

THE THING

The gap between the Christian life you long for and the one you live is found by going deeper in the gospel.

MY HOPE

Clear information and compelling inspiration.

FOR MANY IN CHURCH

The problem is often not an incorrect view you hold to, but rather an incomplete view.

IT IS MORE

The gospel is not the ABCs of Christianity; it is the entire alphabet.

- The gospel is not just the power to save you; it is the power to shape you.

THE GOSPEL

The news that God loves and desires a relationship with humanity.

- The gospel is not just good news; it is the greatest news.

GOSPEL COMPONENTS

1. God
2. Humanity
3. Relationship

THIS IS SPIRITUAL

The journey that has to happen is God moving gospel truth from your head to your heart.

THE JOURNEY HINGES

You have to believe God loves you and that the giving of His love has nothing to do with what you have done, are doing, or will do. He loves you, and He will not love you more or less no matter what.

GOSPEL RESPONSE

You will desire to love the lover.
