

YOU ASKED

He Said No

Matthew 7:7-11

CHRISTIANITY

There are good answers for many of the questions people are asking.

TRANSACTIONAL EXPECTATIONS

You do your part, the other party does their part, and you get what you want or need.

YOU AND GOD

We bring our transactional expectations to our interactions with God.

UNANSWERED PRAYERS

God is not doing His part.

ANSWERING PRAYERS

Your Father knows best, and He will only give what is good.

- Consider the cross and creation when receiving answers to prayer.

TRUSTING/UNDERSTANDING THE GOOD IN THE NO

1. A yes would keep you from the best.
2. Your rebellion is not being rewarded.
3. The “no” is really a “not yet.”
4. Your requests reflect your plan, not His mission.

BE HONEST

What would result if all of your prayers from this week were answered?

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
