

TIS THE SEASON

The Christmas season functions as a magnifying glass to our lives.

THIS MATTERS

There is too much at stake to be haunted by the ghosts of past, present, and future.

THE PRESENT

Life is being lived at the limits.

RESULT

The limits leave us no margin and no peace.

THE FATAL “WHY”

We often believe the life we want for ourselves is the life God wants for us - so we chase that version of life.

THE PROPER VERSION OF THE PRESENT

Practice the discipline of ordering your order.

- Our regrets will shrink where God grows.

THE DISCIPLINE OF ORDERING

1. How are you currently ordering your life?
2. Do you trust God with your life?
3. What are you defining as “all these things?”

PRESENT = TODAY

Make God the starting point, not an add-on.
