

THIS MATTERS

Your influence with others is limited or lifted by your people skills.

OUR WORLD

You and I are trained for easy and instant.

THE VALUE

Time is a secret weapon in development.

OF COURSE

You can't build what you walk away from.

THE PEOPLE SKILL

Stick it out.

IN ORDER TO DO THIS

1. Engage necessary conflict
2. Resist other options
3. Own your part
4. Consider the potential

NEVER FORGET

The Lord sticks it out with you.
