

BIG MIRROR

Goal: Reveal the reality of the accuracy and tenacity around your beliefs.

IN TROUBLE

Difficulty arises when we make too much of the small or make too little of the big.

WHAT ABOUT YOU

How seriously do you take the idea of sin?

NOT A MOLEHILL

Sin is cosmic treason against a perfect, holy God. It offends God, separates humanity from God, and destroys everything it touches.

TAKING IT SERIOUSLY

Be killing sin, or it will be killing you.

WINNING THE SIN BATTLE

1. Recognize
2. Resist
3. Replace

BUT

The gospel is the good news of the complete victory over sin that is offered to all and that Christians have because of and in Jesus.
