

THE COBWEBS

Pursuing clarity and correction by trying to define what is and is not Christianity.

NOT FUN

We don't usually enjoy the feeling of being evaluated.

THE REPUTATION

Christians are the moral police.

YEAH, THAT'S NOT CHRISTIANITY

A disposition marked by condemnation.

THAT'S CHRISTIANITY

A love of people that is greater than a love of positions.

- Assessing a position should not move to dismissing a person.

REAL LIFE

1. Mirrors over binoculars.
2. Holiness does not equal hate.
3. Know your audience.

TRUE CHRISTIANITY

The gospel should move us towards not away from those who are wrong.
