

IN THIS SERIES

We have been examining the realities of our lives by considering current directions and desired destinations.

SELF DECEPTION

We follow our feelings when we should follow the facts.

UNDER IT

We think we are the exception.

GET IT TOGETHER

Choose discretion over danger.

CHEAT CODE

The right questions being asked at the right time.

SOME RIGHT QUESTIONS

1. How does the Bible speak to what I am seeing?
2. What would the most godly person in my life say to me about this situation?
3. Is there a tension in my conscience that deserves attention?
4. How does this potential danger impact the story I want my life to tell?
5. Is there anything that could make me overconfident and lead me to ignore this potential danger?

ALL OF US

There is an unavoidable danger ahead we all have to consider - death.
