

The Plagues of The Greater Exodus: Pt. 3.  
The 5<sup>th</sup> Plague - Ex. 9:1.

- I. As we saw in Pt. 2 of our series, YHVH severed or made a distinction between the Lands of Israel and Egypt and their Peoples. Here now, we find the distinction increases to include a severing between their cattle in the field: Cattle here, is the Hebrew word, [H#4735](#), **מִקְנֵה**, miqnah, that broadly describes all the ‘herds’ of both Nations; I.E. the horses, and asses, camels, oxen and sheep of each Nation.

I propose that these events are both ‘literal and parabolic’ containing powerful, life-sustaining directions that are hidden until the proper season for those “to whom it is given to know”!

Toward that end, my curiosity was piqued by the specifics of these ‘cattle’, as their banners or ensigns who depicted ancient Tribal affiliation are shown as well. Here, we have Gad-horses, Ephraim-asses, Issachar-camel, Joseph-ox, and Judah-sheep/ram. This seems to represent a Union of Houses, the “Lost Sheep and Judah”. [*Some differ regarding banners*] A Union for what purpose, against what foe you ask?

If anything, we’ve learned that Torah is layered with hidden information, secreted from the casual observer in the garments of such enigmatic parables. Consequently, in order to grasp what is really being shown here in this 5<sup>th</sup> plague, we must rummage deep into the hidden recesses and ask how will this affect the future Greater Exodus?

Beforehand, prior to the 5<sup>th</sup> plague YHVH warns Pharaoh: “**כִּי אִם־מָאֵן אַתָּה**” Ki im-ma`en attah – If you refuse, this is what will happen. That phrase has a value of 568, the same as *Nephach Nephesh – To breathe away or give up the Soul!* Remember, this follows our previous explanation found in the Egyptian Book of The Dead wherein a soul whose heart is heavy is handed over to the Fallen Ones to devour!

This leads one to believe that by this time Pharaoh has given himself over wholly to the fallen angelic or demonic spirits motivating him to rebel against YHVH. As we fast forward, these identical plagues of Revelation serve an ominous warning that the fate of many purported Believers may be sealed by this time!

This action is reminiscent of the intended DNA manipulation wherein the masses are inoculated with a cocktail of Pharmakeia, which will disable the God-Gene,

found hidden in the pineal gland. These ingredients are going to be found in all of the WHO and UNITED NATIONS recommended immunizations that will be Militarily enforced included that of the coming C-19 vaccination we spoke of last time...

### The 5<sup>th</sup> Plague. A Grievous Murrain?

The KJV of Ex. **9:3** is rather innocuous in its' translation here. However, the Hebrew gives a better understanding of the breadth of this horrific plague or pestilence which many believe is seen also in **Revelation 6:8** *And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death-plague, and with the beasts of the earth.*

### A Coming Plague of Worldwide Epic Proportions.

- Grievous, **H#3515**, **כבד**, kaved, heavy, oppressive.
- Murrain, **H#1698**, **דבר**, deber, pestilence, a destroying word. The Septuagint connects this word with that of **Rev. 6:8** translated 'death' but more likely both were intended as pestilence. By way of reminder, the Book of Revelation is NOT in chronological order!

Is it possible then, in keeping with the “Sealing” of the Mind from our previous teaching - that after the “Sealing” - YHVH is going to allow being released – a breath-deber-pestilence that becomes a Destroying Word judging the Kavod - heavy hearts of those weighed in the balance? How will one survive?

Perhaps a reminder of the hope found in **Ps. 91: 3** is due? *Surely he shall deliver thee from the snare of the fowler, and from the **noisome pestilence**.*

Noisome derives from **H#1942**, **הוה**, havva, translated as desire, an engulfing ruin, yet comes from the root hava', indicating to blow as the wind or to breathe. This sounds like an air-borne scourge engulfing the Nations! The word for pestilence here is again – deber – a destroying word! It's worth noting the etymology of the word for 'deliver', **H#5337**, **נצל**: nasal, to deliver from another's hand. To draw off, to tear one away, snatch away. There's a unique English word translated as

nasal (Having to do with the nostrils, breath) and we note a subtle Edenic connection to the Hebrew word for ‘deliver’, [H#5337](#), נָצַל: nasal!

It would seem the context here deals with the breath or word of YHVH delivering one from the deber-pestilence - destroying word of another or, allowing that pestilence to descend upon those whose hearts are weighed in the balance, and are hardened and judged! \*Remember YHVH’s Word is LIGHT! It must be separated from darkness!

How can we know what to expect?

Now, stop a second! Light is sound slowed down. Do you remember how sound is ‘heard’? The vibrations from wind, breath, etc. move across the eardrum, where these sounds – vibrations are collected, catalogued and translated in the MIND! Have you noticed that when one has a hearing debility, that the speech is also affected?

Therefore, if the MIND is sealed by the enemies’ frequencies and cannot hear or receive the נִשְׁמַת חַיִּים, Nishmat Chayim – Breath of Lives or Breaths of LIGHTS - we have no shielding mechanism for protecting ourselves! By the way, Nishmat can also be translated as ‘the mind or intellect’.

Now you understand [Phil. 2: 5](#) *Let this mind be in you, which was also in Messiah Yahshua!* The Greek word for mind, phroneo, comes from phren (fra’n) indicating the diaphragm - breathing and phrasso, to fence in, block up, stop up! Technically, your ears, nose, mouth and MIND, along with the skin, are all related to ones’ ability to breathe! Each of these areas are directly affected by the application of Light and Sound!

[Mark 4:22, 23](#):

These Plagues are coded in parabolic language!

*For there is nothing hid, which shall not be manifested; neither was any thing kept secret, but that it should come abroad. If any man have ears to hear, let him hear.*

The text here plainly tells us that what is **hidden or cryptic will be made visible** if only one can hear??? Again, the link between hearing and sight is shown. Is this 5<sup>th</sup> plague about to reveal something that the Enemy’s occult legions thought was hidden in plain sight – yet, if only Man can hear!

For that reason, could this Plague actually be more than a physical disease or plague killing the cattle of Egypt? \*Remember even the Sages believe leprosy (A form of plague) came from Lashon ha'ra, 'the Evil tongue. Tongue, Lashon has the same value – 380 as Egypt, Mitsrayim!

380 is also the value of נשל, sounding the same as נצל – nasal above and meaning to draw away, pull off, to remove something! Is the cloaking garment or curtain about to be removed? Further, let me remind you it is assumed by most scholars that each plague represented a judgment against a god-idol of Egypt. We must assume the same here! But whose gods?

What if this plague is in response to the reinstatement of animal sacrifice and a 3<sup>rd</sup>- Temple worship (Quite possibly a mirror of Egypt's idolatry), after all, Pharaoh is literally translated "His Great House" and mirrored by the latter Greater House of the Greater Exodus which will be, juxtaposed to the building of the HOUSE OF ISRAEL-YHVH!

What if, in competition with the True Temple of His Presence, and the Maqowm – Place – Altar of living sacrifice Rom. 12 - we soberly find that the enemy has cunningly co-mingled the DNA of those animals designated as 'sacrificial' and affected by this cattle plague with that of the Nephylim in order to have the Temple Mount Faithful blindly set up and make an offering formed from corrupt DNA 'after his image' in obeisance, albeit, ignorantly perhaps, to this monstrous – god of this world – chimera!

A purported 'holy offering' on what is surely going to be called the Altar of YHVH – therefore – YHVH Himself eliminates the seed of the Serpent/Nephylim in response! Maqowm has a value of 186, the same as the phrase "*after his image*". \*See **Revelation 13:14** that speaks of making an image to this beast!

While contemplating this, I found it disconcerting that the Hebrew word for leprosy, H#6879, צרע, tsara, meaning to strike down, a scourge, has the same Tzade-Resh root as Mitsrayim – Egypt. Further, that root stem indicates to burn, to be constricted, inflamed, a hoarseness, distress, to scream, roar. All of which are symptoms of viral infections associated with 'AIRBORN' weaponized - inhaled into the nasal passages, absorbed through the skin or eyes - viruses!

If this is so, how apropos that the recent worldwide release of the Covid-19 pandemic, touted a universal scourge, is also said to have originated out of Chinese experimentation with gene editing and the hybridization of humans and animals! A horrific scenario, thus prompting immediately, the idea of wearing a Mask – to inhibit the SPEAKING OF TORAH and thus, to cover/hide HIS IMAGE IN THE EARTH – ADAM! Without the speaking of His Word, the release of that light, the lack of which results in darkness upon the land and a plague-like scripted game plan from the enemy!

Moreover, the English word ‘mask’ conveniently comes from the Hebrew word Masak – a curtain, veil, screen, etc. But, is also the root of masekah-an image, idol, and an alliance! Ignorance of the Law offers no excuse! Could compliance to forced mask wearing by a docile ‘public’ in effect, be a form of loyalty and devotion shown to the Beast and thus, mindlessly draw the world into an alliance with the IMAGE of the BEAST? Whose Image are we projecting? Oh, you don’t think so????

The word "mask" appeared in English in the 1530s, from [Middle French](#) *masque* "covering to hide or guard the face", derived in turn from [Italian](#) *maschera*, from [Medieval Latin](#) *masca* "mask, specter, nightmare".<sup>[1]</sup> This word is of uncertain origin, perhaps from [Arabic](#) *maskharah* مَسْخَرَةٌ "buffoon", from the verb *sakhira* "to ridicule". However, it may also come from [Provençal](#) *mascarar* "to black (the face)" (or the related [Catalan](#) *mascarar*, [Old French](#) *mascurer*). This in turn is of uncertain origin – perhaps from a Germanic source akin to English "mesh", but perhaps from *mask*- "black", a borrowing from a [pre-Indo-European](#) language.<sup>[2]</sup> One German author claims the word "mask" is originally derived from the Spanish *más que la cara* (literally, "more than the face" or "added face"), which evolved to "máscara", while the Arabic "maskharat" – referring to the buffoonery which is possible only by disguising the face – would be based on these Spanish roots.<sup>[3]</sup> Other related forms are [Hebrew](#) *masecha*= "mask"; Arabic *maskhara* مَسْخَر = "he ridiculed, he mocked", *masakha* مَسَّحَ = "he transformed" ([transitive](#)). [<https://en.wikipedia.org/wiki/Mask>]

If no Scourge is connected Why Does YHVH Allow the Cattles’ Destruction?

We must also recollect that all life is precious to YHVH and the arbitrary destruction of all Egypt’s cattle and those here in Revelation is not a frivolous whim! [Gen. 9: 12-17](#), YHVH details the Covenant between Noah and all creatures upon the earth, wherein He promises to not destroy them all! What is happening then?

Once more, let us call to mind the precedent set in the conquest of the Promised Land wherein all the men, women and cattle of the 7-Canaanite Nations were

destroyed! So, what exactly is going on? The root stem of Canaan, H#3665, **כנע**, Cana, is etymologically related to Qanah or **קנין**, Qayin-Cain.

If we read Cana backwards: Ayin-Nun-Kaf, it gives us the cognate to Anak – Ayin-Nun-Qof – the infamous Mighty One, the name of which has a value of 220 the same as the word Nephylim! These Beings and their Cattle had comingled DNA!

Am I suggesting a relationship between this 5<sup>th</sup> plague, the Grievous Murrain that falls upon the Cattle of the World/Egypt falls, as a result of the intermingling of their seed into their cattle? :(

Where's the Proof?

Plagues of the Greater Exodus: Hidden Agendas Revealed.

- II. As we take a painstaking look back at the Hebrew word used for 'cattle', H#4735, **מִקְנֵה**, miqnah, not much of a clue is found until we look at the first place it's used: **Gen. 4:20** where it supposedly describes the vocation of Jabal, the 6<sup>th</sup> descendant in the lineage of Cain. *And Adah bare Jabal: he was the father of such as dwell in tents, and of such as have cattle.*

There will be future descendants of JABAL who will resurrect this vocation: So the relations between Tent-Temple and such as have cattle must be explored!

This KJV casually remarks that Jabal was the father of those who dwelt in tents – AND – here is where the KJV gets weird...the Masorets supplied the italicized words and 'of such as have' which is followed by the Hebrew word for cattle, miqnah. Interestingly, there are 32 letters in this verse here, the value of H#3582, **כחד**, kachad, meaning to hide, conceal, to cut off, be destroyed as in **Ex. 9:15** where Pharaoh and his people are 'cut off – kachad'. \*Pay close attention!

If we parse this verse properly, the word translated as a noun – miqnah/cattle - could also be written in the hiphil stem expressing a verbal action! In this case the Mem prefix is a causative action – causing, provoking – it is the origin of, source of the root: **קנה**, Qanah – to get, acquire, to provoke to jealousy! Wait aren't we speaking of cattle???

Doesn't it seem odd that so many connections to hiding, concealing, and secrets, or that something puzzling or cryptic is being highlighted by these links? Am I out of my mind conversely, to propose that Jabal dwelt – yashab, H#3427, **יָשַׁב**, to inhabit, to dwell with, or cohabit as in marriage – rather, *in a Tent of sorts that provoked YHVH to jealousy* instead of merely being the progenitor of shepherds?

The idea of this word yashab pictures a home, a dwelling where Husband and Wife produce seed. The same letters style **יָבֵשׁ**, yabbash, hinting at dry, barren, and is related to buwsh – shame! The Tent symbolizes the intimate chamber where the Seed is released.

The Seed of Adam has been cut off (Abel) – Cain has been banished into the Tohu V'Bohu wasted and barren place. Could Jabal be establishing a fertility clinic mixing the genes of the Fallen Ones with his own and his cattle? Remember the same pattern with Abram and Sarai: Pharaoh attempts to insert his seed into her barren womb! In response, YHVH inserts the Hebrew letter “HEY” into their names: Hey has a gematria of 5, the same as the word Alef-Dalet – Ad, the fire vapor or mist upon the earth watering the Garden!

In passing, yashab, yabbash have a gematria of 312, the same as **בְּנֵי מָרִי**, B'nei Mari – Perverse Children and **הַחֲרֻטְמִיִּם**, h'chartumiym, The Magicians, those who displayed supernatural power on behalf of Pharaoh/Egypt and the Anti-Messiah who will display lying signs and wonders! Your mind is your womb! It is going to be sealed – either by YHVH or Satan!

To add to the parabolic twist here, the Septuagint has the word SKEIN for Tent, from which we get the English 'SKIN'. Did Jabal have a mixed DNA garment consisting of a unique type of skin, skein, a Tent or Tabernacle from Cain's lineage which he continued and wherein he, like Cain, produced offspring who provoked YHVH to jealousy? If this is too outrageous, remember the Wilderness Tabernacle, designed in the form of the Man, also had a skin/skein garment covering it!

In addition, as we look deeper at the **Genesis 4** account of Jabal, the 6<sup>th</sup> generation from Cain, we find he has two brothers whose names have that same 3-letter root, Yod-Bet-Lamed - **יָבֵל**, Jabal - Yabal – Jubal and Tubal Cain: This root forms the Hebrew word Yovel – indicating a release, a setting free, an overturning of slavery. In its' purest form it indicates to transport, or transfer something from one place to

another! Could it be this Jabal watched over a Tent or Portal, a gateway of sorts allowing the introduction of the Watchers/Fallen Ones into the world?

If so, is it possible the initiation of the coming 3<sup>rd</sup> Temple and its' perverted Sacrifices (The Grievous Murrain) also forms a portal or transport for the introduction of the King of the Pit?

Each of these men are 6<sup>th</sup> generation – from Cain – 6+6+6? Incidentally, Cain, [H#7014](#), קַיִן, originates from the same root as this word for cattle – Miqnah – The Mem indicates the source, origin of Qanah – jealousy! 666 is the value of תּוֹרֵס, satuwr, meaning to hide or conceal, preventing someone from knowing: Could there be a connection to hiding the Image of Jealousy?

Satuwr is also cognate with Satar, a skin eruption, boils, tumors, etc. Perhaps, YHVH is giving all who participate in the False Messiah's Temple a warning of eternal repercussion? – This Temple is itself, an “Image” [H#6755](#), צֶלֶם, Tselem, the word used in [Daniel 2: 31](#) to describe Nebuchadnezzar's statue depicting the End-Time conglomerate Kingdom! Tselem has a value of 160, the same as Naphal – the root of Nephylim!

FYI, the Sages depict Esau as having killed Nimrod, who was supposedly wearing the 'SKIN' Garment of Cain/Jabal; Esau is depicted as a Satyr – related to the above – a man hybrid he-goat of demonic proportions. It is my position that Esau has turned the tables on Jacob and is now masquerading – disguised as – JACOB! You will not be seeing Esau in his Chimera-garment, only his Jacobean Image - until he believes he has taken back the final piece of his Right of First Born – the Priest hood, at which time he will be seen world wide for who he really is!

For centuries, the Jacobean Families have controlled the Crown! The Corona-Crown virus is one of their breathed out children!

Let's continue to look at Miqnah-Qanah-Cattle:

[Gen. 4:1](#) reveals Eve-Chavah birthing Cain-קַיִן, Qayin, and declaring “I have gotten, [H#7069](#), קָנִיָה, Qanah, to possess, acquire, to provoke to jealousy - a man from YHVH”. Why not translate consistently and say I have cattle from YHVH? What indeed, could have been the source of provocation, if not the comingling of the serpents' seed with that of Man?

That being said, did the Miqnah – Cattle of Egypt and the Revelation Cattle have mixed DNA of sorts, which in some way, perhaps if ingested could affect the human genome, the resulting hybridization provoking YHVH to a jealous wrath?

Likewise, could this JABAL - 6<sup>th</sup> generation reveal a sci-fi like, 6 – G technology far surpassing that of the heinous 5-G, thus, becoming a tool for the mingling of the DNA of Man with that of the Fallen Ones? Nebuchadnezzar saw this day in his vision in **Daniel 2:41-43** of the statue representing the ‘kingdoms’ whose feet are mingled: Iron with miry clay. \*Note verse **43**: *And whereas thou sawest iron mixed with miry clay, **they shall mingle themselves with the seed of men**: but they shall not cleave one to another, even as iron is not mixed with clay.*

Furthermore, the root Beit-Lamed connotes a mixing of sorts. It is related to Babel – confusion by mixing and if we add the Tav prefix it forms H#8397, **תבל**, tebel, translated as perversion, incest. It is a strong word condemning human-animal copulation as well! It can’t happen you say! Yet, the soon to be mandatory Covid-19 vaccination and the Avian Bird flu behind it, will undoubtedly contain a unique strain of DNA altering (NOTE THAT WORD ALTER-ALTAR) materials that will bring you to the Altered -Altar of those who are preparing the Tent of Jealousy – Miqnah! The Tent of Jabal!

Each of these ‘vaccines’ have a Genetically Modified Light/Word/Seed/Breath in them called: Luciferase - *Luciferases are enzymes that use a substrate called luciferin, along with oxygen and ATP, in an energetic process that produces light— like the **yellow glow** of fireflies. The power of Luciferase has been harnessed by scientists to devise reactions whose light output is used to monitor biological processes including gene expression, bimolecular binding, and cell viability.* [<https://www.moleculardevices.com/applications/coronavirus-vaccine-research#gref>]

The Pale Horse Rider of **Rev. 6: 8** brings this plague! Pale is Gk. #5515, chloros, a yellow-green color! The Greek word for horse, G#2462, hippos, is remarkably similar to the Hippocratic oath taken by all physicians! This compound word comes from: hippo-horse and crates-ruler, horse ruler! A derivative ‘hypocritos’ refers to actors who wore masks during plays at the theater. A hypocrite is one who shows one face to the world while hiding another underneath!

III. Now let's look a bit further! This adds a bit more curiosity to **Rev. 18:4** "come out of her – Jabal-Babel – the Tent of Miqnah – Jealousy"! Else you partake of her plagues! \*Note the Greek word for 'her'; **G#846**, autos, translated as a feminine pronoun it derives from aer, a-a'r, a baffling wind or breath!

Again, Jabal dwelt in a tent, **H#168**, **לֹהֵל**, 'ohel, rendered 'tent'. Its' gematria – 36, (6x6) is also that of Eleh, to swear an oath, curse, covenant. It indicates a terebinth or long-lived tree planted in confirmation of an oath, it hints at an idol. Further it is the value of badal, to divide or separate.

Though innocuously translated as 'tent', its' broader meaning hints at a gathering place (Tent-Tabernacle-Temple) perhaps where a Tower of Babel incident could occur! [The formation of a deliberate and artificial societal hub for the explicit purpose of exchanging thoughts and forming language and cultural expressions. In such hubs, minds could both be honed and made to merge into great synergic entities such as widespread standardized language: *Abarim Publications*.]

Is it possible that Jabal dwelt in a Tent – Tabernacle-Temple construct where those gathered somehow provoked YHVH to jealousy, which jealousy is somehow linked not only to modifying the DNA of animals - a genetically modified chimera-hybrid of sorts - designated for sacrifice, but also for the control (Mixing/Babel) of the language of creation (Torah) and hiding the 'true' location of the House of YHVH?

It's interesting to compare this to the gospel accounts of Yahshua cleansing the Temple of those who whom He called 'thieves' who were selling animals for sacrifice. He forces an embargo on such in **Mark 11:15-18**. Most scholars believe this occurred at Pesach and thus to have been the catalyst for His death! Food for thought here: If a world-wide plague affecting all of Egypt's – the World's cattle ensues, where will 3<sup>rd</sup>-Temple animal sacrifices come from? Just sayin...

As we continue, the gematria of Jabal, Jubal and Tubal-Cain equals 528, the same hertz frequency of the ancient Solfeggio note 'MI' – the note of DNA repair (or corruption if usurped) miracles. Could these have been complicit with the Nephylim or Fallen Ones in crossing over the boundaries established by YHVH for procreation of both Man and Animals?

In 2010, there was a disaster at an oilrig owned by BP called the Deepwater Horizon, causing it to leak millions of barrels worth of oil into the Gulf of Mexico. An electromagnetic energy expert, John Hutchinson of Vancouver, along with his

wife and research partner, Nancy Hutchinson, decided to do something to help. They placed a device that emits frequencies on the beach, about 25 feet from the water, and used 528 Hz and other Solfeggio frequencies to treat the water. They only did this for four hours, but the waters had miraculously cleared by the next morning. In fact, the water had so improved that dolphins, fish, and crabs returned to the area, when just a day before those same waters would have been lethal for marine life. [<https://www.mindvibrations.com/528-hz/>]

The last Goshen? The Nasal, Hearing, Mind of man? Again, the Sages believe the sense of smell (connected by its' Edenic roots to nasal) was the only one of the Man's senses not corrupted by the Fall!

Incidentally, the Edenic origins of "Nasal" add intrigue as there is a definite connection between hearing and breathing where the middle ear is an extension of the respiratory air spaces of the nose and the sinuses and is lined with respiratory membrane. Thus, breathing and hearing and the above word for deliver - 'nasal' are etymologically related! How convenient that Covid-19 testing involves the raping of the Nasal passage by a phallic swab containing the very pathogenic virus or SEED – masked innocently in the caring hands of the Agents of Agenda 21. [https://www.who.int/occupational\\_health/publications/noise2.pdf](https://www.who.int/occupational_health/publications/noise2.pdf)

21 is the Value of the word H#2327, חֹבֵה, chowbah, the name of the Place (Gen. 14:15) where Abraham destroyed (The Slaughter of the Kings – Corona) those who took his Nephew Lot prisoner! Lot means garment. Chowbah means hiding place! It was situated on the 'left hand' – Semowl – an outer garment hiding something within – of Damascus! Dam, meaning blood, while Masaq - Mem-Shin-Qof indicates the heir or steward who has the legal right to inherit! Masaq is related to Masak – Mask, to hide or cover!

The Seed of Abraham will inherit the Earth and will be protected in Goshen while the Greater Exodus Plagues expose the identity of the Hidden Ones and their Agenda!

Shabbat Shalom!
