

PURSUIT

Moving toward one another in service requires the right mindset and the right skill set.

SUPPOSED TO BE BOTH

We expected marriage to be functional... and fun.

AFTER A WHILE

We find ourselves doing marriage but no longer enjoying marriage.

THE DESIGN

Marriage is a gift that is meant to be enjoyed.

UP TO YOU

Enjoy the gift.

PURSUING ENJOYMENT

1. Maximize the mundane.
2. Celebrate frequently.
3. Act today, not someday.

BIGGER PICTURE

Good gifts point us to a good God.
