

The Price of UNITY: 6/13/20

Ezekiel 37: 1-28.

- I. It becomes apparent when studying Torah that a mirror-like dimensional portal exists between the Physical world and the Spiritual. As such, there is seemingly, a time lap between the two that exists simply because we cannot see into the latter realm. However, they are occurring simultaneously.

It is my opinion that amidst the utter chaos seen in the natural, where civil unrest and international strife - intentionally planned to create and promulgate racial division, class warfare, ethnic cleansing, religious atrocities, and mass genocide (The latter of which is guised in the heinous clothing of abortion, child sex and slave trafficking) whose end goal is to annihilate the 5th Generation who are about to become the visible Tabernacle or dwelling place of the Most High - are all diversionary tactics to obfuscate that which cannot be visibly seen: That great spiritual battle in the heavenlies now occurring. That battle is for the Unification of the House of YHVH!

The 5th Generation:

Ex. 34: 7 makes it clear that generational curses from our fathers are visited upon the 3rd and 4th generation! How can we be set free?

We are about to uncloak some controversial topics that will force you to ask what do they have to do with the Restoration of the HOUSE OF ISRAEL – THE TORAH – THE LANGUAGE OF HEBREW – THE TABERNACLE OF YHVH AND MORE!

Why is there a reference to 5-G (5th generation) technology and its supposed purpose – to create a ONE-WORLD communication system and why is it being pushed so hard upon the population?

Suppose, for arguments sake, that a generation can be reckoned at 100 years. It therefore seems no coincidence and it is highly plausible that the Birth Certificate slavery perpetuated upon the People since the early church registers in England in the early 1500's might very well be connected to this 5th generation who is about to be set free! The Birth Certificate innocuously reveals the legal lineage – i.e. – who owns, controls and determines the future of the one registered! That certificate is

printed on BANK NOTE paper and represents all future projected assets, i.e. inheritance, of the registered one. Whoever controls it, controls this revenue!

Doesn't this sound like a system designed by Pharaoh? Would he give up his revenue stream without a fight?

Maritime Admiralty Law governs the Corp. U.S. And corporate law became the legal statute of the land. Thus, the Uniform Commercial Code (UCC) extracts its' payment in the form of taxes, revenues, criminal fines, etc. Pharaoh did the same in his forced labor camps!

If this is so, could this current worldwide crisis – pushing the People toward global socialism, and a global society – through fear mongering, political chaos via a state controlled information center - where the world's collective wealth is mined from the populace - be related to the pattern of the Greater Exodus from Egypt and the current gathering of the Outcasts who were disseminated into the world? Again, perhaps also linked to the release of supposed '5G' technology that will link us in a One-World Body? Why are so many devices designed to compromise human DNA? Don't think so?

Then why did Jacob have the dream of the DNA Helix, why did he place peeled stakes in the feed troughs of his animals during mating, why did he become Israel, why did Moshe carry the Bones of Joseph in the Ark? How can we be grafted into a new bloodline? Each Patriarch knew the power of the enemy to inoculate the minds and therefore, the bodies of their Sons against the Truth and thus, they worked to ensure each successive generation was of pure bloodline stock by genealogical records!

Who controls those records now? Can you cite your tribal affiliation lawfully? Have you pulled your head out of the sand long enough to ask why the recent surge in DNA collection through innocent seeming venues like: Ancestry.com, MyHeritage.com along with data tracing for pandemics, forced vaccinations, etc?

How can we decipher this Matrix Code hidden in plain sight? Does Torah reveal this current geo-political conflict and how do we respond?

Multitudes in the Valley of Decision:

II. The Prophet Joel seems to speak of this season in chapter **3:14** *Multitudes, multitudes in the valley of decision: for the day of the LORD is near in the valley of decision.*

The Hebrew word for multitudes is H#1995, **המון**, hamown, translated here as: ‘multitudes’ (from their tumultuous clamor). The root however, points toward breaking, destruction, and degradation, diminishing and reducing. [*Reminiscent of today’s riots?*] It can also hint at giving birth. It also points toward wealth gained in an unseemly manner. It’s gematria, 61 is the same as **אני**, `onyi, meaning ships, a fleet. COINCIDENCE?

IT IS THE GLORY OF YHVH TO CONCEAL A THING THE DUTY OF KINGS TO SEARCH OUT A MATTER! **Prov. 25:2** The word conceal above, Hebrew Cathar, has a value of 660 the same as mitsnepheth, a word describing the High Priests’ Turban. YHVH determined the Priest’s inheritance. The word for search above is Chaqar, whose value (308) is the same as **חציר**, chatziyr, whose root chatsowr indicates the King’s dwelling and **מסחר**, mischar, to traffic, make merchandize.

YHVH has sought fit to conceal these truths the ‘Thing-Dabar-Promised Word’ for a season, yet the Priestly Nation must find who is trafficking, making merchandize of their inheritance! Else, this 5th generation will also DIE – be lost at SEA – and never attain their Promised - Dabar inheritance!

The simple truth is that the Berth [Sic] Certificate is based on maritime law and its’ cargo or bill of lading, the person who is born or – docked – by the Doctor! All ships are female and she DELIVERS a product when she berths. She receives a Manifest upon delivery. The entity created by the Berth Certificate is considered dead – lost at sea – and assets represented by that certificate, collected by the Trustee. ***Rev. 20:13** *The SEA gave up its dead, and death and the grave gave up their dead. And all were judged according to their deeds.*

These multitudes are in the Valley, H#6010, **עמק**, `emeq, a valley. From a root meaning deep, profound and mysterious! *It describes a speech or language, which is foreign or unintelligible!* The entire worlds’ legal system is based on legalese, a language of their courts that is entirely foreign to you! Further, `emeq has the same gematria (210) as **דור** – generations and **הרה**, harah, to become pregnant, to

conceive. *Note: 210 is also the value of **עצים**, etsem, defined as ‘trees’ or BONES! This foreign language is birthing multitudes!

Legalese examples:

[MERchant – Latin Mer, mare, Mari means Sea. ComMERce equals exchange of goods; Black’s Law determines a hospital is a bank. Men and women MARY, MARriage, MARriage PARTNER. Men impregnate with SEAMEN] *Still laughing at me???*

That valley spoken of by Joel is called, H#2742, **חרוץ**, charuwts, it is rendered ‘decision’, but it hints at something ‘mined’, a threshing instrument used in harvesting! Ironically, its’ value is 304, the same as **תצור**, chatsowr, Hazor – meaning Castle, the King’s palace! Each Berth [Sic] certificate is mined for its’ wealth – traded internationally and the one named on the certificate is clueless, docile and dependable! And each decade a census is taken to ensure that all chattels are accounted for! Ask yourself are we really independent from the KING – QUEEN of England?

These connections are not mine! They are hidden in plain sight and reflect the purpose of YHVH in revealing them that the plans of the enemy might also be known! Just ask the Wizard of OZ! There’s more behind the Curtain!

Ezekiel’s Vision in the Valley:

- III. Both Joel and Ezekiel are given prophetic insight regarding this specific timeframe on earth. Ezekiel is shown what many believe to be the same valley. Let’s examine **Ezekiel 37:1** *The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones,*

Curiously, the word for valley here is H#1237, **בקעה**, biq’ah, a valley as in a split, and the place of cleaving and separation of mountains. Mountains signifying governments and powers! This place reveals the spiritual warfare that is taking place and which will split and destroy the world powers seeking to keep these Bones from living! Ironically, the gematria of biq’ah is 177 the same as ‘Gan Eden’. This pictures the literal forming of a New Body and a return to Edenic conditions.

Remember our example of Pharaoh? Do you honestly think Israel was able to take the wealth of the Greatest Nation/Army of that day Egypt without war? In fact, YHVH speaks of them turning back shortly after if they do see war! You can only spoil a Nation either by conquest or Law! No battle had been fought yet. But, the

true TITLE OR BIRTH CERTIFICATE TRUSTEE WAS REVEALED when the TITLE HOLDERS - the gods of Egypt, the 1st – born of the entire Nation, including Pharaoh were destroyed leaving no heir who could claim title effectively proving LAWFULLY that the wealth belonged to the HOUSE OF JOSEPH!

You will note Ezekiel uses the word bones, H#6106, **עצבים**, trees or bones. The Creator's DNA is residual in these bones who are described in verse 2 as very dry - **מאד יבשות** –ma`ode yabeshote. This phrase gets entertaining when looked at in the Hebrew:

Ma`ode is translated exceedingly, much. It indicates wholly, vehemently, and utterly. It is from the root of H#181, **אוד**, translated as brand, fire brand, to rake or draw together.

This root is first seen in **Genesis 2:6** describing the 'mist' from the earth which watered – H#8248, **שקה**, shaqah - the whole face of the ground. This shaqah rendered 'watered', comes from the Shin-Qof root indicating a sack or vessel – The Male Privates - Testes of FIRE - the letter Hey gives it the feminine capacity to receive and incubate seed! Thus, the Mist or FIRE SHOWERED – IMPREGNATED THE ADAMAH WITH THE FIREY DNA OF YHVH!

Now we see it followed in our study text by the word yabeshote – dry - impotent: Yet, its' root hints at being made ashamed. That 'dryness' indicating an absence of the MIST or FIREY DNA! These Bones of Ezekiel are waiting for the curse of death to be lifted and their shame destroyed in order that they might receive the SEED or Breath of YHVH. That SEED determines Paternal Rights – The Name determines Inheritance! Lawfully, Yahshua set us free destroying the power of sin and death! Legally we have lain in the valley of decision without the ability to make an informed and intelligent decision that we would live and not die! Lost at Sea!

This may seem preposterous, but you explain why the Body of Messiah has NO POWER! NO HEALTH, NO WEALTH, NO AUTHORITY!

Once Ezekiel prophesies upon them, they hear – shama – and conception begins! It's worth noting that prophesy, H#5012, **נבא**, naba' has a value of 53, the same as eben, meaning stone or birthing stool and Banah, to begin to build – as in a family name! These bones are the Living Stones or building blocks of the Tabernacle of YHVH!

They are being set free from the Curse of the LAW – Gal. 3: 13 – Yahshua redeemed us from that curse of sin and death and POVERTY. Again, the Law has enslaved these bones because no Melek Zadek had yet entered the Courts on our behalf – and though Yahshua redeemed us – the enemy kept us in bondage legally – though not ‘LAWFULLY’ just as in Gen. 3 because we willfully or ignorantly acquiesced!

Legal, according to Black’s Law 5th addition is another term for ‘color of law’ which is defined as: *The appearance or semblance, without the substance of legal right. Misuse of power, possessed by virtue of state law and made possible only because wrongdoer is clothed with authority of state, is action taken under ‘color of law’.*

To elaborate, these Bones had/have lawful rights, which were surrendered to the enemy either by knowledge or acquiescence by the individual or his forbears! Our forefathers – the 3rd and 4th generations have died! The enemy now determines what is legal for these Bones! Legal requires a license i.e. permission from the Slaveholder. Stop and count how many licenses you own! Drivers, marriage, hunting, fishing, warranty deed, vehicle plates, S.S.# and the list goes on!

Until the 5th Generation – 5G Bones hear the Word of YHVH and make the decision to LIVE! They will remain in the Valley of DEATH! Now, I must ask the same question as Ezekiel was asked: CAN THESE BONES LIVE?

The phrase 5th generation **חמישי דור**, chamiyshiy dour, has a value of 578, the same as H#4256, **מחלקת**, machleqowth, *the Rock of Escape* where David was delivered from Saul. It also indicates a division of the People by Tribes. To Portion out! Once delivered from the wicked King’s hand the People will access their inheritance!

The Bones Receive Sinews, Flesh and Skin?

IV. **Ezek. 37: 8** *And when I beheld, lo, the **sinews** and the **flesh** came up upon them, and the **skin** covered them above: but there was no breath in them.*

- Sinews, H#1517, **גיד**, translated sinew; it comes from the root stem Gimmel-Dalet indicating fortune. It is seen in words indicating strength in numbers (groups, bands, troops etc.) and to overcome. It is the root of the name of one of Jacob’s sons – GAD! One of the 12-stones of the

Tabernacle! The Tribe of Gad were warriors! He was one who guarded the borders of Israel's inheritance!

- Flesh, [H#1320](#), **בֶּשֶׂר**, basar, translated as flesh, also hints at the male's procreative ability as well as, to publish good tidings. Incidentally, the Hebrew letters tell us: Bet – House of, Shin-Resh – the Prince! By the way, this word Sar, speaks of the Chief of Priests as well! Sar Shalom – King of Peace and High Priest at once!
- Skin, [H#5785](#), **עוֹר**, defined as 'skin' – that, which is exposed, laid bare, made naked. It is cognate with **אור**, ovr, light.

These bones represent the gathering together – the building, forming of the Body of Adam, the original Tabernacle of YHVH! He who was tasked with publishing the news of, speaking into existence, the House of the Prince of Light – the Light Carrier – who would be the Chief of Priests! This speaks of Messiah of whom; Aaron (Light Bringer-Carrier) was a shadow picture! If you note, it seems this Body – Priest has a warrior mentality! The restoration of the Melchizedek Priesthood comes with an Inheritance in YHVH! It is their obligation to SEEK IT OUT!

Moshe carried those same DEAD BONES OF JOSEPH out of Egypt! Joseph had Title to the Priesthood, and the Inheritance! Moshe had the DEED of PROOF in those bones! He had Torah and the Bones! Spiritual and Physical Title!

Additionally, it is to be noted that they (The Bones of Ezekiel's Vision) can do nothing as yet, for a lack of the Ruach, [H#7307](#), **רוּחַ**. Translated as breath, this word represents the ability of the Soul to think, perceive, to understand. It seems here to represent these Bones awaiting a Divine Mandate – i.e. – Marching Orders given at a specific time.

They lack understanding – knowledge. My People are destroyed for lack of knowledge, because you reject knowledge, I will also reject you, that you shall be no priest to me. Seeing you have forgotten the Torah of Elohiym. I will also forget your children! **Hos. 4:6**

Again, Ezekiel **chapter 37 verse 10** describes them as receiving the Ruach and becoming an exceeding great army – **חַיִל גְּדוֹל מְאֹד מְאֹד** – Chayil gadowl ma`ode ma`ode - called "The Whole House of Israel" (vs. **11**). Chayil gadowl has a value of 91 the same as **הַיְכָל יְהוָה**, H'yichal YHVH – The Temple or Sanctuary

of YHVH! While Ma`ode has the value of $45 \times 2 = 90$ – the value of Tsadaq - Righteous and Melek – the King. The Melek Tzadeq! Melchizedek! This is far more than a veiled hint at the Melchizedek Priesthood and His Sanctuary the HOUSE OF ISRAEL and their INHERITANCE being restored as these Outcasts-Bones are being gathered! It also does something very strange – connecting the High Priest with Warfare! I'll explain this in a bit....

Understanding Melchizedek is part of that lack of knowledge bringing destruction.

By the way, this same Melchizedek is also known as the King of Shalom – **Gen. 14: 18** King of Peace - connecting us further to **Ezekiel 37:26** where YHVH declares: *Moreover I will make a **covenant of peace** with them; it shall be an everlasting covenant with them: and I will place them, and multiply them, and will **set my sanctuary** – **מִקְדָּשׁ** – Miqdash - in the midst of them for evermore.*

Miqdash is a compound of Maqowm and Qodesh: Maqowm -The Place and Qodesh - Holy: as in The ONE PLACE WHERE - I AM IS HOLY. This is pointing toward Messiah the Melchizedek High Priest who officiates in/from the Permanent, Eternal, and Living Stone(s) Tabernacle and administers the INHERITANCE! This is NOT the 3rd Temple where the Melchizedek Messiah is not welcome! It cannot be a Qodesh Maqowm – Holy Place without Him!

The next verse (27) YHVH says His **Tabernacle** - **מִשְׁכָּן** – Mishkan - will ALSO be with them. Why 2 related yet distinctly separate words for Sanctuary and Tabernacle? He is clearly speaking of 2 distinct entities!

The Sages teach that Miqdash relates more to the permanent Temple or dwelling place while Mishkan the more temporary, portable – skin covered Tent. It seems then, that here the Mishkan represents the House of Israel as individuals in our temporary, fleshly body and collectively as a whole, while we await the transformation that will take place as we inherit the Promised Redemption mediated by the Melchizedek AND OUR UNION WITH HIM IN HIS BODY THE ONE PLACE WHERE - I AM IS HOLY! This is Back to Eden where we were taken 'out of Him'! This is what Ezekiel saw – The Union of the Whole House – the Qodesh Maqowm!

I believe the Union will occur spiritually as we've discussed first. Followed by a collective 'gathering of those Outcasts' in select places or stages, where each group will form a place of safety – *a Sanctuary City of Refuge if you will* – and finally, in

response to the efforts of the enemy who will counterfeit the plan of YHVH by gathering his camp, the House of Israel will be translated bodily to the Wilderness – B’Midbar.

The Enemy is set to destroy that Union with a great flood out of his mouth and make war with this House as shown in **Rev. 12: 15-17**.

Spiritual Warriors arise!

The Serpent will no longer consume (traffic, make Merchandise of the Dust) **Gen. 3:14**.

“Your dead will live: Their CORPses will rise. You, who lie in the dust, awake and shout for joy. For your dew is as the dew of the dawn, and the earth will give BIRTH to the departed spirits.” **Is. 26:19**

The Warring High Priest! Our Deliverer Comes!

- V. What I am about to suggest is captivating to say the least! There seems a common thread regarding the Melchizedek High Priest, Priest of Shalom-Peace, and the Covenant of Peace which is a term describing the Promise of YHVH to Pinchas after he destroys Cozbi and Zimri. Cozbi is a Hebrew word meaning ‘lie’. While Zimri comes from zamar, which can be rendered as song, to prune, choice fruit!

This is a picture of **Gen. 3** where the Choice Fruit – DNA – Lineage of the Serpent’s Lie is presented at the door of the Tabernacle, just as here! The Choice fruit of ADAM was cut off and another rose in its’ place. Where lies our hope?

Rom. 11: 17 says we have been grafted back in! The grafted place is called a SCION – THE PLACE OF UNITY! OUR KING REIGNS FROM THE SCION – ZION. Scion means a 1st-generation descendant – The 1st-Born! Zion, or Zayin is a place but also a WEAPON of warfare! Our weapons are not carnal! No need for rioting, strife, violence, bloodlust! We only need to recognize who we are and receive the Breath – Ruach and His instructions at the proper time!

Back to Pinchas

Pinchas comes from a compound of Peh – mouth and panah – to turn and also Nachash – serpent and oracle! Pinchas turned, stopped, destroyed the lies flooding out of the Serpent’s mouth just as in **Rev. 12: 15** and is given the Covenant of

Peace! Though Pinchas is in the Levitical line, this isn't speaking of that Priesthood, because it NEVER brought peace. As in **Gen. 14** it was the Priesthood of Yahshua after the order of the Melchizedek, which brought Shalom! The Serpent seeks to draw the Remnant back into the SEA with his flooding words! Pinchas was a picture of the Melchizedek Warring Messiah!

For emphasis, we read later **Numbers 31:6,7** that Pinchas is sent to war with the holy instruments at Moshe's instructions! This is powerful because once he is defiled because of death; lawfully, he cannot enter back into the Tabernacle! This is why no earthly High Priest, whom his own dead flesh defiles, could ever enter the Kingdom – The Heavenly Tabernacle of YHVH! Only the Melchizedek King and Priest could do so! How so? Please note **Ex. 15:3** *YHVH is a man of war: YHVH is his name.*

This has confounded the Sages for centuries! Even to the point of suggesting 2 distinct High Priests: 1 for the Sanctuary the other as a WARRING HIGH PRIEST! [*Babylonian Talmud Nizir 47B*]

*Note also **Gen. 14:18**, Melchizedek brokers Peace among the brothers or those in Covenant with Abram, who had made war in the Valley – Emeq called Shaveh, **H#7740, שוה**, translated as level, valley, but which also means equalize, to adjust, counterbalance, make like, and to reckon and to PROFIT! This sounds like the Valley of decision a valley full of dead men's bones!

Shaveh has a gematria of 311, the same as **איש**, man! Emeq indicates that which is deep, profound, and mysterious. Melchizedek was a deeply profound picture of **איש** - Man! No lineage, without connection to the dead body of Adam, the first Man! That Dead Body in the Valley of Bones had/has no inheritance!

We need the Melchizedek restoration! Why? Understanding the Priestly Order of Melchizedek restores our Bloodline, Family Name, Grafting us into a new divine bloodline. He meets Abram as HIGH PRIEST, yet could he have also represented the Resurrected Man – Messiah The High Priest – who came forth, **H#3318, יצא**, yatsa' to, go out, germinate, expand, was begotten out of those same DEAD MEN'S BONES! Just as Yahshua?

The Sages were not expecting Yahshua to show up as Melchizedek the High Priest who came bringing Shalom – Peace and they will not recognize Him as

Melchizedek the Warring High Priest – whom they recognized [Midrash Rabbah-The **Song of Songs II: 33** as the Warrior Messiah] – It is He who is returning to bring Unity to the Brothers of the Covenant and to empty the SEA of ITS DEAD!

***Rev. 20:13** *The SEA gave up its dead, and death and the grave gave up their dead. And all were judged according to their deeds.*

Shabbat Shalom!
