

GRACE'S INTENTIONAL IMBALANCE

We get to focus our eyes externally and eternally.

GET TO

We have the privilege of being sent by God to connect others to God, and we want this opportunity.

AT SOME POINT

“Get to” must move from theory to reality.

OUR PART

The results are not on us, but the work is.

AS WE WORK

Some “how to” helps us be wise in our work.

THE CALL

In your space: As you are going, do the work to be showing.

SHOWING

1. Talk to God
2. Watch for opportunities
3. Offer hope

SO COOL

You will experience more of God the more you are on mission for God.
