

YOU ASKED

Unique

Romans 3:19-36

STARTING POINT

We all have a set of beliefs.

FOR MANY

Claiming absolute truth with your beliefs is arrogant.

IN REALITY

Absolutes are unavoidable.

AREN'T ALL RELIGIONS THE SAME?

Similarity does not equal sameness.

- Either none are right or one is right.

DEFINING LINE

Only God can get you to God.

UNIQUENESS

1. Human Condition - helpless vs. hopeful.
2. God - personal vs. practical.
3. Path - receive vs. achieve.

FOR YOU

What are you choosing to believe?

Please be considerate of others during the worship service by silencing your phones, refraining from texting, and taking disruptive children out of The Main.
