

OUR CHURCH THIS YEAR

We get to focus our eyes externally and eternally.

GET TO

A spirit of privilege when a task meets desire

ROADBLOCK TO DESIRE

To win externally and eternally, we have to first win internally.

WINNING INTERNALLY

Let your faith shape your feelings about sharing your faith.

FAITH SAYS

1. It's obedience in the moment, not ownership of the process
2. This depends on God's sovereignty, not my skill.
3. What I will gain matters more than what I might lose.

GOD SAYS

Gospel bringers are beautiful.

IN OUR NEXT STEPS

Believe that what's ahead is going to be beautiful.
