

# LOVE IS NOT

## Easily Provoked

Matthew 26:31-35, 47-54

---

### LOOK AROUND

There will never be a shortage of opportunities to be offended.

### LET'S BE HONEST

Our irritability only increases those opportunities.

### WHERE THAT LEADS

Instead of responding intentionally we react emotionally.

### LEARN TO LOVE

Choose mission over the moment.

- Love clarifies what matters most.

### ON MISSION

1. Rely on prayer and God's word.
2. Replace justice with "just as."
3. Remember the end.

### WHY THIS MATTERS

Mishandled moments result in people missing Jesus.
