

# Grace at the Movies doesn't have to end!

Think through these questions next time you watch a movie. You might be surprised what you find!

**1** Did this film present a worldview (a general perspective) that was Christian or non-Christian?

**2** Was there a messianic or “savior” character in this film?

**3** Was there a certain sin that you identified with in this film?

**4** Were there characters in this film, good or bad, who you identified with?

**5** Did you feel that the filmmakers' message brings glory to God?
