

THIS EXPLAINS IT ALL

It's Broke, But

Genesis 3

THE DESIRE

Create a conversation about life's biggest questions.

FACE IT

Examine the basis of your faith.

IT'S ALL GOOD

Through Genesis 1-2, all creation operated in perfect shalom.

YOU SENSE IT

Something in your gut says that things are off.

THE EXPLANATION OF THE WORLD

We broke it and only God can fix it.

Sin is the sickness that broke shalom.

WHAT BROKE

Humanity's relationship with God.

Humanity's relationship with others.

The functionality of creation.

BUT GOD

Pursues.

Promises.

Provides.

THIS EXPLAINS IT ALL

God made a good thing. We broke it. We feel the brokenness. God is patiently fixing it. The best is still to come.

THE QUESTION

Will you experience the move from the brokenness of now to the best of the then?

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
