

IN OUR SPACES

Provide responses that communicate the principles of Jesus and the heart of Jesus.

DEFINING THE PHRASE

“Illegal” never defines someone’s humanity, but it can define their activity.

TENSION -

1. Borders are in bounds.
2. Obedience to God includes obedience to government.
3. We should have special care for whomever God has special care for.
4. Immigration is Gospel imagery.

JUGGLE THEM ALL

Live within the biblical tension.

THE TENSION IS OFF IF...

1. We have a low view of the people God views highly.
2. We want order without authority.
3. We disregard someone’s political liberty.

BE HONEST

Has God’s whole heart captured your whole life?
