

THE ISSUE

We articulate that we love and follow Jesus, but our actions don't reflect that.

ALMOST ALWAYS

The more uncertain the outcome is, the less likely we are to take the opportunity.

CHRISTIAN ATHEIST

I say I am a Christian, but I don't share my faith because "it's complicated."

THE CHURCH TODAY

We have become "sit and listen" Christians instead of "go and tell" Christians.

AVOIDING CHRISTIAN ATHEISM

Gospel confidence outweighs potential complications.

GOSPEL CONFIDENCE

1. The gospel is an obligation to me.
2. The gospel is necessary for them.
3. The gospel is beautiful to us.

SHARING OUR FAITH

The potential outcome is worth the potential price.
