

COUNTING ON IT

I was shaken when it was taken.

WE ARE ALL SEARCHING

Everyone is looking for purpose, but few people find purpose.

IT'S UNSETTLING

When our "purpose" shakes, we fall apart.

WHY WE ARE SHAKY

We often look for purpose in specific circumstances.

WHAT WE NEED TO UNDERSTAND

Your purpose is to live on purpose for His purposes.

LIVING ON PURPOSE

1. Your purpose will humble you.
2. Your purpose will cost you.
3. Your purpose will stabilize you.

A SOBERING THOUGHT

Your purpose can never be taken from you, but it can be abandoned by you.

A SHORTCUT

Instead of what am I here for, ask who am I here for.
