

## WISDOM

Appropriately recognizes and responds to potential danger.

## SOMETHING SO DANGEROUS

Marriages have ended, wars started, friends destroyed, influence lost, and relationships ruined over careless words.

## AS A CHRISTIAN

I should never take casually what Jesus takes seriously.

## WHAT'S IT GONNA TAKE

My big mouth is a big deal to God.

## IT'S A BIG DEAL

1. When I open my mouth, I roll the dice.
2. Cursing people curses God.
3. My mouth says what my heart means.

## KEEP THIS IN MIND

You can't tame it, but you can train it.

## IN THE END

The more I am captured by grace, the more I am freed from the destructive power of my mouth.
