

LIVING THE DREAM

I am busy doing all the things that I believe I am supposed to be busy doing.

ANGST

I feel unsettled because I thought “living the dream” would settle my soul.

THE RIGHT DREAM

Maybe we are living the wrong dream.

RATE OF SUCCESS

Anyone should be better when they know the play ahead of time.

PREDICTABLE

We should not be surprised by the status of our souls.

YOU WERE WARNED

Humanity is chasing what we were warned not to chase.

- Angst will be present when there is a gap between the desires of the divine and the desires that are mine.

THE DESIRE WARNING

1. Pleasure abuse
2. Possession accrual
3. Position advancement

IS IT EVEN POSSIBLE

Consider Jesus.
