

## IN DETOURS

We want to hear from someone who has been there.

## MORE THAN JUST “BEEN THERE”

The beauty of experience is the benefit that's passed on.

## THE DIFFERENCE

What you pass on from your experience is determined by your posture in the midst of that experience.

## PASS IT ON

Let your trial be their teacher.

## THIS POSTURE

- Requires you to be a humble learner.
- Enables you to be a helpful leader.

## ALL OF US

God is using all of our detours for all of our development.
