

TIS THE SEASON

The Christmas season functions as a magnifying glass to our lives.

PAST, PRESENT, AND FUTURE GHOSTS

We can't let the ghosts best us from God's best.

IN US ALL

We all have a preferred future.

FOR CHRISTIANS

Much of our preferred future is prescribed no matter the context of the future.

THE FUTURE

For many, there is fear of the way the world is moving.

WHEN TRYING TO EXECUTE

Fear hinders focus.

PURSUING THE PREFERRED FUTURE

Filter your fear through your faith.

- Your faith will move you from fear to faithfulness because faith will focus you on God and not your circumstances.

A FILTERED FAITH

1. Stay on mission.
2. Commit to character.
3. Prepare for home.

MOVING INTO THE FUTURE

Be more focused about what you are becoming than what the world is becoming.
