

SELAH

The goal is to put life in your life.

SIMPLY PUT

Credit should be given where credit is due.

THE ISSUE

We tend to claim too much credit for ourselves and not give enough credit to others.

THE HEART OF HYMNS

Every moment is filled with opportunity to give credit to God.

IN ORDER TO SELAH

Acknowledge the Author.

OPPORTUNITIES TO ACKNOWLEDGE

1. See the hand of God in the world.
2. See the heart of God in the word.

BE CAREFUL

It's hard to see and acknowledge God when we're so focused on ourselves.
