

# LIVING THE DREAM: THE RELATIONSHIP PIECE

GENESIS 2:18-20, PROVERBS 27:5-6

## WHAT'S THE ISSUE

I have angst in my soul even though I am “living the dream.”

## LIVING THE DREAM

The right relationships are a part of the dream.

## WHERE WE ARE

We are often surrounded by people, yet we feel lonely.

## GOD AGREES

Meaningful relationships matter.

## THE ISSUE

We have association, not connection.

## REAL CONNECTION

Healthy, meaningful relationships achieve intimacy through intentionality and vulnerability.

## REAL RELATIONSHIP

People who you know are for you and with you even when it does not feel like they are for you or with you.

## GETTING THERE

1. Identity - I am defined by Jesus.
2. Trust - I believe this person wants the best for me.
3. Teachable - I want to grow.

## THE BEAUTY

A relationship with Jesus provides the real connection we all want.
