

THE HOPE

By studying these seven churches, we are learning and applying in order to be growing.

THE PICTURE

It is foolish and frustrating when anything moves away from the picture.

THERE IS A PICTURE

God has a desired picture for every Christian - Christlikeness.

See the connection between salvation, regeneration, sanctification, and ultimately glorification.

CLEARLY SAID

God cares how you behave. How you behave flows from what you believe.

DECEPTION DESTROYS

Compromising on truth compromises the picture.

PROTECTING THE PICTURE

1. Be careful who you learn from and listen to.
2. Examine the story of your lifestyle.

GOD'S FAITHFULNESS / OUR PART

Work with, not against. Pursue the new, not the old. Hold truth, discard lies.
