

GRACE FELLOWSHIP'S HEART

We are good news people.

NOT COMING DOWN

A mindset demonstrated through a project that Grace is going to try and take ground.

PAYING THE PRICE

All of us have to believe this project is important.

ADAPTING TO THE TIMES

The mission has not changed, but the methods must.

RIGHT NOW

We have a responsibility in this opportunity to act with strategic urgency.

THE NEW ADDITION

1. Space
2. Trust
3. Movement

OUR "AT BAT"

We will not go down looking. We are going to swing away.
