

# GOOD GOALS, BAD GODS

## Relationships

Matthew 27:11-26

---

### REALITY

Everything involves relationships.

### IT MAKES SENSE

We want great relationships.

### THE PROBLEM

We have bad relationship metrics.

### BAD GOD

Don't seek from others what you should get from God.

- The fastest way to forget what God says about you is to obsess over what others say.

### THE RESULT OF

People's approval vs. God's approval

1. Rejection vs. Acceptance
2. Compromise vs. Mission
3. Blame vs. Trust

### GOOD GOAL

God says: "You are my child, whom I love, with you I am well pleased."

### THE RESULT

Seeking approval in the right relationship ensures health in your other relationships.
