

FACT

The people you are surrounded by are one of the most important factors in whether you “sink” or “swim.”

THE RIDDLE WE SENSE

In the world of relationships: friendship is often the most undervalued, neglected, and wanted.

IN THE MIRROR

1. Do you have real friends?
2. What kind of friend are you?

CALL OUT

Friendships are discovered more than they are designed.

YOU CAN

Be the friend you wish you had.

BEING THAT FRIEND

1. Constancy
2. Care
3. Counsel
4. Color

REMEMBER

Great gifts should always point us back to the giver of the gift.
