

PARABLES

The parables reveal the essence and expectations of the Kingdom of God.

YOU KNOW

The right thing can be done in the wrong way.

A STEP FURTHER

Sometimes, right practices are ruined by a wrong posture.

THE POINT

Don't be the pharisee.

THE RIGHT POSTURE

The complete inability of religious works to save me.

The constant need for the mercy of God to sustain me.

PLEASE

Don't miss the radical nature of the mercy of God.
