

THE GAP

The marriage we are experiencing is often not the marriage we expected.

THE TARGET

Close the gap.

WHAT IT TAKES

Wonderful marriages require two willing servants.

PURSUIT

Serving requires stepping toward.

NO SURPRISE

We see the connection between effort and progress.

INCONSISTENT

We treat marriage like “the connection” does not apply.

THE RESULT

We are left with: a great marriage will just happen, or I guess I am stuck with what I have.

STARTING DECLARATION

I believe my marriage can be better.

A BETTER MARRIAGE

Play to win.

WHY PLAY THAT WAY

1. Glorifies God.
2. Benefits your children.
3. Enriches life.

AGAIN

Consider God’s relationship to the church.
