

THE HOPE

We are learning from some examples of those who lived for God in Babylon so we can apply those learnings to our babylons.

FOR THE MOST PART

We prefer that people see “things” our way.

ART AND SCIENCE

Influence is a tool that allows us to move others from their view to our view.

YOU CAN TOO

Influence is not an accident.

- High character creates credibility. Credibility builds influence.

CLUBS OF INFLUENCE

1. Integrity
2. Wisdom
3. Humility
4. Care

THE WIN OF LIVING IN BABYLON

Our influence becomes a conduit for His influence.
