220, ים Yam Suph. Though various translators portray this as; a Sea of Reeds, a small, boggy, miry body of water - a definition that doesn't fit Israel's actual place of crossing. This 'Sea of Reeds' is far removed from the actual site. Again, Roman Catholicism has colored much of this debate.

However, you and I have never settled for conventional ideology! The translation of Yam Suph does not merit the word 'RED'. But, ancient texts nevertheless connect the red color with this Sea, why? Since, we've portrayed a future 'twins in

the womb scenario at a future Red Sea crossing, is it possible that a return of Esau-Edom - which means Red - to the Womb here at the Sea Crossing in order to masquerade as Jacob could possibly be hidden within? If you recall, throughout their wilderness journeys a 'mixed multitude' always seemed found at the center of controversy!

Side Bar:

- A. Perhaps we should look at this term: **ערב רב**, ereb rab – Mixed multitude. The root takes on the idea of taking a pledge or to pledge in exchange. If we look at other passages where the term is used (**Jer. 25:20**, **50:37**, **Ezek. 30:5**) the term is used in the context of war and those killed in battle. Thus, it seems that these were armed mercenaries who had intermingled with Israel and left with them at the Exodus!

In support of our position of 2-warring seedline in the womb here, the text in **Ex. 12:38** says 'and a mixed multitude went up' - **וגם-ערב רב עלה** V'gam-ereb rab alah...this phrase has a gematria of 628, the same as bechorath, indicating "first-born"!

Who Were/Are This Mixed Multitude?

There are scholars such as *W. Zimmerli, Ezekiel 2: A Commentary on the Book of the Prophet Ezekiel* along with others, who also agrees that these were mixed individuals who had assimilated into Israel by CONVERTING! Will a future Red Sea event also involve the purging of a mixed multitude from the House of Israel? *Remember this!

Where then, and for what purpose in this study, did the idea of a 'red' Sea as a name come? How does it figure in our paradigm of the End-Times? In answer, there are age-old records of the Edomite-Idumean colonization of places like the ancient city of Tyre by a King referred to as "Erythras" [Eh-ryth-ras] meaning 'Red' who was said to have come from the area now called the 'Red Sea'.

In corroboration, Rashi in his comments on **Genesis 25:23** states that Esau – Edom meaning RED, colonized Tyre! Further, an affinity between the two (Tyre and Edom) is shown in **Amos 1: 9,10**.

Another Ancient Source:

Flavius Philostratus (170 - 245 AD) was a Greek-Roman scholar who lived in the Phoenician city of Tyre for the last 30 years of his life. In his work The Life of Apollonius he explains that the "sea called Erythra" was "named from a king Erythras"

- III. Moreover, the word סופ, Suph, as in Yom Suph, has no etymological connection to either Red or Reed. In fact, some linguists believe it implies ‘the edge, border, extremity or end’. This would be consistent with ancient folklore describing the Red Sea as “The Sea At The End of The World”. Literally, a spiritual dimensional gateway into the eternal located at the world’s edge; or perhaps, the Sea that must be confronted at the End of the Age?

This is highly plausible as it borders the ancient tectonic plate rifts of both Africa and Arabia and could have been called such because of those who witnessed the landmasses separating in the days of Peleg (**Gen. 10:25**). In this context, this rift will become prominent again during the “Tribulation Period” as the rupture extends into Jerusalem underneath the Kidron Valley to the Mt. of Olives that is said to split at the 2nd coming of Messiah!

It is also worth noting that the area where the Fissure has formed is called the ‘Afar’ Rift or ‘Afar Triangle’ and is said to have been the place of the origin of man’s creation. The ethnic groups called ‘Afar’ who live in that area say that ‘Afar’ means best or first!

Could the etymological root of this word Afar be that which comes from – **H#6083, עפר**, the dust of the Adamah that Adam is created from! Could the formation of a new Area here during the Tribulation expose the Ancient Gan Eden, in effect fulfilling on a physical level the prophecy of **Gen. 3: 19** ...*for dust-afar thou art and unto dust-afar that shalt return*... Perhaps hinting at a People called afar – dust who will return to the Afar of the Adamah that was this pre-exilic Eden?

Finally, as we scrutinize the origin of this Red Sea’ name, we must remember the encounter of Jacob and Esau from **Genesis 25: 30** where he asks Jacob to: “*Feed me, I pray thee, with that same red pottage: for I am faint: therefore his name was called **Edom-RED***” [Bold capitals supplied by author] The word used for ‘feed’ is

interesting too, as it appears only 1-time in the Tanak: [H#3938](#), **לעט**, la`at, indicating to swallow something greedily, to devour.

La`at is preceded by several cognate words with the Lamed-Ayin root indicating to mock, deride, and to scorn; it strongly hints at attacking a persons words and position. Is it possible that Esau scorns Jacob, mocking his familial position because he believes he has a greater vessel offering him more power and authority than the trifling [sarcasm mine] Firstborn birthright of the House of Abraham & Isaac? (The Sages add a bit of clarity in their comments here, as you`ll learn later)

Will a future ESAU confront the House of Jacob/Israel by deriding their efforts in the gathering of the Outcasts for an exodus out of Egypt/Babylon/Rome, denying their title or birthrights all the while asserting their own presumed right of Firstborn Inheritance?

Further, as we continue looking, the KJV translators add the word ‘pottage’, which is not in the text, in fact, the word ‘red’ is repeated twice: **מִן-הָאָדָם הָאָדָם** **הִלְעִיטֵנִי** h`leyitni min-h`adom h`adom.

The doubling of the above word ‘adom’ is noteworthy. Especially when we consider the root stem of la`at – Lamed-Tet, which hints at secrecy, enchantment and was the word used to describe the Magicians of Pharaoh! Have you noticed how this word ‘enchantment’ keeps popping up?

Lastly, we`ll consider the hyphened word ‘min’ - **מִן**, which can mean ‘from, out of, on account of, to separate or expel, yet it can also indicate to apportion, part out. This extrapolation adds a bit of a twist to “feed me, I pray thee, with that same red pottage” – It just as easily could also read: *I will swallow down; devour, by secret enchantments that which was apportioned the Adam – The Adam!*

There`s that word ‘enchantment’ again...

While the above is not conventional thinking, it is consistent with what some Rabbis say regarding why Esau was famished – that he was running for his life after having killed Nimrod and taking the ‘skin-garment’ cloak once belonging to Adam, and that Nimrod had held! Could this garment have been the Secret Vessel Esau places his expectations of world dominance in, rather than the Right of Firstborn in His Fathers` house? *See [Jasher 27:1-13](#)

Let's back up a bit...

- IV. In **Genesis 1:26-28** we find an eternal promise made to Adam and divided into 2-distinct parts: A Dominion mandate and a Fruitfulness mandate. (Be fruitful and have dominion) Because of the work of Yahshua in restoring both, the combined Promises of Firstborn Inheritance is achievable by all those who worship Him. On the other hand, those carnal individuals seeking the same through their own methods of rebellion rather than following YHVH's plan have embraced secret, forbidden knowledge at the Tree of Carnal Knowledge – The Tree of divine ENCHANTMENTS instead! Oops, there it is again!
- A. Through Esau there is another unique latter-day connection by his grandson Eliphaz and great-grandson Amalek! (Discussed in pt. 8 of this series) Therefore, it should come as no surprise that a great conflict between Esau and Jacob ensues at the close of the age. Will it be at a Red Sea encounter? Could it be physically, and figuratively as well?

Take note of what the prophet Obadiah has to say. Though only 1-chapter long, its entirety is devoted to the destruction of Esau. **Vs. 18** *Then the house of Jacob will be a fire and the house of Joseph a flame; but the house of Esau will be as stubble. And they will set them on fire and consume them, so that there will be no survivor of the house of Esau, for YHVH has spoken!*

Why JOSEPH?

Putting this into future context is imperative explaining much!

This conflict will include JOSEPH who I believe is entitled to the Birthright and PRIESTHOOD - prefiguring Messiah and unlocking the connection to Melchizedek going all the way back to **Genesis 14** where a transfer occurs between Shem/Melchizedek, the Priest of El Elyon and Abraham and where we find what I believe is a deliberate mistranslation.

Genesis 14: 19,20: *And he blessed him, and said, "Blessed be Abram of the most high God, possessor of heaven and earth. And blessed be the most high God, which hath delivered thine enemies into thy hand. And he gave him tithes of all. (Once again, Abram is the subject being spoken to by Melchizedek; i.e. he blessed him, and he gave him. As Melchizedek continues his blessing it is HE WHO GAVE TITHES TO ABRAM!)*

Thus, Jacob through Joseph continues the Birthright, which includes the Melchizedec Priestly role and this role, will be made prominent as Joseph confronts Esau who will be found hiding in the garments of Jacob and concealed among the ROMAN - Levitical Cabal and who will once again seek to establish his dominion mandate through the supposed 'Skin Coat' of Adam, which is an effort to validate the legitimacy of animal sacrifice and thus, Levitical inheritance, though it was never intended that the blood of animals could atone for man's sin!

Look what Malachi has to say regarding Esau's plans to 'return and build': **Mal. 1:4** *Though Edom says, we have been beaten down, but we will return and build up the ruins: thus says the Lord of Hosts, They may build, but I will tear down/ and men will call them the wicked territory, and the people toward whom YHVH is indignant forever.*

The Final Temple that will be built is one not made with hands! The 3rd-Temple is not it and I believe the wrath of the Most High will be kindled against it!

As we move forward in our investigation of the Red Sea Plague, and since we don't believe in coincidence, we must consider therefore, the gematria of la'at (feed me) shown as 109, and seen the same as **מגניי**, magennayav, the root of which is Magen – shield. The most famous of all families belonging to the Illuminist, Secret - Elite World Powers is Rothschild – Red Shield. Is there an Esau-Nimrod connection? Wait for it...

As we pursue this thread linking the Red Sea to Edom-Esau, it is also worth noting that ancient tradition says that one of the early leaders of Edom was referred to as: "Duke Magdiel" from **Genesis 36:43**. It was he who founded Rome according to that same tradition. Let's examine the name.

- Duke, **H#441**, **אלוף**, 'alluph, indicating a familiar friend, a tamed animal, a chieftain. It comes from **H#502** **אלף**, 'aluph, meaning to teach by association.
- Magdiel, **H#4025**, **מגדיאל**, is a compound of El and meged, translated here as noble, eminent. Some relate it to maggid, a teacher. Ironically, the Targum of Jonathan says this Duke was called Magdiel from the name of a city, which had a strong Migdol or tower! *Remember ancient lore that Esau killed Nimrod, the builder of the Tower of Babel?

IV. We must ask ourselves ‘what was the man teaching, that led to the distinction of his being accredited with the founding of Rome’?

It is also interesting to note the etymological relationship of Magdiel with two prominent words also connected to End-Times prophecy, one of which we’ve already mentioned – Migdol – tower and Megiddo/Megiddon as in Har-Megiddon!

Additionally, it is significant that the Greek name for the Red Sea is: Mare Erythraeum. (Sea Red) From the former we get ‘Maritime’ as in the “*Law of the Sea*”. Like Israel in Egypt all the world’s Citizens are under the international control of the Roman/Edomite/Crown of England junta who have enslaved them and stolen their birthrights. It is this crossing of the SEA that must be the final stage before the Exodus truly begins, along with, the securing our freedom. By the way, the word ‘crossing’ can also indicate crossbreeding and hybridization! What’s significant about this latter phrase, ‘crossbreeding and hybridization’?

Remember Mary Magdalene From Point I Above?

The Illuminists would have you believe that Yahshua didn’t die on the execution stake, rather, He was taken down and later, married this Mary of the Migdol, (Try saying that fast 3-times!) creating an alternative bloodline known as the Merovingian Bloodline that would open the doors for a Dominance Mandate executed by the Crown of England, the Papacy and their rogue Jewish cohorts!

There will emerge Leaders out of this Tribunal who will claim a divine connection to Messiah, which will have actually sprung up out of what many call an “extra-terrestrial race” but, which is merely a Fallen Angelic or demonic hybridization of the two! This lineage will produce the ANTI-MESSIAH and will once again produce the 1st of two seedline within one womb – Esau and Jacob/Joseph!

Ironically, both the Roman Church and the Crown of England are known for their affinity toward The Cloak of Adam - Cloak of Nimrod – The Cloak of EDOM THE RED CLOAK – The Rothschild – Red Shield! It is this same secretive plan woven into much of what is held as inherently ‘Jewish’ today. For instance, the beloved song ‘If I Were a Rich Man’ from Fiddler on the Roof was actually a spin off of ‘*Ven ikh bin Roytshild*’ or ‘If I were a Rothschild’ a 19th century story by Sholem Aleichem, a man struggling to keep his family within the Jewish faith...

The deception is almost complete and rather than expose the truth and risk being called ‘Anti-Semitic’, many in the Hebrew Roots, Messianic Faith are themselves

seduced as a result! We must remember John the Revelators' declaration to the churches of Smyrna and Philadelphia at the behest of the Ruach: **Revelation 2: 9** ...*I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.* **3:9** *Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie...*

- Smyrna, Gk#4668, is actually a name derived from the ancient spice called myrrh, a bitter and fragrant spice that was originally used to mark the Tabernacle, but which came to be used to proclaim olfactorily, the consummation of a marriage. *Abarim publications biblical name vault.*
- Philadelphia, Gk#5359, translated as; City of brotherly love, a bit more digging gives us philos, from the Greek indicating loving, sophos, wise, i.e. loving wisdom and also adelphus, from ancient Greek 'adelphos' *meaning born of the same womb! We get: Wisdom of the brothers born of the same womb.*

Could this ancient hoax – marrying together the Plans of the Nachash-Enchanter to bring forth sons who would be 'like the gods' with an unsuspecting, primed for seduction group - already have been at work among the early Believing Community and the Prophet of Revelation puts his finger on it exposing it's origins?

The construction of the 3rd-Temple will ratify this marriage covenant, which is, I believe, the same referred to as the Covenant of Peace between the Anti-Messiah and Israel. **Daniel 9:27** *And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.*

(1Thess. 5:3 *For when they say Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape)* The birthing pains are similar to Israel being in the amniotic waters of the RED SEA and facing imminent destruction by the Last Pharaoh!

Ask Yourself This:

Most End-Times scholars acknowledge a "Greater Exodus" comprised of those Outcasts of Israel scattered into the 4-corners of the world. However, if we believe that Satan attempts to counterfeit every notable plan of YHVH then we should

expect a “Greater Exodus” from the House of Esau as well! I contend that is exactly what is happening with those fulfilling the prophecy of **Genesis 9:27** *YHVH shall enlarge Japheth, and he shall dwell in the tents of Shem; and Canaan shall be his servant.*

It is my opinion that the Gog-Magog war - so often attributed to an invasion by the armies of the Nation of Russia could in fact be an assault – a.k.a. ALIYAH - of those Edomite-Khazarim-Ashkenazi imposters born out of Japheth’s son called Magog! These individuals are coming out of Magog, the prince of Rosh – Russia, Meshech – Moscow, Tubal-Tubolsk, and Togarmah – Eastern Europe, the U.S.A. etc. Aliyah was a term used to describe Joseph taking Jacobs’ bones back to the Land, not those of an imposter!

Yes, the Red Sea crossing of Exodus 14 did really happen! Yes, it was a literal crossing of a body of water, but there were, in addition, powerful, covert and prophetic details that would become a mirror for us to look into in order that we not succumb to the divine enchantments of these END DAYS! In closing please see **Mat. 24: 23,24**

Then if any man shall say unto you, Lo, here is Messiah, or there; believe it not. For there shall arise false Messiahs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

The Greek Septuagint uses the same word for deceive, **Gk.#4105**, plan-ah`-o, to cause to stray, lead astray, as in our opening text here in **Ex. 14:3** *For Pharaoh will say of the children of Israel, They are **entangled-plan-ah`-o** in the land and the wilderness has shut them in.* The Hebrew word used says more!

- Entangled, **H#943**, **בֹּךְ**, buch, disturbed, confused, perplexed.

The word ‘buch’ above has the same two-letter root stem - Bet-Kaf - as Bechor indicating Firstborn! Pharaoh thought Israel was wandering around in confusion with no hope in which to demonstrate their newly found ‘Firstborn’ status and deliverance as slaves. However, YHVH has brought them here and revealing that a *‘birthing of His Promise to make them His First Born is about to occur’!* The path through the Red Sea literally becomes the birth canal and figuratively, Israel is catches the heel of Esau and is resurrected – born again – on the other side!

Shabbat Shalom!
