

INSTINCTIVELY

We want the bad to go bye-bye.

CHALLENGE

Bad is based on a standard, and standards vary from person to person.

WHY QUESTION

It feels like God should be doing some things He is not.

THE POINT

Our judgment is coming on His time.

REALITY OF THE PROCESS OF JUDGMENT

1. Wheat or weeds
2. Planting and perverting
3. Patience not permission

PLEASE

A logical reaction should be reflection.
