

Restoration of the Calendar
Pt. 24.

The Greater Exodus, The People, Their Calendar.

We've taught exhaustively on the Patterns of the Greater Exodus in the past, but what we failed to adequately touch upon was the first Commandment given to Israel as a Nation. This monumental directive was an immediate and effective means by which to affect a National SOUL change or mind renewal for a collective group who had known nothing except slavery for over 200-years. To frame our teaching properly, you must understand: **Slaves do not control their own time and are told what to think!**

So, what does YHVH do? He sets them free and then commands them to measure their daily lives by His Calendar! Is it possible then, that the calendar we adhere to reveals whether we're enslaved or in fact, Freeman? For a better perspective, let's examine this powerful, yet unrealized transition that is taking place with today's House of Israel and see if truly, upon the coming Greater Exodus, a '*Time – Change*' could have a possible bearing on how we perceive ourselves, whether Slaves or Freeman! You must also understand this 1st Commandment is preceded by the restoration of two other powerful Covenantal Birthright entitlements. The Birthright of the Firstborn and their Wealth Transfer. We will address them, but first...

Exodus. 12: 2

A National Commandment.

Before we begin, we need to establish context. **Chapter 11** begins with the promise of the 10th and last remaining plague that has yet to be released. It is here that YHVH tells Moshe the following. Incidentally, before proceeding, have you ever asked why the Writer pens this interruption of the plague narrative, much less, its' parenthetical connection here that sets the backdrop for the institution of His Calendar in **Ex. 12:2**? Note...

Ex. 11:2 *Speak now in the ears of the people, and let every man borrow of his neighbor, and every woman of her neighbor, jewels of silver, and jewels of gold.*

I want to examine this verse carefully, as it does indeed help provide the answers enabling us to ascertain the '*why*' YHVH is prompting such change for the House of Israel.

- Speak, H#1696, דַּבַּר, this Hebrew word Dabar, is usually defined as; to speak, declare, etc.

However, along with Parkhurst, I agree that the primary idea of Dabar is to drive, to lead. He also asserts Dabars' affinity with Light and Flashing fire as seen in Hab. 3: 4,5 (*Which see*):

And His brightness was as the light; He had horns coming out of His hand: And there was the hiding of His power: Before Him went the pestilence [Word – Dabar] and burning coals – flashing lights/fire - went forth at His feet.

From this extrapolated definition, it seems that YHVH - by commanding Moshe to Speak – Dabar - in the ears of the people - is attempting to drive home a very powerful point, one they had forgotten, yet, one they must, by necessity, begin to implement – What Biblical precepts have you forgotten simply because of the generational bondage that has become more familiar to us than the Truth? Let me give you a hint: What specific things has YHVH been constantly reminding you of for months now? Yet, we're still in the orbit of their control.

*Note this occurs: *Before the 10th and final plague!* Why? Keep looking...

- Ear, H#241, אוזן, Ozen, the ear as the organ of hearing. It actually indicates to try the weight of something, as in a set of scales or a balance.

Literally, YHVH is saying: Moshe, drive this light – this new idea – into their ears, have them weigh it out carefully! Before I leave this point, let me remind you that the numeric value of Ozen – 58 – is the same as two distinct, yet powerfully connected Hebrew words: Chen/grace - חֵן and Noah – נֹחַ. If you remember Gen. 6:8:

But Noah found grace in the eyes of YHVH.

- Found, H#4672, מָצָא, Matza, translated as 'To find, attain, acquired'. It is from the root of Yatza, indicating the act of going out, separating from, a going forth. The prefixed Mem indicating the source of origin, the birthing place.
- Grace, H#2580, חֵן, Chen, favor, acceptance.

This indicates far more than simply a grace or specific favor allowing one to live in any condition. Rather, it indicates that Noah's personal act of separation, going out, COMING OUT from among the World of the Fallen Ones, was regarded, became the birthing place of his receiving grace as it was seen in YHVH's eyes, thus, he was favored as a result! This is called "*Faith in Action*"! If we've truly come out, then

why the bothersome reminder from the Ruach of those generational family traits that we confess we are struggling with? Quite sobering isn't it?

Doesn't this ring consistent with **Matt. 24:37** *But as the days of Noah were, so shall the coming of the Son of Man be.* What about **Rev. 18:4** *...come out of her My People!* Not to mention **Luke 18: 7, 8.** *And shall not YHVH avenge His own elect, which cry day and night unto Him, though He bear long with them? I tell you that He will avenge them speedily. Nevertheless, when the Son of Man cometh, shall He find faith on the earth?*

Will the Faith of Noah which attained him GRACE be found?

Stop! Can you see what's happening?

This is a very profound teaching moment for Israel! What we have happening here is the beginning of a major MINDSET CHANGE! Remember, they've been in bondage to Egypt for more than 200 years! Therefore, this tells us that what follows – *what is spoken in their ears* - will definitely be a thought foreign to the minds of the former slaves of Israel!

Please take note: **Rom. 12:2** *And be not conformed to this world: But be transformed by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect will of YHVH!*

Guard your minds! Change is coming!

Borrow of your neighbor...

- Borrow, **H#7592**, שָׁאַל, Sa' al, the idea of this word cannot be conveyed in the plain English word 'Borrow' which simply implies the concept of one who is merely asking or making supplication, begging. However, the same Ancient Near Eastern term is still in use today and is seen where people of the highest social Stature and Wealth demand things belonging to others whom they perceive as lower in status!

GET RID OF YOUR SLAVE'S ENTITLEMENT ATTITUDE! THE STATE OWES YOU NOTHING! THEY OWN YOU! They will not willingly set you free! YOU must correct your status and it starts in how you think!

Let me explain: Slaves see the power of Wealth, they taste the power of wealth, they long for the power of wealth, but it always escapes them, because they can't think outside of their enslaved boundaries!

Remember, Israel had been subservient to Egypt for multiple generations! Pay heed to what is about to happen next!

This same word Sa'al is also the root of Sheol - the receptacle for the dead. Now, ask yourself what does this have to do with YHVH telling former slaves to demand gold and silver from those neighbors? EVERYTHING! These are NOT Neighbors in the truest sense of a Western mindset, but instead were those who were Israel's Masters just days earlier! These were akin to today's ELITE – THE POWERS THAT BE!

What we're witnessing then, is a powerful PROPHETIC message to Egypt, that is being acted out by Israel! This is their final message before the Death Angel passes through the land! This action results - *May I remind you – because* ISRAEL'S STANDING OR STATUS HAS CHANGED! Until they act accordingly, they will not experience that status change! As slaves, can they truly comprehend its' import? Watch what follows.

What Do We Know Thus Far?

We've known that the Firstborn of Egypt have been marked for death in the coming 10th plague. However, we must bear in mind, that, according to Ancient Near Eastern custom, as in most nations, Egypt's firstborn controlled the inheritance and the leadership structure of ALL EGYPT and therefore the economy! So, what exactly is happening?

YHVH is challenging the final Authority of Egypt as a Nation – The source of its' wealth - it's ECONOMY! These SLAVES were the driving force behind the economy – it was/is built on their backs!

I AM NO LONGER A SLAVE!
PROVE IT!

This was a final warning for Egypt and few heeded. We are following that same pattern! The world's economy, in particular the United States, is about to shift dramatically! The Proverbial '*Handwriting is on the wall*' – for Babylon/Egypt – LAWFUL NOTICE HAS BEEN SERVED! The House of Israel and their STANDING IS CHANGING AS WE SPEAK! Is this too hard to fathom?

While these patterns are indeed irrefutable! Given such we must conclude; there is a wealth transfer coming again! All those enslaved by the World's monetary system are going to have an opportunity to address the former Powers That Be – the Firstborn of Egypt - who enslaved them! With that said, can you, are you - hearing Properly? Have you considered your personal Status or Standing? What efforts are

you making to ‘*COME OUT OF HER MY PEOPLE*’? Have you been enslaved so long that you know longer have the desire to be free? Do you have what it takes to exert the effort that FREEDOM REQUIRES? When was the last time you demonstrated a stiff spiritual backbone? We’re about to find out what we’re truly made of!

Next, notice that this wealth transfer is not gender limited! Both Men and Women were admonished to Sa’al – demand from their Neighbor. What we’re actually witnessing is the Firstborn of Israel collectively, addressing the Firstborn of Egypt in a face-to-face confrontation! Oh, I get it, you don’t like confrontation? The work to extricate yourself from bondage is quite unsettling when you’re used to being told what you can or cannot do. **You work 16-hours what do ya get, another day older and deeper in debt, St. Peter don’t you call me, cause I can’t go. I owe my soul to the company store!**

Do you suppose if you lack confidence or understanding of who you are that you’ll be able to convince Egypt’s hierarchal powers to simply hand over their fortune and their future to a beggarly group of ragtag insurrectionists? You’d better get a backbone now!

Again, the KJV does not convey the Power resonate in this text! Note...

- Neighbor, H#7453, רֵעַ, the Hebrew word Re-ah, is translated here as ‘neighbor’ in the KJV text, however in its’ truly, weakest sense. Once again, I want you to focus on the inadequacy of the KJV text. Parkhurst (*P.497*) has this root as meaning: To break, break in pieces, to afflict, to cause a loud sound that breaches peace. A peculiar vibration. Though hinted at by the King’s English, these ‘Neighbors’ were not their familiars. Not their friends. These are those who had collectively worked to break the spirit of the House of Israel, shouting over them, beating them, berating them, creating a vibration that shattered Peace and brought poverty, enslavement! Though the text doesn’t show it, Israel is being told to NOT politely ask! How so?

For context, Re-ah has a value of 270, the same as the Hebrew H#5234, נָכַר, Nakar, a word expressing the ability to finally recognize, distinguish, to discern truth. Please understand: This is paramount to being set free! Again, Israel has been in deep traumatic bondage for generations! Like many, the psychological response to such trauma, especially generational suffering, causes the victim(s) to develop what’s termed today as: *The Stockholm Syndrome* - where the captive develops empathy, or positive feelings toward their captors, even to the point of resisting attempts to free them! Are you a willing participant in your own slavery? Why, not participate in your own deliverance for a change?

Moreover, the first time this word Re-ah is seen is in **Gen. 11:3** where Babel's inhabitants are themselves called 'Re-ah'! This word is closely related to **H#7462, רעה**, Ra'ah, most often rendered 'Shepherd'. Though often portrayed as the benevolent leader of the flock, it also carries the idea of the counterfeit who devours, entreats his flock evilly, breaking them, causing them to wander and be wasted!

Jeremiah 23:1 issues a strong warning to those Shepherds: *Woe be unto the pastors/shepherds that destroy and scatter the sheep of My pasture! Saith YHVH!*

From future events, we know many of Israel, under duress in the Wilderness, actually longed to return to that captivity! We have to ask: Were they truly actually ever set free then? Hmmmm? May I inquire then, have you grown acclimated to Babylon's/Egypt's imprisonment - you and those generations who came before you - as well as, those who will come after? Is remaining comfortable worth allowing generational custody to remain in the hands of Egypt/Babylon or are you ready to break free of your family's habitual and generational bondage in order to confront what and who has kept you bound?

Well, now - frankly, that captivity begins in your spirit/soul/mind first. Do something about it! Who exactly are you? Slave or Freeman?

Leaving you with that, I have the definition of one final word to share with you, in preparation for the First Commandment given Israel.

- Jewels, **H#3627, כלי**, Kel-i, an article, a vessel. It is from the root Kalah, to accomplish, cease, consume, to bring to an end, to complete, to destroy. This is the same word uttered by Yahshua on the execution stake where He says: *"It is finished"*. This phrase means that events have come full circle! Egypt, the persecutor of Israel is about to face their judgment while the Bride (*Also pronounced Kallah*) is brought to her place of exoneration, where she is about to be vindicated and her inheritance restored! Let me share this...

We must also remember, that once upon a time, Egypt, at the instruction of Abraham - and most likely carried out through the years of Jacob and Joseph - adhered to a fundamental 360-day calendar. After Joseph's death the Pharaoh who now sat upon the throne refused to continue to acknowledge YHVH as the Ruler of Israel and His True Calendar, while obstinately setting Egypt's calendar into motion. This was an affront to Elohiym as this Pharaoh's intent was to honor one of Egypt's' pagan deities in succession each month. [<https://www.ancientworldwonders.com/the-egyptian-calendar.html>] Thus, it seems quite appropriate for YHVH to assault Egypt's Calendar in response to restoring Israel to His Creation Covenant Calendar! Once

again, it seems the Calendar one keeps is directly connected to BONDAGE OR FREEDOM! Having said that...

Perfect Timing

The previous events where we're seeing a wealth transfer, now segues, almost simultaneously, into what was Israel's first commandment – **Changing their Calendar**. Why the need to change Israel's method of timekeeping?

By the way, for the record, our actions often contradict our words. You cannot think of yourself as a Freeman and walk in bondage. Today's House of Israel must rise above the actions of the past! Why, because our actions have invalidated our claim to any Inheritance therefore, making our claim null and void!

With that said, like Israel, you need to get control of your time! As we speak, though we must work to feed our families, no one can argue that your job controls your time! After that, many are addicted to and enslaved in numerous other ways, such as, electronic devices, which, though you may not like hearing it, also control your time. What other areas in your life need to be supplanted by the CALENDAR OF YHVH – which must precede our Final Exodus? His Divine appointments matter! Like Israel our bondage has grown comfortable. Whether you admit it or not...Change is here!

Before we dig into the Calendar change, we have to acknowledge that along with the two aforementioned MINDSET CHANGES: Wealth transfer and the Calendar, that the Wealth transfer was entrusted to the FIRSTBORN of YHVH. Accordingly, the Firstborn was also typically the PRIEST of the House! Thus, accompanying the changing Israel's mind regarding wealth and how to properly manage their time/calendar became the responsibility of the Melchizedek Priesthood that had been in place from Genesis until the Golden Calf incident! All 3 are now simultaneously being restored!

Times Indeed Are A Changing...

Ex. 12:2 *This month **shall be** unto you the beginning of months: It **shall be** the first month of the year to you.*

Though not understood in the KJV text, this command to establish a calendar becomes the FINAL declaration of independence for the Nation of Israel. In consideration, we must acknowledge that the wealth transfer was timed to come about in concert with Israel being reconciled to the True Calendar of Elohiym! The Calendar of His Covenant. This cannot be argued.

Now, bear in mind, another powerful verse follows that should give us insight concerning these three synchronized events: The Wealth Transfer, and the Calendar Restoration, along with the Melchizedek Priesthood (*Which was set into motion in order to oversee both*). But, exactly how are they related? Let's allow the Torah to answer that. Look at what follows...

Deut. 8:18

*But, thou shalt remember YHVH thy Elohiym: For it is He that giveth thee power to get wealth, that **He may establish His covenant** which He sware unto thy fathers, as it is this day.*

If Israel is given the Wealth of Egypt, then it seems the purpose is connected to establishing the Covenant - also given the House of Israel! Wouldn't this latter-day wealth transfer that is just now being set into motion follow the same pattern? Moreover, wouldn't that Covenant have terms and conditions that must be adhered to, thus requiring specific dates and events timed perfectly to demonstrate the validity of that Creation Covenant and the Priestly administration of its' Calendar? Just like the Redemptive roll demonstrated in the Festival Cycles that YHVH re-established in **Ex. 12:2**.

So, how does YHVH address the restoration of the "*Adamic Almanac - Calendar*" in Israel's first Exodus so that those of us in the future Greater Exodus can experience the same Declaration of Independence from Egypt/Babylon? Please consider, if our calendar is off by hours, days, weeks, or months from theirs, then how can we trust the accuracy of the Promise of a Wealth Transfer, much less the return of the Firstborn's Inherent right as Priestly administrator? There can be no margin for error!

The Vernal Equinox
Accurate or Counterfeit?

Before we delve too deeply into an answer, let me remind you that Israel's calendar has always been acknowledged as aquarian. Hence, the ties to the vernal and autumnal cycles. This relates curiously to the Law of Sowing and Reaping upon which all of Creation balances. **Mark 4:26** *And He said, so is the kingdom of Elohiym, as if a man should cast seed into the ground.*

It would seem then, for Israel past and for Greater Israel NOW to avoid a counterfeit agenda predicated upon a bogus Calendar, which would lead to a corporate '*missing the mark*' that the need for unparalleled accuracy is paramount to the establishment of a Calendar that regulates the Covenant. With that said, Scholars acknowledge the First Commandment to the Nation found here in **Ex. 12: 2** as without doubt hinging

its' accuracy upon its' being established at the Vernal Equinox! We cannot minimize this crucial point! Why? Because...

If this rings true, then the need for inter or extra-calated days, leap-months, leap-years, Barley harvest or Abiv calculations, Sliver-Moon sightings, or any other method - clearly revealed in their titles – that does not acknowledge the DAWN start of the Day as well as, this Dawn start of the Year – the Vernal Equinox – obviously espouses error where they cite the need for adding or subtracting days – thus they are easily exposed!

YHVH offers a suggestion. *[Sarcasm intended]*

Remember YHVH said: **Ex. 12:2** *This month shall be unto you the beginning of months: It shall be the first month of the year to you.*

Do we simply throw out multiplied generations of Sliver Moon, Abiv Barley, Enochian, Zadok, Gregorian, Lunar, all those intercalated calculations that have provided us comfort? Only if you want your identity, your thought patterns, your status, your generational jurisdiction, to conform to the IMAGE OF THE FIRSTBORN OF YHVH and begin this Exodus as COVENANTAL FREEMEN, with the wealth to build the Kingdom on the Promised Land!

Why The Calendar Commandment?

Though arguments abound, Jewish Rabbis clearly acknowledge the events of **Ex. 12:2** as relative to a change in how the year was to be calculated. Moreover, the Hebrew word for month here – **H#2320, חדש** – Chodesh - becomes the driving force behind most deliberate textual manipulations! THIS, in spite of the exegetical fact, that it can only contextually, indicate 'FIRST – AS IN THE FIRST MONTH'. (*Mechilta de-Rabbi Ishmael, Pische 1*). Moreover, additional evidence is seen where the context of the year's beginning as occurring on the first day of the first – Month, as supplied by Chodesh - is once more emphasized in verse **18** where we find: *In the first – H#7223, ראשון, Rishon – month, on the fourteenth day of the month...*

Can We Connect The Dots?

As we examined the synchronistic nature of the Wealth Transfer and the Calendar Change wherein the FIRST-BORN OF EGYPT'S wealth is plundered, we need to call to mind once again that Ancient Near Eastern Custom required the First-Born to

function as the Inheritor! This bears striking resemblance to the Hebrew Mindset where the First Born also Inherits while, at the same time, serving as the Family Priest! Is it possible that in the process of changing Israel's disposition towards being enslaved, that Elohiym is, at the same moment, restoring Israel to their FIRST-BORN STATUS AS KINGS AND PRIESTS? If this pattern holds true what does this say about the current restoration of the Melchizedek Priesthood?

Further, what does this say about the group referred to as '*The Outcasts of Israel*', their identity, and who and what will finance their Greater Exodus! If it is indeed greater, then how so? Could it be the sheer numbers of People as well as, the utter magnitude of the wealth transfer being entrusted to the Administrators of the Kingdom – The Priests of the Melchizedek Order! Those who know the TRUE TIME FRAME OR CALENDAR OF HIS DIVINE APPOINTMENTS which, without doubt, will set the schedule for this Greater Exodus! Watch the following...

Exodus 4:22 *And thou shalt say unto Pharaoh, Thus saith YHVH, Israel is My son, even my First-Born!* **Ex. 19:6** *And you shall be unto Me a kingdom of priests, and an holy Nation.*

The Calendar, The Priesthood, The Firstborn, Their Inheritance.

We've clearly established in the previous 23 teachings that the Calendar of Elohiym was fixed upon the release of His Word in **Genesis 1:1** B'reshiyt – In The Beginning – wherein a clear, unequivocal beginning of Time and all its' subsequent increments were set into motion and patterned in the Stellar Luminaries. In addition, through **Genesis 1 and 2** we've shown that Man – Adam was strategically placed in the Garden of Eden – Gan Eden – The Garden of Appointed Times – to administer those SET TIMES – as the prototypical King and Priest of Eden. He who was charged with attending those Set Times through which, Elohiym, in the Person of YHVH – Messiah was wont to encounter His Bride at the Intimate Times!

At present, we acknowledge that our Messiah – THE FIRSTBORN – sits at the Right hand of Elohiym. Yet, by virtue of His redemptive actions demonstrated after the SAME EXODUS PATTERN, we are His Trust Representatives or proxy, awaiting His return, charged with acting in His stead. Therefore, to have the STATUS WITHOUT THE WEALTH neuters our effectiveness and stifles our efforts to leave Egypt!

The Purpose of Wealth Transfer.

From Scripture we can determine four basic reasons for wealth. To provide for your needs and those of your family. To confirm His direction for your life. To meet the needs of others – Widows, Orphans in particular. To demonstrate YHVH's power. This is never more apparent than what is stated in **Malachi 3:10**. We must note however the condition attached in the first part of the verse! It pertains to the Law of Sowing and Reaping!

Bring you all the tithes into the storehouse, that there may be meat in My house, and prove me now herewith, saith YHVH of Hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it.

This verse indicates that as the STEWARD of HIS HOUSE we're obligated to the above. First, in our own tithing, second in the administration of those funds. Pay close attention to the Prophet bringing this revelation. Malachi.

- Malachi, H#4401, מלאכי, traditionally defined as 'My Messenger'. The root stem – Lamed-Alef-Kaf – means to transpose one's will, purpose or intent via an agent. The Prefixed Mem expresses the origin or agency from whence said will arises. Thus, it is appropriate for Malachi – The Agent of YHVH – to convey or inaugurate that stewardship!

This brings up a most serious question. Had Israel been tithing while in bondage to Egypt? We know Abraham, Isaac, Jacob, and Joseph practiced it. **Ex. 11:1** tells us that Taskmasters were set over Israel.

- Taskmaster, H#4522, מס, Mas, forced service, tributary, tribute, a tax in the form of forced labor! The first fruit of their labor became their TITHE! Who do you pay first every time you get your paycheck? Mas is a tribute or tax, a part detached from the rest and offered to the King. Mas is etymologically related to Ma'aser – מעשר, tithes! What does this tell us?

If we refuse to honor YHVH with our freewill tithes and offerings, He will allow us to go into bondage where Egypt/Babylon will collect the Tribute – Tithe out of our labor! Freeman Tithe to Elohiym – Slaves to Pharaoh! Is it possible that this is the origin of CHEN – GRACE – FAVOR BY OBEDIENCE? It does set the Law of Sowing and Reaping into motion.

Sowing and Reaping?

Exodus 13:1,2 *And YHVH spake to Moshe saying, Sanctify unto Me all the firstborn, whatsoever openeth the womb among the children of Israel, both of man and of beast: It is mine.*

Israel as a whole was considered as set apart to YHVH – His Firstborn – However, the literal firstborn of the house was also considered as belonging to Him! They were the TITHE! THE MAS! This brought about the LAW OF REDEMPTION! Which was typified by the Lamb Who Was Slain for Israel – the Firstborn! Could tithing be a sign of your FREEBORN STATUS – YOUR REDEMPTION! By acknowledging their change of status, Israel was freely acknowledging their obligation as A LIVING TITHE TO YHVH! As we continue...

- Sanctify, H#6942, **שָׁדַךְ**, Qadash. Abarim Publications infers the root origin as indicating a separateness, whether to holy or profane. If one listens carefully, the sound is remarkably similar to the Hebrew word for MONTH - **שָׁדַךְ** – Chodesh with the prefixed Qoph and Chet of both supplying the variant.

However, I want to stop here and call your attention to the two-letter root stem – Dalet-Shin. Which according to Kline's etymological dictionary gives us: A threshing, to cross over as in a doorway, to grow, sprout, to be or become green!

Moreover, the word Chodesh - Month hints at what is new, something that has ended being replaced by another, as in the month just past and now the first day of the new or next month. In addition, this Sanctification – Qadesh – is taking place at the Chodesh – the month of Greening, the season where one door closed (Winter/darkness) and another opens (Spring/Dawn). It conveys the same every DAWN of a new day! It is the season where the threshing or separation of wheat from chaff – Israel from Egypt - takes place, the season where the DOOR OPENS! This is the month that exposes what or who is holy and who is profane. Therefore, to willfully remain in bondage reveals allegiance to a king other than YHVH. This profanes His Name.

In conclusion, as we carefully consider what was happening in between the 9th and 10th plagues, the latter causing Pharaoh to thrust Israel out, we must not overlook the importance of the Wealth Transfer to the Firstborn of Israel which, according to **Ex. 12: 40-41** also occurred at the same time their 430-year bondage ended. This would have connected them once again to the timing of the Passover of **Gen. 15** typified in the offering of Abraham's son Isaac and exactly 430-years to the day

based on the 360-day calendar of Creation! This is the only vehicle that gives genuine Torah credence to these numbers! With that said, the Promise made to Abraham regarding his seed in **Gen. 15:5** where he is told to SAPHAR – Count or (Cipher) the Stars to take an accurate measure, to rehearse, to function as a SCRIBE or LEARNED man and enumerate their message to the Nations! This Calendar has ever been the Stellar Sign of Israel's Freedom! Thus...

The re-implementation of the True Calendar of Elohiym here in **Exodus 12:2** is found emphatically declaring the IDENTITY AND THE INDEPENDENCE OF THE NATION who dares to come out of Babylon/Egypt! It is not an accident that the Creation Covenant Calendar is once again being shown to His People at the timing of the Last Wealth Transfer! You are being set free!

Come Out Of Her My People!

Shalom!
