

## THE CHURCHES OF REVELATION

Failures to avoid and examples to follow.

## IT'S THE AIR WE BREATHE

We live in a culture of quitters.

## THINK ABOUT IT

Quitting is usually the product of short-term focus on what's difficult.

## THE PROBLEM WITH QUITTING

Fixating on what is most difficult often causes us to miss out on what is most rewarding.

## WINNING

Victory belongs to those who endure.

## PILLARS OF ENDURANCE

Guided by the Word Of God.

Challenged by the People Of God.

Comforted by the Hope of God.

## WHAT GRACE NEEDS

Our church needs fewer quitters and more endurers.
