

NOT IF, WHEN

The Goal: Heal the hurt in a way that the hurt becomes a catalyst for health.

NAVIGATING REALITY

“What if” generates questions. “Even if” creates clarity.

THE CLARIFIER

God is the center of everything.

THE BIGGEST “EVEN IF”

I will worship God no matter what happens in my life.

THE PATH TO HEALING

Lift your eyes from your hurt to His being.

LIFTING YOUR EYES

1. Choice over feelings.
2. Presence over pain.
3. God over everything.

RESULTS

1. You are freed on mission.
2. Your countenance improves.
3. Your enemy flees.

I DARE YOU

It is never a bad thing to worship the King.
