Our church is healthier at the end of this series.

ACTION

The why to your what matters.

UNSEEN

Visible health is not an equal sign to real health.

HUGE DANGER

Warning: Your life becomes characterized by the performance of a Christian without a connection to the person of Christ.

FIRST LOVE

A distant heart will lead to a dead faith. (Or, at best - dysfunctional)

THE RELATIONSHIP

Our health and our why are related to a who.
