

MONEY TALKS: NOT THAT BREAD

JOHN 6:25-70

HAVE TO

To teach what Jesus taught, you have to teach about money.

FOLLOWING HIM

Your behavior with money is a great measure of your maturity.

ESPECIALLY MONEY

The position of the heart must be in place before the pragmatics of the habits will make sense.

BIG PROBLEM

The wrong solution for a significant problem can be very dangerous.

THE ISSUE

We want money to do what only God can.

REAL QUESTIONS

1. Are you more interested in lunch or life?
2. Are you offended by this teaching?
3. Are you in agreement with Peter?

EAT UP

Jesus is the only food that can satisfy the appetite of your soul.
