

The Plagues of the Greater Exodus: Pt. 5.  
Plague #7 Grievous Hail:  
**Ex. 9:14 - 35.**

- I. As we continue our ‘Plagues of the Greater Exodus’ series, before the release of another plague (#7) we see that Pharaoh *has his heart hardened* by YHVH after refusing to let Israel go.

We will address this position concisely, in a simple view from a New Testament perspective that I find also providing an assessment of the current condition of the hearts of many today. We will examine this point regarding ‘*heart condition*’ to give perspective before looking at the 7<sup>th</sup> plague!

**2 Thess. 2: 10 - 12.** *And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth that they might be saved. And for this cause YHVH shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.*

In plain English: You cannot rebuke this one! Why? YHVH sends it!

On to the 7<sup>th</sup> plague:

Please note this phrase in Hebrew: *And hardened YHVH Pharaoh's heart.* As his heart is hardened, the peoples' hearts are also hardened! Now you can understand the pure insanity that seems to grip our society!

**וַיַּחֲזֹק יְהוָה אֶת-לֵב**, v'yekzaq YHVH Et-lev - has a value of 590, the same as the phrase: Natan Melek. Natan indicates the exchange of tangible property, while Melek means king. At the timing of the Exodus plagues there is a literal exchange of Kings [with their chattel] taking place in the Heavenlies as the Zodiacal precession moves from the House of the Bull-Shor, to that of Aries. Most associate Aries with the Ram, but its original depiction was that of The Man – The Shepherd-King! The condition of one's heart exposes the King on the Throne!

What seems overlooked here as we consider the above - ‘hearts’ condition’ is that it results from the consequence of disobedience: *A hardened heart!* Pay attention –

the root of v'yekzaq – is H#2388, קזק, Chazak, is translated here as 'harden', yet is more often rendered as 'strong or repair'. YHVH could have just as easily, strengthened and repaired the heart of Pharaoh had he responded in obedience! *Think about this if you continue to indulge in closet sin...A hardened heart could very well be the worst of all plagues!*

In reflection, the gematria of Chazak is 115, the same as Sinah, the root of Sinai, where Israel, shortly after leaving Egypt, is offered an opportunity to have their *Hearts Repaired - Transformed* from the generational bonds of slavery! \*Note **Rom. 12:2** *And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of YHVH.* Based on our observations at Sinai, it is the VOICE OF YHVH, which transforms! How? By renewing the Mind! Yet, Israel doesn't want to hear, sending Moshe instead!

**Romans 12** is significant to our study as it finishes a powerful thought broken up by the textural division from the previous chapter **11** which explains what world we are not to conform to! **Rom. 11: 1,4** - *I say then, Hath YHVH cast away His People? Yah forbid. For I am also an Israelite, of the Seed of Abraham, the tribe of Benjamin. Even so then at this present time there is also a REMNANT according to the election of grace!* How do we become HEBREWS?

The Enemy would have you believe there is NO REMNANT, i.e. a True, non – GMO seed of YHVH! But even now we are being gathered from the four corners of the world! This 7<sup>th</sup> Plague will expose the Remnant and their Counterfeits!

It has always been about the war between the Serpent and the SEED of YHVH! One Seed will have their hearts/mind seared, hardened, the Other will be Transformed.

It is the Remnant being gathered, who, after having their mind Transformed - renewed - will prove the will of YHVH. Prove is Gk.#1381, dokemazo, rendered 'to test', examine, scrutinize, to recognize as genuine after examination! This tells us only a renewed mind can demonstrate the power of His Word. Transformed here in the Greek is Gk.#3339, me-ta-mor-fo-o, to change into another form and is first seen when Yahshua is transfigured on the Mountain! \*Remember the word 'MIND'!

Plagues Upon The Heart...

- II. That being said, each successive 7<sup>th</sup> – 10<sup>th</sup> plague tests the hearts of those affected by it! Hence, the subtle change in the text in verse 14: *For I will at this time send all my plagues upon thine heart, and upon thy servants, and upon thy people; that thou mayest know that there is none like me in all the earth.*

Why would YHVH specifically reference ‘plagues upon the heart’?

In answer, I want to call attention to those highlighted words: *Plagues & Heart*; plagues H#4046, is written as מגפה, maggafah and blandly translated here as plague, although by itself it is a somber warning. On the other hand, its’ root – nagad, comes from the Nun-Gimmel – root; which hints at, ‘that which is before, in front of, much like an image or likeness in front of you. It also points toward striking, touching, INFECTING, etc.

What is really taking place? Like Adam, You spoke into existence what is standing before you! Once that becomes a reality, you then impregnate your creation and by continuing to speak you are thus creating generational offspring! Therefore, the language we speak is critical to changing our DNA!

WE MUST LEARN TO SPEAK A NEW LANGUAGE! ENGLISH IS THE LANGUAGE OF SLAVERY! Example: Human = monster, male/female = beast/animal terms, birth/berth certificates, licenses, law vs. statute, Mister, Ma’am, Sir, liberty, etc. All are terms dealing with those enslaved by the Elite!

This may seem off beat, but the first time the Nun-Gimmel-Dalet word is used is in describing the Woman – Ishah, who is brought before – nagad, the Man – Ish. \*Remember! Adam was a Nephesh Chai – A Speaking Soul – He spoke - called every living creature into existence – Gen. 2:19 – including his helpmeet, which YHVH Elohiym forms with His own hands! Adam was created to be the Manifest Voice of YHVH seen in the earth realm! He walked in both Spirit and Natural realms! What allowed this? He represented the Living Tabernacle! After the Fall, the wilderness Tabernacle depicted an alienated Mind – The Holiest of Holies housing the Presence/Mind/Voice of YHVH that could only be accessed once per year!

Once access was denied because of sin, he only lived in the fleshly realm! The Law of Sin and Death worked in him. But the law of the spirit of life in Messiah Yahshua frees us from death – allowing access to both realms again. How?

Once formed, she stands in front of him as an image or help meet (KJV) **דוכנג עזר**, Ezer k'negdo. A Waiting Womb! She didn't look like him quite obviously, so how could she be his image? Adam was only a vessel, *a light sac* - filled with the Voice. This Voice transferred DNA from the Creator out of the ADAMAH to the natural realm of the Earth-Eretz! There has to be a gateway, a curtain or veil between the two allowing access or denying it! Just like the firmament between the heavens!

Could this 7<sup>th</sup> plague see this gateway opened for the Remnant, the Hebrews – those who have crossed over to once again have access to the Holiest of Holies, their minds becoming NEW – housing the Word which will give knowledge, wisdom, understanding, direction, Authority, Power, the ability to transcend physiological supernatural boundaries (not be bound by time and space) while the Harlot and Pharaoh are subjected to abject confusion, fear, depression, miscommunication, etc?

It was in their capacity as ONE – ECHAD where his seed is planted in her womb and produces ONE in his image! They were intended to ONE – ECHAD in the Mind first, not the flesh! Being able to speak creation into existence!

They have a mandate: To Produce Sons of Elohiym – (See **Gen. 1:28**) who will be fruitful, multiply, replenish the earth, subdue it and have dominion over the SEA – AIR – EARTH! This is intriguing as these areas are the places of dominion for the Fallen Ones! YHVH knew in advance what was going to happen and made plans to produce Sons who would replenish, **H#4390, מלא**, ma'la, to be filled, be armed, to mass themselves against another! The Battle is coming – The Battlefield is the Mind first!

These same letters **מלא** are seen in **Is. 53: 7** in a mistranslated, misunderstood word – It says Yahshua was *like a sheep before her shearers* hinting of weakness, the inability to remedy one's situation. However, the Hebrew word for – dumb, silent – **אלם**, 'alam, is powerfully indicating He chose at that time to withhold His VOICE because He has a mission at which Adam failed – Having conquered the Powers of the Eretz – Land, He is going to descend into the SEA - underworld, then ascend through the Air and destroy the Powers who occupied those realms!

From **Genesis 3** forward, until the coming of Messiah that Voice had been on the other side of the Doorway – The Veil! He destroyed that Veil! The Holy of Holies

is now accessible! Holy of Holies – Qodesh h'qadashim – but also called the H'DEBIR – THE SANCTUARY OF HIS WORD VOICE!

Oddly enough, as we continue, the value of Ezer k'negdo is 360, the same as the Hebrew word mesek, a Seed Pouch used by one sowing seed! It is also cognate with Mem-Shin-Chet – Mashiach – The Anointed One! The Last Adam – Yahshua was a Vocal Seed Pouch! The connection between Plague – maggafah and Nagad is compelling!

The Counterfeit Ishah – Ezer K'negdo:

Could this be saying that the counterfeit ISHAH – WOMAN The Harlot Babylon, a.k.a. The Religious Church – is another The Ezer K'negdo Who Stands Before Pharaoh As Pharaoh's Womb? It is She who Will Be Stricken With This 7<sup>th</sup> – Plague! YOU MAKE THE CALL!

This is why you see the results in **Genesis 3:15** where the Serpent's Seed and Adam's seed are both in the womb and a subsequent war between the seed lines began. Cain vs. Abel, Isaac vs. Ishmael, Jacob vs. Esau, Moshe vs. Pharaoh, David vs. Saul, Solomon vs. Absalom, Yahshua vs. Barabbas!

In our text YHVH is presenting a Paternity Suit, a lawful claim against Pharaoh for the sons and daughters of Israel – ZION - HIS FIRSTBORN – who will be distinguished from the Scion of Pharaoh by that produced in the womb – heart! This 7<sup>th</sup> Plague presents this Paternity Suit again, calling forth those Sons of Elohiym who will subdue the SEA – AIR – Eretz! At Yahshua's Miqveh John heard: *This My Beloved Son – Hear Him – The Voice!* Will you now come forth as well and be heard?

Scion is the English derivative of Zion – the place where two separate branches are grafted together! They must have similar DNA like Ephraim and Judah! Light and darkness cannot dwell together, like wheat and tares it takes threshing – plaguing to expose the SEED! This is why the enemy wants to comingle his seed with Mans', so that YHVH cannot eradicate him without destroying His own! He denies the existence of a **remnant** that has uncompromised DNA!

Once again, please note The Harlot of **Rev. 17:3** ...*I saw a woman sit upon a scarlet colored beast...* This woman is a whore. Further, the Greek word for beast, Gk.#2342, tha-re-on, can mean a brutal, savage, MAN KILLER. Now, pay

attention to Greek Mythology specifically Europa and the Bull-Zeus: She became his consort after Zeus changes himself into a white bull.

This Bull represents the Ancient House of Pharaoh translated as 'His Great House'. Israel was to be his consort! He carries her out to SEA, where he impregnates her. She rides him, a euphemism for sexual acts - upon the SEA! Those born out of the Union upon the SEA are her offspring! Come out of her my People! The birth/berth certificate identifies you as the lost at Sea - Child of Pharaoh! The Egyptians' believed that Pharaoh became Osiris – The deity who was both Fertility God and The God of the Dead!

The Harlot is also said to be 'that great city who has dominion over the kings of the earth) **Rev. 17:18**. Prevailing arguments point at both Rome and Jerusalem as the seat of 2 of the great Triad of religions who must be purged before YHVH visits the iniquity of the World! However, England sits at the top of this list too! The Great Harlot of Babylon could indeed be a future Queen of England!

**There are two operant Crowns in England, one being Queen Elizabeth II. Although extremely wealthy, the Queen functions largely in a ceremonial capacity and serves to deflect attention away from the other Crown, who issues her marching orders through their control of the English Parliament. This other Crown is comprised of a committee of 12 banks headed by the Bank of England (House of Rothschild). They rule the world from the 677-acre, independent sovereign state known as The City of London, or simply 'The City.' The City is not a part of England, just as Washington D.C is not a part of the USA. <https://www.angelfire.com/x-cain/babylon.html>**

The number 677 is the value of a unique phrase: **מצרי שאול**, Mitsri Sheol - The straits or fortress of death! Mitsri is the root of Mitsrayim – Egypt! The Son(s) of YHVH went down into Egypt for a season – to break free from this curse!

For what it's worth, an entire continent is named after the Harlot! Europa is said to originate from the **ערב**, Erev root (Ernest Kline) indicating, that which declines, enters into, to change, barter, take on an obligation or debt, to become mixed or confused. It is the root of the word describing the 4<sup>th</sup> plague of Great Swarms – Arov – wild beasts/Chimera! There are many voices (Mixed-confused-Babel) in the world...

Even today the Hebrew rendering of Europa is Europe, **אֵירוּפָּה**, a compound meaning – ovr, to illustrate, shed light and Peh – mouth! It has the same value as H#1300, **בָּרָק**, baraq, lightening (Mt. Sinai). Europa – the Harlot Ezer K’negdo has a Voice! Like Ishah, she carries the Voice or Seed of Pharaoh – Zeus, the Bull! On the other hand, Yahshua says, “*My sheep know my voice...*” \*Remember this word baraq!

Now, on to our 2nd word - heart, H#3820, **לֵב**, this word lev is weakly rendered heart here by the KJV translators. Our thoughts are limited thusly, as without exclusion the Western mind associates this word with the literal organ called the heart, yet according to Dr. Eldon Clem, professor of Semitic languages at the Jerusalem University college, in all Semitic tongues without exception, *lev indicates the MIND* – the Womb or seat of our emotions which are, **simply the fetuses of the seed planted within!**

The Lamed – Bet root of Lev, whose value is 32 - hints at ‘joined to’, i.e. a Union. Thus, whatever we think, meditate upon, reflects what/with whom we are joined/married/intimate with! These letters written in reverse Bet – Lamed give us Bel – Ba’al, the Babylonian deity-indicating lord or husband!

This short foray into **Exodus 9:14** and the language change tells us the 7<sup>th</sup> plague shifts focus and begins to refine the Lawful Declaration of Paternity for those First Born of YHVH who would inherit the Land of the Living! The Renewing of Our Mind is the 1<sup>st</sup> step out of Babylon! Coming out will be difficult once the 7<sup>th</sup> plague is released upon the Heart/Mind of Pharaoh and his SEED!

Because through these plagues YHVH is going to cut off Pharaoh and his Babylonian Whore and her offspring: ‘his’ being – those belonging to him, Pharaoh –The Hebrew word for ‘cut off’ is H#3582, **כָּהַד**, chahad, to hide, conceal, cut off, make desolate; chahad’s value is 32 the same as lev. Is YHVH about to ‘cut off’ their hearts, perhaps causing their hearts to fail as in **Luke 21:26**?

**Rev. 18: 4**: Come out of her my People! We need not fear the coming plagues! They separate Wheat from Tares!

Looking further, the individual letters of Chahad – **כָּהַד**, will explain in detail!

Kaf, whose value is 20, (esriym) represents authority, it signifies a 'title deed' Vis a Vis, ownership! Kaf is related to Keter – כתר, crown. Kaf's value, 20-esriym is styled עשרים, and like Keter/crown also has the same value 620! The title deed requires a SEAL; the Seal is placed upon the Crown-Forehead-MIND, the seat of the Man's Authority!

The Chet indicates a fence, a boundary as in a DNA boundary, while the Dalet represents a door! Whoever is allowed access to the door of our minds will cross over the threshold or boundary and assume title deed to our lives!

Now you understand **Revelation 9:4** *And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree: but only those men which have not the seal of YHVH in their foreheads.*

The Greek word for foreheads 'met-o-pon' comes from the Hebrew מצח, metsach. The Mem indicating a womb or place of origin, while the root stem Tzade-Chet gives us words that indicate an exposed or barren place, something clear, dazzling. The ability to express thoughts without stuttering or hesitation! The EMF assault on the Pineal gland and their subliminal messages disable the ability to think cogent thoughts and blur the distinction between good and evil - Turning off the 'God-Gene'! Is it possible that YHVH sends this strong delusion to exacerbate this condition Himself?

Tzade-Chet is also the root of Isaac, H#3327, יצחק, rendered 'laughter' a root which expresses an attitude toward something claimed, but seemingly impossible to realize! This is why Sarah laughed!

Sealing the foreheads of the Remnant will enable us to 'call those things which are not as though they were', creating with our words before seeing them in the physical realm! This was the Power inherent in the original Adamic - Altar - being able to procreate with the Language of Creation – bringing forth Sons in the Image of Elohiym! The obverse of this is to be sealed in the forehead by the Anti-Messiah and produce sons of Belial!

Grievous Hail, Or Was It?

- III. If the aforementioned is true, i.e. there is link between heart and mind, and if indeed, there are Spiritual and Physical 'side effects' to this plague, then how did the Grievous Hail effect the Hearts of Pharaoh, his people, and the cattle that had

been stalled in barns having survived the previous plagues? Subsequently, how will the Plague of Hail described in Revelation affect us? **Rev. 16: 18-21**. The text of Exodus should explain!

### **Exodus 9: 15-35:**

I was curious when I saw the text here in verse **15** where YHVH says He will smite Pharaoh and his people with pestilence, **H#1698**, **דבר**: deber, defined as ‘a destroying word’. Its’ cognate languages root hint at setting things in a row, arranging them in order, to subdue. This pestilence will cut off Pharaoh from the earth, which is a phrase indicating to conceal or make desolate as in removing the remembrance of his lineage or seed! There will be no seed line left! Is this akin to restoring the Edenic Seed line of the Last Adam?

The phrase ‘thou shalt be cut off’ is styled: **ותכחד**: V’tichad and has a value of 438, the same as the phrase **עצר להם**, `atsar lechem. `Atsar means to shut up, restrain, keep in slavery, make barren, total rejection – while lechem is bread, as in the bread of His Presence! YHVH will cut off His Presence – a famine of His Word that will result in great destitution. As a result of famine, for most, nothing grows and neither is the INTENDED seed produced! But what of the Remnant? **Ps. 37:25** *I have been young, and now am old; yet have I not seen the righteous forsaken, nor his SEED begging BREAD!*

In a famine something does grow! **Gen. 3:18** ...thorns and thistles are produced...the phrase thorns and thistles is written: **יקוי ודדר** qowts and dardar. Qowts is again, from the idea of ‘cutting off’ like Pharaoh is cut off, while Dardar, repeats the Hebrew word for generation – Dor! The Ground – The Adamah Altar would no longer produce Seed in the Image of YHVH until Messiah Yahshua restores it, the Ground – Adamah!

From **Genesis 3** Adam is cut off from the Voice! There is a veil between the 2 worlds – Spirit and Flesh – The Fleshly or Carnal man can see and hear the Voice on the other side but, has limited understanding! The Wilderness Tabernacle was a shadow picture of this! The Heart/MIND of Adam was cut off – a veil separated the Holiest of Holies – The Mind whose light was turned off in **Gen. 3** but Yahshua breaks down this Partition – we can have the mind of Messiah – allowing us to walk after the spirit, not after the flesh! The 3<sup>rd</sup>-Temple will have NO ARK OF

THE COVENANT – NO MIND – No Heart, like Dorothy's Tin Man – the 1<sup>st</sup> fictional Hybridized Chimera!

V'Qowts v'dardar has a value of 616, the same as the phrase: Manat Cuwsiym - The Cup of their Portion! Each man is made to drink from this cup until Messiah comes who drinks it without sin! 616 is also the value of **הַתּוֹרָה**, h'torah. The anti-type – lawlessness - is the Cup being offered by Babylon the Harlot! She is going to rebuild the 3<sup>rd</sup> – Temple and putting up another VEIL denying her followers the access to a renewed Mind!

As we continue, **Amos 8:11** tells of this '*famine of hearing the words of YHVH*'. This doesn't mean the complete absence of His Word, only that most areas will not have it available! YHVH is capable of sending Quail and Manna to His Remnant! There has been a FAMINE OF TRUTH in the pulpits for a generation! If you want to survive - **Find out where the Word or Seed is being sown and move there now!**

Incidentally, the Hebrew word for famine, H#7458, **רָעַב**, ra'ab, has the same root letters (As we've shown) as seen in Europa: **ערב**, Erev, a root (Ernest Kline) indicating, that which declines, enters into, to change, barter, take on an obligation or debt, to become mixed or confused, also as in Arab. The Famine will cause many to enter into contract with Europa, the goddess upon the SEA!

Equally, it is the same root letters as Ayin-Bet-Resh - EBER – Hebrew, One who stands in opposition to another, one who crosses over. The ladder or stairway, upon which, we may cross over in order to hear The Voice of YHVH is the Mind of Yahshua! LET THIS MIND BE IN YOU!

This is what becoming a Hebrew means, walking in the spirit with a renewed mind, having crossed over the veil of the flesh! Abraham by faith walked here, so did Moshe and others, yet for those who did not, the voice could be seen, heard, but not understood! Yahshua was the Living Voice who spoke, was heard in parabolic form, until He opened the MINDS the understanding of His disciples!

Moreover, EBER – those who have 'crossed over' – their minds being renewed - will have BREAD – though quite possibly, Europa and **ערב** – Europe and Arabia, along with those who say they are Hebrews and are not will experience this FAMINE! What about the UNITED STATES OF AMERICA?

**ארצות הברית של האמריק** Artsot haberiyt shel America – Which is literally translated: The Covenant Lands of America. It's value of 1900 is the same as this verse in **Job 34:27** *Because they turned back from him, and would not consider any of his ways:* Consider is the Hebrew word **שָׂכַל**, sakal, to be prudent, consider wisely, comprehend! Sakal has a gematria of 350, the same as natsar, to guard, watch, and keep secret, to preserve, to block or keep from others! Why is this important?

Many Scholars believe that America's etymology came from Machir, the 1<sup>st</sup> born of Manasseh. Many also believe that the aboriginal natives were from the Tribe of Manasseh with Ephraim migrating here later!

Machir meaning 'Sold', while Manasseh indicates a forgetting, as in a debt paid off! Though sold into slavery by EUROPA – and Berthed/Born out of the SEA an opportunity for expunging that debt by coming out of BABYLON IS OFFERED – YET - America will be CUT OFF FOR THEIR REBELLION! Though a Remnant will be Saved!

Who exactly is Cut Off?

I.V. Now, did YHVH lie with the statement regarding cutting off? Because Pharaoh and Egypt are NOT totally CUT OFF – the closest thing is in the 10<sup>th</sup> plague where the 1<sup>st</sup>-Born dies! What's more, YHVH said the plagues would be upon their hearts/minds. Yet we see physical devastation. Was this a literal or figurative plague?

Let's highlight some familiar descriptions.

- YHVH sent thunder and hail with fire which rained upon the land (**Verse 23**).
  - Hail smote throughout Egypt all that was in the field, man and beast. Every herb was smote and every tree was broken. (**Verse 24**).
  - Goshen had no hail. (**Verse 31**).
  - Flax and barley smitten. (**Verse 32**).
- Thunder is from H#6963, **קול**, voice, proclamation, and thunderings. To call aloud, to Sing or Shout! Hmmm? Sound familiar? This happened in **Gen. 3:8** when the VOICE called Adam, who hid himself – was cut off - from the Paniym – face of His Presence! The Voice was the Menorah – The Fire of YHVH – the Ish Man! This Thundering Voice of Fire walked amongst the

Trees! Because Adam's Mind was now in a corrupt state he could see and hear the voice but COULD NOT COMPREHEND – so, like Israel at Sinai he hides or withdraws himself! Yahshua came to renew his mind, but Adam chose to clothe himself in flesh! That's why they were put out of Eden away from the Tree of Life! They're flesh could have lived, but their minds were corrupted!

This is the same creative scenario as seen in **Gen. 2: 6** where Fire and Water and the Voice of YHVH detonated in the Gan Eden causing the First Born of YHVH to be formed – ADAM! Do you remember what The Voice called to Adam?

**וַיֹּאמֶר לוֹ אֵיכָה**, vayomer lo ayyehcah. You can spot '*and he said*' easily. Lo, can be rendered 'NO or Not' while ayyehcah, translated as 'where, or whence' actually comes from **אֵין**, ah'yin, meaning faileth, fatherless, incurable, empty, a vacuum. Further, the Alef-Yod root indicates habitable. I believe what Yahshua – The Voice is declaring in the Midst of Fire and Wind (The Cool/Ruach of the day) is that in his current position Adam is not inhabitable his mind must be renewed! No Voice or Seed is there, he is fatherless, empty, Cut off: But, he will NOT be left that way!

- Hail, **H#1259**, **בָּרָד**, barad, translated by the KJV as 'hail'. Yet, it is also found styled as Barod (different vowels) in **Genesis 31:10** where the flock of Jacob is separated from that of Laban through DNA manipulation whereby they become ringstraked, speckled, and grised – BAROD, i.e. multicolored, a variegated garment, Marked! Hence, the reason Joseph is later given a variegated Coat of Colors! He will be scattered into the Nations and will be of many colors!

It seems this Barad was sent to sever between the DNA of the House of Jacob and the DNA of the House of Pharaoh!

In the chapter previous to **Gen. 31** we see Jacob placing 'pilled Rods' in front of his flock for them to SEE – Pilled is from **H#6478**, **פָּצַל**, patsal, to peel. The Pey represents the Mouth; a place of speaking while the Tzade-Lamed root gives us 'image', shadow, and likeness. 'Rods' is from **H#4731**, **מָקַל**, maqqel, to germinate.

The Mem of maqqel indicates a womb; the Qof-Lamed root gives us Qowl – voice! Jacob knew there was power in the spoken word from the Voice or DNA – THE Sullam **סֻלָּם** – Ladder – which would cause the Flock of Jacob/Israel to

germinate! Btw, its value of 130 is the same as Sinai! The phrase ‘In front or before’ is H#5526, נֹכַח, *nacah*, meaning before, in front, but also straightforward as in a legal case that must be amended!

In view of these definitions, seemingly this ‘Barad’ – Hail has the power to both procreate and destroy - effectively changing the DNA of those who will hear and those who won’t! The Voice of YHVH is literally Seen in the Form of Wind/Water-Mist/Fire that Egypt can only describe as HAIL WITH FIRE!

Now, do you recall that YHVH declares He would send a plague upon the heart/minds of Pharaoh and Egypt called a pestilence, H#1698, דֶּבֶר, a *deber* which we’ve shown to indicate will cut off one seed, while setting another in order? Is it thus, an accident that this word for HAIL – BAROD, has the same letters as DEBER? Moreover, if we read Barod backwards: Dalet-Resh-Bet we have a word meaning a ‘goat’, to prod, to use words to incite!

Once again, we ‘see’ a natural or supernatural phenomenon and accept the KJV description, yet the Hebrew reveals far more than just a fiery hailstorm!

Look at identical events!

- It happens again at Sinai! Exodus 19: 16,19 – 20:18. Israel SEES the Voice: Pay close attention!
- Lightning, H#1300, בָּרָק, *baraq*, remember its’ value 302 is the same as אִירוּפָּה, Europa to shed or release light from the mouth!

If we rearrange the letters of *baraq* to form קֶרֶב, *qerev*, we have the idea of both a state of formal war being declared and a word which indicates the middle, midst, the seat of the emotions, the heart or mind! Like the edict given Adam a declaration of formal war against the powers of the SEA and AIR is taking place as the Sons of Elohiym stand before the Voice!

- Smoke, H#6225, עָשָׁן, *`ashan*, smoke, to fume, be wroth or furious!
- Fire, H#784, אֵשׁ, *‘esh*, fire, the same root as MAN!

The word play upon SEE – SEA is vital to understanding this next plague! Europa – the Whore of Babylon – gives birth-berth upon the SEE-SEA to Pharaoh! The Plague of Hail-Barad is sent to destroy this WOMB! A full-scale assault is launched upon the minds of those who are not SEALED by the Tav-Covenant of YHVH upon their foreheads! The world has been in an uproar because of the

potential of 5G and now 6G technologies to manipulate the minds/DNA of the people! But who can stand against the Power of His Voice?

What happens next at Sinai indicates that all Israel SAW & Heard the Voice – Qowl while the mountain was on fire, but few comprehended, removing themselves in fear! What really happened? The Psalmist gives us much more vivid insight! **Ps. 29: 1-11** reveals that His Voice breaks the Cedars of Lebanon!

- Cedars, from H#730, **אַרְז**, and is defined as ‘cedars’, but is from the root indicating to CONTRACT ONESELF, TO MAKE A FIRM COMPACT! Its’ gematria 208, is the same as Bet-Vav-Resh – **בּוּר**, bowr, a pit, well or dungeon. The same pit that Joseph was stripped of his coat-inheritance and thrown in for 3-days or 3000 years! Joseph is coming out and this time, he will not be subject to Pharaoh! This plague will nullify all contracts with the House of Pharaoh, setting in proper order, the House of Joseph!

This Voice causes the Hinds to calve! The word hinds, H#355, **אֵילָה**, ‘ayalah, from an unused root, **אָוַל**, uwl, meaning the belly as in a prominence, to twist, noble mighty men! Calve is from H#2342, **חָוַל**, chuwl, to dance, writhe, whirl, be pained! This is figurative of the Time of Jacob’s Troubles! The House of Jacob is hearing the word whose DNA causes birthing in the Mighty Men! How can men give Birth? By SPEAKING THE DABAR OF YHVH AND CREATING A HABITATION FOR THE KING! **Jeremiah 30:7** *Alas! For that day is great, so that none is like it: it is even the time of Jacob’s trouble; but he shall be saved out of it.* Trouble, H#6869, **צָרָה**, tsarah, affliction, but also a vexor wife!

Did you notice the above? Lebanon has the same root as Laban! Jacob’s contract with Laban is broken. Laban deceives Jacob 10-times, switched daughters in marriage and attempts to keep all of Jacob as his slaves! Laban lived in Padan Aram. Which most scholars equate with the Babylon – Chaldean area!

Here is where things get interesting! The word Padan H#6307, **פַּדָּן**, is an obscure, debated root, most saying it isn’t Hebrew. Yet, it is seen in words like pedagogue, from a Gk. Word indicating a slave who escorts a boy to school and back. It hints at education directed towards children, it hints at setting a ransom, to be sold, to redeem. It is also seen in the word pedophilia.

The 2<sup>nd</sup> word אָרַם, Aram, hints at that which is between, high or lofty, to divide!  
These are the same letters as אָמַר, omer, the word or thoughts of a person that become manifest or living! Laban attempts to enslave the House of Jacob by constantly exposing them to the slave's mentality, creating a culture whose educational system promotes bondage, the cruelest form of which is sexual perversion!

The difference between this Powerful Manifestation occurring at Sinai and the plague of Hail is whom it is directed toward! The same word – דָּבַר – Dabar can be a PROMISED WORD OR A PLAGUE! In fact, we see it again in Acts 2 where a Rushing Mighty Wind and Fire rests upon the Believers! Once again, we have the declaration of a Paternity Suit! The Messiah restored the Voice in the Earth bringing forth the Sons of Elohiym and He has restored the ability for our minds to be renewed in order to become the Temple of the Living Elohiym!
