

Exodus 25:1-27:19; John 1:14; Revelation

We now move from the giving of the Covenant at Mount Sinai, which was broken to the detailed instructions given to Moses for Israel that will be overseen by the Levitical priesthood also known as ‘The Schoolmaster’ –

- **Gal 3:24** Wherefore the law was our schoolmaster to bring us unto Messiah, that we might be justified by faith. Gal 3:25 But after that faith is come, we are no longer under a schoolmaster.

Was this Levitical system always to be the veil between Israel and The Voice of YHWH? Was this the climax of such a great deliverance from enslavement? Is Elohim in the business of dwelling in tents, temples and taciturn tabernacle structures for a nation destined to be the Kingdom OF priests and kings here on Earth? Exodus 19:5-6 with 1 Peter 2:9 –

- Exo 19:5 Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth *is* mine: **Exo 19:6** And ye shall be unto me a kingdom of priests, and an holy nation. These *are* the words which thou shalt speak unto the children of Israel.
- 1Pe 2:9 But ye *are* a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light.

It has always been the destiny of Israel to be the nation OF priests and kings not a redeemed nation WITH a priesthood. YHWH Elohim can't speak, move, touch or change the lives of anyone by living in a manmade shoe box religious structure men want to call a Holy 3rd Temple!

Parashat T'rumah details the heart of the Mishkan and proceeding outward. In your own time, research the 10 times Moses goes up the Mount. We now will see a skip in the sequence of events that even rabbinic Judaism identifies regarding the Egel Zahav – The Golden Calf. It was because of this we now have record of Israel in need of a middle wall of partition UNTIL the times of refreshing shall come from above. Notice that Torah isn't chronologically given, the student must piece the sections together and this is called rightfully dividing the word of truth. PPT

- **Exo 25:1** And the LORD spoke unto Moses, saying: Exo 25:2 'Speak unto the children of Israel, that they take for Me an offering; of every man whose heart maketh him willing ye shall take My offering....25:8-9 Exo 25:8 And let them make me a sanctuary; that I may dwell among them. Exo 25:9 According to all that I shew thee, *after* the pattern of the tabernacle, and the pattern of all the instruments thereof, even so shall ye make *it*.

25:8 is key – וְעָשׂוּ לִי מִקְדָּשׁ וְשָׁכַנְתִּי בְּתוֹכָם: – The verse doesn't end with the phrase: 'Be'to'chai – In it, but **Be'tokham** – 'in them'. Be'tokham holds the N.V. of Be'Golgoltha/בגלגלת “Through the Golgoltha Altar our Mishkan transition would take place from the Corpus arena of Levitical priesthoods, animal blood and a nation WITH a Priesthood to the Melkhitzedeq Order where the only blood is the Lamb of Elohim and the only High Priest is Yahshua HaMashiach!’

This opening verse was a statement that exposed what we will see happening in Exodus 32. This is all happening at the same time. Moses is given this Pattern of Redemption BECAUSE of what Israel was doing at

the foot of Mt. Sinai -Dancing Calves. There is a distinction between Covenant Torah and Imposed Torah and yet both are in Torah as we see the shift from Exodus 24:11-2 and the rest of Exodus, Leviticus and Numbers. All this was because of a breach of Covenant. What we see happening from chapter 25 through Exodus 32 with this Golden Calf which demanded imposed Torah – tabernacles, temples, structured animal sacrifice, Levitical priesthood and a High-Priest of earthly origin all BECAUSE of idolatry. What we see happening in this week’s Torah cycle is a purposed skip in the sequence of events, an interruption of the narrative with the Mishkan details. Parashat Terumah focuses solely on this calf skipping event in the sequence that materialized with an entire sacrificial system and the Tabernacle of separation. Yes, Tabernacles and Temples were NEVER the perfect will of YHWH Elohim.

Parashat T’rumah details: **PPT**

1. The materials needed and required.
2. A half shekel from each man and woman no matter what level of financial ability. This Shekel represented the soul of each man and woman. Shekel – שקל holds the same N.V. as: Nefesh – נפש – Soul. All souls were interconnected and yet collectively separated from the Sh’kina indwelling them. Mishkan is based off this root – Shakan which means: to dwell, to abide.
3. The Ark and its ‘CROWNED’ cover.
4. The Menorah.
5. The Coverings, Planks, Walls. Walls and Borders are given because the people have trespassed.
6. Lastly the Altar and the Outercourt yard where animal sacrifice would take place.

What we see happening is YHWH Elohim gives instruction from the INSIDE out. He always deals with the heart of the matter and the heart of the people. The Mishkan stood as a type of uncircumcision because the hearts of the people were attached to Egypt and this Golden calf. Here is a shameless promotion for Andrew Hoy and the Dome shape Tabernacle – when it came to the planks, there were bars made of incorruptible wood overlaid with gold that connected the planks as one body. Exodus 26:28 says this: **PPT**

- **Exo 26:28** “and the middle bar in the midst of the boards, which shall pass through from end to end.”
- **וְהָבִייתָ הַתֵּיכֹן בְּתוֹךְ הַקְּרָשִׁים מִבְּרֶת מִן-הַקְּצָה אֶל-הַקְּצָה:** – we have a definite article before the word Bar which means ‘The Bar’.

This Bar would be positioned as: ‘The Bar’ who is The Mediator or **Arbitrator** of Israel. Note the next Hebrew word - הַתֵּיכֹן – from: Tokh – תוך = mediate, arbitrator. This same Hebrew word is also an astronomer, one who studies, not worships, the celestial bodies. He is the Arbitrator in the Mishkan and that tells us that within the Holy Place was a revelation of the 12 Celestial Covenant signs and message in the heavenly Luminaries. Withing the Mishkan we have something the rabbis are still puzzled by regarding this Gold Bar that went from East to West or can I say because of the Hebrew grammar here, East and West come to a complete cycle and touch each other leaving the observer with an unanswered question – “Where do they begin, where is their demarcation point?” Inside was a 360 radial connection that stood as two Firmaments connecting east and west into a full circle. But here is the mystery, this Bar miraculously BENT forming a 360 degree connection inside the walls. Here is what the sages said, **PPT**

Bavli, Shabbat 98b

It is written, “And the middle bar in the middle of the beams shall PASS THROUGH from end to end” (Sh’mot 26:28). One of the Sages taught: It stood means of a miracle. As this verse indicates that the middle bar was a

single rod that ran along the length and width of the Mishkan. The middle bar was miraculously **BENT** through the beams on three sides. (emphasis mine)

The bending effect creates the 360° completed cycle. So, from 24:12 through 32:1 the people had no idea how long Moses would be up on the Mountain neither did they know what he was doing or where he actually was. Exodus 24:12 – 32:1 takes the complete 40 days and 40 nights. During this 40 days Moses was receiving instruction that would double as a damage control, a plan 'B' back up plan. The Tabernacle sacrificial system needed no faith to function and perfection was never obtained in this system for over 1500 years UNTIL the Melkhitzedek Kohein HaGadol would arrive on the scene.

● **Heb 7:11** If therefore **perfection** were by the Levitical priesthood, (for under it the people received the *SACRIFICIAL* law,) what further need *was there* that another priest should rise after the order of Melchizedek, and not be called after the order of Aaron? Heb 7:12 For the priesthood being **changed**, there is made of necessity a change also of the law.

The change was a type of passing the baton and closure. Through Yahshua, the Melkhitzedek Priesthood was now on the scene.

Consequentially, Israel Let's continue forward and look at Covenant, then the revelation of this ancient Trust system YHWH created before our eyes and lastly, ending with the Altar revelation of the Torah portion.

Let us briefly look at the elements of a Covenant: **PPT**

1. The Oath – YHWH vowed in Genesis 1; Hebrews 6:13) 2. The Covenant Promise of Genesis 15.
3. The Sefer HaBriyt – The Covenant Scroll which was the answer to the Promise of Genesis 15 to Abraham (Exodus 19:5-24:8). 4. The Renewed Covenant (Jeremiah 31:31-33; Luke 22:20; Hebrews 8:8-10) 5. The Marriage Supper of the Lamb which is the fulfilled Oath of Genesis 12!

So, what we see happening between Exodus 25 through 32 is **damage control**. Something happened at the foot of Mount Sinai when the Covenant was being given to Moses seen in Exodus 24:12 “And YHWH said to Moses, COME UP to Me...and I will give you tables of stone, AND a Law, AND commandments which I have written that you may teach them.” “COME UP here AGAIN Moses...” **PPT**

Damage Control in Hebrew is: **בְּקֶרֶת גְּזָקִים** – which also means to investigate an injury. The N.V. of these words together mirror one another – 207+702 which equal: 909, the same as: **יְיָ אֱלֹהֵינוּ אֶדְנֵי אֱלֹהֵינוּ**

עָלֵינוּ הַמָּקוֹם מְלֶכֶי-צֶדֶק – Viy'hee Adonai Eloheinu A'leinu Ha'Maqom Melkhitzedeq = “**May the favor of The Master be upon us as we enter the Place of the Melkhitzedeq Order.**” It is only through this Melkhitzedeq Trust Covenant that all things will be restored back to its original intent.

The Mishkan stood as a witness that an injury to the Covenant took place and all who desire to remain in this structure are guilty until the Blood is applied.

Terumah/**תְּרוּמָה** - contribution, with a change of letter position we have: Te'murah meaning: *That which is exchanged, exchange, substitute, permutation. This Corpus type of Trust was a substitutional system including ALL parties involved and not an original plan. Keep this in mind. From: **רוּם** – to raise up; to be exalted, elevated, promoted; *to be haughty. Haughty means: to pride mixed with contempt. The offering exposes the pride and contempt AGAINST Holiness! To be 'contempt' means: to despise others. In a court of law, it means

to disobey the orders of the court of law. What we see being orchestrated is a Court setting. This is why there is the Altar in the Outercourt which leads to the Inner court where decisions are made and finally into the Sacred Space known as Chambers. What is also being displayed is the power and dominion of Trust Law –

First, this Mishkan was not a plan A, but a Damage Control plan B. now, we have this Outer Court system of sacrifice about to be implemented to TEACH us all the authority we should have and the enslavement we MUST exit from. We begin with an Outer Court system which is recognized as The Public domain because all Israel can see what is happening here to a certain degree. This goes even further back than Exodus, this system was revealed in Genesis 1-3. When Adam fell, a system of protocol, imposed law now, public domain where a Grantor would be needed, a type of Abraham; one who would stand as Father over the seed of His Covenant Promise. In Trust Law there MUST be a Grantor – this is YHWH Elohim. The Grantor appoints trustworthy subjects to handle ALL the assets within this Trust covenant agreement. Adam was appointed as a Trustee Now instead of the once High Priest of the Garden just as the Levitical Priesthood was chosen as the trustees of the Blood, Torah, Holy things, Kosher, Holiness and the Appointed Times and the Appointed Covenant Clock in the Heavens. **PPT**

Grantor in Hebrew is: **מַעֲנִיק** – Ma’anaq which also means: a **Gift of Inheritance!!!** Interesting the N.V. is 260, the same as: Ha’MoriYah – **הַמְּרִיָּה** – The Covenant Mountain – Mount Moriah The Place Yahshua sealed the New Covenant in His Blood. It is the Place of earth’s loftiest Altar Throne! The origins of the Trust is based off of covenant right. This Covenant right of The Trust Covenant is guarded by the Trustee which in the Tabernacle system was the Levites and now in Yahshua The Father – Grantor has given all authority and power on Earth as the Trustee of the Beneficiaries known as Israel! **PPT**

Back to this revelation in the Courtyard system of the Tabernacle. Now that the Grantor created the Trust Covenant system with its 3 tiered Constitution and the trustees are chosen – The Levites and the Beneficiaries recognized – The Nation of Israel; all the promises are placed into what is known as: **Trust Corpus – this Outercourt sacrificial system of sacrifice!** Corpus means a dead body, a damage control system of commerce. When this happens, a transition of ALL the assets are brought to a door known as: **The Passthrough Trust.** First, the Trust CORPUS became the Tabernacle system which pointed to a future type Tabernacle Corpus which The Word Himself would be enclothed with. Therefore Exodus 25:9 – the Pattern/Tav’niyt Moses was shown. All the assets, all the promises are placed in the **Trust Corpus**, inside Him are ALL the promises of Elohim which are yes and Amen!

In the Tabernacle there was a veil that separated the Outer from the Inner courtyards. Behind this veil we have what Scripture calls – Crowned Nazarenes – The Table of Showbread, Altar of Incense and the Mercy Seat. Each crowned with actual crowns including the Menorah which was crowned with Divine Light. Only beyond the Pass Through Trust/Veil can the priesthood experience this dimension of Kingdom privacy and true freedom. This **Passthrough Trust** is like the veil, in order to experience the Private Side of the Kingdom, status change MUST take place in the Outercourt Yard. This veil/Passthrough Trust separates the Public – death, Levite priests, animal blood, debt and CORPS from the Private side – Covenant, Life, Freedom which is Melkhitzedeq in nature and substance. In order to access this, one must PASSOVER/PASSTHROUGH the veil which is His flesh –

- **Heb 10:19** Having therefore, brethren, boldness to enter into the holiest by the blood of Yeshua, Heb 10:20 By a new and living way, which he hath consecrated for us, through **the veil**, that is to say, **his flesh**. (emphasis mine) **PPT**

Now that the Trustees are appointed – Levitical Priesthood, the focus is on the heirs, beneficiaries of this entire Trust Covenant of Promise through this System. Even the word Corpus means a dead body, a corpse, a corporation, a birth certificate, a Department of (fill in the blanks). **De** = to remove; **part** = to sever; **ment** = the mind. This is Department. The Trust Corpus system removes and severs the former control from the grips of the assets on behalf of the beneficiaries! The Outer Court of the Tabernacle in Moses' day was a type of Trust Corpus UNTIL Messiah Yahshua would come and rent the veil in two from top to bottom giving us access into the Private domain of the Kingdom!

An authoritative Department of Authority was revealed now in this Tabernacle of skin. In here are three crowned Altars are present and awaiting for the penitent man to access. The Assets are protected by a 3 layer Altar Crown dimension in this Sacred space no outside CORPS can enter into to attempting to make any claims EVER against this Holding Trust partition! This is known as the sub-trusts or the Crowned kings of the Holy Place. All the Moedim are patterned after a Trust Covenant System. The Scriptures are Trust Documents and Record Accounts at the same time. This is called '**The Holding Trust.**'

● **Psa 4:5** Offer the sacrifices of righteousness, and put your **trust** in the LORD.

He became a CORPUS so we can walk as: "**Nunc pro tunc ab initio**" in Latin – '**Now for then**' - in other words: full restoration of all things to be returned to it's former Order!!! Torah is the Trust Constitution for ALL Israel and ALL sojourners who are grafted in. Lastly, we have the **Master Trust** – the Qadosh HaQadoshim – The Holy of Holies. Basically, it is the Father the beneficiaries are met with regarding their inheritance transfer and promotion from once slaves to a world system to now heirs and joint heirs with the One who became the Trust CORPUS in our place and crowning us with favor and hope. In this sacred place is the Private Trust Constitution or can I say regarding the Tabernacle at hand – The Voice of the Covenant! This is what we have in Yahshua our Redeemer and Trust Protector of our souls!

As I mentioned earlier, in this Holy Place also know as the Holding Trust beyond the Veil – Passthrough Trust are the crowned kings –

It was from this Ark of the Covenant Vessel the Creator would speak from between the Cherubim. The Voice of all Creation uttered the highest prophetic level of communication this Earth could handle. The Ark of the Covenant in the Tabernacle spoke of Elohim's Throne on the Earth. Also, when we read of its measurements, the Ark of the Covenant took up no space in the Qadosh HaQadoshim. The space was 10x10x20 and the wings of the Cherubim measure 5 cubits by 5 cubits leaving no space. 10x10x20 gives us 2000 cubits. In Joshua 3 the Israelites were to stay behind the Ark by 2000 cubits. A Priesthood change of the Guard is happening, those who have been at the rear are about to be brought to the forefront carrying The Glory of His Presence!!!

Physics calculates the mathematical equation and says the Arks measurements prove it was not subject to natural space but was of a Quantum realm of existence outside time and space. Leaving only room for the Voice and Incense! Once again, the Voice, The Altar, The Presence all go together. You can't have one without the other. Each is connected to a term known as HaMaqom, The Place!! The Place is The Seat of His Glory!!

In Exodus 25:22 with Numbers 7:89 The Voice Spoke from this Crowned King-Priest Vessel!!! In Psalm 132:6-8 we have Israel finds the Ark of Strength!! From this place the Priesthood is clothed in Glory!! Where the Ark would go, there was victory for Israel. Mosheh passes on and Joshua takes the children of Israel to the foot of the Jordan river. It is when the feet of The Ark of The Covenant touch the Jordan river that the waters part and the people cross over. Yes, the feet of the Ark. The men carrying The Ark were actually CARRIED by the Ark and their feet became the feet of the Ark. What the Glory is carried by becomes part of the Glory itself!! The Ark is said to have been weightless when carried!! Because the Ark of the Covenant carried the entire nation

herself!! His Glory is what carries us!! If you feel weighed down in these days, know that the Glory is beginning to Crown in the Body of Mashiach!! The Glory of His Presence!!! The Cry is the sign of something about to be born!! All your pain, stress, trouble, doubt, worry, concern, wonder, fear is all coming to a close because the CROWNING of His Ark is taking place in our day and His Altar Throne is speaking as He comes to claim the beneficiaries of the New Jerusalem Kingdom of Heaven!!!

I have been on this journey regarding The Melkhitzedeq Altar for a long time now. Each of these vessels in the Tabernacle revelation is an Altar of its own. The Creator does nothing with man without an Altar because the Altar is where transactions between Heaven and Earth take place – exchange for the natural with the supranatural!! Adam was the first walking Altar which the Glory sat. Adam was the walking reflection of the Voice that would later be heard from between the Cherubim!! Noah BUILT an Altar as well as an Ark.

The Altar thought stands as a Testimony even above sacrifice – PPT -

🔴 **Jos 22:28** Therefore said^{H559} we, that it shall be,^{H1961} when^{H3588} they should *so* say^{H559} to^{H413} us or to^{H413} our generations^{H1755} in time to come,^{H4279} that we may say^{H559} *again*, Behold^{H7200} (H853) the pattern^{H8403} of the altar^{H4196} of the LORD,^{H3068} which^{H834} our fathers^{H1} made,^{H6213} not^{H3808} for burnt offerings,^{H5930} nor^{H3808} for sacrifices,^{H2077} but^{H3588} it^{H1931} is a witness^{H5707} between^{H996} us and you.

The Altar holds the power to stop the plague –

🔴 **2Sa 24:21** And Araunah^{H728} said,^{H559} Wherefore^{H4069} is my lord^{H113} the king^{H4428} come^{H935} to^{H413} his servant?^{H5650} And David^{H1732} said,^{H559} To buy^{H7069} (H853) the threshingfloor^{H1637} of^{H4480} H5973 thee, to build^{H1129} an altar^{H4196} unto the LORD,^{H3068} that the plague^{H4046} may be stayed^{H6113} from^{H4480} H5921 the people.^{H5971}

The Altar revelation has Faces and is the bridge between Heaven and Earth to Hear the affairs of Earth especially when an Oath is sworn –

🔴 **1Ki 8:31** (H853) If^{H834} any man^{H376} trespass^{H2398} against his neighbour,^{H7453} and an oath^{H423} be laid^{H5377} upon him to cause him to swear,^{H422} and the oath^{H422} come^{H935} before^{H6440} thine altar^{H4196} in this^{H2088} house:^{H1004}

🔴 **2Ch 6:22** If^{H518} a man^{H376} sin^{H2398} against his neighbour,^{H7453} and an oath^{H423} be laid^{H5375} upon him to make him swear,^{H422} and the oath^{H423} come^{H935} before^{H6440} thine altar^{H4196} in this^{H2088} house;^{H1004}

Take note these verses connected to The House, we will see the connection at the End, POWERFUL!

Three layers of The Ark speak of the Spirit, Soul and Body of The Voice It is The Ark of – Glory seen in the Mercy Seat, The Ark of Fruitfulness or Resurrection seen in the budded staff that originally came from Eden, The Ark of Strength seen with the Pot of Manna, The Ark of Supernatural provision with the Manna himself, The Ark of Kingdom Expansion with in the Manna, The Ark of Covenant Promises seen with the Covenant words on the stones, The Ark of Victory seen from the Crown of Gold and Cherubim. We can be here all day on each of these.

The Mercy Seat – The Altar of Mercy, The Altar of Atonement, The Altar of Crowning. The Ark of the Covenant stood as an Altar as well as The Crowned King of Glory.

The very Ark of the Covenant was Heavens represented of The Throne of Elohim on the Earth. In Psalm 80:1 with Psalm 99:1 we have a powerful thought – PPT -

🔴 **Psa 80:1** Give ear, O Shepherd of Yisra’el, Who lead Yosēph like a flock; Who dwel between the kerubim, shine forth!

● **Psa 99:1** יהוה shall reign; Peoples tremble! He is **enthroned** on the kerubim; The earth shakes!

● **Psalm 96:10** "...YHWH **Reigns** from the Tree..." DSS finding.

So much here. The Hebrew word for Dwell and Enthroned is Ya'shev which also means to sit. When we sit at the feet of The Word, The Mashiach, The Ark its as if we are enthroned before Him. He sits us in Heavenly places, a Hebrew idiom meaning to be enthroned as kings and priests!!! The numerical value of Ya'shev is 312, the same for יקרבו – to draw near or come close. The word that encapsulates the entire sacrificial system. It took the whole sacrificial system in its culmination to bring you the place of The Ark of Glory!!

When we think of Ark, what comes to mind? Exodus 25:10 **PPT** -

● Exo 25:10 And they shall make **an ark** of shittim wood: two cubits and a half *shall be* the length thereof, and a cubit and a half the breadth thereof, and a cubit and a half the height thereof. Exo 25:11 And thou shalt overlay it with pure gold, within and without shalt thou overlay it, and shalt make upon it a **crown** of gold round about.

The revelation ends at verse 22. Crown is the Hebrew word we get Nazarene from. The Crowned Nazarene is seen in the Holy of Holies and the Holy Place as Royal High Priest. At the Altar in the Outer court or Public is what everyone saw – the Debt and Sin Bearer! He was veiled BEHIND the flesh! Nezer has the same value as: Vayomer, And He said. Or we can say, "And He **RHEMAed!**" The Crowned Nazarene gives the Rhema Word, the Crowning Word of revelation. This is the Bread of Heaven!!

But I have a shift in the Narrative, I'm not focused on the Ark of The Covenant, but on another Ark, one that reflects The Manifestation of Yahshua HaMashiach our King of Glory, our King of Honor, our King of Righteousness, our King of kings, our King of Power, might and Weightiness!! I'm focused on another section of Scripture overlooked when it comes to Mashiach but still reflects the elements of the Tabernacle Ark of the Covenant. Let me at least address the Ark of The Covenant Briefly and still share why the sudden shift in the Narrative – PPT -

● **Jer 3:16** "And it shall be, when you have increased, and shall bear fruit in the land in those days," declares יהוה, "that they no longer say, '**The ark of the covenant** of יהוה.' Neither would it come to heart, nor would they remember it, nor would they visit it, nor would it be made again.

One of the many reasons why my shift. Also, in Hebrews and Revelation note these verses down:

● **Gen 50:26** So Joseph died, *being* an hundred and ten years old: and they embalmed him, and he was put **in a coffin** in Egypt.

● **In a coffin in Egypt** – בְּאֲרוֹן בְּמִצְרַיִם – In an Ark in Mitzrayim. There are those carrying the Ark of death of Mashiach Ben Yoseph in an Ark in Egypt or the World.

As long as the Message of the Kingdom stays locked up inside man's religious biases, there will remain no power!! No Manifestation of The Glory weight of Heaven/Shamayim sitting in the midst of the body of Mashiach!! Notice today we have a manmade crisis the mainline leaders today didn't see coming UNTIL it came. The Prophets of old, the Apostles of old would have seen this coming, but we didn't even see it coming and to no avail there hasn't been a man to step out with an end time anointing to address this invented plague of fear for what it truly is because the bones of Mashiach are locked up in an Ark that has no power!! Locked up in an Ark with no more Glory!! Locked up in a dry valley with no identity!! Locked up in a mountain top that doesn't speak anymore from behind the veil anymore! Locked up in the manmade Bema seats of deception, hiding the true Glory of The King that is waiting to be unlocked by the Voice in His sons and Daughters of The Crown. Not the crown of England, but The Crown, the Only Crown and that is the Crown of Glory that has sealed us with Ruach HaQodesh!!! It is the season to Prophecy to the four winds of change!! It is time to prophecy to The North, South East and West and proclaim,

"THE KING OF GLORY RESTS AMONG HIS TEMPLE MADE WITHOUT THE HANDS OF MEN, BY THE VERY VOICE THAT SPEAKS FROM THE SACRED SPACE BETWEEN THE CROWNS, BY THE

VOICE OF THE CHAMPION OF ISRAEL FIRST SEEN IN KING DAVID AS THE SHEPHERD BOY WHO DEFEATS THE GIANTS OF THE EARTH!! SEEN AND HEARD FROM THE VOICE SPEAKING OUT OF THE MOUTH OF THE FLESH TEMPLE INFUSED WITH RESURRECTION POWER AND GLORY BRINGING US INTO THE COVENANT TRUST CHAMBERS OF FREEDOM!!

We are carriers of His Glory!!! The Glory that should reflect The Ark of Glory, the Ark the book of Hebrews speaks of and the Ark the book of Revelation mentions!! The Ark of the Covenant seen in the Tabernacle was one of a temporary vessel. The Ark of the Covenant spoke of the Throne of Elohim on Earth. When the Ark moved it was walking. The Ark that was settled in Solomons Temple was stationary or the enthroned King Mashiach on Earth. Both pictured the Power of Heaven on Earth. The Crowned King behind the veil was seen when He tabernacled among men here on Earth.

For many years the stage was set to fool many people, deceive many people under the Trust Corpus known as Jesus Christ and false miracles not doing away with true experiences and manifestations. Where are the prophets carrying the Glory, really? Where are the true shepherds carrying the Glory? Where are the men and women of Elohim carrying like a mother ready to give birth to the weight of her belly, the Glory of Power, The Glory of His Kingdom?! Yahshua gave us the plan and that is His Kingdom come His Will be done on Earth as it is in Heaven!!! Back to the verses:

- **Heb 9:1** Then verily the first *priesthood* had also ordinances of divine service, and a worldly sanctuary. (**Worldly – cosmos; corrupt or fading away. Like a world fading away at each generation. Death ushered in the next High Priest of this system. In Mashiach, Resurrection ushered in the permanent Melkhitzedeq Priesthood!!!**)
- **Heb 9:2** For there was a tabernacle made; the first, wherein *was* the candlestick, and the table, and the shewbread; which is called the sanctuary. (**Notice YHWH Elohim instructed Mosheh to make a Sanctuary which was ultimately the people He would dwell inside of. The Sanctuary that ushers in The Glory or Weight of YHWH Elohim is one that contains The Light of Truth and Transparency, the Expanding Power of The Kingdom that influences all that hear it and the ever ascending aroma of worship from the sanctified soul!!**)
- **Heb 9:3** And after the **second veil**, the tabernacle which is called the Holiest of all; **Heb 9:4** Which had the golden censer, and the ark of the covenant overlaid round about with gold, wherein was the golden pot that had manna, and Aaron's rod that budded, and the tables of the covenant

Take note of this Greek word for Ark – G2787 goes back to Noah's Ark.

Just before the Great woman appearing in the Shamayim clothed in Light, the Moon under her feet and on her head crowned/stephanos with 12 stars (Heavenly Luminaries restored) we have something that connects these two chapters and The Glory of the Crowned Ark –

- **Rev 11:19** And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail. Take note of Hebrews 9:4 with Revelation 11:19 and the term Ark.

The Ark was made of Shittim Wood – What does this teach us?

Shittim wood was an incorruptible type wood that grew out of the ground. In Hebrew: **PPT** -

שִׁטִּים – Shittim, from: **שָׁטַט** – So'teit which means to pierce, flog, goad. The wood is the foundation material that stands in the face of the accuser of the brethren – Satan. Shittim has the same numerical value as Satan –

- **שֵׁטָן & שִׁטִּים** – Shittim Wood and Satan both equal 359. The wood of The Ark of the Covenant stands as the One who defeats all the kingdoms of Satan and Satan himself.

Wood speaks of The manifested Word who came to destroy the works of the Devil. The Wood of The Ark gives us the picture of The Ark of Noach. But we have a shift with Noach's Ark, it was made of something like wood – PPT -

This Ark was a Walking Ark!! It was more than a box or boat!! We shall see!

Made of Gopher wood – **PPT** -

- **עֵצֵי גֹפֶר** – Ei'tzei Go'pher can be read as: 'My Tree of Sulphur'. Sulphur, a type of resin ash from Volcanic element. The Ark of Noah was a picture of more than a boat. It was a picture of Adam who would be made of embers of fire. This Teivah was like an illuminated vessel containing all the promises and assets in his loins.

Here is where it gets interesting, this Ark had 3 rooms. The Ark of the Covenant had three layers – Wood, gold without and inside. We have the Tabernacle Pattern, Solomons Temple (Skip second Temple which is the Harlot) and the Third Temple revelation. Three compartments also called in Hebrew, Nests. Yahshua said –

- Mat 23:37 O Jerusalem, **G2419** Jerusalem, **G2419** *thou* that killest **G615** the **G3588** prophets, **G4396** and **G2532** stonest **G3036** them which are sent **G649** unto **G4314** thee, **G846** how often **G4212** would **G2309** I have gathered thy children together, **G1996** **G4675** **G5043** even as **G3739** **G5158** a **henG3733 gatherethG1996 herG1438 chickensG3556 underG5259 her wings**, **G4420** and **G2532** ye would **G2309** not! **G3756**

תְּבַהַ - tēbâh ark, **PPT** -

This Hebrew concept is also the word for box and Word. It is used in the Babylonian Talmud for the 9th of Av when the Temples were destroyed. It is also the term used for the Post Office Box. Its as if YHWH Elohim was sending us a message. As we read this Ark walked upon the waters in Noach's day and it is also a reference to Yahshua The Word who would walk upon the streets of Jerusalem during His ministry in the face of the Roman Commercial system of taxation. Yahshua was the Carrier of the Glory of Elohim. This Ark of the Covenant contained three layers of revelation made His final journey up on Golgotha the thirds layer of His Journey. Above the door of this Ark was a window made. Yahshua proclaimed to be The Door of the Sheepfold, John 10. Above the Door is the window of the Word. In Hebrew this is called the Tzohar. The Hebrew term Tzohar is 295. It is the Melkhitzedeq Priesthood that contains the revelation of the Ark of the Covenant and all its components from the wood to the elements inside and the Mercy seat of Atonement. Also, the Priesthood of our righteous King contains the revelation of the Teivah or Ark in Noach's day which is a picture of the coming of the Son of Man who takes away the Curse or Ararat – Mount Ararat. Mount Ararat in Hebrew – PPT -

● Gen 8:4 And the arkH8392 restedH5117 in the seventhH7637 month,H2320 on the seventeenthH7651 H6240 dayH3117 of the month,H2320 uponH5921 the **mountainsH2022** of **Ararat.H780**

● **Mountains of Ararat** – or the place where the Lifting of the Curse has Crowned!!! This happened on Golgotha. Notice the date, 17th of the 7th month, this would be the second Passover when the Calendar gets changed later in Exodus 12. As I mentioned before, could it be that the Curse is lifted as The Crowned King of Glory returns and this returning could it be during the second Passover?

The Window was placed Between the 2nd and 3rd floor. Mashiach will return after 2 days and Heal us or Lift the Curse. Ararat has the same value as 410, the years the second Temple stood before it was destroyed! The Harlot system will be destroyed that has been conjured up by a wicked sect within the Ashkenazi sect of Judaism being the promoters of the Third Temple deception today. Take note of the Prophet:

● Jer 51:27 Set ye upH5375 a standardH5251 in the land,H776 blowH8628 the trumpetH7782 among the nations,H1471 prepareH6942 the nationsH1471 againstH5921 her, call togetherH8085 againstH5921 her the kingdomsH4467 of **Ararat,H780** Minni,H4508 and **Ashchenaz;H813** appointH6485 a captainH2951 againstH5921 her; cause the horsesH5483 to come upH5927 as the roughH5569 caterpillers.H3218

Notice Ararat and Ashkenazi connection. The resting of The Teivah or The Word of revelation that walked upon the waters removes the Curse from the Mountains or hidden places of the seed of Japeth – Ashkenazi!!! Look at the word Ashkenazi in Hebrew – PPT -

● **אשכנזי** – the heart of this word is Shakan, the same word used when Mosheh is given the Tabernacle revelation in Exodus 25.

The heart of tis Hebrew word is Shakan. The letters left over are A'zee which can mean then for now or in Latin, Nunc Pro Tunc ab initio, “As it was IN THE BEGINNING for now!” A phrase we as a people of this land called Earth need to get familiar with very quickly in these days!! This Hebrew term also means to reintroduce something that should have never been removed. The Glory of The Kingdom that we once had in The Garden is returning. The Dominion we are to walk in is upon us!! The Prophetic Mantle of the Melkhitzedeq is descending as a Garment!!

There is the Serpent Seed hiding beneath the garment of Ashkenazi that is keeping the people focused on the Ark that used to be instead the Teivah that will come walking upon the clouds of Glory!! The Ark of Noah WALKED upon the Waters of Judgment and RESTED or Noached upon the Mountain of Ararat. There is a Noah Generation that are the carriers of The Ark of Glory which is seen in the revelation of Noachs Ark!! This Ark carries the Generation of Noah, made up of every tribe and tongue as Hosea spoke in chapter two with the beasts and Peter saw in Acts 10!! Yahshua said as I was in the days of Noah so shall it be with the coming of the Son of Man. A term well known in the prophets, well known in Enoch and well known in the corridors of Heaven.

The Ark of the Covenant I speak of is the revelation of the Teivah, the Manifested Word that bursts forth from the generation of Noah just before the coming of the son of man, Ben Adam!! The Last Adam. The City of Adam seen in Joshua 3 is the City that holds the waters back so the Nation can walk into the Promised Inheritance!! The Adam Generation is the Last Generation, the Rest is the Glory of Noachs Ark or the Ark of the Covenant that crushed the Mountain of curses!!! The seed of the serpent has been planted inside religion, the so called guardians of the Tree of the Knowledge of Good and Evil cloaked in the Scroll of Torah with the Babylonian seasoning!!! Yahoshua and The Ark CARRY US into the Promised Land as the City of Adam holds back the waters of descending judgment because of the Pierced one!!!

The Ark had a window, that window is called Tzohar. This one Hebrew word has a numerical value of 295. When we combine the ONE Priesthood with our Righteous King of that Priesthood who Carries The Glory, who carries the Crowned Nation of kings and priests, who carries the Crowned Holiness of the People, who carries the Crowned Fruitfulness, Expanding Leaven of The Kingdom, the Covenant Sapphire Stones, the

Crowned Mercy Seat of our Atonement only fulfilled in Mashiach Yahshua. This one Priesthood with its value equals the hidden Mystery of The Window over The Door of The Teivah and that is: **PPT** -

מלכי־צדק Melkhitzedeq – My King of Righteousness!!!

Yahshua is the Trust Corpus and Immanuel is The residing Champion of Heaven, Covenant Trust Protector who reigns from The Ark of The Covenant which hung on the Tree for you and I and rose from the dead in Victory!!! The Crown upon the Ark of The Covenant concealed behind The Ark of Noach walked among us some 2000 years ago and was Crowned King of the Earth and returns as our Righteous King of the Universe here on Earth.

The same Mount Sinai revelation is right here. The Altar of Heaven opens and we see it, can you see it? It is right above us plain as daylight if I may!!! The Ark we all have been waiting for!! Not the Ark of the Tabernacle, not the Ark of Solomons Temple which both manifested the Glory behind the Veil, but The Ark that had three levels of revelation and a Window. Just like the River heads of Eden!! The Ark here is the same Greek word used in the LXX for the Ark of Noach, not the Ark of the Covenant in the Temple!!

The **Teivah** returns as the Crowned King!! Crowned as The Bread of Heaven with the giving of the Ruach HaQodesh!! Crowned as The Altar of Incense or our Great High Priest who passed through the highest Heavens making Atonement for us! The Crowned Ark/Teivah – The Crowned Word who cleansed us by and Through His own Blood. Giving us our identity as sons and daughters of The Ark of His Covenant!!!! Teivah in Hebrew can be read also as: **תְּבִיחַ** - The Covenant inside Her; **הֵבֵט** - Behold The House. The Teivah comes with the

Glory of The House first seen in The Beginning or: **בראשית**. It is Through The Beginning all things are restored unto The Glory the Son had with The Father before there was any Creation.

Finally, we have our Champion Redeemer of Israel!! Our Champion Elohim with us and in us. Yahshua is the name given for the assignment and transaction of Redemption as our Melkhitzedeq while Immanuel is the ever-abiding Glory of this manifested Inheritance –

● **עִמָּנוּאֵל הָאֱלֹהִים** – Immanuel The Champion!! No surprise the numerical value of this Hebrew phrase seals the revelation – the numerical connection is 329, the same for:

אֵלֹהֵי כְבוֹדִי מִלְכִּי־צְדָקָה

“My Glory brings forth The Melkhitzedeq!”

The Ark of Glory brings forth The Melkhitzedeq Power and it has begun to Crown. His Crowning overthrows all others!!! Our Parashat bookends the Priestly gap from the Ark of The Covenant and The Altar in the Outercourt Yard. Barukh Hashem Yahuwah Yahushua HaMashiach our King of Righteousness!!!
Amein Amein!!
