

## BRAND PROBLEM

Christians have polluted the picture of Jesus and His heart.

## THE POLLUTION

Many professing Christians have shouted about what Jesus is against and whispered about what He is for.

## SO AWESOME

The church needs to understand and elevate what Jesus is for.

## SAME, SAME

What Jesus is for, Christians should be for.

## EVER NOTICE

The gift we wanted can become a gripe we whine about.

## JESUS IS FOR

Children should be seen as a blessing and not a burden.

## BEING FOR CHILDREN

1. Imitate their faith
2. Protect their being
3. Reach their soul

## THE HEART OF GOD

The reality of children being invited into a relationship with God reminds us that everyone is invited.
